

## AN ACCOUNT OF CONVICTION AND REPENTANCE

October 7, 2007 (4:48am).

I come to You with a heart of thanksgiving. I am standing in Your presence waiting on You. Lead me in the way You shall have me to go.

An account of how my Father Yahweh Elohim has dealt with me since May of 2007.

I had been under Doctor's care since before 1995. But in 1995 an eager psychiatrist talked me into taking shock treatments.

These treatments nearly destroyed me, but, my oldest daughter fired the psychiatrist rescuing me from destruction.

Nevertheless, since then I have been under heavy prescription drugs since they diagnosed me as a bipolar an schizophrenic patient.

This diagnose is an invention of the elite ministers of Lucifer to subdue the mind of Yahweh's people through drugs.

I willingly accepted this diagnose seeking for my fleshy comfort and I turned my back to my Father's call to minister to His people since 1986.

During all this time I have been ministering to His people but my testimony have been weakened by my compromise with the world.

I took the easy road, the road of compromise, of pleasing people because I liked being celebrated and accepted by everybody.

But Yahweh did not call me to compromise but to separate myself unto Him in intimate communion, attuned to His Ruach's voice.

In His mercy and faithfulness to me, 6 years ago, Yahweh gave me the opportunity to do just that, to separate myself unto Him in a new apartment.

But I, deceived by my lust for approval from man, I did not take that opportunity and instead I compromised loading myself with worldly responsibilities.

October 8, 2007 (12:57am).

Conviction, confession, repentance, restoration.

Hi Maria, So good to hear from you. I hope you get to feeling well soon. I am glad you are being ministered by the CDs. Here goes an article from a sister who has been doing research and ministering for 50 years. Yahweh has raised this sister for these days.

I have a fantastic testimony to share with you. Since April Yahweh began to do a cleansing of my body, I did the lemonade cleansing and no sooner I started my energy surged and I began to walk up and down the hills for about a mile. Then about 4 weeks ago reading one of the articles from this sister I am sending you, my spirit leaped and I realized that the work that she is doing is the same work that Yahweh commanded me to do but I dropped the ball and I had become dull of spirit.

#1 I compromised with the world, with my family and with the worldly church because I didn't want to suffer rejection.

#2 I got involved with worldly responsibilities looking for the approval of man.

#3 I threw myself at the hands of the doctors not willing to suffer the least discomfort.

#4 I became totally dependant on prescription drugs.

#5 And worst of all, I decided to publish my book and sell it against Yahweh's command not to sell it, and got into debt doing so.

But that morning as Yahweh showed me my state, I repented and I got up and flushed ALL my medications in the commode and I cancelled all my doctor's appointments.

Then I wrote a letter of resignation to the Senior Companion Program in which I have been involved for the last 6 years.

Then I decided to sell my car to pay off all my bills. But Yahweh wanted me to keep the car so He made a way to pay it off and I didn't have to sell it.

Six years ago Yahweh moved me to this apartment to set me apart and continue the work He had initiated in me, but, instead of sitting still and waiting on Him, I went ahead and got involved with the SCP, I started calling the radio station telling them yokes to the point that I am a household name through the county and everybody applauded me, I started borrowing money until my debt became a nightmare (that's another testimony from last year when I repented of living on credit and Yahweh made a way for me to pay off most of my debt.)

Results: while I was going through the withdrawals from all those drugs, my grandson Cory called me out of clear blue sky. I gave him my testimony and I confessed to him my sin and disobedience to Yahweh's Commandments.

Afterwards I wrote a letter to my children and another to the Sunday Worshipers. Cory was the only one who answered. Cory caught the Greyhound bus from Texas all the way to North Carolina and is now living with me!

My health is the best it has been since 1995. My edema is gone. I sleep well. I am not going like crazy anymore. My weight is under control. I done lost 30 pounds and my belly is practically gone. I am alive and my spirit has been renewed!

Yahweh is faithful.

We are at the last days, There is no more time to waste, we have to take stand.

I love you. Be blessed, Thia

September 25, 2007 (3:52am).

Blessed be Your name, Yahweh Elohim and Yahshua HaMessiah. Thank You Father Yah.

A letter to my children, Take heed! Take an account of your lives. For better than 20 years I have been telling you the things that I have learnt in the Scriptures.

I have been telling you the Truth that our Father reveals to me. I truly love you like the Father loves you.

I dropped, like a filthy rag all the sentimentality, the kind of love that clings to you for approval. Because of that love, I have been a burden to you.

I have quit all my struggling to gain the approval of man. I have quit compromising and flirting with the world.

We have very little time to repent and prepare for the awful things that are coming to us as followers of the true Elohim (God) of the Universe, Yahweh.

It is a sad thing but we have come this far and still remain in ignorance even of our Father's name and our Savior Yahshua.

Out of our own volition we have let Satan through the Church System, the so called Christian Church, totally and completely DECEIVED US.

We have been deceived because of our laziness to study to show our selves approved of Yahweh. We have study to show our selves approved by man.

Our wicked selves including myself, have undermined us and like Eve, we have seen that what this system has is good and have bitten into the apple of its doctrines.

I, like everybody else, have studied the Bible to some extent, but we have not listened and done our home work with respect about the Bible we were studying.

The Bible has been desecrated and we have been IGNORANT of such desecration because we have allowed our selves to be spoon fed by the leaders of this system and we have not done our home work.

But Yahweh is merciful and His faithfulness endures forever. Even this late in the game, He is still reaching out to us. Beware!

Yes, beware and don't let my sins and disobedience to His commandments get in the way of His mercy and faithfulness to you. Don't discard this message just because it comes through me.

He is reaching out to you. He is calling you to a drastic life style change. He is calling you to get out of the worldly life that you live in.

He is reaching out to you to give you a life line for the troubled times coming. It is imperative that we listen to the Ruach Yahweh (the Holy Spirit) now!

We don't have anymore time to insist in our own understanding of the Scriptures.

We must let the Ruach Yahweh (the Holy Spirit that Yahshua sent to us to teach us the Truth about Him Yahshua and of things to come.

We have been so immersed in the wrong doctrine and in the way of this world that now we are almost incapacitated to see and hear Truth.

Satan has almost conquered us out of our own volition, but, Satan will not have ANY OF YOU IF YOU SET YOURSELVES IN THE SIDE OF YAHWEH.

You don't belong to Satan. You belong to Yahweh and Yahshua His Son. Yahshua

has given His life to save ours and you must open your eyes to see it.  
Wake up, arise and get out of the heathen Christian System of the so called Church. GET OUT, THERE IS STILL A LITTLE TIME TO OBEY!

I have repented. I have taken my stand. I allowed the Ruach Yahweh to set me free from all of those horrible drugs that had dulled my spirit into slumber for so many years.

By Yahweh's mercy and the power of His Ruach I have been cleansed not only physically but also spiritually.

Now, once more He is giving me His strength and I can write this message to you, fully confident that it is not falling in deaf ears.

From the heart of Yahweh, I am your mom who loves you.

September 27, 2007 (4:16pm).

WARNING TO THE SUNDAY WORSHIPERS...

There is a beautiful side of Satan and that beautiful side is The Christian Church of today with all its Sunday, Christmas and Easter celebrations.

The true Assembly of Yahweh, practiced by Paul and all of Yahshua's apostles and early Followers of the Way, is not at all like the fake church of Satan.

Against that Assembly Yahshua said, the gates of hell shall not prevail. Satan calls it "Christian Church" but, Yahweh's Word calls it "Assembly or Congregation."

This Assembly was birthed in Mount Sinai and empowered with the Ruach Yahweh in the upper room on the day of Pentecost.

The church of Satan has taught us totally a different history of the things of Yahweh.

Yahshua tells us very plainly in Matthew 15:24 TS98

(24) And He answering, said, "I was not sent except to the lost sheep of the house of Yisra'el."

We don't know that the reason we are included is because we are descendants of His chosen people, the Hebrew Nation of Yisrael.

Satan has totally assimilated us into his dominion out of our volition. We have chosen the easy road, the road of compromise and we have abandoned the TORAH.

In the so called name of Jesus, we have marched ahead without considering the price of not following His instructions written in the Torah.

His name is NOT Jesus. His name is YAHSHUA. Our Father's name is not Lord or God. His name is YHWH pronounced YAHWEH or YAHUWEH.

His appointed FEASTS to celebrate are NOT Sunday, Christmas and Easter.

Yahweh commands us to keep His appointed Feasts in Leviticus 23.

Yahshua did not come to do away with Yahweh's Commandments. He did not come to do away with the FEASTS. He came to fulfill them, to give us the power to keep them. Fulfilment does not mean doing away but the opposite. Wake up! Wake up from your slumber and learn the truth about our Creator and His plan of Salvation.

There is no such a thing as the Old and New Testament, that is an invention of the heathen Greek translators of the modern Bible.

Yahweh's Word from beginning to end is continuous. Yahweh's Word is not divided, Yahweh's Word is alive from beginning to end.

Yahweh's Word DOES NOT CHANGE. Satan has used his man to scramble Yahweh's Word and deceive man.

For ion years the aim of Satan is to cause chaos, confusion and delusion to usurp Yahweh's Throne.

Tragically Yahweh's people, from the beginning in the Garden have sided with Satan disobeying Yahweh's commandment.

I have repented of following my own inclinations since 1985. But I have made many wrong decisions because of ignorance.

But Yahweh in His faithfulness keeps teaching me and bringing me into the right path every time I astray with the purpose to spread the message of His Kingdom.

But now, there is no more time to astray. These are the days of judgement. There is no more time for ignorance. Yahweh is fully revealing Himself nowadays and we must HEED.

AS I repented from the lifestyle that I have been living since 1995, reading the desecrated Bible and lulled by high power dosages of drugs, I flushed those in the commode and asked Yahweh to lead me to a Bible which has not been desecrated by the translators. Yahweh is faithful. He answered me. He led me to a couple of true name translations.

THERE IS STILL A VERY SMALL, JUST A LITTLE, MAYBE DAYS, MAYBE MONTHS. WHO KNOWS? BUT I KNOW ONE THING, HE SAID, WHEN YOU SEE THESE THINGS COMING TO PASS YOU KNOW THAT YOUR REDEMPTION IS NIGH.

WATCH THE NEWS. WATCH WHAT IS GOING ON IN ISRAEL AND IN THE WORLD.

WE ARE AT THE DOOR OF THE FINAL JUDGEMENT FOR THE WORLD.
