# Chapter 1—A midnight prayer...

*From My Presence in Thia's Journal...*

Friday, January 15, 2010 (12:am).

Hear my midnight prayer my Master—my Beloved! I worship You!

O my Master—my Beloved have mercy upon us all and open our eyes to see the reality of our condition—our self-righteous ways as we practice a form of godliness according to the religions of this world following rules and regulations that are only externals and superficial ways to dupe us into believing that we are worshiping and obeying You when in fact we are not!

Open our eyes to see such awful reality—our self-righteous ways as we practice the religions of this world and cause us to fall on our faces and repent of such ways!

Open our hearts and minds to understand that unless we repent of our self-righteous ways we are heading to eternal death!

Open our hearts and minds to understand that eternal death is not an option that any one shall accept in ignorance that eternal death means the finality of all goodness and the beginning of all badness—a horror beyond our conception!

Give us the power to repent. Give us the desire to choose life not death!

Deliver us from counting and setting our hopes on the whole worldly gamut of promises of a blissful future without You!

Open our eyes to see the cunningness of our enemy and how our enemy has duped us with empty promises of future peace and well being on this earth in exchange for our souls!

Show us that the reality of all the empty promises from the enemy are just that—empty—of no value! Open our eyes to see this awful reality and halt our gullible and foolish understanding to believe such gross lies!

Deliver us my Master for it is Your promise to deliver even the lawful captives—that's Your people legally in captivity according to Your own decree because of our willful ways!

Thank You for hearing and answering my prayer as You have promised me to do because I live and move and breathe in You—my Master—my Beloved Yahuweh/Yahushua—Father Creator and Redeemer of my being!

## Chapter 2—Let's pause in our frazzled busyness and consider...

*From My Presence in Thia's Journal...*

Wednesday, January 13, 2010 (5:55am).

Thanks my Master—my Beloved for giving Your beloved sleep.

The time is flying my Master and Your people are still wasting instead of redeeming this short time that we have left to straiten out our individual lives.

O my Master—my Beloved what would You like to tell Your people on this day? What am I to record?

I am at lost when it comes to reach Your children. For they are simply too busy to hear anything other than what appeals to their lust for pleasure!

Most all that is in their minds is food and money and entertainment. How to get money to eat!

How to get money to live and enjoy themselves! Money and food and entertainment drive Your people to a frazzle!

Yet, either they comfort themselves with their own self-sufficiency and abilities or in the soothing arms of RELIGION!

And they work and apply themselves to their maximum potential to the point of utter exhaustion and at the cost of their own sanity enough to make them cry and cry to their God! And all for the sole purpose to achieve the coveted material success to

satisfy all their worldly pleasure—money, food and entertainment!

Of course there are a few exceptions and to these few exceptions this message is addressed in the most specific way because these few are key leaders in our Creator's army to lead His children to abandon this sort of thinking and reach up higher to Him.

For as a rule each one claims to have the ONE GOD! Nonetheless these few must exercise their inherited wisdom from on high and come to term with the reality that we must all abandon our preconceived knowledge and pay mind to everything here stated without prejudice of any kind.

O if they would only pause and think for their own individual selves without the influence of religion or human mind!

If they only would give Your Set Apart Spirit one instant of their busy time!

If they would only cease their unceasing cry for blessings to deities that they don't even know!

If only they would...They would find out that money and food and entertainment are not the essentials for life!

Yes we need to eat to live. But we do not to live to eat.

In fact the major cause of our ill health is because we live to eat and drink without any restrain whatsoever!

You have sent me over to this region of the world to do Your work and You have given me specific instructions for my assignment.

I pray my Master to keep me attuned and in perfect accord to Your will and desire for every single act I perform in the course of this day as You have done every other day since You sent me.

Nonetheless You know how discouraged and disgusted I am as I observe the behavior even of Your most selected ones!

And no matter what I say or do and even when they can see Your Presence within me they do not seem to respond to that Mighty Presence and it tears me up!

But O my Master with me it is impossible! Impossible to reach them no matter what I said or do! But with You ALL things are possible!

You know what You are doing and I absolutely refuse to give way to my own imaginations and thoughts about everything that goes on!

I thank You for halting such imaginations and thoughts within my being. I thank You for the ability to overcome such!

You alone are Master and Sovereign in my life! I do not belong to myself any longer I belong to You! And You have the right to my whole being!

You have the right to halt all my thoughts and imaginations and bring them under the captivity of Your rightful commandments!

O How good it is to be free! Your truth has set me free! HalleluYah!

Yes my Master I will record now the things that You want me to record for Your people in this town—

natives as well as the ones that You have brought here to judge them face to face and the ones still lingering in foreign soils especially in America!

As You are showing these things unto me this morning so I will record them!

### *Psalms 1:1-6*

Blessed is the man who shall not walk in the counsel of the wrong, And shall not stand in the path of sinners, And shall not sit in the seat of scoffers, But his delight is in the Torah of Almighty Yahuweh,

And he meditates in His Torah day and night. For he shall be as a tree Planted by the rivers of water, that yields its fruit in its season, and whose leaf does not wither, and whatever he does prospers.

The wrong are not so, but are like the chaff which the wind blows away. Therefore the wrong shall not rise in the judgment, nor sinners in the congregation of the righteous. For Almighty Yahuweh knows the way of the righteous, but the way of the wrong comes to naught.

### *Psalms 2:1-6*

Why do the gentiles rage<sup>1</sup>, And the peoples meditate emptiness? Footnote: <sup>1</sup>Acts 4:25-26.

The sovereigns of the earth take their stand, and the rulers take counsel together, against Almighty Yahuweh and against His Messiah, *and say*, “Let us tear apart Their bonds, and throw away Their ropes from us.”

He who is sitting in the heavens laughs, Almighty Yahuweh mocks at them. Then He speaks to them in His wrath, and troubles them in His rage, *saying*, “But I, I have set My Sovereign on Tsiyon—My set-apart mountain.”

## Chapter 3—Unprecedented URGENCY in the heart of our Father...

*From My Presence in Thia's Journal...*

Wednesday, January 13, 2010 (7:00am)

Dear ones, the time has come now more than ever, ever before for all of us to abandon business as usual!

There is an unprecedented URGENCY in the heart of our Father within all His servants called to cry out loudly for all His people to hear and mind Him!

It is time now more than ever before to abandon all our habits and customs—our ways of living!

It is time to abandon our own thinking and understanding!

It is time that to open our eyes and see that NONE of our thinking and ways and customs and detailed plans to survive will avail us!

None of our plans to take care of ourselves will be of any use whatsoever!

**NONE! NOTHING! In our human power will stand against the evil forces** that have been unleashed and are now only mildly attacking us in the way of frustrations and disappointments and the usual sickness in our bodies.

**Those forces are now set to attack us all any moment with mighty power.** Believe it!

For the time has come when there will not be any super power lock to secure our doors and windows; nor even the super security walls will contain these forces.

The small incident that I went through in S.Africa when a black man busted my window and snatched my laptop even when I lived surrounded by a security wall was only a very small taste of future events soon to be a reality for everyone all over the world even here in this peaceful land of safety!

Those evil beings will burst through doors and windows and walls to destroy and annihilate anything resembling our Creator's imagine! As I predicted to the owners of the complex in S. A. where that incident took place.

And how do I know these things? Because our Father has shown them to me in dreams and visions which I have not understood until now that these things are coming to pass right in front of my eyes.

And lately those dreams and visions have come more vivid and real and more urgent! And Father has been deciphering them to me as they are coming to pass right as I am writing these things.

Besides that is not the only way that I know these things. But I have been reading about all of these things in the Sacred Hebrew Scriptures for many years though I never understood them like I understand them now that I have submitted my understanding to our Father's Set Apart Spirit.

And all these things that I am now seeing in my dreams and experiencing them first hand are also being confirmed by many reliable sources—genuine and dedicated servants of our Creator who have given their lives without reserve to His service.

And these things are also being confirmed by sound and unbiased secular institutions if only anyone cares to do honest research about it all.

Of course don't do your research in the annals and literature of your religion or your church or your congregation; much less in the Government libraries for such sources are false and deceitful!

Those sources are the cause of all of our problems.

**The religious and secular authorities have used such sources to program us into believing the lies and deceptions that are smothering the life of every child of our Creator!**

But research neutral sources that can give you unbiased information. There are not many but there are enough of them for you to check the veracity of this information.

For this information in the long run is not coming from our human minds but it is coming by the design and purpose of our Almighty Creator of our beings and of the whole Universe!

Our Creator has seen to it that this information be available now because this His appointed time for such information to come out.

Our Creator is SOVEREIGN and we are not to question Him anymore as to why wait until now! Especially at times like these! Just pray and ask Him to lead you to the right sources to confirm this message if you have any doubt whatsoever!

For the written Hebrew Scriptures are coming to pass exactly as they have been recorded from ancient times. I am witnessing and experiencing first hand all of those things I have been reading and seen in the book of Joel and other books of the Hebrew Scriptures but never before as I am seeing them now!

Seeing these things first hand has been enough to make a super believer of me but I am now not just believing but knowing that these things are coming to us with an assurance beyond my ability to explain! For I know beyond the shadow of a doubt that these things are coming to pass in a matter of record time whether I or anyone believes it or not!

For my Father shows them to me and to others in dreams and visions and with the urgency that He is instilling not just in my heart but in the hearts of many—for even the world's elite are aware and preparing for these things while my brothers and sisters sleep comfortably on their beliefs and traditions and count on the world's elite preparations not realizing that none of those preparations shall avail anyone!

**NOTHING shall avail except REPENTANCE—**  
**change of lifestyle. For it is all about to happen**  
**just as it is written,**

Joel 2:1-11 BLOW THE trumpet in Zion; sound an alarm on My set apart Mount *Zion*. Let all the inhabitants of the land tremble, for the day of *the judgment of Yahuweh* is coming; it is close at hand—*Ezek. 7:2-4; Amos 5:16-20*.

A day of darkness and gloom, a day of clouds and of thick mists and darkness, like the morning dawn spread upon the mountains; so there comes a *heathen, hostile* people numerous and mighty, the like of which has never been before and shall not be again even to the years of many generations. A fire devours before them, and behind them a flame burns; the land is as the garden of Eden before them, and behind them a desolate wilderness; yes, and none has escaped *the ravages of the devouring hordes*.

Their appearance is like the appearance of horses, and like war horses and horsemen, so do they run. Like the noise of chariots on the tops of the mountains they leap—like the noise of a flame of fire devouring the stubble, like a mighty people set in battle array. *Rev. 9:7, 9*.

Before them the peoples are in anguish; all faces become pale. They run like mighty men; they climb the wall like men of war. They march each one *straight ahead* on his ways, and they do not break their ranks. Neither does one thrust upon another; they walk every one in his path.

And they burst through and upon the weapons, yet they are not wounded and do not change their course. They leap upon the city; they run upon the wall; they climb up on and into the houses; they enter in at the windows like a thief.

The earth quakes before them; the heavens tremble. The sun and the moon are darkened and the stars withdraw their shining. *Rev. 9:2-4; 16:14*.

And Master Yahuweh utters His voice before His army, for His host is very great, and *they are* strong and powerful who execute *Yahuweh's* word. **For the day of Master Yahuweh is great and very terrible, and who can endure it?** *Isa. 26:20, 21; 34:1-4, 8; Rev. 6:16, 17.*

O my Master—my Beloved You have given me Your Priestly heart to weep between the porch and the altar and say in the unity of Your seven thousand who have not bow to Satan,

“Spare Your people, O Almighty Yahuweh, and do not give Your inheritance to reproach, for the gentiles to rule over them. Why should they say among the peoples, ‘Where is their Elohim?’ “

Saturday, January 16, 2010 (1:00pm).

My Master—my Beloved You know what goes on! You are witnessing my disgust and discouragement again in spite that this morning You spoke such words to me and told me that my composure will manifest itself in the most remarkable way to impress many souls!

But I just went downstairs to the office and I don't think that I made too much of an impression. Perhaps I was not supposed to go.

Then again in the few minutes I was there You have shown me some things that I will now record.

For after You have been showing me that all these things that You are instructing me to record are written in the book of Joel I have hoped that You are

answering my request that I have been making for years to spare Your people.

Because You have been reassuring me over and over again that You are sending these messages to Your people for Your people to reconsider their ways thus they shall be spared!

Yet my Master—my Beloved Your people lingers in doubt and unbelief and no matter what You are doing with my life it does not seem to be affecting anyone! They all remain oblivious to what You are doing and they are unable to see the ominous danger approaching us all!

Their only concern as I recorded above is food and money and entertainment!

And they all continue with their amazing preparations for a goodly future and talk as if we are to live here forever!

My children abroad talk only about good jobs, education, good houses, entertainment, vacations, social life and gatherings to pass the time pleurably and they pass their time in front of their TV sets whenever they are not in the rat race of their regular jobs or hectic social life!

Yes I am disgusted because the people over here are not much different in spite of the fact that they consider themselves uniquely good because they have such strict religious rules.

Yet they live pretty much American style—eating and drinking and entertaining themselves.

And the TV screens glared here as much and perhaps more than in America.

Of course there are exceptions but for the most the general public is the same everywhere I been including here.

And the sad part and the reason for my discouragement if any is that even these exceptions are beginning to see me as an odd ball and not taking me seriously because they cannot even imagine the things that I mention to them and it seems to me that they might think that I am making up such things.

My Master—my Beloved unless You do something to impress this people I just don't have the courage to go out there and mingle with them anymore!

I have no desire to entertain them with my presence or be entertained by them any longer. Enough is enough!

Unless You change either them or give veracity to the things that You are giving me to record I do not intent to disobey You again and go back to their ways! I'll stay in this room until You move me!

Because You have impressed upon me the urgency of these matters that I am recording and the utter importance for Your people to repent of their lifestyle. You have shown to me and to many others the utter importance for Your people to quit wasting their time in entertainment and instead for Your people to redeem the time because **You cannot withhold Your wrath**

**against evil much longer and the entertainment world is the core of evil.**

My Master I know that there is nothing that I can I say or do for them to mind You!

But I also know that I am proclaiming Your Word and Your Word shall not return void.

You know that I am not complaining nor am I disturbed about this whole situation.

I am merely reporting my rightful disgust with the wicked ways of mankind!

And if I do get momentarily discouraged as I continue in Your Presence You encourage me with Your Word and You open my eyes to see that **the human behavior is even more disgusting to You than it is to me.**

Nonetheless in Your unfathomable wisdom and infinite mercy You have put up with our human nature for these millennial years so why should not I put up with it since I am live and move and breathe in You?

What a revelation!

So I will include this record in the message because that is what You are instructing me to do at the moment.

Perhaps Your children can appreciate the honest interchange between You and me and realized that such is the only way You desire to communicate with all of Your children.

For You are not impressed with all our formal and flamboyant lip and ritualistic prayers at all! Nor are

You impressed with all the routines that we adopt to worship and to pray to You.

At this instant I remember one time when I was driving from Wilmington to N. Orleans and I asked You how did You want me to pray. And You told me “Just talk to Me like if I was right next to you!” And so I did during that long 15+ hours drive.

But later on I had imposed upon myself the routine to pray for an hour on my knees every single morning. And I would kneel down with my Bible opened in front of me and prayed with my especial tone of voice. I did that for quite a while then one day when I finished my prayer hour You asked me, “Why do you change the tone of your voice when you pray?”

And I asked again “And how do You want me to pray? And again You said, “I want you to talk to Me often with the voice that I gave you to speak at all times and then listen as I talk to you back.”

I learned much about prayer with that statement. And from there on I understood what ‘pray without ceasing’ meant!

For prayer means to communicate with our Father—with You. And if we are to establish a relationship with You and get to know You intimately we must continuously talk and listen to You as You listen and talk to us.

So that’s what I do and that’s what You do. I talk and You listen then You talk and I listen. And lots of times

is the other way around. And everyday You reveal Yourself to me in a very intimate way.

And that is what You want from all of Your children. For our Father—You want for us to love—to obey You with all our hearts and minds and all our strength. That is the first and most important command of all. And how else are we to love or obey You if we do not communicate with You and get to know You in a personal and intimate way?

Better than anything is the fact that if we have that type of relationship with You we become complete and satisfied and able to redeem the time with whatever task You give to us and we do not need to waste our time amusing ourselves with worldly and heathen entertainment!

For our Father—You are well able and willing to give us our daily bread to satisfy all of our needs including our need for rest and relaxation! I for one have the most wonderful times of relaxation as You make me laugh at my own ridiculous ways!

And when we become to know You intimately we are able to see and understand that all the rules and regulations that You gave to ancestors are for our good and we can delight ourselves obeying those rules because we can see how good they are for us instead of feeling obligated to do things that we don't want to do only for fear of punishment.

Unfortunately Your children have not yet learned these things even this late in the age because we have been

snared in the net of the religious world and we have corrupted all the ways and means to communicate with You that You gave to our ancestors at the beginning. And all those ways have become an abomination to You as it is written in Isaiah 1:10-20.

Once You revealed those things to me I quit 'church' and all those rituals and prayers and such.

And even though that I have tried to compromise with the rest of Your children and I have joined them many of times You know that at the present time there is no way that I will ever willfully compromise again and join them in such practices as You have commanded me to do.

For actually the whole scene of gatherings and worship groups and congregations has become nothing more than major entertainment for all that is worth!

And You have revealed to me that You are appalled by such scene!

And let him who has ears hear what You my Father are telling them not me!

## **Chapter 4—Let's redeem the time instead of entertaining ourselves...**

Listen and listen well my friends! The above sacred Hebrew Scriptures in the book of Joel are coming to pass with exact precision even now.

For before Master Yahuweh utters His voice Master Yahuweh is to unleash the enemy's army unto us—that is already happening but it will intensify beyond our imaginations in a record time!

Please! Pause for a moment and take a look at what we are all doing!

Are we not absorbed in passing this time of our lives the best way we can?

Are we not still doing what seems best to us? If we are old we are happy to have the finances to eat and pay the rent.

And if we are young we are consumed with the business of making a living—making money to support ourselves and our families.

And in the meantime to ease our insurmountable burdens from fending for our own selves are we not still entwined in the entertainment world?

The TV screens glared in most all homes and businesses here and abroad with all sorts of entertainment!

And every free minute we can spare from our busy lives we glue ourselves to those screens like flies on a sticky paper!

And the women at home keep those screens on and glue themselves and their little ones to such diabolic screens totally ignorant of their gross sin against themselves and their little ones!

**For we are ALL totally ignorant that we are spellbound to Satan himself when we sit in front of those screens!**

This is so because the TV screens glared such monster in all kinds of costumes: wonderful kiddies' shows! Cute and innocent cartoons! Amazingly beautiful women cad in the most alluring costumes! Super interesting movies that catch the attention of young and old alike! Intriguing dramas of all sorts!

And of course, for the indiscriminate adult, adult entertainment is readily and super easily available meaning plain and blatant CORRUPTION without any restrain whatsoever!

But in our naïveté we call all of this 'entertainment' to soothe our minds and bodies from our hectic lives of self-sufficiency and for the sake of our sanity!

And even the ones who have knowledge of this fact still get sucked in to sitting under the spell of this monster with different excuses.

For it is only a few of us who have totally and completely refused and rejected even the ownership of such evil monster!

Unfortunately the entertainment world does not encompass only the TV vast claim to it!

There are other ways to distract ourselves from the evil end which Satan has in mind for all of us created in the image of our Creator!

So for us who refuse and reject even the ownership of such evil monster what are we to do for entertainment?

For most certainly it is commonly understood that we need to relax our minds and bodies for our health—in other words we need entertainment! (Forgive my sarcasm! For most certainly we do not need entertainment!)

But anyhow since we don't watch TV what do we do for entertainment? FOOD! That's the answer!

“Let's do lunch!” it is said in America! And people can hardly wait for the preacher to end his sermon to hit the usual restaurants! What a trip! We are ridiculous!

And so here comes old Thia and she has seen all of these discrepancies in our lives so she would do better! What has Thia done? Entertain at home!

Surely such is perfectly righteous and the thing to do! And on she goes to the market and gets the best of best ingredients to cook the best of best food to entertain her friends!

Of course all of this getting is according to Thia's insidious likes and dislikes in her taste for food so chocolates are number one in the list! O what a trip!

‘Holy Thia’ looking to satisfy her own belly! Totally ridiculous!

Now please don’t get me wrong! I am not against enjoying a good meal in the company of friends and family.

It is not that we are to refrain from enjoying ourselves but, it is necessary that we DO NOT make FOOD the top priority in our lives!

Yes! We can prepare a wonderful meal in the Presence of our Maker and the fellowship of our loved ones while we have our hearts set on His Presence in our midst rather than our belly!

It’s our motives that count in everything! Yes! Our Maker sees our heart—the motives of our wicked heart! Our Maker can see whether what we do is either for Him or for our neighbor or for us in the guise of the first.

We can fool ourselves and we can fool others but we certainly CANNOT fool Him! BEWARE OF YOUR OWN SELF!

One thing is for sure though, our Father does not let this old Thia get by with all her shenanigans anymore and so before she can succeed in all fabulous plans to entertain herself and her friends there comes the rod of discipline in the pointing fingers of everybody who can detect my wicked doings! And on this old Thia goes with her face to the ground again!

Believe me Thia’s face been on the ground so long that is bound to have sprouted roots in the good soil

of repentance because lately Thia is walking strait in the Presence of her Master and letting Him set the boundaries in her life.

But this morning at the sight of what is coming to us and realizing the gruesome reality of how we are so entwined in entertainment believe me dear friend this old Thia does not even want to even mention the word ‘entertainment’ and at the moment I tempted to start turning down my friends’ offers to entertain me!

Yet, my Master keeps me from falling into such temptation and keeps from offending my friends at the cost of missing the opportunity to demonstrate His Presence in my life!

For it is really no longer an option for me! Indeed! It is my Father’s commandment OBEY His commandments—ALL His commandments! And one of His commandments tells me quit worrying about ‘What shall we eat?’ or ‘What shall we drink?’ or ‘What shall we wear?’ And finally! I am now able to keep His commandment! How?

Well, believe it or not is not the fruit of my carnal efforts or self-discipline or good behavior or nothing of that sort. Somehow I don’t know how but when I quit all my carnal efforts and all my trying to do good and I gave up on myself! It just happened! I submitted my whole being—spirit mind emotions and body to the power of His Set Apart Spirit and He took over my life!

Nonetheless how else am I to demonstrate my new way of life and my Master's Presence within me unless I mingle and fellowship with my friends? But that is what my motives should be—to demonstrate His Presence—to let them see my pure motives to share that Presence with my cheerful attitude to encourage them to come and be with me in the Presence of my Beloved Master!

My motives should not be just to satisfy my belly—my need and want in times of desperate loneliness and dejection of my emotions for the lack for human affection as it was in past times! But, wonder of wonders! My Master somehow has set me free from such loneliness and now I truly do not have that need anymore!

Wow! This old Thia is not lonely anymore! This old Thia can finally say: “Father bring my children over because they are missing out all these wonderful blessings that You have for them over here!” rather than whining and whining over and over saying, “I miss my children! please bring them over to me so “I can be happy!” Indeed! My whole idea of ‘my’ and ‘mine’ and ‘for me’ has been set strait! Now it is, ‘for them’ and ‘not my will but Yours be done’! How did that happen? My Master has done it in spite of this old conniving Thia! And such shall happen to you also my dear and beloved children and friends! I know it! For He has told me so! And that is why He has set me out to write all these things to you all!

## Chapter 5—OBEY don't say 'What shall we eat/drink/or wear?'...

*"It is not your faith that saved you! It is only My faithfulness!"*

So He has commanded us to quit worrying about such things as to what to eat and drink and what to put on but to seek first His Kingdom and He will take care of all those things.

Do we fear Him to the point of obedience to all that He commands us or not?

I know I didn't all of my life except for the last couple of years.

But of course I, like the rest was totally convinced that I was seeking the Kingdom first because I read and studied and I thought I was practicing the Sacred Hebrew Scriptures.

And I listened to many 'inspired' teachers and followed all their wonderful teachings and doctrines! And I prayed and went to 'church' and I did all the righteous things that one is supposed to do!

And I was convinced that 'we' the 'believers' had the right handle to lead us all to an eternal bliss!

And at the present time there are millions of 'believers' in their religion and in their doctrines and traditions who like myself in the past are convinced that only

they have the right to eternal bliss and the rest will be doom to hell eternally!

And O the millions blinded to the reality of such fallacy!

So many are so ready to teach and to preach and to educate the world with little knowledge that the reality of our Creator is far, far above all human thinking and ideologies and religions and doctrines and philosophies and plum ideas of a righteous life!

The truth of the matter is that we all say with our mouth that we believe in Him—in our Creator and we have confessed with our lips this belief **but in our hearts we have remained believing in ourselves!**

For it is obvious that we only believe and take pride in ourselves when we staunchly insist that we are saved because we believed—whether we believe in one religion or tradition and its doctrines and teachings or the other!

And without realizing it we stress the fact of our ‘belief’ and we do not give the credit for our belief to our Creator.

We place all the weight on our faith! Undoubtedly such is what all of our Father’s children do! I was not alone in my ‘belief’!

But in His mercy and unfathomable wisdom my Father has convicted me—has shown me my pride and arrogance!

For all I had was head knowledge of Him and His ways but I had taken Him for granted thinking that I was so knowledgeable and righteous with my own willful self power—my own merits.

But my Creator's Set Apart Spirit stroke a blow to my pride and arrogance once for all when He emphatically and almost in an audible manner pronounced His verdict to me in the most powerful statement that turned my whole life around!

He said to me: **"It is not your faith that saved you! It is only My faithfulness!"**

I have never been the same since that especial and solemn moment some 20+ years ago!

His verdict was indelible imprinted within my being and I have never again come up with such claim!

And so I am happy to announce that at last! since 2007 my Father has kindly taken over my life and He makes all my plans and He instructs me on the daily and moment by moment basis on all things He plans for me.

And the best part is that I don't have to worry about making plans of my own anymore because inevitable such plans turn to failure causing me great disappointments!

For by His design to discipline me any time that my carnal arrogance attempts to arise giving me ideas of my own to take matters into my own hands to satisfy my carnal wants all my ideas fail.

So even though that I know that He comforts me turning all things around for my good after my goof ups I do not dare to intentionally put Him to a test doing things on my own anymore.

For I have learned NOT TO trust my own plans and even when I am free to make them I don't dare to bring them to completion!

And day by day and moment by moment I am constantly refusing and rejecting my own thoughts and imaginations.

For I have finally got the meaning of what it is to become dumb that He might give us His wisdom. So I have become dumb without any wisdom of my own!

**I have retired from my own wisdom stand!**

Therefore I cannot instruct nor teach or argue with anyone much less with those who instruct or teach or lead the affairs of this world.

I simply let the Presence of my Father within me take over all situations in my daily existence as I am walking in His Kingdom even now while I am still on these earthly grounds!

So DO NOT ask this Thia to instruct you. And please do not provoke me into an argument nor attempt to prove me wrong or right or to convince me of your own beliefs.

Because it is not for me to instruct or argue or prove things far too high for my own understanding!

And I have not got the slightest idea of what anyone is supposed to do nor of how they are supposed to do whatever they must!

Only our Father's Set Apart Spirit has the right to teach and prove all things and to tell each one of us individually what is it that we are supposed to do to meet His requirements for our complete deliverance. Instead of asking Thia or any other human being fall on your face like this Thia has done and ask our Almighty Creator "What am I supposed to do?"

And get ready to **OBEY Him no matter what is the cost** to your carnal ways!

That is the only suggestion that this old Thia can give to anyone! It is written in Matthew 6:19-34,

"Do not lay up for yourselves treasures on earth, where moth and rust destroy and where thieves break in and steal, but lay up for yourselves treasures in heaven, where neither moth nor rust destroys and where thieves do not break in and steal. For where your treasure is, there your heart shall be also. The lamp of the body is the eye. If therefore your eye is good, all your body shall be enlightened.

"But if your eye is evil,<sup>1</sup> all your body shall be darkened. If, then, the light that is within you is darkness, how great is that darkness! Footnote: <sup>1</sup>This is a Heb1 ~rew idiom – *a good eye* means to be generous, while *an evil eye* means to be stingy. No one is able to serve two masters, for either he shall hate the one and love the other, or else he shall cleave to the one and despise the other. You are not able to serve Elohim and mammon.<sup>1</sup> Footnote: <sup>1</sup>Personification of wealth. "Because of this I say to you, do not worry about your life, what you shall eat or drink, or about your body, what you

shall put on. Is not life more than the food and the body more than the clothing? Look at the birds of the heaven, for they neither sow nor reap nor gather into storehouses, yet your heavenly Father does feed them. Are you not worth more than they? And which of you by worrying is able to add one cubit to his life's span? So why do you worry about clothing? Note well the lilies of the field, how they grow. They neither toil nor spin, and I say to you that even Shelomoh in all his esteem was not dressed like one of these. "But if Elohim so clothes the grass of the field, which exists today, and tomorrow is thrown into the furnace, how much more you, O you of little belief? "Do not worry then, saying, 'What shall we eat?' or 'What shall we drink?' or 'What shall we wear?' For all these the gentiles seek for. And your heavenly Father knows that you need all these. "But seek first the reign of Elohim, and His righteousness, and all these *matters* shall be added to you. "Do not, then, worry about tomorrow, for tomorrow shall have its own worries. Each day has enough evil of itself.

WOW! How silly and how much of an unbeliever I have been most of my life with my trivial concerns! And how much my insidious likes and dislikes and aberrations have been an stumbling block in my spiritual walk of faith!

And what a difference there is now that Father Yah has set me completely free from such bondage! My whole approach to life and eating and drinking and money and all those 'I got to have this or that!' or 'I need this or that!' all of it has vanished! May you all come to such a bliss!

## **Chapter 6—Only one way to avail us all—our Messiah Yahushua...**

And before I close this message let me assure you all that nothing, nothing at all troubles this old Thia because I am no longer depending on my own mind and understanding of everything.

Indeed! without any carnal efforts nor any religious discipline—for no merit of my own whatsoever! I have literally abandoned myself totally and completely to my Master—my Beloved Yahuweh/Yahushua and His Set Apart Spirit controls my life and leads me on the daily and moment by moment basis!

Therefore I am not troubled even when I tremble to see the whole state of my people—my children and friends because my Master has let me know that my children and friends are under His control and care as it is my prayer for them to be.

And my Master is instructing me to deliver these messages to my children and friends who are still oblivious to the dark, dark days coming which are even here at this moment so my children and friends may come to grip with this horrible reality.

Because my children and friends so far refuse to take measures to change their lifestyles and beliefs and accept the fact that nothing—none of our beliefs and religions and good deeds—nothing shall avail us in the days to come because all those religions and beliefs

are a nothing else but a hoax from the enemy of our souls to destroy us all!

**No one single religion in the whole world is good!**

And no religion or sect has the way to deliver us from the hell that has been unleashed to either destroy or purified and deliver us!

For *there is only one way—the plan of our deliverance through our Messiah Yahushua as decreed by the Almighty Creator of our beings in the Hebrew Scriptures and we have a choice either to accept that plan or perish!*

Unfortunately this plan of our deliverance is not at all what most all believe it to be—a mere emotional or mental belief engendered by our own emotional understanding of our Creator and of our Messiah!

Beware! For millions are counting on their salvation and boasting about having their names written in the book of life but they don't really know our Creator nor our Creator's Set Apart Spirit!

Millions only have a concept of Him—what they understand about our Creator with their minds and feel with their emotions.

And they only rely on their understanding and their feelings but they fail to depend on our Creator's Set Apart Spirit to take control of their lives because they don't know Him!

Therefore the behavior above mentioned exists among all who claim this salvation rather deliverance! For these millions who claim salvation and are relying on

their mind and emotions—on what they understand and feel about the Word and about our Creator and about our Savior but they call it faith and claim and boast about their salvation and they also claim that we cannot loose such salvation.

And they claim the unconditional love from our Creator—they claim ‘grace’!

And my heart breaks because I know that my children and friends are outstanding and gifted individuals for they are chosen children of our Creator but according to the written Word my children and friends are deceived along with these millions who have believed a lie—a falsehood from their ancestors as it is written,

Jeremiah 16:8-21

“Do not enter the house of feasting to sit with them, to eat and drink.” For thus said Yahuweh of hosts, the Elohim of Yisrael,

“See, before your eyes and in your days, I am making the voice of rejoicing and the voice of gladness, the voice of the bridegroom and the voice of the bride to cease in this place.

“And it shall be, when you declare to this people all these words, and they shall say to you, ‘Why has Yahuweh pronounced all this great evil against us? And what is our crookedness, and what is our sin that we have committed against Yahuweh our Elohim?’ then you shall say to them, “‘Because your fathers have forsaken Me,’ declares Yahuweh, ‘and have walked after other mighty ones and served them and bowed themselves to them, and have forsaken Me, and did not guard My Torah. ‘And you have done more evil than your fathers, for look, each one walks

according to the stubbornness of his own evil heart, without listening to Me.

“So I shall throw you out of this land into a land that you do not know, neither you nor your fathers. And there you shall serve other mighty ones day and night, where I show you no favour.’

“Therefore see, the days are coming,” declares Yahuweh, “when it is no longer said, ‘Yahuweh lives who brought up the children of Yisrael from the land of Mitsrayim,’ but, ‘Yahuweh lives who brought up the children of Yisrael from the land of the north and from all the lands where He had driven them.’ For I shall bring them back into their land I gave to their fathers.

“See, I am sending for many fishermen,” declares Yahuweh, “and they shall fish them. And after that I shall send for many hunters, and they shall hunt them from every mountain and every hill, and out of the holes of the rocks. “For My eyes are on all their ways; they have not been hidden from My face, nor has their crookedness been hidden from My eyes.

**“And first I shall repay double for their crookedness and their sin, because they have defiled My land with the dead bodies of their disgusting matters, and have filled My inheritance with their abominations.”**

O Yahuweh, my strength and my stronghold and my refuge, in the day of distress the gentiles shall come to You from the ends of the earth and say,

**“Our fathers have inherited only falsehood, futility, and there is no value in them.”**<sup>1</sup> Footnote: <sup>1</sup>See Ps. 147:19, Isa. 2:3, Isa. 60:2-3, John 4:22, Rom. 2:20, Rom. 3:2, Rom. 9:4. Would a man make mighty ones for himself, which are not mighty ones?

“Therefore see, I am causing them to know, this time I cause them to know My hand and My might. And they shall know that My Name is Yahuweh!”

My children and friends, truly, I am not insane nor deluded. I am standing on the reality of our Messiah Yahushua on the solid ground of His pure and undiluted WORD!

But I am not a scholar nor pretend to be one to interpret or add my understanding to His WORD!

I merely quote His WORD as His Set Apart Spirit quickens me to quote it because His WORD is clear for all of His children to understand and accept if only we read it without our own bias—preconceived ideas. Yes! This time our Creator means business as it is written! For He is already causing us to know HIS hand and HIS might in many ways.

But HIS mighty hand shall continue to descend upon us in an unprecedented manner until we all come to know that HIS Name is Yahuweh and quit calling and treating Him as a pagan deity!

And there is hope still for we still have a little window of time for us to willingly submit to Him if for no other reason than to keep out of the path of His wrath! Nonetheless His aim is not to punish us just to keep us out of the path of His wrath. Far from it!

Our loving Creator’s aim and desire is to bring us to establish an intimate and loving relationship with Him as that of a child to his loving father and mother here on earth.

And the only way that this relationship can be established is if we repent and submit to His Set Apart Spirit to give us the power—the faith to become like little children.

Thus these messages are going forth to entice His children to repent!

It truly is amazing to me how our loving Father is doing this work of restoration. For He truly is restoring us to the original state of our creation!

I for one I am experiencing the most delightful period of my life—totally carefree!

Yet more engaged in the task that my Master Abba has given to me to the point that I do not have time to be concerned about anything other than what my Master is concerned about—the restoration of His children—including my children and friends!

And I work day and night with a glad heart! And more and more I am living with the sense of His delightful Presence knowing that He is my shield and protection and He will keep His promise to restore all my children and friends and we all will be gathered to Himself as it His desire to do!

Therefore I will continue obeying Him and delivering these messages knowing that sooner or later these messages shall accomplish my Master's will!

## **Chapter 7—Our Messiah Yahushua— not a mind/feeling concept...**

Definitely and assuredly Messiah Yahushua IS NOT a mere emotional or mental belief engendered by our own emotional understanding of our Creator and of our Messiah as millions are counting on!

For according to the written Word we are emphatically commanded over and over again NOT TO depend on our own understanding much less in our emotional hearts but to submit—to depend on our Creator's Set Apart Spirit!

And we are exhorted to humble ourselves in the sight of our Creator.

And over and over again we are told to repent—to turn away from our ways of worship and from our lifestyles.

And we are warned over and over again that unless we repent of our ways of worship and our lifestyles and submit—depend on our Creator's Set Apart Spirit we shall not enter the Kingdom!

The written Word is recorded from Genesis to Revelation and IT IS NOT just for the 'Jews' or just for the 'Christians' as we have been duped to believe.

**The written Word is recorded for our Creator's chosen people and we ALL belong to that people otherwise we would be pagans and children of the devil!**

So unless we change our ways—our lifestyles—unless we repent we are in danger of losing that salvation and we risk to perish with the rest of the wicked pagan world!

O my Master—my Beloved have mercy upon us all and open our eyes to see the reality that we have been duped to believe such lie that once saved you are always saved!

Open our eyes to see the reality that indeed You have delivered us but unless we respond and meet Your requirements to submit to Your Set Apart Spirit to live according to Your original commandments—Your Torah You will not recognize us and You will vanish us from Your sight at the end!

As it is written throughout the pages of the sacred Hebrew Scriptures from Genesis to Revelations.

About depending on our Creator's Set Apart Spirit it is written,

Zechariah 4:6

Then he said to me, This *addition of the bowl to the candlestick, causing it to yield a ceaseless supply of oil from the olive trees* is the word of Yahuweh to Zerubbabel, saying, **Not by might, nor by power, but by My Spirit of Whom the oil is a symbol,** says Yahuweh of hosts.

About humbling ourselves and repenting it is written, James 4:7-10

So then subject yourselves to Elohim. Resist the devil<sup>1</sup> and he shall flee from you. Footnote: <sup>1</sup>Or adversary. Draw near to Elohim and He shall draw near to you. Cleanse hands,

sinners. And cleanse the hearts, you double-minded! Lament and mourn and weep! Let your laughter be turned to mourning and your joy to dejection. **Humble yourselves in the sight of the Master, and He shall lift you up.**

About not leaning on our own understanding it is written,

Proverbs 3:5-7

Lean on, trust in, and be confident in Yahuweh with all your heart and mind and **do not rely on your own insight or understanding**. In all your ways know, recognize, and acknowledge Him, and He will direct and make straight and plain your paths. **Be not wise in your own eyes**; reverently fear and worship Yahuweh and turn *entirely* away from evil. *Prov. 8:13.*

About the truth of our hearts it is written,

Jeremiah 17:9

The heart is deceitful—crooked above all things, and it is exceedingly perverse and corrupt and severely, mortally sick! Who can know it—admit it—perceive, understand, be acquainted with his own heart and mind? [*Matt. 13:15-17; Mark 7:21-23; Eph. 4:20-24.*]

About using pagan names & titles and not keeping the Torah it is written,

Matthew 7:21-23

Not everyone who says to Me, Lord, Lord, will enter the kingdom of heaven, but he who does the will of My Father Who is in heaven. Many will say to Me on that day, Lord, Lord, have we not prophesied in Your name and driven out demons in Your name and done many mighty works in Your name? And then I will say to them openly (publicly), I never knew you; depart from Me, you who act wickedly *disregarding My commands—My Torah. Ps. 6:8.*

About only obtaining some knowledge of our Creator's Set Apart Spirit it is written,

Matthew 25:1-12

THEN THE kingdom of heaven shall be likened to ten virgins who took their lamps and went to meet the bridegroom. Five of them were foolish (thoughtless, without forethought) and five were wise (sensible, intelligent, and prudent). For when the foolish took their lamps, they did not take any *extra* oil with them; But the wise took flasks of oil along with them *also* with their lamps.

While the bridegroom lingered and was slow in coming, they all began nodding their heads, and they fell asleep. But at midnight there was a shout, Behold, the bridegroom! Go out to meet him! Then all those virgins got up and put their own lamps in order.

And the foolish said to the wise, Give us some of your oil, for our lamps are going out. But the wise replied, There will not be enough for us and for you; go instead to the dealers and buy for yourselves. But while they were going away to buy, the bridegroom came, and **those who were prepared went in with him to the marriage feast; and the door was shut.**

Later the other virgins also came and said, Lord, Lord, open *the door* to us! But He replied, I solemnly declare to you, I do not know you *I am not acquainted with you.*

About following the crowd of false believers—the wide gate it is written,

Luke 13:23-28

And someone asked Him, Master, will only a few be saved (rescued, delivered from the penalties of the last judgment, and made partakers of the deliverance by Messiah)?

And He said to them, Strive to enter by the narrow door *force yourselves through it*, for many, I tell you, will try to enter and will not be able.

When once the Master of the house gets up and closes the door, and you begin to stand outside and to knock at the door *again and again*, saying, Master, open to us! He will answer you, I do not know where *what household—certainly not Mine* you come from.

Then you will begin to say, We ate and drank in Your presence, and You taught in our streets. But He will say, I tell you, I do not know where—*what household—certainly not Mine* you come from; depart from Me, all you wrongdoers!

There will be weeping and grinding of teeth when you see Abraham and Isaac and Jacob and all the prophets in the kingdom of God, but you yourselves being cast forth (banished, driven away).

O my beloved children and friends those are NOT just isolated verses from the sacred Hebrew Scriptures—those are only an small sample because we are informed throughout all of those sacred Scriptures of the commandments and requirements from our Creator to live according to His will—His Torah not our will—our rules and regulations imposed by religion.

Are those sample verses not enough to open our eyes to see our error and convict any of us to repent and change our lifestyles making an effort to redeem the time in the Presence of our Creator rather than wasting it in the world of entertainment?

May Yah have mercy on us all and give us the power to do so!

For the exchange of our lifestyles is worth it all. We give up all our troublous life of struggles to gain a trouble free existence!

**I am a witness to tell all that the sacred Hebrew Scriptures are literally true!**

Isaiah 55 is a super reality in my life as many are beginning to see!

For I was thirsty and accepted His invitation to come to the Living Waters of our Messiah and now I am thirsty no more!

On the contrary I am more than satisfied for He has supplied over and above all needed to satisfy not only my thirst but also my hunger and want for all goodness! Indeed! It is as it is written,

Isaiah 55:1-13

“Oh everyone who thirsts, come to the waters. And you who have no silver, come, buy and eat. Come, buy wine and milk without silver and without price.

“Why do you weigh out silver for what is not bread, and your labour for what does not satisfy? Listen, listen to Me, and eat what is good, and let your being delight itself in fatness.

“Incline your ear, and come to Me. Hear, so that your being lives. And let Me make an everlasting covenant with you, the trustworthy kindnesses of Dawid! ~.

“See, I have given Him as a witness to the people, a Leader and a Commander for the people.

“See, a nation you do not know you shall call, and a nation who does not know you run to you, because of Yahuweh

your Elohim, and the Set-apart One of Yisrael, for He has adorned you.”

Seek Yahuweh while He is to be found, call on Him while He is near. Let the wrong forsake his way, and the unrighteous man his thoughts.

Let him return to Yahuweh, who has compassion on him, and to our Elohim, for He pardons much.

“For My thoughts are not your thoughts, neither are your ways My ways,” declares Yahuweh.

“For as the heavens are higher than the earth, so are My ways higher than your ways, and My thoughts than your thoughts.

“For as the rain comes down, and the snow from the heavens, and do not return there, but water the earth, and make it bring forth and bud, and give seed to the sower and bread to the eater, so is My Word that goes forth from My mouth – it does not return to Me empty, but shall do what I please, and shall certainly accomplish what I sent it for.

“For with joy you go out, and with peace you are brought in – the mountains and the hills break forth into singing before you, and all the trees of the field clap the hands.

“Instead of the thorn the cypress comes up, and instead of the nettle the myrtle comes up. And it shall be to Yahuweh for a name, for an everlasting sign which is not cut off.”

**Come Yahushua come!**  
**Yes, come, Master Yahushua come!**
