First WORDS You spoke to me...

O my Master—my Beloved Yahuweh/Yahushua You spoke to my heart on the morning of August 8, 1985. You said to me at that moment:

“I have been shaping you into a vessel, a beautiful vessel to hold flowers, beautiful flowers of love. These flowers are not yours, they belong to Me and I give them to whom I please: you are only holding them as they sit in the water of My love with which I have filled you.

“You can not give out these flowers on your own, because you are only a vessel holding them; but I will send you those to whom I have given the flowers you are holding; some will pick just the flowers from you, and some will pick you up, and use you to bring good news and cheer to others. Rest in Me and hold My flowers.

“Do not put your own flowers in that vessel of yourself; because they are the flowers that wilt and don’t last; but the flowers that I am letting you hold will last forever.”

And what kind of flowers are those Father? I asked. And You said to me:

“You are only the vessel to hold these flowers and you need not to know what kind of flowers they are, again I say, rest on Father and just know that you are holding MY flowers and not your flowers.”

Then You spoke to me a second Word to answer my dilemma at that time. I asked, “Father? Are You trying to tell me to quit looking at what I do and what I say and just to rely on You that what I am saying comes from You and what I am is what You are working with and that You are in control and to quit doubting everything because it doesn’t fit exactly with what I think and what I reason to be Okay, Father? And You answered me,

“I am not trying to tell you. I am telling you. I am telling you just that. You look, you wobble, you go back and forth like a seesaw because you are taking your eyes off of ME.

“Even in your typing that is what is happening to you, you take your eyes off the master copy to look at what you are copying. You are being self conscious.

“Fix your eyes on Me, I am your Master, I am in control, relax, I have taken your yoke and done away with it, now take My yoke, for My yoke is easy.”

Father, help me! I pleaded. And with Your infinite patience You told me,

“I am helping you, I am talking to you plainly, and you know I have touched you and made you whole. Quit trying to perfect My work. Relax and do your work and know that you are doing well.

“Whenever you remember something you have forgotten, realize that I reminded you of it, and that I allow you to forget about certain things for My own reasons, even if you don’t understand My reasons.

“You are not to know everything now because you can’t take it, it will blow your mind.

“Picture yourself as a vessel, but in your human nature you have a narrow mind, the body of your mind is tremendous, but your mind is narrow at the entrance, there is only so much that can go in at one time, that is why I have to pour slowly and gently in order to fill you, and that is why I have to shape you to enlarge your opening so I can fill you.

“Relax about your writing. You will write and you will get published and I will use your writings. That is why I gave you the gift of writing, for you to use it for My esteem and honor. It is not for you to use your gift for your own purposes and gains.

“I’ll do the work, as a matter of fact I have already done it. So don’t worry about anything.

“Take everything in this day and know that My name will be esteemed because you have obeyed and trusted Me and placed Me in the center of your being.

“Therefore every little flaw in you has been taken care of. You are a finished work because I am finished—I finished My work when Yahushua suffered for you at the stake!”

WOW! Those words of Yours have been coming to pass since that date but it is just now that I am totally coming to grip with the reality of it all! WOW!

Chapter 1—Reflections from the higher rung of the eternal ladder of time!

From My Presence in My beloved Thia's journal...

Friday, September 09, 2011 (7:11 pm)

The sun is down and a new day in Your calendar has begun—a Shabbat! Shabbat Shalom my Master—my Beloved Yahuwah/Yahushua! This is perhaps the first Shabbat that I find myself perfectly content to be alone with You my Master! Finally! You have completely filled my cup with perfect contentment to be alone with You and as of this moment I do not miss the human element! You have lifted me up to the Rock too high for me to climb! ***I am now walking on a higher rung of the eternal ladder of time!*** HalleluYah!

Friday, September 09, 2011 (9:12 pm)

Father Yah—my Beloved Master as I read the news of another assembly coming together somewhere in Toronto I wonder when and how You are going to put all of these matters in Your order! People continue to study and to gather information and to group together to support each other and grow together while You fill my cup with contentment to sit here in Your Presence and wait on Your developments on the final time of this age with patience and endurance!

The Commandments...

Saturday, September 10, 2011 (12:35 am)

How is it that most all human beings roaming these earthly grounds claim to know You and to keep Your Commandments yet the corruption in the human mind and soul is at its highest point and none the wiser? Both the beautiful and the ugly side of evil running together and no one able to make the distinction between evil and good? For beautiful does not necessarily means good and the most evil issues are disguised as the

epitome of beauty and goodness! ...O that each man individually would pause and reflect on the matter!

It's now 3:58 am and I have been cleaning corroding dishes that have been corroded by the carelessness of people who is either ignorant of how to take care of their cooking utensils or who could care less about such matters!

Saturday, September 10, 2011 (4:31 am)

Where O but where have we found and picked up such erroneous conceptions of love and goodness and beauty my Master? Where and why can we not drop such poisonous find? Why are we holding on to such conceptions and rejecting Your Mighty Presence within the heart of the ones You are sending out at this moment of time? I will go for a walk and reflect on this matter and I will record what You give me when You quicken me to do so perhaps later on today!

Saturday, September 10, 2011 (9:36 am)

O my Master—my Beloved Yahuwah/Yahushua You see my dilemma as I reflect on Your written words. It is written in John 16:22-33,

So for the present you are also in sorrow (in distress and depressed); but I will see you again and *then* your hearts will rejoice, and no one can take from you your joy (gladness, delight). And ***when that time comes***, you will ask nothing of Me—you *will need to ask Me no questions*. I assure you, most solemnly I tell you, that My Father will grant you whatever you ask in My Name—as *presenting all that I AM*. Up to this time you have not asked a *single* thing in My Name *as presenting all that I AM*; but now ask and keep on asking and you will receive, so that your joy (gladness, delight) may be full and complete. I have told you these things in parables (veiled language, allegories, dark sayings); the hour is now coming when I shall no longer speak to you in figures of speech, but I shall tell you about the Father in plain words and openly (without reserve). At that time you will ask (pray) in My Name; and I am not saying that I will ask the Father on

your behalf [*for it will be unnecessary*]. For the Father Himself [*tenderly*] loves you because you have loved Me and have believed that I came out from the Father. I came out from the Father and have come into the world; again, I am leaving the world and going to the Father.

His disciples said, Ah, now You are speaking plainly to us and not in parables (veiled language and figures of speech)! Now we know that You are acquainted with everything and have no need to be asked questions. Because of this we believe that you [*really*] came from the Almighty Creator of our beings. Yahushua answered them, Do you now believe? *Do you believe it at last?* But take notice, the hour is coming, and it has arrived, when you will all be dispersed and scattered, every man to his own home, leaving Me alone. Yet I am not alone, because the Father is with Me.

I have told you these things, so that in Me you may have *perfect* peace and confidence. In the world you have tribulation and trials and distress and frustration; but be of good cheer—*take courage; be confident, certain, undaunted!* For I have overcome the world—I *have deprived it of power to harm you and have conquered it for you.*

Perhaps my Master on this Shabbat You will clarify these words for me. For I cannot understand if that time to see You again has come for me; and if it has come there is no evidence that I am asking in Your name—presenting all that You Are—presenting the fact the You are the great I AM because there is no evidence that You are answering and granting me whatever I ask!

I have asked You to give me evidence that the leaders of Your people and my children and Ahmad and the rest of my friends are abandoning their lifestyles and turning towards You but I do not see any evidence at all! ***On the contrary the more I reach out to them the stronger they stand in their set beliefs and lifestyles! And I am wore out from reaching out to them!***

“My child—My beloved thia/Basilia read the whole passage of Scripture and take notice of Yahushua’s

warning, He said—But take notice, the hour is coming, and it has arrived, when you will all be dispersed and scattered, every man to his own home, leaving Me alone. Yet I am not alone, because the Father is with Me.

“Yes My child ‘that time’ has arrived for you and for many who have ‘believed at last’ because of the first fruits of My Set Apart Spirit—the basic experience of My Spirit within them! But after that experience My children abandon Yahushua in the hour of trial—the trial of suffering the death or impaling (crucifixion) of their carnal self or mind.

*“So after ‘that time’ when all My children experience the Spirit or they are born again of My Spirit they each go their way to their own home or what is familiar to them—their own understanding of everything and they go on to live according to that understanding **and teach others to do likewise.***

“And so they form their own beliefs and doctrines about My Spirit. And they live accordingly to those beliefs and what they understand with their natural mind. Therefore they perform all kinds of rituals assembling in different buildings and forming all kinds of groups each group convinced that such is what I require for them to offer Me their service and worship!

*“But O My child! **My children have completely ignored the words of Yahushua, it is written in John 4:20-23,***

Our forefathers worshiped on this mountain, but you [*Jews*] say that Jerusalem is the place where it is necessary and proper to worship.

Yahushua said to her, Woman, believe Me, a time is coming when you will worship the Father neither [*merely*] in this mountain nor [*merely*] in Jerusalem. You [*Samaritans*] do not know what you are worshiping—you *worship what you do not comprehend*. We worship what we know, because the deliverance is of the Yehudim or from the tribe of Yehudim—the Deliver comes from the tribe of Yehudim!

A time will come, however, indeed it is already here, when the true (genuine) worshipers will worship the Father in spirit and in truth (reality); for the Father is seeking just such people as these as His worshipers.

“Thus you find yourself observing the doings of Frances & Jimmy and Edmond and Yedidah and Don Esposito and all of My most selected leaders and you cannot reconcile such doings with My revealed truth in the written words from Yahushua! And you wonder why? And it makes you doubt that I in fact have revealed such truth to you!

“Nonetheless My child you refuse to let such doubt take hold on you! You continue to stand firm in your trust and confidence that I am in fact teaching and revealing such truth to you! And not to you only but such revelation is for all who wish to humble themselves and abandon their present beliefs and lifestyles and become as little children under My tutelage!

“Yet My beloved thia/Basilia though that you do not quite see Yahushua and the evidence of My answering your requests is not visible to you I am indeed answering! And because **I am the One keeping**

you without wavering in your faith and trust in the reality of My Being within you there is no way that anything or anyone can make you lose that faith!

“But it is not so with My children who have their faith placed in a concept of Me based on what My children understand with their carnal minds about My Being therefore their faith will not stand for such faith is unacceptable to Me—it’s carnal faith and it’s unclean!

“But because they are My children I am and I will continue to deal with each one of My children until they each become sick with their dead and carnal ways of worship and they will turn to Me for the healing of their souls! It is then when they will abandon their life styles and cling to Me like new born babies cling to their moms just like you are doing!

“Therefore I am the One keeping you in your faith and you have a worthy witness for My children to observe and take notice. Thus My children will abandon their lifestyles and turn to Me sooner that you expect! Therefore fear not and continue the course I have marked for you fearless and undaunted by any treat coming to you!

“For I am with you and I am holding you with My strong hand! There is no way that you shall be put to shame! I am with you and I will never ever will leave nor forsake you!”

HalleluYah! You alone are my Master and my Keeper—the Deliverer of my soul from all distresses! HalleluYah!

Saturday, September 10, 2011 (10:51 pm)

Thanks my Master for the few hours of sleep! I am awake now and I have regained Your strength to continue the course You have marked for me! Whatever has to happen in this world and

in the life of each one of my loved ones is completely under Your control and You have reassured me over and over again that You are working all things for my good and the good of all of those I have committed unto You!

I have committed my whole being unto You and You have taken over my life for my good! ***Yet You know that my mind and emotions are my most powerful enemies and only You can intervene to overcome both!*** For thoughts and feelings of doubt and unbelief continuously assail me to wear me out! But as far as You let me know every step of the way You are pleased with my obedience.

And so from now on I thank You to give me Your strength to continue the course You have marked for me and ignore all my thoughts and feelings—my ideas of love and help to and from my children and friends and Ahmad and suppositions about anything including my future residence and financial situation—I want to drop all such things!

So far You tell me I have done well according to Your will for me to do. Now all I want is to remain in this room until You direct me otherwise! And You know that I want to finish the books You have inspired me to put together but I am having a hard time doing so because I have written so many books that are just sitting there and no one interested in reading them! I beseech You my Master to give me an indication of what You want to do with all of those books—they are such a heavy load and I cannot possible keep carrying such load yet I do not know how to dispose of it!

Originally I had the idea that You would make a way for me to go back to the USA and I was to distribute those books at that time; but I was to go back to testify of the work You are doing in my life and of Your accomplishment to restore Your children in this region of the world with such work. Nothing came out of such an idea because there is no evidence even at this

moment that Your children in this region of the world are responding to Your beckoning with my presence in their midst! Ahmad is no longer interested in what I stand for neither is the rest of the ones You have sent me to because I have nothing to back up my claim of Your Presence within me!

And so my children and friends in the USA are not interested in my testimony because I have no results that they can see for no one here have responded to Your Presence within me.

Besides I stand against all their religious practices and everybody likes me but they do not like what I write! ***So there is the somber reality of my predicament at the moment and the reason why I am wore out without any incentive to continue writing! What would You have me do now?***

Again I beseech You my Master to give me an indication of what You want to do with all of those books—they are such a heavy load and I cannot possible keep carrying such load yet I do not know how to dispose of it!

I will sit still and wait to see what You develop! I simply have no desire any longer to speak or to write and I do not even want to go out of this room at all! I will stay put without making any attempt to communicate to anybody!

I don't need anything and as of this moment I am turning off the Internet and I will only turn on the computer to keep recording in this journal!

Chapter 2—Threatening and foreboding silence about to drive me insane! Yet...

From My Presence in My beloved Thia's journal...

It's now Sunday, September 11, 2011 (12:21 am)

How strange! September 11—the infamous date for such great number of people in the USA! ***And now a day for me when I am tearing down my own towers of carnal hope and turning this whole matter of my being unto You again! Do unto me as it is pleasing in Your sight! Not my will but Your will be done!***

Sunday, September 11, 2011 (8:29 am)

The silence and the absence of human contact are threatening and foreboding! Yet You are with me my Master and I refuse to give in to the ways of the people no matter the threats to my sanity and physical health! ***Ahmad has chosen to deny his company to me again and I have no idea if Your words that I delivered to him have had any effect in his soul!***

It's only 8:30 am and I surely not looking forward to these long hours of silence and suspense. But I know that You will give Your beloved sleep and comfort me as You reveal Yourself to me in Your written words! Thanks my Master for Your Presence within my being is a reality that sustains me now and for eternity!

Sunday, September 11, 2011 (1:57 pm)

Let be and be still, and know (recognize and understand) that I am Yahuwah. I will be exalted among the nations! I will be exalted in the earth! Psalms 46:10

HalleluYah! Yes Almighty Yahuwah You are exalted not only among the nations and the earth but also in my heart! I exalt You and proclaim Your name upon every inch that my foot

threads! You are Yahuwah—Almighty Creator of the whole Universe and our beings!

And I thank You for giving me *Your strength to let be of all these petty temporal things and be still to know and recognize and understand that You are Yahuwah!* And You will subdue the people out of Your heart of mercy! For You alone are worthy of praise and honor! HalleluYah!

Sunday, September 11, 2011 (8:37 pm)

HalleluYah! The crisis between Ahmad and I is over! We have come to a lovely understanding and we are back in fellowship! You have answered me speedily and restored unto me peace in my mind! All is well with my soul! I know that You are working in Ahmad's heart and Your goodwill shall be done in our midst! Thank You! Now I must deal with my issue with my dear Frances!

Chapter 3—my assigned task is worse than killing the 100 false prophets of Jezebel!

From My Presence in My beloved Thia's journal...

Sunday, September 11, 2011 (8:47 pm)

O Frances my sweetheart!

Since I got your last response I done ran as fast as I could to sit under the Juniper tree and prayed to die! Why? O well! Here I am after all these 70+ years of mine enjoying our concept of love with all the trimmings of gifts and parties and what have you!

Plus practicing all the teachings from inspired brothers and sisters and practicing my faith according to what I understood of the written Word—faithful to all the regular practices of the Christian system to the best of my ability and taking care of the widows and encouraging and being encouraged and so far up to the very last couple of years! Okay?

And here most especially for the last few months Father has given me *the task to destroy all those wonderful concepts of love and of the ways we have to show love and affection and understanding to our loved ones and to expose all the false doctrines that we have learned and taught and to oppose everything that I once approved! Man such task is worse than killing the 100 false prophets!*

On top of it all I have been sent here to tell certain key persons the truth about this religion and the god they are praying to but because such information is grounds not just for deportation but for jail and worse I have been dilly dally in telling Ahmad the blunt truth that I was to tell him!

Well after my interchange with you I figured I'll go for broke and quit all my loving and understanding ways with Ahmad and I finally came bluntly clear with him and told him the name of the god that they are all calling on is Satan! And I was not to

laugh and overlook all the foolishness from him anymore while the spiritual war for our souls rages on!

Ahmad did not say much but he led me to know that he loved his religion and that was that! ***So then I came to my 'cave' to hide and decided I was not going to go out and say one more word to anyone forever!*** Just let everybody alone to do whatever they so pleased to do! No more longing for friends and fellowship! Let them be! Finished! ***WOW! It was like a sore was surgically cut from my soul! Great! Came Saturday I had the best time with our Master and I felt the most blissful release from the craving from fellowship—man! What freedom! What strength! Best day I had in a long time until Sunday afternoon!***

Wow! Suddenly! On Sunday afternoon I plummeted downward big, big time! So big I thought any minute I was going to snap! So I had it out with Father and I exclaimed, “I asked You for sleep to rest my mind least I go insane but You won’t give me sleep! I CAN’T TAKE ANYMORE OF THIS SILENCE AND SUSPENSE! If I have done wrong and everybody is right then put me away I CAN’T GO ON LIVING!!!”

Chapter 4—Refined not as silver but tried and tested and chosen in the furnace of affliction...

From My Presence in My beloved Thia's journal...

Monday, September 12, 2011 (3:45 am)

O my Master—my Beloved Yahuwah/Yahushua You are so beautiful and lovely and kind and plainly good! I knew that if I would really get angry and pitch a fit like a two year old You would take action! Ha! Ha! HalleluYah!

Why You push me to the limits of sanity? Why don't You just let me sleep while You are doing Your business with Your children? Why do You let my mind concoct all of the horrible skims which tempt me to disobey You?

“O My child—My beloved thia/Basilia you are beautiful and lovely and kind and plainly good yourself because you are One with Me! Your only problem is that you are still in the world even when you are not of the world and I have to refine you, but not as silver; I have to try and test and choose you in the furnace of affliction.

“And now My child you have passed a major test in the furnace of affliction because the rejection from your children and from Ahmad and from all your friends is a ‘furnace of affliction’ and I have put you through all of those furnaces but the only furnace left was the rejection from your dear and beloved Frances. Frances loving understanding and acceptance of you had to be burned out of you for her sake as well as for your sake!

“Now go ahead and send this record to My beloved Frances because she is waiting on Me to lead and

direct her in the way that she should go and this record will give her a clear indication of such direction!

“Then My beloved and precious thia/Basilisa go ahead and to the street and sit on Ahmad’s chair for a time and see what happens before you return to the walking routine I have arranged for you at the moment.”

O HalleluYah! You are truly my Beloved Abba! ***And You certainly take care of Your little girl and keep her squeaky clean!***

Ha! Ha! HalleluYah! I am now printing this record to take with me in my walk and go over it while I sit up there on the benches on top of the city! HalleluYah!

Monday, September 12, 2011 (10:00 am)

I am back! I have been back since 7 am but I have arranged my flowers I picked up as I walked then showered and cooked and eaten breakfast and now I am ready to report! How amazing are Your ways!

It seems to me that You have a fellowship ready for me for You sent Rona my way as I was sitting on the bench on top of the city and Rona—a lovely Pilipino young lady invited me to visit her Evangelical fellowship tonight!

I am excited about the prospect of finding my new brothers and sisters and hoping that we will be able to fellowship from here on out! But if things don’t work out in such way, still the prospect of meeting new friends it’s exciting to me—a gift from You my Beloved Master!

Monday, September 12, 2011 (6:54 pm)

I slept most of the afternoon! I am now getting ready to go to the Evangelical church and meet with Rona and friends!

**Chapter 5—Squeaky clean! Now ready for fellowship
for the honor and esteem of Father Yah not for my
own pleasure!**

From My Presence in My beloved Thia's journal...

Tuesday, September 13, 2011 (3:36 am)

Thanks my Master—my Beloved Yahuwah/Yahushua for the few hours of sleep! And thank You for all the friends I met last night! I do not know what You got in store for me while I am waiting for Your soon return but little by little You are revealing such thing to me!

I will let be of everything as I sit still in this room redeeming the time with the writing task You have assigned unto me in wait of whatever You develop for me on the daily basis. ***And I plead with You to continue to take control of my mind and emotions—I absolutely refuse to act according to what I think or feel!***

And so my life goes on in this journey towards the very end of this age! Will I endure until the end? ***By all means I will now!*** How can I be so sure? By the power of the Set Apart Spirit within my being Who is in control of my being and of every minute detail of my life according to His will and purpose! For it is not His will that ANY of His children should perish!

Hey Frances hope you have enjoyed this one! I love you so much! And you are the more precious and guileless one than I have ever known—a true Nathaniel like my Denise!

Love,
Thia

Ha! Ha! HalleluYah!

**This little light of mine I'm going to let it shine!
I'm going to let it shine! Let it shine! Shine!
Shine!**

I will sing of the mercies of my Yah forever I will sing! I will sing! O my Yah reigns and blessed be His name let the Yah of my salvation be exalted!

**HalleluYah! HalleluYah! HalleluYah!
Come Yahushua come!
*Yes, come, Master Yahushua come!***

Chapter 6—Two Songs of gratitude...

A Fast To Thank Father Yah! & Thank You my Master!

A Fast To Thank Father Yah!

*Did Father Yah blessed you with a new home?
Did He moved You where He wants you to live for
His esteem and for His purpose? Then lift up your
heart to Him and thank Him, for He is worthy of
your thanks.*

Did Father Yah bring You into His rest?

*Did He bring you into the promised land flowing
with milk and honey?*

*Then lift up your whole new self to Him, and in
humble obedience to His Word, fast, lest you fill up
your belly and forget Him!*

*The above is the first writing in the horizon of the heart felt
meditations in my Promised Land narrative. The first day's
meditation I recorded titled,*

Thank You my Master!

*March 5/87. Thank You my Master, for this
beautiful day! As I awake to the singing of the birds
and the shining of the sun, my heart is filled with
gladness, 'cause You are merciful, O Mighty El!
You are my Master and my Elohim. You are my
Father, You are everything to me, I worship You!
Today is the first morning that I awake in this
beautiful piece of land where You have located this*

precious quarters especially for me, thank You my Master!

Truly You have scheduled each day of my life, my name is written in Your book, O my Master!

Thank You Master, for the contentment that fills my heart, thank You Master!

Thank You Master for You alone have filled me with Yourself and invaded my whole being with Your peace, thank You Master!

I thank You Master, I thank You Master! Grant me my Master to go forward this day to walk in Your will.

Give me the strength to follow You wherever You lead for I am weak and easily tempted, give me Your strength, O my Master!

For there are fiery darts that come against me my Master, You know, You know, yet grant me my Master rest from my works and my efforts and help me to rely on You.

As I fast, I fast unto You, yielding the members of my body to You, and to You I yield my whole self. Not for my gain, or my vain purposes, but unto You, O my Master, unto You alone I yield my whole self. Grant me my Master, to walk in Your will, grant me my Master, not to look to the right or to the left, but to look straight where You call me to look and to seek for Your Kingdom!

As I go forward this day, grant me my Master, to look up to You! Thank You my Master!

Chapter 7—For my determined purpose is...

But whatever former things I had that might have been gains to me, I have come to consider as one combined loss for Messiah 's sake. Yes, furthermore, I count everything as loss compared to the possession of the priceless privilege—the overwhelming preciousness, the surpassing worth, and supreme advantage of knowing Messiah Yahushua my Master and of progressively becoming more deeply and intimately acquainted with Him —of perceiving and recognizing and understanding Him more fully and clearly.

For His sake I have lost everything and consider it all to be mere rubbish—refuse, dregs, in order that I may win—gain Messiah Yahushua and that I may actually be found and known as in Him, not having any self-achieved righteousness that can be called my own, based on my obedience to the Torah's demands—ritualistic uprightness and supposed right standing with our Creator thus acquired, but possessing that **genuine righteousness** which comes **through faith in Messiah Yahushua**, the truly right standing with our Creator, which comes from our Creator by saving faith.

For my determined purpose is that I may know Him that I may progressively become more deeply and intimately acquainted with Him, perceiving and recognizing and understanding the wonders of His Person more strongly and more clearly, and that I may in that same way come to know the power out flowing from His resurrection which it exerts over believers, and that I may so share His sufferings as to be continually transformed in spirit into His likeness even to His death, in the hope that if possible I may attain to the spiritual and moral resurrection that lifts me out from among the dead even while in the body.

Psalm 23

Yahuweh/Yahushua is my Shepherd—my Master—my Beloved *to feed, guide, and shield me*; I do not lack. He makes me to lie down in *fresh, tender* green pastures; He leads me beside still and restful waters. He refreshes and restores my life (my self); He leads me in the paths of righteousness—*uprightness and right standing with Him—not for my earning it, but for His name’s sake*.

Yes, though I walk through the *deep, sunless* valley of the shadow of death, I will fear or dread no evil, for You are with me; Your rod *to protect* and Your staff *to guide*, they comfort me. You prepare a table before me in the presence of my enemies. You anoint my head with oil; my *brimming* cup runs over.

Surely or only goodness, mercy, and unfailing love shall follow me all the days of my life, and through the length of my days the house of Yahuweh/Yahushua —my Shepherd—my Master—my Beloved and His presence shall be my dwelling place.

I am a Star to shine Father Yah's love...

When I was a little girl, out of the clear blue sky I used to tell my grandmother that I was going to be a movie star.

That idea had to come out of the clear blue sky because there were not any TV sets or movie houses or such, in fact, we didn't even have electricity in that beautiful hole in Guatemala where I was born. It must have been Father Yah telling me even then, that I was to be a Star. Father Yah had always been one step ahead of me and I thought I was never going to catch up with Him.

Then one day he took me by the hand and gently tugged me so that I would catch up to His step.

But, I, because of circumstances could not catch up with His step. So, he pulled me by the hand for it was necessary that I would catch up with Him, but, I, thinking that he was angry stumbled and fell.

So, He picked me up in his arms and carried me. Because I was angry and hurt I never noticed that he had carried me, before he placed me down to see if I could walk. But no, I could not walk, I

couldn't walk at all. So, he took me back in his arms and lovingly carried me.

And the mountains were high, and the valleys were deep; the seasons came and the seasons went, and with the seasons along came bad weather, good weather, sunny days, cloudy skies, and the storms of rain and sleet, and ice and snow, and the flood came, and along came death to my body.

Then Father Yah put my drowned body on the stake with his Son, under the flood of the Blood and my spirit he placed in the

wings of His Spirit. So, out of the flood of the Blood my body came alive and in the wings of His Spirit my spirit soared. So, in the wings of His Spirit my spirit soared far, far beyond the sky, and in the firmament my spirit shone with Father Yah's love like a shiny star. So Father Yah did make me a Star, far greater than a movie star; a Star to shine His esteem, a Star to display His beam of love.

**I am a Star, I am a Star, praise be to Father Yah,
I am a Star to shine His love!**

Epilog—Conclusion up to date...

From My Presence in My beloved Thia's journal...

All things are coming to pass exactly as they are written in the Hebrew Scriptures commonly known as the Bible and none the wiser! It seems to me that most all human beings are experts and scholars about one religion or another and they tenaciously defend and struggle to reinforce such religion ***but are actually unable to act accordingly—they are powerless to do or act and truly conform to such rules and commandments in spite of all their claims that they do!***

Whatever a human being has been born and raised to adhere and submit for their lifetime usually either the Bible or the Torah or the Koran or whatever set of rules they have been born and raised to adhere and submit for their lifetime ***they become experts and defenders of such rules but are actually unable to act according to them—they are powerless to do or act and truly conform to such rules in spite of all their claims that they do!***

As for myself I quit and broke away from all religions ***and I have no intentions to ever again return to such practices! I am now a humble follower of Yahushua Messiah and a witness that Yahushua Messiah lives and controls my existence on this earth from my heart and a witness that Yahushua is NOT a religion! Indeed!***

Yahushua Messiah is a Person—a REAL BEING though that we can no longer behold His physical body for now He is ALIVE within our hearts and from there YAHUSHUA MUST take hold of our beings or else WE SHALL PERISH!

That means that *we all MUST quit and brake away from our religions and set lifestyles and answer the call from our Deliverer or Savior even Yahushua Messiah to follow and submit to Him!*

How are we to do such? *Cold turkey style!* Just quit all your questionings and *wondering as to how to do it and DO IT!* Like jumping in on a freezing cold lake because a grizzle bear is after you and you have no other way to go!

Quit all your analyzing and figuring out all things and all persons that are sent to you to witness of Yahushua's Presence in their hearts! QUIT TRYING! And START TRUSTING YAHUSHUA just like the witnesses sent to you have done!

I or anyone else sent to you are not super humans!

We are just as human as the next one and probably in lowest rung of the ladder of goodness.

For myself I have no answers because it is not about me and what I have done but *it is ALL about Yahushua and what He has and is doing within me and in my daily existence!*

Love to all,
thia

Welcome to my present life...

And why butterflies and roses and eagles?

About the butterflies...

Once the author like a worm crawled wingless on these earthly grounds but now like a butterfly her beautiful wings she can display to the honor and esteem of our Maker!

Then the eagles...

They symbolize to me the wings of the Spirit of our Maker to soar to the highest spiritual highs above these earthly grounds! And the roses...

They symbolize to me the fragrance and beauty of the lovely and mighty Presence of my Maker within me that gives me strength to dance and rejoice in spite of the thorns that prick my being on the daily basis! And just like they say—I always come up smelling like a rose! Ha! Ha! HalleluYah!
