

## ABOUT AMERICA'S MONUMENTS AND ALL THE PROPAGANDA OF RECENT DAYS

January 10, 2008

The following are excerpts from the article: Judgement on America. Why? Written by a sister who has done extensive research of secular and Bible history for many, many years and has lived as a missionary in 40 different countries and lives to warn Yahuweh's people of what's coming to our country and why.

There are hundreds of more abominations that America is guilty of than the ones mentioned in these excerpts.

All the monuments with religious words are nothing but empty words and we must not be deceived by those. They are nothing but nostalgic words of what could have been. They stand on those monuments as mockery to the Almighty Yehuweh Who they misnamed "God" because they only practiced religion as a means to obtain power and control of the masses.

And we have been gullible! We have been deceived by our human nature, our flesh as I stated it in my article BEWARE OF YOUR FLESH!

Excerpts:

...Isaiah 24:5-6: "For the earth has been defiled under its inhabitants, because they have transgressed the Torah, changed the law, broken the everlasting covenant. Therefore, a curse shall consume the earth, and those who dwell in it shall be punished. Therefore the inhabitants of the earth shall be burned, and few men shall be left". Nuclear holocaust is mentioned all through the Scripture, including in the words of Yahuweh in Matthew 24:21-22.

...We must put our faith, loyalty, pride in Yahuweh, the only Elohim of heaven and earth. We must not have our loyalty placed in deceptions, lies, and wickedness. We must not place our loyalty and faith in government leaders, or in any human being. The Word tells us that we are cursed if we put our faith in man. Satan appears as an angel of light. His followers brag that Satan's favorite thing to do is to pretend to be a Christian, so that he can infiltrate and deceive Christians.

**Who is practicing this long list of sins—these transgressions against Yahuweh's eternal Torah (teachings and instructions for living in His Kingdom)?** Is it the American government? Yes! Is it the American secular and intellectual community, the atheists and the immoral people, the Satanists and law-breaking groups? – Yes!

What about the Christians—are they guilty of these sins? Yes! For one thing, they do nothing to educate themselves about what is happening in the world outside of their little family and church. Most Christians are just like the pagan world in their lifestyle. They have a religion created by Greece and Rome, which allows everyone to believe what they want to and order their lives the way they want to, and still go to their own idea of "heaven". So, the absolutes of the Torah of the Kingdom of Yahuweh, which keep His

people from these sins, is abandoned and rejected as the “law of the Jews”, and therefore non-applicable to Christian life. However—consider this: The Torah-observant Jews certainly have a different lifestyle than the average American—a lifestyle full of order, peace, disciplined children, balanced marriages and family life, law-abiding citizens, and generally happy well-adjusted people! They are usually not deceived by the world’s lies, and therefore are a big problem to the Luciferic agents of the one world government. The believers in Messiah who order their lives also in His Torah (His good teachings and instructions for happy living) also experience the multitude of benefits. Look at the lives of the average Christian and then look at the lives of those who keep Torah. Very different!! Through obedience to His eternal Word, which is the Torah for eternity, we find health in body, mind and spirit, peace, contentment, rest, joy, life and balance, right-rulings, and justice.

**Do I want these things to happen to America? NO, NO, NO!!!** But, unless this purging process does go forward according to the will of Yahuweh, our Bridegroom Yahushua cannot come back for a prepared, pure, set-apart, obedient and submissive, yielded Bride. Only by His wrath can He clear the playing field, and know who will stand with Him, and who will give in to Satan’s kingdom.

...One major goal of Lucifer is to eliminate reproduction by natural means and for his agents to create children as wanted for whatever purpose wanted, according to the desire of the one wanting children. Thus homosexuality is promoted because it eliminates reproduction of children by Yahuweh’s method.

...Once another terrorist attack comes, the sea and land borders will be closed and martial law will be enforced. How do I know this? I heard a spokesman from the State Department talking about it in a public interview on television, for one thing, but I’ve known about these plans for a long time.

...An anti-messiah cannot rise until “the hammer of the whole earth” is removed—the last bastion of law. You cannot have a Lawless one ruling, if you have a nation in the world that upholds correct Law. The Constitution of the U.S. was based on the Torah. The early signers of the Constitution believed that the Bible’s law system was the only correct system. But, since about 1990, the U.S. set aside the Constitution and exchanged it for submission to the United Nations. We have no more rights, because we are not under the U.S. Constitution anymore. We have not had a sovereign military for a long time. Our armed forces for many years have been placed under the control of the United Nations. There are many foreign troops from former communist nations on U.S. soil, being placed in closed U.S. military basis. So, while our “good boys and girls” in our armed forces are overseas, the foreign troops who despise us, are occupying our military bases. Fact!!!

...New laws have been enacted while Americans slept that will destroy the nation. The President has been given dictatorial powers, and will use them. I just sent through an article about the plan for protecting itself that the government has “in case of nuclear war”.

Of course, we are going into world wide nuclear holocaust. Yahushua talked about it, Peter, Paul, John, Daniel, Isaiah, Zephaniah, Zechariah, Ezekiel, Amos, and a host of other brothers that we all know and love. "World War III has been planned as was W.W.I and W.W.II clear back to 1871—and we're on the verge of total nuclear holocaust, unless Yahushua comes and stops it.

...The U.S. is the head of this operation, and has been since about the turn of the 20th century (early 1900s). But, now, the power-shift is going to Europe, and from Europe will arise the anti-messiah.

...If you look at the back of a \$1.00 bill, you will see the words, "NOVUS ORDO SECLORUM". In Latin, these words mean "The New Order of the Ages" (or the New World Order) in Latin. It is a part of the "Great Seal" of the United States, and is written beneath a pyramid, topped by the eye of Osiris (or Baal), the Egyptian sun god. This is a Masonic symbol. (Remember that Washington D.C. in its basic structure is laid out in a satanic pentagram, with the Masonic Lodge at its predominant point.) The words, "In God We Trust", written above the big "ONE", was put there by a New Age worshipper of Lucifer. This "God" is not the One, True Elohim Yahuweh.

...Babylon is filled with Israelites and Jews (all the tribes are present in America). We were created as a nation to bless the world with the truth of Yahuweh and to return the world to His rule. We were given the message of the Messiah. Many missionaries went forth to win the world to Messiah and to translate the Bible into the languages of the nations. We were blessed to bless His People and His Land. But, instead, America became the world's money-market, the world's Mall, the world's pornography center, drug center, homosexual center, abortion center, divorce center, center for greed and selfishness.

...America, instead of being faithful to Yahuweh, instead of passing Laws to unite us with His Covenant—to set aside the Shabbat, to honor His seven Festivals, to honor His Creator laws of eating, to honor Him as the only Elohim of heaven and earth—America passed laws to honor pagan days and ways. Thus she became "unfaithful" as a whore, a prostitute to Lucifer's world system, and detached herself from her Maker, her Husband, and her Elohim. A whore is one who leaves faithfulness to become unfaithful. Thus Revelation 17 is also America—the great whore of Babylon, who holds the golden cup in her hand and sits as queen, making the earth drunk on her whoredom. Without responsibility to the Elohim of the Bible, mankind can do anything he wants to do—any evil that comes into his mind. Truly we are back in "the days of Noah"—Genesis 6.

...With America's pride, haughtiness, and worship of the nation itself. No other nation's people are so arrogant, so prideful, so haughty, so pushy and controlling and think that they are better than anyone else in the world, and that the world should bow to them because they are Americans.... It is horrible to see this "ugly American" attitude everywhere I've gone all over the world.

Americans are mouthy, they brag and openly flaunt their wealth, their power and their control. The people's of the earth know how to get money out of Americans, and at the same time, hate them with a passion behind their backs.

America as a nation, and the American people, are a hated people by most of the nations of the world. The Muslim's call America "the great Satan. Why?

**I love America! It has been my home base for 59 ½ years.** But, I am one of the few Americans that have not been blinded by the spirits of Babylon, nor by the mind programming of the media. I am a seer in the Kingdom of Yahuweh, and so have seen through the lies and deceptions of the world system since I was a small child. He wants me to use this gifting of His, to warn as many people as possible about what is about to happen in America. True prophets for the last 100 or more years have been warning Americans of what was coming. Its destruction is in the Bible.

Its people are becoming more and more mind-programmed, more oblivious to what is really going on, more dulled, more worn-out, and more exhausted to the point where they don't care about studying the Truth, reality, or what is going on outside of their own little world.

Because of fear, Americans in general don't want the truth— they don't want any questions raised about their government, or their lifestyle. As long as the economy is good, they don't care. They are afraid of losing their lifestyle and their lives. So, they curl up comfortably in their deceptions, and get angry if anyone tries to disturb them in the box they've created for their security.

All they want to do is come home after work, watch a little mindless TV, and go to sleep. Americans are being methodically and purposely broken down physically, and in mind, emotions, willpower and spirit. They are becoming zombie-like—so attached to the lusts of their flesh and so in bondage to the gods they have created, and the lifestyle they have created for themselves that they almost can't get free. Credit card and bank debt has most Americans in total slavery to their creditors. There is no authority or power in the weak, lukewarm Christian church, so the religious system adds more bondage, more burden to the mind and will, and is playing into the hands of the one world government/religious agenda.

The U.S. has been, for at least the last 80 years, a great incubator and experimental lab for the plans of the world government, for world take over. The people have been purposely demoralized, by sex, drugs, alcohol, mindless movies, mind-control devices, and debt.

So, to conclude, **DO NOT BE DECEIVED BY ALL OF THE RECENT PROPAGANDA ABOUT THE SO CALLED CHRISTIAN ROOTS OF AMERICA! AT THE PRESENT AMERICA IS IN APOSTASY AND AT THE DOOR OF ETERNAL JUDGEMENT!**
