## **The essence of this message...**

**“The essence of this message is to have My children see the awful things coming to them should they not heed the message to get out or to abandon ALL of their RELIGIONS & religious ways and come into My rest!”**

Thus says my Master Yahuweh/Yahushua!

Read the whole impact and utter importance of this message and the reason why our Master is calling us all to abandon our usual ways of worship on page 43.

About these books....

**...of those having been slain for the Word of Elohim and for the witness which they held...**

**... or he who encourages, in the encouragement; or he who is sharing, in sincerity...**

This is another book in the on going series of books I have been instructed to write. All entries are geared to bear witness of the TRUTH about our Creator and about the doctrines which we were taught and have practiced and continue to practice until this very moment of the age.

These series of books could become your weapon in the dark days ahead because they contain a journal—a testimony of how I have come to experience this TRUTH in spite of my many sins and failures for the simple reason that the time is due for

our Creator to reveal this TRUTH to us by all means and instruments available including my testimony in these series of books.

Thus our Creator shall enable all of His children to know this TRUTH and choose rightly in order not only to survive in the dark days ahead but to survive victoriously for His esteem and honor!

And so this testimony continues with this *pivotal edition* for the rest of the books. As anyone reads this issue should anyone cares to read the rest of these series of books all they need is to send me an email and request them:

## My door is shut!

No one allowed to disturb for as long as my Master deems necessary...

*From My Presence in My beloved Thia's journal...*

Sunday, April 11, 2010 (12:00 am).

My door is shut O my Master—my Beloved Yahuweh/ Yahushua I will not allow anyone to disturb me during this time You are giving unto me to fast and to pray. This is a drastic measure that You are empowering me to take and I pray that You manifest and make Yourself real to me now more than ever before! I have nothing to fear for You Who are living within me are far greater than their deity up above the sky. And as it is written so it is for me,

1 John 4:1-21

BELOVED, DO not put faith in every spirit, but prove (test) the spirits to discover whether they proceed from Our Creator; for many false prophets have gone forth into the world.

By this you may know (perceive and recognize) the Spirit of Our Creator: every spirit which acknowledges and confesses the fact that Messiah Yahushua actually has become man and has come in the flesh is of Our Creator has Our Creator for its source; And every spirit which **does not acknowledge and confess that Messiah Yahushua has come in the flesh** but would annul, destroy, sever, disunite Him is not of Our Creator does not proceed from Him. This non-confession **is the spirit of the anti Messiah**, of which you heard that it was coming,

and now it is already in the world. Little children, you are of Our Creator you belong to Him and have already defeated and overcome them the agents of the anti Messiah, because He Who lives in you is greater (mightier) than he who is in the world. They proceed from the world and are of the world; therefore it is out of the world its whole economy morally considered that they speak, and the world listens (pays attention) to them.

We are children of Our Creator. Whoever is learning to know Our Creator—progressively to perceive, recognize, and understand Our Creator by observation and experience, and to get an ever-clearer knowledge of Him listens to us; and he who is not of Our Creator does not listen or pay attention to us. **By this we know (recognize) the Spirit of Truth and the spirit of error.**

Beloved, let us love one another, for love is (springs) from Our Creator; and he who loves his fellowmen is begotten (born) of Our Creator and is coming progressively to know and understand Our Creator—to perceive and recognize and get a better and clearer knowledge of Him. He who does not love has not become acquainted with Our Creator—does not and never did know Him, for **Our Creator is love.**

In this the love of Our Creator was made manifest (displayed) where we are concerned: in that Our Creator sent His Son, the only begotten or unique Son, into the world so that we might live through Him. (In this is love: not that we loved Our Creator, but that He loved us and sent His Son to be the propitiation (the atoning sacrifice) for our sins. Beloved, if Our Creator loved us so very much, we also ought to love one another.

No man has at any time yet seen Our Creator. But if we love one another, Our Creator abides (lives and remains) in us and His love (that love which is essentially His) is

brought to completion (to its full maturity, runs its full course, is perfected) in us!

By this we come to know (perceive, recognize, and understand) that we abide (live and remain) in Him and He in us: because He has given (imparted) to us of His Set Apart Spirit. And besides we ourselves have seen (have deliberately and steadfastly contemplated) and bear witness that the Father has sent the Son as the Savior of the world. Anyone who confesses (acknowledges, owns) that Yahushua is the Son of Our Creator, Our Creator abides—lives, makes His home in him and he abides, lives, makes his home in Our Creator.

And we know—understand, recognize, are conscious of, by observation and by experience and believe—adhere to and put faith in and rely on the love Our Creator cherishes for us. Our Creator is love, and he who dwells and continues in love dwells and continues in Our Creator, and Our Creator dwells and continues in him. In this union and communion with Him love is brought to completion and attains perfection with us, that we may have confidence for the day of judgment with assurance and boldness to face Him, because as He is, so are we in this world.

There is no fear in love dread does not exist, but full-grown (complete, perfect) love turns fear out of doors and expels every trace of terror! For fear brings with it the thought of punishment, and so he who is afraid has not reached the full maturity of love is not yet grown into love's complete perfection.

We love Him, because He first loved us. If anyone says, I love Our Creator, and hates (detests, abominates) his brother in Messiah, he is a liar; for he who does not love his brother, whom he has seen, cannot love Our Creator, Whom he has not seen. And this command (charge, order, injunction) we have from Him: that he who loves Our Creator shall love his brother **believer** also.

And so my Master—my Beloved Yahuweh/Yahushua for the looks of the situation that is developing these ones are not my believer brothers yet. But I know that You sent me to them. And I know that You are leading me to take this drastic measure to make an impression on these ones. I pray my Master for Your strength and power to follow through for as long as it takes to turn things around towards You! It is now 1:22 am and I am going back to bed and pray that You give Your beloved sleep.

Well, it was not meant for me to sleep but to pray. I thank You for the privilege to agonize in this Garden of agony for the sin of our human nature as Yahushua did some 2000 years ago. I know that You have heard me and You will answer me in due time. For the hour of Your impaling has long taken place and we are now only tying up the last strands of agony for the corruption that invades not only the world at large but also our own self natures before Your return can take place. For You are coming back for a perfect Bride! It's now 2:07 am and I am awake and ready to continue with my task.

Sunday, April 11, 2010 (5:05 am-6:44 am).

As it is I went to sleep instead and now I am still sleepy and having a hard time waking up. Maybe I should sleep some more. It's now 6:27 am and at last I am awake! It's now 6:44 am I will continue now with this record. Yes! You are coming back for a perfect Bride therefore it is necessary that each member of Your

Bride's body must be whitened and cleansed thoroughly by the power of Your Set Apart Spirit. And we must shape up and heed Your Set Apart Spirit in all the warnings that are coming forth not only in these recordings of mine but also in the recordings of a few other selected vessels of Your choosing.

As far as the spirit of the anti-Messiah who is to come it is already in the world and it has been from the beginning. Unfortunately this monster spirit has gotten a hold of Your beautiful and chosen ones in this part of the world and it seems like a total impossibility to turn them around as far as the scope of my puny imagination. But with You ALL things are possible! So I refuse to give up on them and I refuse to despair and relent from the task You have assigned unto me no matter what it takes for me to continue. For I positively know that You are in control of every minute detail in my life and in the life of ALL of Your children including Cain! For I surely have no conception of who will I meet in the Kingdom. I only know for sure that the Son of Perdition and all of his cohorts WILL NOT be there for You have created the lake of fire to burn him for eternity!

And I know for You are showing it to me clearly my Master—my Beloved Yahuweh/Yahushua that Your purpose to expose this Monster of the anti-Messiah is to open the eyes of Your chosen children and empower them to renounce this Monster of the anti-Messiah who denies that Yahushua is Your Son. And with that

knowledge You are empowering me to continue in this task that You have assigned to me.

And so I am going on and on! Undaunted and fearless! For I know that You delight in me and I bring joy to Your heart and Your delight and joy in me are my strength and shield! O HalleluYah! HalleluYah! HalleluYah!

*“My child—My beloved Thia what words are there to express the burst of joy and delight that you bring to My Being at every step of your lovely life in My Presence!*

*“You are so beautiful and it delights My heart because you remain humble even when I let you know such things of your beauty and the delight and joy that you bring to My Being!*

*“Yes! My child—My precious and beloved Thia you are most especial to Me! And yes you will have more than enough of My strength to accomplish this drastic measure that you must take at this moment of time!*

*“Go out today and get enough ink to print all these things that I have had you record so far. And do not worry about money nor about what or when you are to take the next step in this journey. Remember DO NOT let money get in the way of the work that I have assigned to you.*

*“Yes! My child—My most precious and beloved Thia indeed! I am with you and I NEVER leave nor forsake you! Go on always singing your HalleluYahs unto Me for My delight and joy!”*

HalleluYah! HalleluYah! HalleluYah! Forever I will sing!  
HalleluYah! HalleluYah! HalleluYah!

## **Perhaps this drastic measure is not taken seriously...**

**But You know my Master that I need to be alone with You for whatever long it takes for You to communicate the message that I am carrying for Your people. So here I am ready and willing to obey You with my heart replete with thanksgiving and worship of You for You are worthy!**

### **From My Presence in My beloved Thia's journal...**

Sunday, April 11, 2010 (2:00 pm).

O my Master—my Beloved Yahuweh/Yahushua this journal goes on. I just came back from getting the ink and paper needed to finish the work as per Your instructions. I also announced to my friend my intentions to remain in my room fasting and praying for undetermined amount of days.

It seems that my friend does not understand the importance of this drastic measure that I am taking and he seems to think that I am not serious about it.

But You know everything about me and what they think about me and You know what You require of me.

You know that I need to be alone with You for whatever long it takes for You to communicate the message that I am carrying for Your people.

So here I am ready and willing to obey You with my heart replete with thanksgiving and worship of You for You are worthy! And my whole being waits expectantly for the manifestation of Your Being for my joy and delight! It's 10:35 pm going back to bed

HalleluYah! HalleluYah! HalleluYah!  
Forever I will sing!  
HalleluYah! HalleluYah! HalleluYah!

## Why fast and pray?

**“I see how you have always known that something is amiss with all such practices but you cannot quite understand or explain what is it that is amiss with all such practices among My children. My child—My beloved Thia My children walk and live amiss because My children refuse to give up their own understanding of everything on and under and above the earth. And My children are heavily depending on their feelings or emotional senses.”**

### **From My Presence in My beloved Thia’s journal...**

Monday, April 12, 2010 (1:27 am).

O my Master—my Beloved Yahuweh/Yahushua why fast and pray? Before You started Your walk among people You fasted for 40 days. And many of times You have quickened me to fast. I will see now what it is written about fasting. It is written,

Leviticus 16:29-34 It shall be a statute to you forever that in the seventh month—nearly October on the tenth day of the month you shall afflict yourselves by fasting with penitence and humiliation and do no work at all, either the native-born or the stranger who dwells temporarily among you. For on this day atonement shall be made for you, to cleanse you; from all your sins you shall be clean before our Creator. It is a Sabbath of solemn rest to you, and you shall afflict yourselves by fasting with penitence and humiliation; it is a statute forever.

And the priest who shall be anointed and consecrated to minister in the priest's office in his father's stead shall make atonement, wearing the set apart linen garments;

He shall make atonement for the Set Apart Sanctuary, for the Tent of Meeting, and for the altar of burnt offering in the court, and shall make atonement for the priests and for all the people of the assembly.

This shall be an everlasting statute for you, that atonement may be made for the Israelites for all their sins once a year.

And Moses did as our Creator commanded him.

O my Master—my Beloved Yahuweh/Yahushua how sternly the above Scriptures are quoted to me and how strictly Your people are now set in performing these commandments that are meant to be an everlasting statute for us. Yet Master Yahushua You said,

Matthew 5:17-20 Do not think that I have come to do away with or undo the Law or the Prophets (the Law and the Prophets is a term used for the pre-Messianic Scriptures); I have come not to do away with or undo but to complete and fulfill them. For truly I tell you, until the sky and earth pass away and perish, not one smallest letter nor one little hook identifying certain Hebrew letters will pass from the Law—the Torah until all things it foreshadows are accomplished.

Whoever then breaks or does away with or relaxes one of the least important of these commandments and teaches men so shall be called least important in the kingdom of heaven, but he who practices them and teaches others to do so shall be called great in the kingdom of heaven. For I tell you, unless your righteousness—your uprightness and your right standing with your Father who is in the heavens is more than that of the scribes and Pharisees, you will never enter the kingdom of heaven.

*“My child—My beloved Thia I see your wrestling with all the different interpretations and assumptions made out of My words. And I see your wrestling about the different practices and ways that My children are set on. And I see how you have always known that something is amiss with all such practices but you cannot quite understand or explain what is it that is amiss with all such practices among My children.*

*“My child—My beloved Thia My children walk and live amiss because My children refuse to give up their own understanding of everything on and under and above the earth. And My children are heavily depending on their feelings or emotional senses.*

*“Therefore throughout the ages I have selected a few especial vessels to carry the TRUTH about My Being and My ways. This TRUTH is unchangeable and ALL my selected vessels carry this unchangeable TRUTH impeccably without any deviation whatsoever!*

*“Unfortunately because My children refuse to give up their own understanding of everything on and under and above the earth; and because My children are heavily depending on their feelings or emotional senses My children do not mind My selected vessels. Indeed! My children for the most are unable to even recognize My selected vessels and they grab on to whatever vessel is carrying a message of their liking.*

*“Thus is the human nature of mankind. Therefore the many religions and beliefs have enslaved My children to the point of eternal death! And you are wondering My child—My beloved Thia you are wondering as to how in the world am I going to set My children free from all those religions and beliefs*

*which My children have willfully and freely chosen for their master and king instead of Me?*

*“My precious child—My beloved Thia in the midst of your wondering you know how I am doing it but it is not quite that simple to explain or to define because My doings have no explanation or definition suitable to the human mind!*

*“Yet My child—My beloved Thia everyday you come more and more into the knowledge of My secret doings by your simple obedience to My daily instructions even when you don’t understand one iota of how I am doing it all and such lack of understanding is causing you a lot of discomfort!*

*“But in My part My child—My precious Thia I am just delighted to see your rejoicing in the midst of all the discomforts that you are suffering. And I am delighted to bring to your remembrance that the discomforts that you are suffering are nothing comparing to the atrocities that your Messiah and all My servants from past and present have had to suffer.*

*“Nonetheless My child—My beloved Thia do not trouble yourself because you are no longer beaten with the rod that you have been beaten all of your life. For the atrocities that you have suffered are not any lesser than the atrocities that all My servants of past and present had to suffer even though those atrocities were the result of your own sin.*

*“Yet My precious child—My beloved Thia I have set you FREE and you are no longer to experience the rod of chastisement because you are free indeed and I have empowered you to live above all the adversities and disappointments and discomforts from this lower realm of human life and I have raised you to live in the supernatural realm next to My heart; thus is My aim to do with all of My*

*children though that you don't understand how I am doing it!*

*“And it amuses Me to see you snickering because you know that it is written that only a small remnant shall be saved. But My child you have no comprehension of the things I said and do so you have no comprehension of My numberless remnant. But you know that I would do just what I said I would do so you snicker but your snickering is only amusing to Me because I know your utter inability to comprehend these things but you go along believing in Me just the same!*

*“O what a delight you are to Me My child—My beloved Thia! Here you are bidding My instructions to fast and pray even when you are not quite sure of what you are doing! O I tell you My child you delight My heart! And yes I will strengthen you to do this supernatural fast for My honor and esteem and the life of the people I have given unto you!*

*“So My child—My beloved Thia you are asking Me why fast and pray? And the answer is obvious as it is written in Leviticus 16 where I decreed that a day of fasting and prayer for atonement shall be made for you to cleanse you. And through fasting and prayer you shall atone for all your sins; and you shall be clean before your Father who is in the heavens as it is written,*

It shall be a statute to you forever that in the seventh month—nearly October on the tenth day of the month you shall afflict yourselves by fasting with penitence and humiliation and do no work at all, either the native-born or the stranger who dwells temporarily among you. For on this day atonement shall be made for you, to cleanse you; from all your sins you shall be clean before our Creator. It is a Sabbath of solemn rest to you,

and you shall afflict yourselves by fasting with penitence and humiliation; it is a statute forever.

“If only My children do what I call them to do in the way that I mean things to be done! O yes, My children do struggle to obey My commandments and fast and pray but again, they are struggling with their own human power and ability without submitting their will to My will.

“Thus My children insist in doing what seems good to them and their peers and nothing else! And year after year after year they repeat the same rituals exactly what Yahushua Messiah told them NOT to do! For Yahushua Messiah told them clearly as it written and you quoted above in Matthew 5:17-20 and verse 20 clearly states,

For I tell you, unless your righteousness—your uprightness and your right standing with your Father who is in the heavens is more than that of the scribes and Pharisees, you will never enter the kingdom of heaven.

*“My child—My beloved Thia truly, unless your righteousness—your uprightness and your right standing with your Father who is in the heavens is more than that of the scribes and Pharisees, you will never enter the kingdom of heaven. And it is also clearly written,*

Matthew 23:1-39 THEN YAHUSHUA said to the multitudes and to His disciples, The scribes and Pharisees sit on Moses’ seat **of authority**. So observe and practice all they tell you; but **do not do** what they do, for they preach, but **do not practice**. They tie up heavy loads, hard to bear, and place them on men’s shoulders, but they themselves will not lift a finger to help bear them.

They do all their works to be seen of men; for they make wide their phylacteries (small cases enclosing certain Scripture passages, worn during prayer on the left arm and forehead) and make long their fringes worn by all male Israelites, according to the command. And they take pleasure in and thus love the

place of honor at feasts and the best seats in the synagogues, And to be greeted with honor in the marketplaces and to have people call them rabbi.

But you are not to be called rabbi (teacher), for you have one Teacher and you are all brothers. And do not call anyone in any congregation on earth father, for you have one Father, Who is in heaven. And you must not be called masters (leaders), for **you have ONE Master—Leader—the Messiah**. He who is greatest among you shall be your servant. Whoever exalts himself with haughtiness and empty pride shall be humbled (brought low), and whoever humbles himself—whoever has a modest opinion of himself and behaves accordingly shall be raised to honor.

*“My child—My beloved Thia the leaders of My children are not only the ones sitting in Moshe’s seat but they are the leaders sitting in the place of authority in all religions. And as much humility as the leaders of My children claim to have they most certainly do not heed the words spoken by your Messiah Yahushua in many different ways not just in the chapter quoted here.*

*“Therefore My child—My beloved Thia I must compel you along with all My servants to proclaim Yahushua’s words loudly and clear again and again. That chapter continues with very strong words addressed not only to the scribes and Pharisees of that time but also for all the scribes and Pharisees and teachers and preachers and leaders of all religions. **HEED My children HEED** for it is written in the whole of this chapter plus in many other chapters where I admonish My children likewise Yahushua did in Matthew 23:1-39.*

*“Why do My children insist in doing the same things that the scribes and Pharisees were in the past and are doing now in the present? Why are My children so intent in all of these*

*colossal gatherings while My harvest field withers for lack of laborers? Why are My children so intent in the study of My Torah or My written words in whatever religion but are never able to practice them? Why do My children keep following one or another leader and calling and exalting man exactly as Yahushua Messiah told them not to do?*

*“Simply My child—My beloved Thia because of the human nature ingrained within them. Yet though many shall die in their sins it will only be because those are the ones who do not belong to Me.*

*“Therefore My child—My beloved Thia all My children shall eventually hear and answer My call and will heal and restore them and prepare them for My soon return. And you need not to concern yourself with the ones who tough they hear My call they refuse to submit their will and mind to Me because they do not belong to Me.*

*“I know how hard it is for you to comprehend how your closest friends and relatives could die in their sins but remember that Judas was among Yahushua’s first selected twelve and he answered My call yet he was a devil a son of perdition therefore he refused to submit his will and mind to Me. Such things are beyond the human mind’s grasp so there is no need for you to dwell in such things.*

*“But I have given you My Word—My solemn promised to you to do good for your children and for all the ones I have selected to cross your path of life. You must keep your focus on Me and My Word to you even though that the whole spectrum of all the people you have met and have been acquainted with seems so bleak and devoid of any hope that they are minding any of what you stand for as My witness and My servant. Remember I am in control and I will keep My solemn promise to you!*

*“So why fast and pray My child—My beloved Thia? To atone for your sins and the sins of My children and complete what is lacking in the rest of My children to fully receive the offering of the body of Yahushua Messiah once for all by which you have been set apart as My chosen children destined to stand in My Presence and fellowship with Me and by all means destined as inheritors of My Kingdom along with Yahushua your Messiah!*

*“So what is the fast that I have chosen against the fast that My children have invented to keep to satisfied the lust of their minds to supersede in goodness without My power? My child—My beloved Thia it is as it is written,*

Isaiah 58:1-14

CRY ALOUD, spare not. Lift up your voice like a trumpet and declare to My people their transgression and to the house of Jacob their sins!

Yet they seek, inquire for, and require Me daily and delight externally to know My ways, as if they were in reality a nation that did righteousness and forsook not the ordinance of their Father in the heavens. They ask of Me righteous judgments, they delight to draw near to their Father in the heavens in visible ways.

Why have we fasted, they say, and You do not see it? Why have we afflicted ourselves, and You take no knowledge of it? Behold O Israel, on the day of your fast **when you should be grieving for your sins**, you find profit in your business, and **instead of stopping all work, as the law implies you and your workmen should do** you extort from your hired servants a full amount of labor.

The facts are that you fast only for strife and debate and to smite with the fist of wickedness. Fasting as you do today will not cause your voice to be heard on high.

Is such a fast as yours what I have chosen, a day for a man to humble himself with sorrow in his soul? Is true fasting merely mechanical? Is it only to bow down his head like a bulrush and to spread sackcloth and ashes under him to indicate a condition of heart that he does not have? Will you call this a fast and an acceptable day to your Father in the heavens?

*Rather* is not this the fast that I have chosen: to loose the bonds of wickedness, to undo the bands of the yoke, to let the oppressed go free, and that you break every *enslaving* yoke? Is it not to divide your bread with the hungry and bring the homeless poor into your house—when you see the naked, that you cover him, and that you hide not yourself from ***the needs of*** your own flesh and blood?

Then shall your light break forth like the morning, and your healing (your restoration and the power of a new life) shall spring forth speedily; your righteousness (your rightness, your justice, and your right relationship with Your Father in the heavens) shall go before you ***conducting you to peace and prosperity***, and the esteem of your Father in the heavens shall be your rear guard.

Then you shall call, and your Father in the heavens will answer; you shall cry, and He will say, Here I am. If you take away from your midst yokes of oppression ***wherever you find them***, the finger pointed in scorn ***toward the oppressed or the righteous***, and every form of false, harsh, unjust, and wicked speaking, and if you pour out that with which you sustain your own life for the hungry and satisfy the need of the afflicted, then shall your light rise in darkness, and your obscurity and gloom become like the noonday.

And your Father in the heavens shall guide you continually and satisfy you in drought and in dry places and make strong your bones. And you shall be like a watered garden

and like a spring of water whose waters fail not. And your ancient ruins shall be rebuilt; you shall raise up the foundations of *buildings that have laid waste for* many generations; and you shall be called **Repairer of the Breach, Restorer of Streets to Dwell In.**

If you turn away your foot from *traveling unduly on* the Sabbath, from doing your own pleasure on My set apart day, and call the Sabbath a *spiritual* delight, the set apart day of your Father in the heavens honorable, and honor Him and it, not going your own way or seeking or finding your own pleasure or speaking with your own *idle* words,

Then will you delight yourself in your Father in the heavens, and I will make you to ride on the high places of the earth, and I will feed you with the heritage promised for you of Jacob your father; for the mouth of your Father in the heavens has spoken it.

*“My child—My beloved Thia such is the fast that I have chosen! And such a fast is not only for once a year as the experts interpreters of My Word claim it to be. But such is My fast as a norm of life for My children!*

*“And you My child—My beloved Thia have been living such a life for quite some time now therefore you delight yourself in your Father in the heavens—and in My Presence within your being!*

*“Nonetheless My child—My beloved Thia there are times as the present time that your separation unto Myself alone and your fasting from the everyday chit chat which consumes My children is absolutely necessary to atone for their willfulness and rebel lioness to Me!*

*“And I will answer you and My words shall come alive within you and a reality in your life and the life of My children in the path of your life as they are written,*

Then shall your light break forth like the morning, and your healing (your restoration and the power of a new life) shall spring forth speedily; your righteousness (your rightness, your justice, and your right relationship with Your Father in the heavens) shall go before you ***conducting you to peace and prosperity***, and the esteem of your Father in the heavens shall be your rear guard. Then you shall call, and your Father in the heavens will answer; you shall cry, and He will say, Here I am. If you take away from your midst yokes of oppression ***wherever you find them***, the finger pointed in scorn ***toward the oppressed or the righteous***, and every form of false, harsh, unjust, and wicked speaking, and if you pour out that with which you sustain your own life for the hungry and satisfy the need of the afflicted, ***then shall your light rise in darkness, and your obscurity and gloom become like the noonday.***

*“Thus My child—My precious and beloved Thia with these words I am empowering you to perform this most drastic measure which I have called you to perform. You are now prepared to remain in this room fasting and praying for as long as I see fit for you to do!”*

HalleluYah! HalleluYah! HalleluYah! I shall continue to sing forever and ever as I delight in Your Presence!

HalleluYah! HalleluYah! HalleluYah!

## **Am I against the assembly? Far from it! But my Master is tearing it down...**

“I am appalled with their assembly because My children are putting the assembly ahead of Me! My children have gone backwards to practice the ancient rituals before they allow Me to wash their feet because My children have yet to discern the difference between what is carnal and of the flesh and what is spiritual and of My Set Apart Spirit.”

“My children for the most are still depending on their minds and feelings or their own understanding and their senses. And it seems preposterous to them to give up such and submit themselves to Me. Therefore My child—My beloved Thia I am tearing down their assemblies as I tore down their Temple to build it up again without human hands.”

### **From My Presence in My beloved Thia's journal...**

Tuesday, April 13, 2010 (2:45 am).

O my Master—my Beloved Yahuweh/Yahushua You know that I have been up since around 1:30 am and that I have been intensely working to do the final setting before I print and make the books. And You know that I have not recorded anything in this journal since 1:27 am – 9:30 am after I recorded the immense treasure that You gave me on fasting and prayer because I spent the whole day re-designing the cover for the next set of books and then I began to double check the first set of books before I make the final printing. I am being very careful not to waste anymore ink and paper therefore

I am taking my time making sure that everything is perfectly set up and that all the entries are according to Your will and purpose. I am now going back to my task. I thank You for Your blessings. I also thank You for lifting me up to Your throne of favor to intercede and atone for my children and friends in this time of fasting and prayer.  
Tuesday, April 13, 2010 (10:52 am).

O my Master—my Beloved Yahuweh/Yahushua thank You for giving me the time to go over the books with extreme care. I have been revising and editing and making things more clear for better understanding. I am now on my 2<sup>nd</sup> day of fasting and I feel wonderful! Thank You for giving me the privilege to fast. It's so good to have the opportunity to give You my undivided attention! And though the normal thoughts of wondering why people do not come to visit me cross my mind those thoughts no longer bother me. I rather thank You for having this time with You alone!

Tuesday, April 13, 2010 (7:09 pm).

This has been a very frustrating afternoon because I have revised so much and now I have lost certain records and I can't find them. I pray my Master that You enlighten me how to proceed because I am exhausted. I will now take a break and see what happens next.

Tuesday, April 13, 2010 (10:53 pm).

O my Master—my Beloved Yahuweh/Yahushua at this moment I am troubled about the assembly. **Because I have written so much about how appalled You are with the assembly many if not all think that I am against the assembly. Far from it!** I am only appalled just like You as I watch the degeneration of the assembly from a set apart one to what it is today. Why can the people not grasped how it grieves You for Your people to assemble to practice religious rituals instead of assembling in true worship of You?

*“My child—My beloved Thia one by one My children are beginning to understand the reason why I am appalled with their assembly. For one by one are coming to realize that they are putting the assembly ahead of Me! My children have gone backwards to practice the ancient rituals before they allow Me to wash their feet because My children have yet to discern the difference between what is carnal and of the flesh and what is spiritual and of My Set Apart Spirit.*

*“My children for the most are still depending on their minds and feelings or their own understanding and their senses. And it seems preposterous to them to give up such and submit themselves to Me. Therefore My child—My beloved Thia I am tearing down their assemblies as I tore down their Temple to build it up again without human hands! How am I doing such?*

*“I am doing it by raising up the simple ones as pillars for this structure. These simple ones are not conspicuous for I have kept them practically hidden from the glamour of this world. And just as I have done through the ages these simple ones are not approved by the public. Yet My children are beginning to recognize these simple ones as they are beginning to recognize you.*

*“Thus is the importance of the reason why I am separating you in this room to fast and pray for an indefinite period of time. Because it is imperative that My children come to terms with the fact that you are one of those simple ones of My choosing and you are truly set apart as a pillar for the Set Apart Assembly built without human hands.*

*“And thus My children will eventually come together to complete My building set on the solid foundation—the Rock of My Set Apart Spirit. And all of these appalling gatherings and assemblies and organizations shall come to an end but the gates of hell shall not prevail against My Set Apart Assembly built without human hands and on the solid foundation—the Rock of My Set Apart Spirit! Just as Yahushua Messiah spoke it!*

Mark 14:58

*“We heard Him saying, ‘I shall destroy this Dwelling Place that is made with hands, and within three days I shall build another made without hands.’ “*

Matthew 16:18

*And I tell you, you are Kepha—Peter (Greek, Petros—a large piece of rock), and on this rock (Greek, petra—a huge rock like Gibraltar) I will build My assembly, and the gates of Hades (the powers of the infernal region) shall not overpower it (or be strong to its detriment or hold out against it).*

***“And so My child—My beloved Thia all things are coming together for you to set your mind and your senses at ease so you can endure to complete on your part of Yahushua Messiah’s afflictions for the sake of His body, which is the Assembly as Shaul stated just like it is written,***

Colossians 1:9-23,24

*And this He will do provided that you continue to stay with and in the faith in Messiah, well-grounded and settled and steadfast, not shifting or moving away from the hope which rests on and is inspired by the glad tidings (the Gospel), which you heard and which has been preached as being designed for and offered without restrictions to every person under heaven, and of which Gospel I, Paul, became a minister. Even now I rejoice in the midst of my sufferings on your behalf. And in my own person ***I am making up whatever is still lacking and remains to be completed on our part of Messiah’s afflictions for the sake of His body, which is the Assembly.****

***“Therefore My child—My beloved Thia rejoice in the midst of your sufferings for I am with you to strengthen and to rejoice and delight Myself in you! And besides you have a lot to do and rejoice about!”***

HalleluYah! HalleluYah! HalleluYah!

## **Ominous & dreadful times coming! Yet Your people scoff...**

**For such times coming have been announced for thousands of years but the announcers of such awful times never saw them coming to fulfillment. Therefore Your people are in total denial of what is about to happen even within a couple of years!**

### **From My Presence in My beloved Thia's journal...**

Wednesday, April 14, 2010 (3:11 pm).

O my Master—my Beloved Yahuweh/Yahushua this day is almost gone and the middle of this month will soon be here just as swift as it has never been. Again my feelings of dejection continue for there is no attempt from anyone to even call me on my mobile. But I refuse to reason out why are things the way they are.

For it seems to me that the ominous times coming have been announced for thousands of years and the announcers of such awful times never saw them coming to fulfillment. Therefore Your people are in total denial of what is about to happen and I even find myself wondering as I remember John the Baptizer did, when he asked “Are You the One?” Nonetheless I emphatically refuse such wondering thoughts. Instead I lift up my whole being unto You and worship while I offer You the living sacrifice of my body as I fast and pray and as it is my reasonable service.

Whatever is happening and will happen within the next few months seems so far fetched! And as I call upon You to spare Your people while I wonder who are Your people? I come to the book of Joel and cry and weep as I have done for years but

I weep for no longer that what it takes to read the few verses and then begin to read Your merciful answer and I wonder as to how long am I suppose to fast and weep before I obtain such answer? Suddenly! I have realized that I like everybody else are only counting in Your merciful answer but as far **as our weeping with repentance and abhorrence for our sins there is hardly any!** And my whole emotional system goes kaput with despondency wondering “What is it all about? What do You want me to do? Is there any reason for my existence? Is there any hope for my unbelieving children and my friends? What, what must I do?”

*“My child—My beloved Thia stop such foolishness! I will not allow you to wonder and ponder in such matters! You must continue with your task and you must remain in this room fasting and praying until I see fit for things to change. You have absolutely nothing to fear!*

*“On the contrary you have all the reason more so to weep and plead for My mercy because unless you and the few others I have called continue with their tasks many could perish. But it is not My will that any should perish therefore I am sustaining all of My chosen vessels chosen for this task at the times you are passing through!*

*“You are pleasing Me and I am hearing your pleas. Only the answers must come through the much heavy, heavy fighting and wrestling that is going on in the spiritual realm for the souls of My children including your children and friends!*

*“Therefore DO NOT DESPAIR! And PRESS ON! It won’t be long now as you will soon see!”*

## **Not jolly anymore! TRUTH is thrown down on the street**

**...and the ones proclaiming it are despised!**

**Can they control me with kindness? Hardly! I  
refuse to compromise...**

### **From My Presence in My beloved Thia's journal...**

Wednesday, April 14, 2010 (7:56 pm)

Well my Master—my Beloved Yahuweh/Yahushua I was already in bed thanking You for giving Your beloved sleep when there was a knock on my door and I hurry to open the door only to find the sweetest one of my friends standing there with a box in her hand containing ink and a printer and such!

O my Master—my Beloved Yahuweh/Yahushua I really do not need that printer and I cannot use the ink but I am so delighted for my friend to think of me and my ink need! HalleluYah! Truly You are bringing us together one by one! Out of all things a parallel printer! Maybe You can give me the smarts to convert it into a USB printer for all things are possible with You! HalleluYah! and now I am not sleepy anymore so I am going to back to my task!

Thursday, April 15, 2010 (1:07 am).

Here I am my Master—my Beloved Yahuweh/Yahushua in a better mood than what I was in yesterday I think...though that my emotions fluctuate like crazy so I am not going by what kind of mood I am in! My whole aim and purpose is to go by Your mood and pleasure and I believe that You are ingraining such within me so I am just going to flow along with the knowledge that Your mood towards me is totally awesome because

You delight in me and You know that I love You because I obey You! That's all that matters: to obey You!

Wow! That was a long paragraph I just wrote! And I have no idea of how I come up with all of these things that I type! Let me read what I wrote and see if it makes any sense...ha! It does make sense to me... wonder if it makes sense to anybody else! I am going back to my task and come back to this record later when I might be in a more sensible mood!

Friday, April 16, 2010 (12:59 am).

Here I am again my Master—my Beloved Yahuweh/Yahushua at midnight. I have been up since before midnight but I was busy printing books while I was communing with You so I did not start recording until now.

It's now 3:02 am and I have been in prayer crying unto You for my children and the people You have given unto me. There are several passages of Scripture and secrets that You reveal to me while in prayer.

This morning You have shown me more clear than ever the monster strong man in the spirit of the anti-Messiah that is taking over the whole world in the guise of RELIGION!

And You brought to my remembrance the fact that we must fight while we are building the walls of Your city built without human hands as the Yehudites were doing in Nehemiah chapter 4 while they were building the walls around the old Yerushalayim. It is only the beginning of the birth pangs and, already the monstrosity of the fangs of the enemy is enough to scare us stiff! And yet, it is written,

Nehemiah 4:14

I looked them over and rose up and said to the nobles and officials and the other people, ***Do not be afraid of the enemy; earnestly remember Yahuweh and imprint Him on your minds and hearts—as great and terrible, and take from Him courage to fight for your brethren, your sons, your daughters, your wives, and your homes.***

Friday, April 16, 2010 (7:00 am).

O my Master—my Beloved Yahuweh/Yahushua on last September of 2009 You inspired me to write a brochure titled *‘I am not in a jolly good mood anymore!’* which I will include to end book #6 because it is most appropriate to the state that You have brought my being at the present time. Most certainly I am not in a jolly good mood as I witness all that goes on with Your people.

Friday, April 16, 2010 (11:32 am).

Well my Master—my Beloved Yahuweh/Yahushua You told me a while back that You have toughened me to withstand all the insults received so far and You told me that there would be worse insults coming. This morning I got one of the worse of the worst yet received because I refuse to compromise with my so called friends and I cannot allow them to control me with their kindness. But I did not fully received the impact of the meanness of these people until now. Last night when I finished binding the first set of books I immediately called the one who I thought to be my friend and announced to her that I had finished with the books and they will get the first set to come and get it for I had promised those books to her partner.

And so this morning I called to find out at what time were they coming to get the books but to my shock I got this reply, “We will not come to pick up your books because. we only take books from our friends. When you make up your mind to be our friend then we will pick up your books!” And my lady friend hung up period!

I can hardly believe the awful and ugly spirit driving my friend to behave in such manner! It is totally evil but they are totally unaware of their evil doing!

Truly my Master—my Beloved Yahuweh/Yahushua TRUTH is thrown down on the street and the ones proclaiming it are despised! As it is written,

Isaiah 59:14-15

Justice or right-ruling is turned away backward, and righteousness (uprightness and right standing with our Creator) stands far off; for **truth has fallen in the street** (the city’s forum), and uprightness cannot enter the courts of justice. Yes, **truth is lacking**, and **he who departs from evil makes himself a prey.**

And our Father in the heavens saw it, and it displeased Him that there was no justice or right-ruling.

Of course my Master—my Beloved Yahuweh/Yahushua these ones over here consider themselves to be Your number one selected and chosen by You for these perilous times. Yet not a one that I know is doing anything different than what we used to do in our old congregations! The only thing that has changed is the dates and the set up for the same old rituals with which we are accustomed. Only they think they are doing things right because they are following the ‘Torah’ format and of course they believe themselves to be following this format from their heart therefore they are better off than our brothers and sisters from our former religions.

They think they GOT IT! But You say by their fruits you shall know them. Okay what fruits do I see? I see people gathering together to worship You in much the same old way that is done all over the world. I see people sharing and learning from each other the same old stale lessons from our former studies only with a little spark of what they think is revelation! I see people coming here and settling themselves comfortable then proceeding to look for different forms of entertainment like sightseeing, restaurant eating, meal gatherings and helping each other to enjoy themselves!

When I came here last summer I felt into the trap! But You plucked me out and for better than two months You separated me from the whole religious shebang going on everywhere because it APPALES You! And now that I have departed from all their doings I have fallen prey to their meanness and ugliness! I guess my so called friend expected me to fall apart and begin to beg to return into their good graces! How far from the TRUTH can they be! There is no WAY! Absolutely NO way that I ever return to any kind of religion or fall prey to what they call ‘love’ and ‘understanding’ and ‘kindness’ to tolerate their abominable doings! I want nothing to do with any of them! Unless You open their eyes and convict them of their sin!

## **Truth about the congregation and the commanded festivals...**

### **From My Presence in My beloved Thia's journal...**

Friday, April 16, 2010 (4:08 pm).

O my Master—my Beloved Yahuweh/Yahushua as I pray You speak to my heart and open my eyes and hears to see and hear what Your Spirit is saying to us all in reference to the congregation and the commanded festivals and such! And it all comes together for me as You are showing me that the problem lies in the fact that *Your children are not giving first priority to Yahushua's words but they are giving that priority to all the prophets and messengers throughout the ages beginning with Moshe.* And so they are doing things backwards.

*“Yes My child—My beloved Thia such is the fact. It is just like Yahushua Messiah warned all of My children NOT to do. Therefore they suffer clinging to this earthly life wherever they go on this earth.*

*“But the time has come and it is imperative that My children break away from this earthly grounds and reach My heavens. It is time for My children to literally do what you are doing according to Yahushua's words in Matthew 6:31-33 recorded also in other chapters of My Scriptures.*

*“For unless My children quit worrying about breakfast lunch and dinner and what am I going to wear for this occasion or the other plus all the other worries behaving just like the pagans My children will have to give an account for their careless behavior. There shall be weeping and gnashing of teeth because My children do not want to heed My messengers now!”*

My Master what am I to do? Maybe everybody else is doing Your work and fulfilling Your purpose for their lives but then why are they so upset with me because I do not go along with their doings? Why I see these things and they do not?

I know my Master that perhaps those are impudent questions after all the secrets that You reveal to me. And I do not want to just think those things and brush them by ignoring them. I want to cast those things unto You for You care for me! Can I dare to ask You once again to send me a sign of Your approval? Nay! I will not ask such a thing! Your joy and Your delight in me is my strength. I will wait on You with patience and composure for this mood to pass! It's almost the end of the day and I am tired. this is my 4<sup>th</sup> day of fasting and praying. I will take a break and see if You give Your beloved sleep. Or on second thought maybe I'll get busy preparing the books.

**Weeping! Not my will but Your will be  
done! I am not just ranting like a  
fool...**

**From My Presence in My beloved Thia's journal...**

Saturday, April 17, 2010 (12:47 am).

Not my will but Your will be done Almighty Yahuweh/Yahushua! And it is not Your will that any should perish! Here I am You have made me ready for a time like this! You have done the work of righteousness within me and in You I depend and trust that You will show such works to Your people and cause them to repent of their willful ways and allow You to do this work for them! Such is my midnight prayer on this Shabbath alone with You!

Shabbath Shalom my Master—my Beloved Yahuweh/Yahushua! Shabbath Shalom for ever and ever! Bring us all into Your rest unto this eternal Shabbath that I am now enjoying and celebrating on this 7<sup>th</sup> day of the week! Inscribed in the hearts and mind of Your people the difference between Your mind and the human mind.

Let Your mind prevail for Your people to assimilate what is written and desist of dead rituals about days and dates taken out of the interpretation of the human mind. For it is out of the human mind that come from all of these rituals and practices devoid of Your Presence and of Your Set Apart Spirit.

Yes! O how I long for the solemn congregation in Your Presence by the will and power of Your Set Apart Spirit but not by the will and power of human beings attempting to please You with their self-efforts and righteousness! Because I have yet to

find Your seven thousand who have not bow down to Satan and SELF—the carnal SELF of mankind!

O yes! They get highly insulted enough to kill anyone who questions their SELF-RIGHTEOUSNESS! O how dare I to question the righteous doings of what they call ‘Your anointed’ without having any conception of what ‘anointed’ means or what it is to be ‘anointed’ by Your Set Apart Spirit!

Anointed means to be consecrated. Consecrated means to be set apart for a sacred purpose. Sacred means to be set apart for the service or worship of a deity.

Alright so what’s my beef? Can I see how all of these leaders are all of the above? O yeah? Then how come there is so much MIXTURE in all of their doings? O yes they tell me ALL the right things to do and they ‘teach’ ‘teach’ and ‘teach’ all of these doctrines and ways of man based on the ‘Torah’ or the ‘Bible’ or ‘the WORD’ as they put it! And since ALL of these things that they do and teach are written I am supposed to bow down to them and obey and be teachable!

WOW! My Master—my Beloved Yahuweh/Yahushua is it not that the case of all that it is happening to me? O how I wish that they would have enough gumption to read what I am writing instead of just skimming through my writings with their disdainful attitude! *If they would read and pay mind with a humble heart they would realize that I am not just ranting like a fool but it is You my Master—my Beloved Yahuweh/Yahushua the ONE Who is revealing these things to me and letting me taste some of Your rightful anger with Your people—anger enough to destroy them all if it was not for the Moshes whom You have raised in the name of Yahushua to plead and intercede for this willful and prideful and arrogant people of Yours!*

I am so fed up with ALL of them! Enough to bust the SACRED STONE TABLET on them all as I see them dancing along with the rest of the world to the sacred calf of RELI-

GION! For all of these rituals and gatherings is nothing else but the religious doings of Your people who continue to worship in like manner as the rest of the world in spite of all Your doings in their lives!

Ah! So that what it meant when Moshe busted the SACRED STONE TABLET! Now I know why I feel this rage with all of Your so called ‘good’ and ‘anointed’ people! I am surely having me a good Shabbat already with You revealing these things to me this early in the morning! The only trouble is that Moshe busted the SACRED STONE TABLET but then he had to back up the mountain top again and have You re-write them! And I am thinking I better not be busting anything truly SACRED by You or I will have to go back the steep mountain again! What kind of reasoning is that my Master?

***“My child—My beloved Thia you are so precious My child for you do not realize that you are back at the top of the mountain with Me! For you have seen what My people is doing and you have already busted the first set of My SACRED STONE TABLET and now I have brought you to this lonely room where no one dares to disturb you because I won’t let them come near until I am finish writing all that needs to be written for them to heed Me so I won’t destroy them all with the rest of the pagan world!”***

O my Master—my Beloved Yahuweh/Yahushua this is just too much! So much that I feel I can stay here for more than the 40 days that Moshe stayed at the mountain top with You but I guess I don’t have to worry about that either because that is only my wacky feelings. For in reality—Your reality who knows? But that things change from one moment to the next for me? But I am ready for whatever You have for me! Because You have made me ready!

O how sweet it is to depend on You for even the next breath I take! Should I eat me some nuts right now or should I continue to abstain? The truth of the matter is that for the past 4 or 5 days I have not really given a thought to food but Ahmad already came to inquire

yesterday as to how long I am going to keep this abstaining from food? Maybe if he comes back today I'll give in and accept some of his good cooking if he so desires. But I do believe that I must stay in this room and abstain from all of their doings and empty chit chat that goes on and on as part of this insidious world in which You have me still inhabit! Thank You so much for the immense wit You have given to me to swing my way in this pitiful world I inhabit! But most thankful I am for the rest You have brought in—Your rest!

What is Your rest? People just think of rest as ceasing from work but they are never able to cease from their works! People go on and on working, working and working even when they are at what they call 'rest'! It's rather ridiculous the way Your people keeps the 'Day of Rest'—the Shabbath. This day for some religions falls on Friday and for the Christians it falls on Sunday but for Your chosen people it is decreed by You to be kept on the 7<sup>th</sup> day of the week! This is all well and done by most human beings and Your people. But, do they 'rest' on that day?

O mine! Such a day is the most 'busy' day for most human beings whether they belong to You or not! Between all the rules and regulations on what one must do or not do on the day of rest and all the different ways and customs and traditions of the people you can be so busy! busy enough that can drive one to insanity even in the midst of all the 'rest' respites destined for one's relaxation of mind and body! For even there one cannot find 'rest' for our souls! And we worry and worry even at our own worries!

And so to drawn our worries we take on to dissipation to visit the cafes and nightclubs and such and to drink wine and whiskey and eat luscious foods and carouse around—drink and be merry for tomorrow you may die! It's the norm!

But of course! That does not apply to the righteous religious people who do not drink wine or whiskey? Oh? How about the gorging of luscious foods and getting together to entertain ourselves and pass the time listening to a good preaching or teaching but nothing about it? And what about all those good movies and good TV shows and cartoons that you watch to pass the time instead of redeeming it? not really giving a thought as to what would happen after death! We certainly are a pitiful lot whether we want to admit it or not!

# **The “Abomination that lays waste” What is laid waste? The True Worship!**

**“The essence of this message is to have My children see the awful things that are coming to them should they not heed the message to get out or to abandon ALL of their religions and religious ways and come into My rest.” Says my Master Yahuweh/Yahushua!**

## **From My Presence in My beloved Thia’s journal...**

Saturday, April 17, 2010 (7:04 am).

O my Master—my Beloved Yahuweh/Yahushua I just woke up from many dreams and revelations from You and all I can say is, “O my Master I am weary of writing all of these things! I am just weary because the more I write the less my children and my friends read anything I write no matter how amazing it is!”

My Master—my Beloved Yahuweh/Yahushua You know that is the way it is. So I will write this last thing that You are revealing to me in Your own words as You are revealing it to me and if they read it and heed it is well and if they don’t it is also well as far as my soul is concerned ***but woe to them if they read these things and refuse to accept them for what they are—Your Word appealing to them to repent of their wicked and religious ways and come into a right relationship with You to worship You in Spirit and in Truth not with all these stale old human religious gatherings and rituals!***

*“My child—My beloved Thia the time is coming and it is here now when you shall hear again Messiah prophesying about the end-time in Matthew 24:15, revealing to you that you shall perceive the “Abomination that lays waste ... set up in the set-apart place,” quoting from the Book of Daniel.*

*“My child—My beloved Thia as it is recorded historically, This prophecy by Daniel was filled the first time during the time of Antiochus Epiphanes, but the Messiah was here prophesying about the end-time. Who is the “Abomination that lays waste”?”*

*“My child—My beloved Thia In 2 Maccabees 6:2 (even when you do not regard Maccabees as part of Scripture Maccabees is a historical record) and you will find that in Maccabees this Abomination that lays waste to be Zeus, or Baal Shamen as the Syriac version of 2 Macc. 6:2 renders it—the great sky-deity or sun-deity! Note well: it is in itself an abomination, but it also lays waste. What is laid waste? The True Worship! You can read many passages in My Scripture about the laying waste of the True Worship.*

*“My child—My beloved Thia this is what I am revealing to you at the moment: The True Worship of My Being has already been laid waste in the main religions that My children practice at the present time namely Judaism, Islam-Muslim and Christianity!*

*“Unfortunately My child—My beloved Thia each one of these religion think of the other as the culprit of laying waste the True Worship of My Being not realizing their own guilt!*

*“But the most tragical and horrible event that is now taking place right in front of your eyes is that out of these three religions the Islam-Muslim religion will take over the whole*

***world and in a very short time their deity—none other but the anti-Messiah himself shall sit in My Set Apart Place—My Mountain and for a very short time will conquer the whole world!***

***“My child—My beloved Thia hear and pay mind to My prophet Zechariah because these events prophesied by him are taking place now but My people are totally oblivious to what is going on in the realm of the spiritual world because they are hypnotized by their religions. But it is happening exactly as it is written,***

**Zechariah 14:1-21**

See, a day shall come for the Almighty Creator of heaven and earth, and your spoil shall be divided in your midst. And I shall gather all the gentiles to battle against Yerushalayim. And the city shall be taken, the houses plundered, and the women ravished. Half of the city shall go into exile, but the remnant of the people shall not be cut off from the city.

And the Almighty Creator of heaven and earth shall go forth, and He shall fight against those gentiles, as He fights in the day of battle. And in that day His feet shall stand upon the Mount of Olives, which faces Yerushalayim on the east. And the Mount of Olives shall be split in two, from east to west, a very great valley, and half of the mountain shall move toward the north and half of it toward the south.

And you shall flee to the valley of My mountain – for the valley of the mountains reaches to Atsal. And you shall flee as you fled from the earthquake in the days of Uzziyah sovereign of Yehudah. And the Almighty Creator of heaven and earth my Elohim shall come – all the set-apart ones with You.

And in that day it shall be: there is no light, it is dark. And it shall be one day which is known to the Almighty Cre-

ator of heaven and earth, neither day nor night, but at evening time there shall be light.

And in that day it shall be that living waters flow from Yerushalayim, half of them toward the eastern sea and half of them toward the western sea, in summer as well as in winter. And the Almighty Creator of heaven and earth shall be Sovereign over all the earth.

In that day there shall be one Yahuweh, and His Name one. Or Our Almighty Creator shall be King over all the earth; in that day our Almighty Creator shall be ONE in the recognition and worship of men—TRUE WORSHIP and His name shall only be YAHUWEH.

All the land shall be changed into a desert plain from Geba to Rimmon south of Yerushalayim, and she shall be raised up and inhabited in her place from Binyamin's Gate to the place of the First Gate and the Corner Gate, and from the Tower of Hoanel to the winepresses of the sovereign.

And they shall dwell in her, and there shall be no more utter destruction but Yerushalayim shall be safely inhabited.

And this is the plague with which the Almighty Creator of heaven and earth and of plagues all the people who fought against Yerushalayim: their flesh shall decay while they stand on their feet, and their eyes decay in their sockets, and their tongues decay in their mouths. **(This is what happens when nuclear power hits a human body!)**

And it shall be in that day that a great confusion from the Almighty Creator of heaven and earth is among them, and everyone of them shall seize the hand of his neighbour, and his hand rise up against his neighbour's hand.

And Yehudah shall fight at Yerushalayim as well. And the wealth of all the gentiles round about shall be gathered together: gold, and silver, and garments in great quantities. So also is the plague

on the horse and the mule, on the camel and the donkey, and on all the cattle that are in those camps – as this plague.

And it shall be that all who are left from all the gentiles which came up against Yerushalayim, shall go up from year to year to bow themselves to the Sovereign, Yahuweh of hosts, and to observe the Festival of Booths.

And it shall be, that if anyone of the clans of the earth does not come up to Yerushalayim to bow himself to the Sovereign, Yahuweh of hosts, on them there is to be no rain. And if the clan of Mitsrayim does not come up and enter in, then there is no *rain*. On them is the plague with which Yahuweh plagues the gentiles who do not come up to observe the Festival of Booths. This is the punishment of Mitsrayim and the punishment of all the gentiles that do not come up to observe the Festival of Booths.

In that day “SET-APART TO Yahuweh” shall be engraved on the bells of the horses. And the pots in the House of Yahuweh shall be like the bowls before the altar.

And every pot in Yerushalayim and Yehudah shall be set-apart to Yahuweh of hosts. And all those who slaughter shall come and take them and cook in them. And there shall no longer be a merchant in the House of Yahuweh of hosts, in that day.

WOW! So that is what King Dawid meant in Psalms 51 as it is written,

Psalms 51:16-19

For You delight not in sacrifice, or else would I give it;  
You find no pleasure in burnt offering.

My sacrifice—*the sacrifice acceptable* to our Father in the heavens **is a broken spirit; a broken and a contrite heart—  
broken down with sorrow for sin and humbly and thoroughly penitent**, such, O my Master, You will not despise. Do good in Your good pleasure to Tsiyon; rebuild the walls of Yerushalayim.

Then will You delight in the sacrifices of righteousness, justice, and right, with burnt offering and whole burnt offering; then bullocks will be offered upon Your altar.

HalleluYah! O my Master—my Beloved Yahuweh/Yahushua *it is and it shall be as You have been showing me about all of these festivals—they shall again be celebrated in Your Presence and in the new Yerushalayim forever!* HalleluYah! No wonder why I am so keen to shish-kebabs!

O my Master—my Beloved Yahuweh/Yahushua You know that this beloved child of Yours has no conception of geographical boundaries and it is very hard for me to comprehend such matters. So I am totally and completely depending on You to place me in whatever location You have set apart for me to wait for Your soon and awaited return!

*“O My child—My beloved Thia you are My delight! Don’t you realize that if I would have given you the ability to conceive geographical locations then you will be consumed with such locations instead of the essence of the message that I am giving to you for My children?”*

Ha! So there now! No one has the right to judge and criticize me for my ignorance and lack of interest in such matters! I am just as content to be in the doom ducks in Guatemala as I am to be in the height of Your mountains in the Set Apart Land because wherever geographical place I am at there You are with me! So it is written and I am not making that up,

Psalms 139:7-12

Where could I go from Your Spirit? Or where could I flee from Your presence?

If I ascend up into heaven, You are there; if I make my bed in Sheol (the place of the dead), behold, You are there.

If I take the wings of the morning or dwell in the uttermost parts of the sea, Even there shall Your hand lead me, and Your right hand shall hold me.

*If I say, Surely the darkness shall cover me and the night shall be [the only] light about me, Even the darkness hides nothing from You, but the night shines as the day; the darkness and the light are both alike to You.*

O how sweet it is for Your Word to alive within my being! For it always avails me in all occasions! Though that I catch the heat from many sources who consider me crafty and manipulative because they cannot appreciate the wit that You have given me as I submit my being to Your Living Word—even Yahushua my Master—my Beloved inhabiting the depth of my being! HalleluYah! Now where were You my Master before I burst up with all of these comments?

*“My child—My beloved Thia yes it is sweet and delightful to have My Living Presence within your being! And I want My children to see and notice that it is My Presence in you—My Being—their Creator the very One speaking to you and to them. And I want them to heed and to notice that those words are not coming from you but they are coming from Me!”*

*“The essence of this message is to have My children see the awful things that are coming to them should they not heed the message to get out or to abandon ALL of their religions and religious ways and come into My rest. As it is written,*

Hebrews 4:1-16

THEREFORE, WHILE the promise of entering His rest still holds and is offered today, let us be afraid to distrust it, lest any of you should think he has come too late and has come short of reaching it.

For indeed we have had the glad tidings—Gospel of Our Father in the heavens proclaimed to us just as truly as they the Israelites of old did when the good news of deliverance from bondage came to them; but the message they heard did not benefit them, because it was not mixed with faith (with the leaning of the

entire personality on Our Father in the heavens in absolute trust and confidence in His power, wisdom, and goodness) by those who heard it; neither were they united in faith with the ones Yehoshua and Kaleb who heard—who did believe.

For we who have believed—adhered to and trusted in and relied on Our Father in the heavens do enter that rest, in accordance with His declaration that those who did not believe should NOT enter when He said, As I swore in My wrath, They shall not enter My rest; and this He said although His works had been completed and prepared and waiting for all who would believe from the foundation of the world.

For in a certain place He has said this about the seventh day: **And Our Father in the heavens rested on the seventh day from all His works.** And they forfeited their part in it, for in this passage He said, **They shall not enter My rest.** (Ps. 95:11.)

Seeing then that the promise remains over from past times for some to enter that rest, and that those who formerly were given the good news about it and the opportunity, **failed to appropriate it and did not enter because of disobedience,** Again He sets a definite day **A NEW** Today, and gives another opportunity of securing that rest saying through David after so long a time in the words already quoted, **Today, if you would hear His voice and when you hear it, do not harden your hearts.** (Ps. 95:7, 8.)

This mention of a rest **was not a reference to their entering into Canaan.** For if Yehoshua had given them rest, He Our Father in the heavens would not speak afterward about another day. So then, there is still awaiting **a full and complete Sabbath-rest reserved for the true people of Our Father in the heavens;** For he who has once entered Our Father in the heavens' rest also has ceased from **the weariness and pain of human labors,**

just as Our Father in the heavens rested from **those labors peculiarly His own**. (*Gen. 2:2.*)

Let us therefore be zealous and exert ourselves and strive diligently to enter that rest of Our Father in the heavens, to know and experience it for ourselves, that no one may fall or perish by the same kind of unbelief and disobedience into which those in the wilderness fell.

For the Word that Our Father in the heavens speaks is alive and full of power **making it active, operative, energizing, and effective**; it is sharper than any two-edged sword, **penetrating to the dividing line of the breath of life (soul) and the immortal spirit**, and of joints and marrow **of the deepest parts of our nature**, exposing and sifting and analyzing and judging the very thoughts and purposes of the heart.

And not a creature exists that is concealed from His sight, but all things are open and exposed, naked and defenseless to the eyes of Him with Whom we have to do.

Inasmuch then as we have a great High Priest Who has *already* ascended and passed through the heavens, Yahushua the Son of Our Father in the heavens, let us hold fast our confession of *faith in Him*. For we do not have a High Priest Who is unable to understand and sympathize and have a shared feeling with our weaknesses and infirmities and liability to the assaults of temptation, but One Who has been tempted in every respect as we are, yet without sinning.

Let us then fearlessly and confidently and boldly draw near to the throne of grace (the throne of Our Father in the heavens' unmerited favor to us sinners), that we may receive mercy *for our failures* and find grace to help in good time for every need *appropriate help and well-timed help, coming just when we need it.*

It's now 10:33 am and I am hungry and have nothing that I would like to eat and I hear nothing indicating to me that maybe Ahmad would bring me some breakfast.

O but regardless! What can I say or do at this very moment after You have replenished and refilled my cup in such super-abundant way? O but please O my Master—my Beloved Yahuweh/Yahushua don't let me get smug and conceited with all of this wealth and privileges I have from You!

*“No problem My child—My beloved Thia there is no way for such to happen! Because every time you step out of the way in that matter I smack your bubble and all things that are not from Me come to naught in your life and you are now rejoicing about it all! O how you delight My heart! Shabbath Shalom My child—My beloved Thia! Soon it will come to you what to do at this very moment of time. You will see!”*

## **Illusions of food was nothing else but a temptation to break this fast...**

### **From My Presence in My beloved Thia's journal...**

Saturday, April 17, 2010 (2:03 pm).

Thank You O my Master—my Beloved Yahuweh/Yahushua I know now what to do! At first this morning I had illusions of food and I had hoped that Ahmad would bring me some food. But it is already 2:03 pm and I have not heard from Ahmad at all much less from anybody else and of course I despaired as You know it.

Yet in Your graciousness You revealed to me that such illusions of food and Ahmad bring it to me was nothing else but a temptation to break this fast and this drastic measure that You have empowered me to take for the sake of the souls of Ahmad and my children and all my friends and my people. And I can't thank You enough for keeping Ahmad away as well as everybody else. Thus I was able to see what I was doing and now I am strengthened to continue in this fast without falling into the temptation to the alluring of food and material comforts ahead of the work that You are doing with my life! Thank You O my Master—my Beloved Yahuweh/Yahushua for revealing and manifesting Yourself to me in such a powerful way! HalleluYah! Saturday, April 17, 2010 (8:53 pm).

I've been up for better than an hour. I am no longer hungry or thirsty or sleepy or uncomfortable in any way and I've been just sitting here listening to all goings and comings outside my door wondering what goes on and who is out there? Thank You for inspiring me to print all that You have given to me since I shut my door 6 days ago. Such print out is surely help-

ing and strengthening me to carry on with this work You have entrusted unto me.

Saturday, April 17, 2010 (11:08 pm).

Well my Master—my Beloved Yahuweh/Yahushua You have chosen not to give Your beloved more sleep. Instead I've been day dreaming about a lot of things that I wish would take place in my life in the very near future. Who knows but that You would grant me such wishes and those become a reality instead of dreams? Now You have given me enough incentive to continue with my task of preparing those books for whatever purpose You have for them; so onward I go to my task!

Sunday, April 18, 2010 (2:35 am).

It's 2:35 am and I have been diligently working at my task. I sense sleep coming my way so I'm going back to bed.

## **Tragically millions of Christians basking & firmly set on 1Thessalonians 5...**

**O my Master—my Beloved Yahuweh/Yahushua perhaps millions of Christians are basking and firmly set on this one passage of Scripture but ignore all of Your requirements for our complete deliverance! Most all are set on their belief that Your deliverance is free and unconditional! What about Yahushua’s clear and stern warnings about fulfilling the conditions to enter into Your Presence and into Your Kingdom?**

### **From My Presence in My beloved Thia’s journal...**

Sunday, April 18, 2010 (6:28 am).

Thanks my Master—my Beloved Yahuweh/Yahushua for the few hours of sleep. The night is now gone and daylight is here racing swiftly towards the final day but Your people sleeps totally oblivious of that day! But that day will come upon all of us suddenly! And unexpectedly by the sleepers! But for the ones who we have been set free from the darkness of the world and are awake and watching it will not be a surprise! What will it be for you dear soul if you happen to be reading these records of my daily journal in the Presence of my Master? For it is written,

1 Thessalonians 5:2-11 For you yourselves know perfectly well that the day of the return of our Master Yahushua will

come as unexpectedly and suddenly as a thief in the night. When people are saying, *All is well and secure, and, There is peace and safety*, then in **a moment unforeseen destruction (ruin and death)** *will come upon them as suddenly as labor pains come upon a woman with child; and they shall by no means escape, for there will be no escape.*

But you are not in given up to the power of darkness, brethren, for that day to overtake you by surprise like a thief. For you are all sons of light and sons of the day; *we do not belong either to the night or to darkness*. Accordingly then, **let us not sleep, as the rest do, but let us keep wide awake (alert, watchful, cautious, and on our guard) and let us be sober (calm, collected, and circumspect).**

For those who sleep, sleep at night, and those who are drunk, get drunk at night. But we belong to the day; therefore, **let us be sober and put on the breastplate (corslet) of faith and love and for a helmet the hope of deliverance.** For our Father in the heavens has not appointed us to incur His wrath He did not select us to condemn us, but that we might obtain His deliverance through our Master Yahushua—our Messiah. Who died for us so that whether we are still alive or are dead at Messiah's appearing, we might live together with Him and share His life. Therefore encourage (admonish, exhort) one another and edify (strengthen and build up) one another, just as you are doing.

O my Master—my Beloved Yahuweh/Yahushua perhaps millions of Christians are basking and firmly set on this one passage of Scripture but ignore all of Your requirements for our complete deliverance! Most all are set in their belief that Your deliverance is free and unconditional! What about Yahushua's clear and stern warnings about fulfilling the conditions to en-

ter into Your Presence and Your Kingdom? For it is clearly written,

Matthew 10:32-42

Therefore, everyone who acknowledges Me before men and confesses Me—Yahushua out of a state of oneness with Me, I will also acknowledge him before My Father Who is in heaven and confess that I am abiding in him.

But whoever denies and disowns Me before men, I also will deny and disown him before My Father Who is in heaven.

Do not think that I have come to bring peace upon the earth; I have not come to bring peace, but a sword. For I have come to part asunder a man from his father, and a daughter from her mother, and a newly married wife from her mother-in-law—and a man's foes will be they of his own household.

He who loves and takes more pleasure in father or mother more than in Me is not worthy of Me; and he who loves and takes more pleasure in son or daughter more than *in* Me is not worthy of Me.

And he who does not take up his stake and follow Me—cleave steadfastly to Me, conforming wholly to My example in living and, if need be, *in dying also* is not worthy of Me.

Whoever finds his lower life will lose it the higher life, and whoever loses his lower life on My account will find it the higher life.

He who receives and welcomes and accepts you receives and welcomes and accepts Me, and he who receives and welcomes and accepts Me receives and welcomes and accepts Him Who sent Me.

O my Master—my Beloved Yahuweh/Yahushua how on earth did I failed to obey You all of my life except for the last few years? How, how, how on this earth such stern but clear in-

structions and commands from You have been ignored by most Christians believers?

*“My child—My beloved Thia I will tell you in one sentence how all My instructions and commandments have been not only ignored but corrupted and totally misunderstood by My beloved children. It all has to do with My beloved children’s will and mind set for a free choice!*

*“Yes My child—My beloved Thia for I created My children with full knowledge of the heartache they would cause Me before they would freely surrendered and submitted their will and mind to Me! And I set the appointed and due time for everything under, below and above this earth! Therefore I set the due time for each one of My children to come to their wits end and surrender themselves to Me!*

*“All things and all events are perfectly set up by Me! And the due time for all of My children to cease their bickering and complaining among each other has come; though that My children even at this late time still bicker and complain among each other causing each other all kinds of hurt and pain! Therefore My child—My beloved Thia take courage and continue with your task to prepare this testimony because I have heard your prayer to give you a little more time to gather your children and your friends to yourself to await for your Messiah’s soon return!”*

HalleluYah! HalleluYah! HalleluYah! I shall forever continue to sing O my Master—my Beloved Yahuweh/ Yahushua! Most certainly this day I will double my efforts to fulfill the task that You have appointed unto Me!

## How my children/brothers/sisters can be at peace with themselves?...

### *From My Presence in My beloved Thia's journal...*

Sunday, April 18, 2010 (3:28 pm).

O my Master—my Beloved Yahuweh/Yahushua You know how this afternoon has turned out for me one afternoon of agonizing hurt and pain with the absence of even Ahmad. Day after day goes by and no one makes the least attempt to communicate with me. And with the latest insult thrown at me so unexpectedly from one who has been showering me with kindness until I refused such kindness because You showed me that I was falling into the trap of compromise again.

It seems to me that this person has taken upon herself to either promote or demote me according to her understanding of me. I do not understand one iota of what is going on among these ones who are supposed to be my brothers and sisters.

I am reading the book of 1 Yohanan and I wonder and wonder how my brothers and sisters can be at peace with themselves while they shun me from them for whatever reason that is beyond my understanding.

It seems to me that all has to do with the misconception that most all of Your children have about love. And because of that misconception they cannot grasp the Truth about You and our misconception of Your ways and commandments that You are compelling me to tell all! But it is written,

1 John 5:3-4

For this is the love for Elohim, that *we guard His commands*, and His commands are not heavy, because everyone having been born of Elohim overcomes the world. And

this is the overcoming that has overcome the world: our belief.

The problem is that we all claim to believe. We claim our belief but when it comes to reality we do not believe because we do not completely depend on Yahushua for everything as He commands us to do as it is written over and over again,

John 3:18

He who believes in Him is not judged, but he who does not believe is judged already, because he has not believed in the Name of the only brought-forth Son of Elohim.

John 3:18

He that believeth on him is not condemned: but he that believeth not is condemned already, because he hath not believed in the name of the only begotten Son of our Creator.

So everybody claims to believe and they confess their belief and they perform all kinds of rituals and they memorize the Scriptures and claim those Scriptures but it is all done by word only; because when it comes to the nitty-gritty of our everyday lives and sustenance we only believe in ourselves and what we believe! But if we read what it means to believe in Yahushua or in anyone we would realize that we do not believe in Yahushua at all because *we do not cling to or trusts in, rely on Him as much as we say we do* as John 3:18 is amplified in that version of the Bible,

John 3:18

He who believes in Him [**who clings to, trusts in, relies on Him**] is not judged [*he who trusts in Him never comes up for judgment; for him there is no rejection, no condemnation—he incurs no damnation*]; but he who does not believe (cleave to, rely on, trust in Him) is judged already [*he has already been convicted and has already received his sentence*] because he has not believed in and trusted in the name of the only begotten Son of Yahuweh. [*He is*

*condemned for refusing to let his trust rest in Messiah's name.]*

And if we were believing and trusting and relying of Him we would obey His commandments including the one that says, 'Do not worry then, saying, 'What shall we eat?' or 'What shall we drink?' or 'What shall we wear?' For all these the gentiles seek for. And your heavenly Father knows that you need all these.

***“But seek first the reign of Elohim, and His righteousness, and all these matters shall be added to you. Do not, then, worry about tomorrow, for tomorrow shall have its own worries. Each day has enough evil of itself.***

If we believe Him and in Him all of us would be out there in the harvest field spreading the Good News of His soon coming Kingdom instead of our utter concern with breakfast, lunch and dinner and bottle water and this and that for our earthly comfort! For it is also written,

1 John 2:15-16

Do not love or cherish the world or the things that are in the world. If anyone loves the world, love for the Father is not in him. For all that is in the world—the lust of the flesh—craving for sensual gratification; and the lust of the eyes—greedy longings of the mind; and the pride of life assurance in one's own resources or in the stability of earthly things—these do not come from the Father but are from the world itself.

And yes up until I gave up learning about all of this Greek love that everybody practices I no longer go around loving the things of the world. I really could care less if I have tortillas or beans or my favorite food or the most presentable fashion or whatever. I have only one concern and that is my Master's concern: the souls of all I meet! I don't care about sightseeing or entertainment of any kind and neither should any believing child of my Master Yahushua!

Why get mad at me and shun me because I am telling all the truth of what is evident that everybody is doing. And now this person claims that I am not her friend because I don't want to go along with all of the trivial doings that she and all are doing in the name of love and kindness!

Let's get real! Let's quit playing religious games of charity! And let's learn what LOVE is all about instead of this Greek version of love that everybody practices!

I am out of that game and if I am to suffer this ostracizing for the rest of the time until Yahushua comes back so be it! I am determinate to obey my Master no matter what!

## This is my stand:

1. Let him be my friend—Whoever wants to quit pitying me and be blessed with the same blessings I have and I am receiving on the daily basis.
2. Let him leave me alone—whoever feels sorry for me thinking that I am in need of pity and human love and understanding and of human help.
3. Let all understand that after 70 years on these grounds I have found out that there is **no such a thing as human love and understanding!**
4. Let all understand that **On the contrary humans are only capable of loving their own selves and hating anyone that dares to hurt them in any way shape or manner!**
5. Let all know that I have left that way of living and adopted the higher way of obedience to my Creator.
6. And lastly let all know that **I have no intentions to bow down to this world's standard of living.**
