Why My people cannot come into My Rest ...

And why even now My children have failed to turn this world around!

From Thia's journal...

Saturday, October 24, 2009 (4:30am-10:15am).

Master—my Beloved, forgive my carnal lapses and strengthen me to live—to walk by Your Set Apart Spirit alone.

Thanks my Master for bringing me into Your rest—Your promised Shabbath I am to celebrate on this 7th day of the week.

This is such an especial day. And yes You call us to assemble together on this day. Master, so much I have and it has been written on the controversy of this day just as it all has been written about all controversies to correct and admonish us to cease the controversies and get on strait in the path You have marked for us.

Speak this day to us my Master and give us Your exact instructions and empower us to obey them.

What are we to do as we assemble together on this day? Are we to go on imitating the rituals and studying and inquiring from each other about the ancient ways of our ancestors?

In the other hand, are we to adopt the new religions of the present with all their rituals and carnal ideas about You and all that pertains to You?

“My beloved Thia, you are to do neither one nor the other. You are not to adopt the ways of the ancients or the modern ways of the present.

“You are to be Set Apart—a peculiar people—My chosen people—a nation of kings and priests to honor and revere My Being and to love or lay down your lives for Me and for each other.

“My beloved Thia, What are you to do as you assemble together on the 7th day of the week?

“My beloved Thia let us start at the beginning. Your days start on the eve of the day before. Thus your 7th day starts when the sun goes down on the 6th day and it continues until the sun goes down on the 7th day to give way to the 1st day of the week.

“Therefore, before the sun goes down on the 6th day you must prepare for the 7th day. You prepare to assemble together on the 7th day, to assemble together the whole 24 hrs. You assemble at sun down on the 6th day and you break the assembly at sun down on the 7th day.

“How are you going to do such thing in modern times?—you might wonder my My beloved Thia as all My children wonder and despair!

“My children fear not and do not despair! It is a very simple thing to do.

*“But in order to do all the simple things I command you to do, **you all must give up your own complicated ways of doing the things I command you to do—these commandments of Mine; you***

must give up doing them according to your understanding.

*“And so My children, many things written in My sacred Scriptures are written for **an example to you to avoid the pitfalls** where My ancient people fell in and perished because of their way of doing things according to their understanding and not My understanding in the commandments I decreed for eternity.*

“My children have you asked yourselves the question, Why My chosen people were so utterly unable to come into My rest and do My simple commandments even when they purposed to do them—even when they said over and over again, ‘we will obey!’?”

“My children, it all goes back to the original corruption inherited from the idea of man to do what seem good to him.

“The idea of man to do things according to his understanding and choose out of his free will to disobey or go against My commandment is an idea which prevails until this very day. Why?”

“Because, My children, mankind are born with a human nature—a carnal nature with a corrupted mind ingrained within their beings.

“Therefore man lives in his human and carnal nature with a corrupted mind and does things according to the understanding from his corrupted

mind above all things and all beings even above Me!

“My children you are all well familiar with the above fact so I will not expound it any further.

“Nonetheless, it is necessary that I expound to you the fact that you, even when you have been born again of My Set Apart Spirit are still entwined in the ways of man and are doing My commandments according to your understanding.

“Furthermore for that reason you are unable to totally and completely separate yourselves and live above this corrupted worldly ways in such a way as to turn this world around!

“My beloved children hear Me out and pay mind to My words.

“My ancient people had a heart to obey Me just like you have now, but, it was utterly impossible for them to obey Me with their corrupted mind and heart.

“So I did a New Thing—I became flesh in My Son Yahushua to empower My people with My understanding and the ability to see and do the simple commandments I have given to them.

“Again, My children you are well familiar with My plan of salvation and you have accepted it and you have been born again of My Set Apart Spirit.

“Unfortunately My children you have not been able to grow and mature in that spiritual birth because

the enemy has managed to stump your growth feeding you with the same knowledge of good and evil which lured man into his net from the beginning and you have been eating such knowledge because it seems good to you just like it happened at the beginning.

*“Therefore My children you have not come to grip with the fact that **My Son Yahushua died and resurrected to send to each one of you My Set Apart Spirit and thus empower each one of you to do My commandments in the simple way as they are intended to be done.**”*

“And so My children you have no comprehension of the meaning and purpose for My Set Apart Spirit’s presence in this world.

“And even after My Set Apart Spirit descended upon My first servants in the upper room you remain confused up to the present time about such a Mighty Presence even as My children were on that day.

My children you are confused because you have failed to grasp the message of repentance preached on the day My Set Apart Spirit descended on My servants on the day called Pentecost or Shavuot, therefore you have failed to repent and you are confused.

“And because even to this moment you fail to repent you have been nursing yourselves with what you or your leaders have come up—all kind of

*doctrines and ideas about My Set Apart Spirit plus all kinds of complicated ways to do My commandments because **you are confused and you are confused for the lack of repentance.***

“For without repentance you cannot receive such power from on high in My Set Apart Spirit thus you remain in a life devoid of power to simply do My commandments without all your complicated ways.

“So My children where do you stand now? But most important **where do I stand now in your sight?** Are you ready to repent of your present lifestyle and your complicated ways of doing My commandments? It is written,

Rev 3:19-22

As many as I love, I reprove and discipline. So be ardent and repent. See, I stand at the door and knock. If anyone hears My voice and opens the door, I shall come in to him and dine with him, and he with Me. To him who overcomes I shall give to sit with Me on My throne, as I also overcame and sat down with My Father on His throne. He who has an ear, let him hear what the Spirit says to the assemblies.

Community spirit not community building...

Assembling on the 7th day of rest...

“Now My children let us get back to the simple way of obeying My command to assemble together on the 7th day of the week.

*“On this civilized world that you live in you have all the resources to live in a community separate from the ways of the world and **to assemble together to share your love for Me and for each other.***

“My children be aware that there are some of My children who have already made an attempt to assemble in communities, but, they have failed in their attempts for the simple reason that they have not humbled themselves and surrendered their understanding to Me—they have not become like a little child to learn of Me.

*“Again because the enemy has managed to stump the growth of My new born children feeding them with the same knowledge of good and evil which lured man into his net from the beginning and **My children in all walks of their lives are doing what seems good to them when they attempt to obey My commandments.***

“And so, actually, they attempt to live in community yet it is not according to My commandments, for they are not living and depending on My un-

derstanding, instead they are depending on their understanding and taking control of My people to force them to live an stifled life of man made rules and regulations that only results in self-righteousness—the worst stench in My nostrils! “Therefore they have forgotten their first love and are now dying in their own corrupted ways of doing My commandments.

“It is the same with the majority of My children including you. But, if you are reading this far in this message it proves that you are born again of Me and I am convicting you on account of your corrupted ways in order for you to abandon them. So what are you to do?

“My children the matter is a simple matter but it is totally irrational! Yes, for My ways are totally opposed to the rational ways of the world!

“The simple thing to do is to throw away all your doings! No matter how orderly and rational your life might be, throw it away and come to Me empty handed and stay empty handed for good do not pick up your old ways or the old ways from anyone at any cost!

“ My children, As an example I give you My beloved Thia again. Look at what I empowered her to do, what could be more irrational than—to flush down all her prescribed medications by the most competent members of the medical profession?-To quit her most prestigious position as a

Senior Companion to alleviate the burdens of the widows and shut ins?-To give up pagan celebrations of birthdays and so forth with which she showed her immense love and affection to her beloved children and risk hurting them and alienating them against her?-To give up for a time her joy and pride of assembling with the rest of My children in order to obey Me to stand against My children on account of their misunderstanding of My commandments?-To risk the rejection from her children and all her brothers and sisters and friends for following My instructions to expose the wicked carnal ways of My children—even My most selected children?

“My children, what could be more irrational than what I led My beloved Thia to do? Yet, look at her now! In less than the short span of 3 years and at the age of 70 and after a long, long span of bad health that almost cost her, her life she stands like a youth in perfect health physically, mentally, emotionally and spiritually—marching joyfully and obeying My instructions against all odds!

“What is there to keep you from imitating My servant Thia? Is it pride and jealousy? Watch out!”

Community as at the beginning of Acts...

And so My children, let's get back to the point of My simple ways to keep My commandments.

“A community life as it was at the beginning of the book of Acts is My way for your lifestyle in obedience to My commandments.

“But, the human-carnal nature of man again distorted such a lifestyle and the whole nightmare of a lifestyle of disobedience repeated itself as it is written, so here we are.

“This late in the age My children are still attempting to do and abide by My simple ways and still cannot succeed. Why?

*“Because before My children even think of a community life or doing anything to keep My commandments it is of the utter most importance that each individual member in the body of My people, each individual member **must** and I repeat **must** receive the power from on high to be enabled to give up totally and completely without any reservations at all the control of their lives!*

*“Thus I sent you My beloved Thia and several others whom you have not yet received, but, **I know what I am doing as I strengthen My servants to insist and persist in reaching your hearts.***

“Therefore this message will make a difference in your lives in spite of all odds that it will do so. For

*you **MUST**, it is imperative that you give up the control of all things and let **ME** control your lives!
“And I AM YAHUWEH/YAHUSHUA your ELOHIM and this time this message shall reach your hearts and you will give Me that control for so I decreed it and thus it shall come to pass!”*

No building projects/No organized programs...

Master—my Beloved, Is there still time for building communities my Master? And are we supposed to get on with plans to organize to receive Your people?

Are we suppose to get on with programs to learn the language of the land and rehash the ancient ways of Your people?

“No My beloved Thia. There is no time for building projects or organized programs of any kind.

*“Instead You must forget all your organized plans for community living and **learn to lay down your lives for each other.***

*“And you cannot do such a thing **unless**, I repeat, **unless** each one of you individually receive the power from on high to give up, totally and completely without any reservations at all, their life!*

“And when you receive the power from on high it shall be evident to all for you will take advantage of the facilities at hand at the selected towns that I have appointed unto you and live in community spirit with each other without any structure built by your human efforts.

*“For **I have not called you to live in comfort in your own little domains**—your homes to house all your fancy belonging and accommodate only your immediate family and selected friends to abide by your own rules and regulations—**such it is not My way.***

“In the other hand, when the power from on high falls on you will become truly able to live in community with your brothers and sisters.

“For I have blessed many of you with financial wealth and abundant resources and at that time you will share it all with your brothers and sisters liken it happened in the book of Acts.

“And I have blessed you with the finances to purchase goodly homes and when the power from on high falls on you, you will then house each other at the expense of your own comfort and do it willingly and with joy without grumbling and complaining and without imposing your rules and regulations on anyone!

“And you will come to live in perfect harmony with each other and find health and rest for your beings physically, mentally, emotionally and spiritually—My perfect rest even before I return to gather you to Myself!

Into My blessed rest...

Thus you shall keep the 7th day—which is imperative to identify with Me plus in the same manner you shall also keep every single day of your lives until I return to gather you to Myself!

*“My children when the power from on high falls on you, you will find a way to live as close together as possible and **assemble in each other houses simply to break bread together and share your lives and My Presence within Your beings without any religious ideas of your former manner of worship.**”*

“There is not to be seen among you one greater than the other, no one shall be the leader or the teacher or Rabi or the father—no one shall have control of My flock!

*“The authority given to any as father or head of the family or the authority given to any to practice the many gifts I have bestowed on you shall be practiced in a truly orderly manner because you will have the power to lead with wisdom and **humility under My My Set Apart Spirit—and you will have no need to take control of the life of any of My children not even of your own life.**”*

*“For when the power from on high falls on you, you will truly **come to possess the power to sub-**”*

mit one to the other united in My Set Apart Spirit and all the bickering and complaining shall cease!

“And I will protect you against your enemies and if by chance a rebel shall infiltrate the camp, I will strike the blow of death to that rebel—I will do the striking you will not need to fight My battle, you will not need to be My police man, you will not need to continuously correct anyone not agreeing with you for you will all come to be in the same mind in My Set Apart Spirit.”

“And you will have My wisdom and My discernment to act in love at all times and enjoy your diverse personalities instead of striking a blow to anyone whose personality does not suit you!

“In such a way My children you shall enter into My rest and you will keep the 7th day of rest not only on the 7th day—which is imperative to identify with Me, but also you shall keep every single day of your lives until I return to gather you to Myself!

*“Thus it shall be that even this late when I am already at the door, **the world at large shall know by your love for each other that You are Mine!** And My lost sheep will find their way into My fold! And your homes and families shall be restored and you might still turn this world around even at this late hour!”*

“For I AM YAHUWEH/YAHUSHUA your ELOHIM and thus I have spoken!”

To conclude as I stand against a mighty giant!

From Thia's journal...

Saturday, October 24, 2009 (7:44am).

Master—my Beloved, no matter what I am not calling on anyone to ask for approval.

You know how despondent I get and how unsure I am whether You are leading me or not to write and say all the things that I write and say.

You know everything that I am doing and everything that is happening to me and around me. You know everything that I have done and said.

And **You know that everything I write and know is totally against all the doctrines and ways of mankind and especially of Your people and they do not want to consider any possibility that You are the One leading me in all that I am writing and doing.**

It is late for me and I will go to bed. I know that tomorrow You will bring me some kind of comfort somehow but if You don't, I still worship and bless Your name forever and ever!

From Thia's journal...

Sunday, October 25, 2009 (2:43am).

Yes my Master—my Beloved I receive Your comforting thoughts as I see that **I am standing against the mighty religious system of this world** just like Paul was standing against that system in his time.

And I am standing against the pride of mankind—the wicked carnal self ingrained in all human beings including Your children.

And just like Paul I am not looked at kindly by such system nor by man—carnal man that is—whether Your child or otherwise.

And Master, I see that Your Word states that we shall be hated for bearing Your name and so it is happening to me.

Indeed I do not see anybody being hated for bearing and propagating other names **but the bearers of other names hate me or at least ignore and stand against me by not accepting that Your name is Yahuweh/Yahushua and it shall be so for ever!**

So I am alone and I rejoice that You consider me worthy to suffer reproach for bearing Your name.

And I am not forgetting that You are with me for You never leave nor forsake me.

I know You will have me to go wherever You want me to go. And I know that You will have a place for me wherever I am to go.

And I know that You will send me to whomever You wish to send the message You have given me for Your children—the Lost Sheep of Yisrael.

I refuse to fret as to who would hear and who would not hear such awesome and powerful message.

Thanks for giving me peace and composure as I am waiting for You to act on my behalf even if that means physical discomfort and even death for my body.

You are Sovereign and Master of my being and I worship and give You thanks regardless anything!
And I esteem Your name Yahuweh/Yahushua now and forever! HalleluYah!

“My beloved Thia lift up your eyes towards Me as I stand in the heavens next to My throne and salute you! You are worthy O My child! Fear not nor be despondent! Rejoice forevermore for I am with you now and for eternity!”

As I sense the mighty stones of rejection and criticism from Your children O my Master, how can I not lift up my eyes towards heaven searching for You?

And as I see You saluting me how can I not weep for joy and in the midst of my despondency and hurt how can I not exclaim with all my might just like Stephen exclaimed,

“Forgive them Father for they do not know what they do! Have mercy on them!”?

Such is my conclusion as I sit still with absolute trust and confidence worshiping and waiting on You to act and have mercy on us all!

For **unless You intervene in Your infinite mercy and with Your unfathomable wisdom, we all shall perish!**

**Give esteem to Yahuweh/Yahushua our Elohim
forever and ever! HalleluYah!**
