**SECOND MESSAGE
TO END THE BABEL CONFUSION...
On the matter of deliverance...**

“I AM YAHUWEH/YAHUSHUA! your Maker and Redeemer and besides US there is no other one!”

“My children, I am not any longer talking to the whole world at large. I am speaking to you My chosen ones! It is imperative that you, individually, reconsider your ways! Reconsider all your ways, no matter how right and secure you think and feel yourself to be! No matter how many of your peers approve and applaud you! No matter how many followers you have! No matter even of My knowledge of your righteousness, remember Job... and give it all up! Take heed and repent as in James 4:7-10!!!”

On the matter of deliverance...

“My children, this is the second message for you all to END THE CONFUSION We imposed on mankind at the beginning of this present civilization according to the will of Ninrod—an offspring of My enemy. “My children, I will bring the message for today by way of the testimony from My beloved Thia. Once more she shall share with you some of the most significant episodes in her life not only to illustrate to you all her acquaintance with the invisible evil forces attacking My children in a most direct way, but also

and most important, she will share some of her daily exchanges with Me to testify of My undeniable Presence within her being.

“Also, My beloved Thia will share with you her personal experience of the many corrupt doctrines infiltrating the assembly of My children nowadays.

“And to begin this illustration My beloved Thia shall share with you My instructions on how to record My message on the matter of deliverance.

“The sharing of My instructions to her are her credentials of My approval as to her qualifications to speak about these matters that I will be exposing to you beginning with this message.”

INTRODUCTION

On the matter of deliverance...

“The following are My instructions before My beloved Thia begins today to illustrate the matter with her experience of this matter of demons and the invisible demonic world around you all. I spoke to her this morning in this manner,

“My Thia—My beloved Thia, begin with your testimony. But this time I will teach you how to testify in an effective way. Remember how My servant Shaul said, “I knew a man...”? Go read that Scripture in 2Co 12:1-21 but do not quote it to others, just printing it and keep it to yourself.

“My Thia—My Beloved, after reading 2Co 12:1-21, do you see now the striking similarity between you and My servant Shaul? Likewise it is with all of My

servants. All My servants have similar testimonies but, each one of My servants has to go to a process of uncertainty as you have been since I actually called you in 1974, and since 1986/87 when I separated you unto Myself.

“My Thia, such uncertainty is part of the process to train your hands for war. You have been learning according to My schedule to teach you these things even when it looks that you are guilty of so many blunders with your wacky and foolish behavior as you put it and many point it out to you; and even when you have always been wrongly accused of being ‘unteachable’.

“Yet, My Thia, you have been one of My most teachable of My children among all of My children and even in the worst of the circumstances your faith has never weakened. Why? Because I so decreed and determined it for you since before you were born as I did with My servant Shaul and the rest of My servants from the beginning until the present time.

“My Thia—My Beloved, in the process of the past 35 years of your life I have taught you many of things and you have responded quite well to all My teaching and instructions for your daily living. The reason for the uncertainty that you and all of My servants have to go through is the natural or human reaction to the ostracizing that the rest of My children put My servants through because of their carnal ways.

“And because of the ostracizing the rest of My children put you through because of their carnal ways, you, likened to all of My servants of old and now, have given in to seemingly compromise of your intrinsic values for a time, but, in reality, in My reality, your intrinsic values remained intact. And in due time I lift you up and strengthen you to continue in the path I have marked for you in spite of the carnal ways of most of My children.

“In the meantime in the whole process of your training, I do not waste one minute of all of your experience of life during such a process. Thus, all of your experiences of the array of ministries that My children have come up and the whole array and scope of the interpretation of My Scriptures that has come into your path of life for the last 35 years, ALL of it, comprises the root of the great deception which engulfs all of My children at the present time.

“And now you can be My witness to expose the error of such doctrines like, the Deliverance Ministry, Inner Healing Ministry, Baptism of the Holy Spirit Ministry, Laying of hands Ministry, Speaking in Tongues Ministry, along with all the multitude of doctrines about the gifts and the congregation and more, for at this point and time more of such doctrines are popping up all the time.

”My Thia, you are now qualified to speak and write against these whole array of corrupt doctrines holding My children in the grip of the great deception. I

have now introduced you. You must begin your writing with My introduction of you as qualified to testify about this matter and then proceed with your testimony.”

End of His Instructions. Now here is my testimony:

A Dream...

My day began with a dream... funny thing! It was a dream where evidently I was fixing to ... out all things out of my domain I was fixing to teach!

O well, it was just a dream, thank goodness! for I certainly never have giving myself any airs to “teach” anything to anyone! Such is a dreadful proposition to me!

I know without a shadow of a doubt that there is only ONE TEACHER for us all and there is no way that I would ever presume to place myself in such high position! That is my one STRONG conviction for I really believe that our human teachers are the cause of ALL of our problems!

From my journal...

Tuesday, October 13, 2009 (3:12am).

O my Beloved Master! You truly are alive within me! So, here I am, about 40 minutes since I recorded the time when I came to the computer this morning. But, actually, I woke up only a few minutes before I got up around 2am or a few minutes before.

I woke up from a dream where I was meeting with a family in a room located in an apartment complex where

I was apparently living at the time. Evidently this meeting have been pre-arranged because the whole family came into that room—the father, the mother, a young man and a young lady—their children. And they came each holding some kind of note book and perhaps their Bible. It seems that the meeting did not take place at that very moment for whatever reason I don't know, but, right before I woke up it seems like this same family was in the room at a different day and minus the father and I was explaining to them something about the Bible...when I woke up...

I opened my eyes and for a few minutes, perhaps seconds before I could fully focus into consciousness I wondered about the dream but, then I turned the light to check the time and date but the time and date did not quite register in my mind. I began to praise You, my Master and then I got up and sat at my bedside.

I began to fix my hair while I was still praising and talking to You when You brought to my remembrance the date, *October 13, October 13, WOW! October 13, 1985! The date I lost my mind and was hospitalized one more time in my life! Twenty four years have gone by since You caused me such an ordeal and here You have me now! In perfect composure waiting on You! WOW!*

O my Beloved Master, **laughter is fitting at this moment** as I remember my condition around this time 24 years ago. It sort of reminds me of Legion—the fellow with the thousand demons!

For I had spent the most horrible night at the mercy of a thousand demons assailing me to the point that, that night I could not close my eyes to sleep and for some reason the next morning I had taken off all my cloth, maybe I had taken a shower, I don't know all I remember is that my friend, my Honey came in to take me out to lunch that day and found me in such state which shocked him to say the least!

My poor friend managed to get me dressed but instead of taking me to a restaurant he took me to his house and fixed me a huge steak and while I was eating that steak my mind snapped!

The next thing I know is my waking up in the mental ward—a den of hell on earth among all kinds of demonic activity all around me! **One of the most terrifying moments in my whole life!**

Yes, laughter is fitting as I recall the whole incident and realize that twenty four years have gone by since You caused me such an ordeal and here You have me! Dressed in modest clothing and in perfect composure waiting on You just like it happened to Legion! HalleluYah! What an amazing and awesome El You are My Beloved Master!

And as I am thinking on this whole incident in that vein of thought in the Legion incident, I recall how Legion wanted to go with You at that moment of time but, You wouldn't let him go with You, instead You told him,

“Go home to your own family and relatives and friends and bring back word to them of how much Master Yahuweh

has done for you, and how He has had sympathy for you and mercy on you.” Mar 5:18-19.

WOW! My Master—my Beloved! That’s exactly what You told me to do round and about.

And for twenty four years I have done nothing else but tell, tell and tell of Your mercy to me, but, no one seems to give a care at all about the amazing miracle of my life! It seems like things are not any different now than in the case of the demonic. For the people hardly cared for the mighty miracle to see that poor fellow restored! all they were concerned about was their pigs!

Same as it is today. All people are concerned about is their income whether that income is from a healthy herd of sheep or a dirty herd of pigs! Their income, successful living, a good source of income!

No source of income, no sanity! So what! Like Legion I am sitting still and composed and eagerly waiting on You my Master; but, what happened to our pigs? How come He drowned our pigs and healed you? Who cares that you are healed when we don’t have any income and you don’t either? How are you going to live? They ask out of fear that I might become a burden to society!

And they take action and vanish me from their sight as they did to You on account of money or of the drowning of their pigs, the source of their money income—actually an account of Your judgment!

So be it my Master, but, it does take my laughter away though and make tears run from my eyes! Is it the same

with You, my Master? Are You crying as You see the hardness of Your people?

“Yes, My Thia, the tears run from My eyes day and night as I see My people suffering on account of their hardness; but, not without hope! And the laughter and rejoicing in My heart is eternal and tears and woe cannot affect or damp such laughter and rejoicing in My heart. My joy is My strength! How can that be? You might ask.

“My Thia, those are the deep things that you are now entitled to understand above your natural understanding. Yes, in your natural and human soul the laughter seems to vanished as your tears run down from your eyes yet, in the reality of My eternity your laughter and rejoicing and the joy of My strength shall remain within you forever!”

HalleluYah! HalleluYah! HalleluYah! It surely is a matter of laughter to sit in Your Presence laughing and rejoicing with You in the midst of tears and the misery handed to us by Your people’s hardness of heart!

Because, in spite of their hardness, Your mercy shall prevail over that hardness and all Israel—all of Your children shall be saved from the flames of the hell we all deserve! Such is our hope! HalleluYah!

My Beloved Master, I wish I had a tambourine! If I did have one I would be dancing and singing all over this place at this moment!

Ah! Just the same, I don't need a tambourine or any props whatsoever to dance and sing and rejoice within the deepest chamber of my heart where You have taken Your residence forever! HalleluYah!

Now what my Master? What to do next? It's now 5:20am on this Tuesday, October 13, 2009—twenty four years after that remarkable incident took place in my life.

What would You have in store for me from this day forward? I shall sit still and wait to see Your Deliverance—to see Yahushua revealing Himself to me on this day and more and more from this day forth! HalleluYah!

From my journal...

Tuesday, October 13, 2009 (7:53am).

My Beloved Master, I imagine people gets bored reading all these things that I write, but, as I read them in Your Presence to edit them I certainly don't get bored!

I have been having the best of times in the last couple of hours reading about all my wacky doings and Your infinite patience and loving-kindness with me!

I really believe that You are having a jolly good time with me but, I guess that it is an irreverent remark to make to refer to You. Or, is it?

Is it irreverent to think that You are capable of human feelings, my Master?

“My Thia, you really are funny! And you have the ability to make the funniest and best remarks for most any occasion. I gave you such a gift so why should I be offended with your ‘irreverent’ remarks as you

put it. My Thia you really do not have yet any concept of what it is to revere Me or so you think.

“Actually, My Thia, you have been revering and worshipping Me all of your life, only you have not known what or how you were doing it because of the interference of civilization between you and Me.

“Yes, My beloved Thia, I am having a jolly good time with you! I am truly delighted with you by the minute. Your reactions are straight from a heart of purity for there is no guile in you! And to your comfort I will remind you at this moment that there is more people that you know who are enjoying your sense of humor, but, more than enjoying your sense of humor, there are many profiting from your witness of My Presence within you.

“My child, My Thia, My beloved Thia, I know you are having a hard time getting used to Me calling and addressing you as My beloved, but, is best that you get used to it because that is what I will call you for eternity!”

O my Master? Is that a fact? Are You not giving me a new name? A name that no one knows? Everybody knows me by Thia, so what gives?

“My Thia, My beloved Thia, yes, you will have a new name for My own private use but, for the public, for the times shared among the rest of My children you shall be called Thia, the Master’s beloved. But don’t get smug and puff up because like you there will be others whose names you wouldn’t know for there are

many beloved ones by the Master! Such is My unfathomable wisdom!”

Thank You my Master, that makes feel better. I am so glad to have You for my Teacher and Companion and Friend. This is no doubt the best time in my whole life! To have You all the time!

And You are never busy, nor have an appointment to see someone more important than me much less You ever tell me that You had enough of my chat and dilemmas and conflicts and You have such good sense of my wacky ways and humor, and I could go on for pages and pages writing all that You are and do for me! HalleluYah! Just for that I'll have me swig of my Tang! Now back I go to my editing task! 8:40am.

From my journal...

Tuesday, October 13, 2009(9:18am).

Master, I certainly been having a good time in Your Presence this morning. But, now I sense a time to get serious and I am pondering about the solemn and great assembly, will I be fit to worship You with the due reverence and awesome respect as it is described in the Torah and in Revelation?

From my journal stil on the same day...

Tuesday, October 13, 2009 (2:31pm).

Master, You know how I am feeling and thinking right now. You know that it is beyond anything I can think or imagine this thing about watching people burn and torture as it is stated in Revelations.

My Master, You know that just watching a boxing match in the past turned my stomach and I can't stand bloodiness or cruelty of any kind.

How could I possibly enjoy eternity with such scene in my presence? Master, give me Your mind and Your knowledge on this for I have heard different interpretations and I fear to trust man's thinking and interpretation of Your Word.

From my journal...later on in the same day

Tuesday, October 13, 2009 (5:39pm).

Master—my Beloved, I have come to the end of this memorable day with an unknown feeling as I ponder about the above issue of burning and torture for the wicked one and all who takes his mark.

There is so much beyond human understanding! And as it is coming to me right now! I DON'T NEED to trouble myself because You know best what the past present and future of mankind is all about and what is the beginning and the end of it all and that settles the matter, period! Regardless of what I or any human being thinks or feels! So, my Master, how am I to proceed with the next entry for the SITE? How am I to continue to write Your introduction of myself and this matter of deliverance? Should I start with my writing of yesterday and end it with the writing of today?

“Yes, My Thia, start going back with what I spoke to you yesterday. As you edit the record you will see how to piece it together.”

Is done my Master! It's now 7:14pm on this most significant Tuesday, October 13, 2009 and I sense that it is a good idea to close this message and go to bed with my heart replete with awe and reverence and praise to You my Beloved Father and Master Yahuweh/Yahushua! HalleluYah!

*“My children, I have now introduced to you the manner in which My beloved Thia will be sharing her testimony from now on. For this time, though she is still using her personal style of writing and sharing her personal expressions from herself to Me and sharing certain details of her life, she is only doing so as I am instructing her to do to testify in an effective way of her acquaintance with the invisible evil forces attacking My children in a most direct way, but also and **most important, she has shared and she will continue to share in the future some of her daily exchanges with Me to testify of My knowledge and approval of all of her doings as she moves and lives and breathes every single breath in My Presence within her being.***

“And with the above note I am giving you all an indication of how I will be using the testimony from My beloved Thia to expose to you the many corrupt doctrines that she has personally experienced in the last 35 years of her life.

“Thus your Father/Creator and Savior/Master Yahuweh/Yahushua have spoken! Let him who has ears hear what We are saying!”

END to the second message for you all to END THE CONFUSION Father/Creator and Savior/Master Yahuweh/Yahushua imposed on mankind at the beginning of this present civilization according to the will of Ninrod—an offspring of Father Yah’s enemy.

BARUCH HASHEM YAHUWEH/YAHUSHUA!
