Netanyahu at his best

Even those who aren't particularly sympathetic to Israel's Benjamin Netanyahu, could get a good measure of satisfaction from this interview with British Television during the retaliation against Hamas' shelling of Israel.

The interviewer asked him: "How come so many more Palestinians have been killed in this conflict than Israelis?" (A nasty question if there ever was one!)

Netanyahu: "Are you sure that you want to start asking in that direction?"

Interviewer: (Falling into the trap) Why not?

Netanyahu: "Because in World War II more Germans were killed than British and Americans combined, but there is no doubt in anyone's mind, that the war was caused by Germany's aggression. And in response to the German blitz on London, the British wiped out the entire city of Dresden, burning to death more German civilians than the number of people killed in Hiroshima. Moreover, I could remind you that in 1944, when the R.A.F. tried to bomb the Gestapo Headquarters in Copenhagen, some of the bombs missed their target and fell on a Danish children's hospital, killing 83 little children. Perhaps you have another question?"

Apparently, Benjamin Netanyahu gave another interview and was asked about Israel's occupation of Arab lands. His response was, "It's our land".

The reporter (CNN or the like) was stunned - read below “It’s our land...” It’s important information since we don’t get fair and accurate reporting from the media and facts tend to get lost in the jumble of daily events.

Crash Course on the Arab-Israeli Conflict

Here are overlooked facts in the current & past Middle East situation. These were compiled by a Christian university professor:

BRIEF FACTS ON THE ISRAELI CONFLICT TODAY...

1. Nationhood and Jerusalem: Israel became a nation in 1312 BC, two thousand (2000) years before the rise of Islam.
2. Arab refugees in Israel began identifying themselves as part of a Palestinian people in 1967, two decades after the establishment of the modern State of Israel.
3. Since the Jewish conquest in 1272 BC, the Jews have had dominion over the land for one thousand (1000) years with a continuous presence in the land for the past 3,300 years.
4. The only Arab dominion since the conquest in 635 lasted no more than 22 years.
5. For over 3,300 years, Jerusalem has been the Jewish capital. Jerusalem has never been the

capital of any Arab or Muslim entity. Even when the Jordanians occupied Jerusalem, they never sought to make it their capital, and Arab leaders did not come to visit.

6. Jerusalem is mentioned over 700 times in Tanach, the Jewish Holy Scriptures. Jerusalem is not mentioned once in the Koran.

7. King David founded the city of Jerusalem. Mohammed never came to Jerusalem.

8. Jews pray facing Jerusalem. Muslims pray with their backs toward Jerusalem.

9. Arab and Jewish Refugees: in 1948 the Arab refugees were encouraged to leave Israel by Arab leaders promising to purge the land of Jews. Sixty-eight percent left (many in fear of retaliation by their own brethren, the Arabs), without ever seeing an Israeli soldier. The ones who stayed were afforded the same peace, civility, and citizenship rights as everyone else.

10. The Jewish refugees were forced to flee from Arab lands due to Arab brutality, persecution and pogroms (Organized massacre of helpless people, especially of Jews).

11. The number of Arab refugees who left Israel in 1948 is estimated to be around 630,000. The number of Jewish refugees from Arab lands is estimated to be about 800,000.

12. Arab refugees were INTENTIONALLY not absorbed or integrated into the Arab lands to which they fled, despite the vast Arab territory. Out of the 100,000,000 refugees since World War II, theirs is the only refugee group in the world that has never been absorbed or integrated into their own people's lands. Jewish refugees were completely absorbed into Israel, a country no larger than the state of New Jersey.

13. The Arab-Israeli Conflict: the Arabs are represented by twenty two separate nations, not including the Palestinians. There is only one Jewish nation. The Arab nations initiated all five wars and lost. Israel defended itself each time and won.

14. The PLO's Charter still calls for the destruction of the State of Israel. Israel has given the Palestinians most of the West Bank land, autonomy under the Palestinian Authority, and has supplied them.

15. Under Jordanian rule, Jewish holy sites were desecrated and the Jews were denied access to

places of worship. Under Israeli rule, all Muslim and Christian sites have been preserved and made accessible to people of all faiths.

16. The UN Record on Israel and the Arabs: of the 175 Security Council resolutions passed before 1990, 97 were directed against Israel.

17. Of the 690 General Assembly resolutions voted on before 1990, 429 were directed against Israel.

18. The UN was silent while 58 Jerusalem synagogues were destroyed by the Jordanians.

19. The UN was silent while the Jordanians systematically desecrated the ancient Jewish cemetery on the Mount of Olives.

20. The UN was silent while the Jordanians enforced an apartheid-like a policy of preventing Jews from visiting the Temple Mount and the Western Wall.

What should be our role?

These are incredible times. We have to ask what our role should be. What will we tell our grandchildren about what we did when there was a turning point in Jewish destiny, an opportunity to make a difference?

On my part, I, Thia, do not think I will have the opportunity to speak to my grandchildren about what I did when there was a turning point in Jewish destiny. Why?

Because, I know without the shadow of a doubt that the destiny of the chosen people of our Father Creator Yahuweh does not really depend on what I DID! For the world does not revolve around ME! The world revolves around the Almighty Yahuweh, the Elohim of Israel!

But, by all means! We have to ask what our role should be. What is my role?

My role is to keep the first and most important command from our Father Yahuweh and to teach it to my children and grandchildren and proclaim it over the whole world!

That's what my role is in these critical times we are passing through. And that is what my testimony is all about.

And that is, in the nut shell, what everybody's role should be! And that is what our testimonies should be! And that is what we should be teaching

to our children and grandchildren and all the nations to do! For we have been given the great commission,

Mat 28:19-20 Go then and make disciples of all the nations, teaching them to observe everything that I have commanded you, and behold, I am with you all the days (perpetually, uniformly, and on every occasion), to the [very] close and consummation of the age. Amen (so let it be).

Unfortunately, we have gone all over the world teaching them everything we have learned from a corrupted system of religion, but, we have no conception of how to keep the first and most important command because, we don't even know what love is.

We don't even know that love means obedience not all of that garbage of sentimentality in all our religious and charitable doings like if we can earn points in the sight of our Maker for being "good" whatever! And you wonder why we are in the mess we are in?

For unless we learn what the first and most important command is all about and keep it and teach to others, we cannot, properly, take care of the task that each one of us are given to fulfill our Father/Creator's purpose for our lives (and of sinners, I am chief!)

Failure to keep the first and most important command is the reason why so many well

intentioned and sincere individuals are stuck in their own efforts, begging for monetary support and many are extorting money or fleecing the sheep in lieu of doing the work that our Father/Creator has assigned to them.

What a pity! There is no faith in our midst because we do not keep the first and most important command. How can we when our concept of love and obedience is so mixed up?

How can we obey our Creator when we are so arrogant about our intellect and about our knowledge of good and evil?

How can we accept sound doctrine from our Father's Set Apart Spirit when we do not even know Who He is or how to seek and find Him?

Come, come smart ones! Do you think that you can outsmart the Almighty Creator of the whole Universe and impress Him with all your astounding knowledge of the Torah or the Word or the Bible or even the vast knowledge of all the universities of this civilized world in which we live in?

Where are the George Mueller—a man of faith. He built orphanages for hundreds of children in England, supported missionaries, supplied Bibles to the poor, taught the Word, and had millions of dollars flow through his hands, yet he was poor. He owned no man anything but love and never begged for a single donation? Oh the freedom in obeying Yahuweh's Word!

Let him who has ears hear what our Father Creator's Set Apart Spirit is saying to us all at this point of time in these critical days that we are living in!
