

A REFLECTION ON THE REASON FOR OUR PREDICAMENT TODAY

January 16, 2008 (6:03am) I'm back my Father. I've been up for about an hour as You know it I was reading the reports coming from Yisrael.

Oh Father! Have mercy on us. Remember us for Your goodness sake, do not count our law breakings against us, we are totally oblivious to them by now.

We have been so assimilated by the pagan culture of this world that we no longer know even Your name!

We are so full of religion and religious rituals that we have forgotten the heart of Your Law, Your loving Torah. Mercy, mercy Oh my Father!

Yesterday and this morning in an email to a friend I expressed some of the matters that You have made me aware of to warn Your people. I quote,
From this morning a reply to a forward report on Yisrael's plight at this moment of time,

"Again dear sister, all I can say is, Father! What a mess! Have mercy and deliver us even from our own wicked ways!

Have you noticed how most of these reports do not use the Sacred Name of Yahuweh? I tremble. We are breaking His commandments right down to the last minute and we are totally oblivious to it.

I have been getting other reports with the same information and all of them are using the pagan names to refer and to pray to our Almighty Yahuweh. Am I a fanatic or am I speaking the truth from Yahuweh?

Only His faithfulness to our fathers Abraham, Yitshaq, and Yaaqob can avail us now. Mercy, mercy! is my plea!

And from yesterday after I finished my entry in my journal,

"...After I finished writing I started checking on Jeremiah 12:5 and went back and read the whole chapter and continued to read other chapters in Jeremiah, then I studied the geography and the history on these places Jer. talks about and then all I can say is: Father! What a mess!

And I go back to understand a little more about our All Knowing Yahuweh. He knew why He commanded the Israelites to kill them all and completely destroy their cities. Furthermore He forbid them to mix with them. But they refused to listen. They did as they saw best.

And from the beginning of my walk in the Scriptures under the Master Teacher the Ruach Yahuweh, I saw these things and I completely understood my Father. Now when I see the reality of the horrible history of the Israelites and the other people with whom they mixed and what it is that the prophets were coming against...

It all goes back to our free will and the lust to know more than Yahuweh. Ha Satan found no difficulty presenting his lie to Eve and getting her to disobey, he aimed

at her intellect. From there on ha Satan took over and ingrained his nature unto us, and the people as a whole was never able to submit to Yahuweh. And it continues to be so.

I saw from the beginning of my walk that gnostic knowledge is the chief corner stone of human pride and arrogance. I am not against the knowledge which the Ruach imparts unto us on His terms for our good. We don't need to know more than our loving Father and He is well able to impart unto us knowledge without limits on His terms.

So, I am going back to continue in the Torah portion reviewing the things that the Ruach Yahuweh has been writing in my heart for quite a few years now. The more I read the more confidence I place in my Teacher and the more intimate I come to Father Yah and our Yahushua. His faithfulness is our only hope.”

And that in a nut shell, my Father is the matter that I bringing to You in prayer this morning. Have mercy on Yisrael and on us all!

Father Yah, deliver us from this lust in our minds for gnostic knowledge. Deliver us from our wicked ways. Free us from the hold that ha Satan has on us because of this lust.

It seems that we never get tired of questioning and dissecting all and each of Your ways and instructions instead of obeying and submitting ourselves to Your loving authority.

We always assume that we can tell You a better way to do things. We bicker and complain about Your loving authority. As it is written,

[Romans 9:19-33 The Scriptures 1998+](#)

(19) Then you shall say to me, “Why does He still find fault? For who has resisted His counsel?”

(20) But who are you, O man, to talk back to Elohim? Shall that which is formed say to him who formed it, “Why have you made me like this?”

(21) Does not the potter have authority over the clay, from the same lump to make one vessel for value and another not for value?

(22) And if Elohim, desiring to show wrath, and to make His power known, with much patience tolerated the vessels of wrath prepared for destruction,

(23) and that He might make known the riches of His esteem on vessels of compassion, which He had prepared beforehand for esteem,

(24) even whom He called, not only us of the Yehudim, but also of the gentiles?

(25) As He says in Hoshea too, “I shall call them My people, who were not My people, and her beloved, who was not beloved.”

(26) “And it shall be in the place where it was said to them, ‘You are not My people,’ there they shall be called sons of the living Elohim.”

(27) And Yeshayahu cries out on behalf of Yisrael, “Though the number of the children of Yisrael be as the sand of the sea, the remnant shall be saved.

(28) For He is bringing a matter to an end, and is cutting it short in righteousness, because Yahuweh shall cut short a matter on the earth.”

(29) And as Yeshayahu said before, “If Yahuweh of hosts had not left us a seed, we would have become like Sedom, and we would have been made like Amarah.”

(30) What shall we say then? That gentiles not following after righteousness, have obtained righteousness, even the righteousness of belief,

(31) but Yisrael following after the Torah of righteousness, has not arrived at the Torah of righteousness.

(32) Why? Because *it was* not of belief, but as by works of Torah. For they stumbled at the Stone of stumbling.

(33) As it has been written, "See, I lay in Tsiyon a Stone of stumbling and a Rock that makes for falling, and everyone who is believing on Him shall not be put to shame."

[Psalms 25:4-7 The Scriptures 1998+](#)

(4) Show me Your ways, O Yahuweh; Teach me Your paths.

(5) Lead me in Your truth and teach me, For You are the Elohim of my deliverance; On You I wait all the day.

(6) Remember, O Yahuweh, Your compassion and Your kindnesses, For they are from everlasting.

(7) Do not remember the sins of my youth, and my transgressions; According to Your kindness remember me, For Your goodness' sake, O Yahuweh.

[Psalms 25:22 The Scriptures 1998+](#)

(22) Redeem Yisrael, O Elohim, Out of all his distresses!

There is so much confusion going around about Your Sacred Name. Why? Because we don't want to take Your commands at face value. We insist on relying on our own understanding.

Way before I came into the knowledge of the Hebrew understanding of Your Word written in the Scriptures, we were taught all Your names, or so we understood.

Actually what we learnt to be Your names were only the different titles with which Your disobedient people referred to You according to Your attributes because they refused to use Your name.

But we never learnt Your Sacred Name, it wasn't even mentioned. And no wonder why, Your name has been erased from all translations of the Bible some 6,000 times.

You know that it's only recently that, finally, I have given up my own understanding of Your Word, and Your Ruach, at last! is able to teach me Your Sacred Name and give me the power to use it and teach others to do so.

It is a very important matter to You. And You are making sure that the remnant of Your people do mind You in this matter.

We are at the last moment of this age, Yahushua's return is at the door and He is coming back for a perfect bride who knows and uses Your name.

And to save me time doing a lengthy research about the matter, You have provided me with the research from Your called ones to do such. Here is two well researched articles about the matter,

I hope and pray this answer enables you to see more clear the importance of using His Name, Yahweh or Yahuweh, and not replace it with any titles or the names of pagan gods.

Ha Satan has plenty reasons to keep us from using the Mighty Name of Yahuweh and Yahuweh is giving us His warning. I will venture to say that one of the reasons to incur Yahuweh's curses was because they broke that command as well as the others. That article is an eye opener.
