

FALSE FLAGS

NOTE FROM THIA

This article is written by a Watchman of Yahuweh who wishes to remain anonymous for personal reasons. She writes with the authority of her lifetime intimate communion with our Creator, the Almighty Yahuweh the Father of our Savior Yahushua , and with the authority of extensive research and a life time experience as a missionary in more than 40 countries, plus a thorough knowledge of the sacred Scriptures.

For many years I have been known what this sister is heralding, but, I didn't have proof for my claims. This sister not only has proof through extensive research, she also has the experience and knowledge of the Scriptures to back up all her claims.

Father Yahuweh is calling us all to come out of Babylom. Babylom represents the world and the worldly system of religion. And these messages are proclaiming that call.

What does it mean to come out of the world? It means to abandon our present life style and seriously turn to our Creator and obey His instructions. How do you do such a thing? It is an impossibility for any human being, but, the Father in His mercy and loving kindness for us, is revealing Himself in more ways than one. He is doing so to empower us to do whatever is necessary to come out of the world and turn to Him and His plan of salvation for each one of us.

I am a witness and a recipient of the Father's mercy and that's the purpose for publishing this information to proclaim to all the urgency of the Father's call.

Read these articles with prayerful consideration and don't close your heart and mind to the Spirit of Yahuweh reaching out to you through them.

Heed the message! It comes from the heart of Yahuweh.

FROM SISTER IN YAHUWEH

Greetings: This article is entitled "False Flags". It will read like a spy-novel, but it is not fiction--it is reality that has been hidden from most of you.

As in the mind-control trilogy of articles that I have written, I want to point out how our minds can be tricked into believing what wicked mind-programmers want us to believe by showing us "false flags", and then using them to get us to support their wicked schemes. We have been shown slight-of-hand illusions that look real but are not, and the following propaganda has trapped us into believing lies, and going along with their plans for our destruction. Now, knowing about false flags is of utmost importance, because the big one will give the illusion that will cause "even the elect" to be deceived if possible.

We must check everything out with His Spirit in our spirit to discern truth from falsehood, deception from truth. There is a "gift" of the "discernment of spirits", which we must all have (I Corinthians 12). Without the "discernment of spirits", we will fall for the false flag and do as the world will do--go along with it to our damnation.

I am a watchman who has lived in the prophetic realm much of my life. Dreams, visions, almost continual input from Father, has been a part of my life since I was four years old. One night in Aqaba, Jordan, there were forty of us who had met for a Bible study I was conducting. I called for a "brain storming" session as part of it, asking for ways that we can hear from the Father and Messiah. We came up with forty different ways. (If you'd like that list, ask for it) I have moved many times in most of them, but have experienced 39 of them since childhood--I admit I have never heard from a talking donkey, as Baalim did in Numbers 22.

Relationship with Him is the most important factor in getting through the days of great horror that are almost upon us. The great tidal wave of the demonic is rising not far off shore, while most of the world goes on with life as usual. As "in the days of Noah"--they did not know what was about to happen until the day that the deep broke up.

I am showing you in this article, as in all warning and preparatory articles, what will be--not so much from facts, though I give facts, as from what the Spirit is showing me.

In John 16:13, we see that the Spirit of Yahuweh is given to us to teach us All truth and to show us things to come. But, it takes a relationship built by intimacy to hear clearly from Him. Yahuweh shows all of His prophets the same things and about the same timing, so that in these days, like with Jehoshaphat (II Chronicles 20), we might know the will of the Father and what is coming on the earth, and begin to move in it for victory. It is interesting that in II Chronicles 20:20 we read how we can see clearly with spiritual 20/20 vision.

His true prophets are trained since childhood to know His voice and be obedient to His Words. Their lifestyle is opposite of the lifestyle of the false prophets. They fit the pattern of the Biblical prophets. Also, the words of the true prophet of Yahuweh come to pass 100% of the time, because they speak for Him, where the words of the false prophet's, who speak from their own heads, come to pass about 5% of the time--about the same percentage as the psychics of Lucifer's world. (Please ask for the article: "The Message of the True Prophet", which is being revised and updated this week.)

As in the Prophets of old, they were outside the religion of man and the opinions of man. Mixing religious opinionated input from man with some of Father's input, which is consistent throughout the Word, only leads to deception.

It's like taking dirt and putting some in a glass of pure, clean water--it is defiled and undrinkable. The only way to correct that situation I to pour all the water and dirt out, wash the glass, and then fill it with only pure, clean water.

In all my writings, I try to get people to pour out the dirt-contaminated water of man's soulish input, and begin to only drink from the pure water of the Word as taught by the Spirit Himself to our spirit. That takes getting alone with Him. And for His continued teaching, we must obey what He says or else He can't deal with us. But, I say with grief and a broken heart, that in all my years of walking with Him, I have found only a handful of people in America who know how to walk by faith in the Spirit of the Father, because Americans are trained to depend on people, not Elohim.

In this article, you will find some shocking information--but it has been declassified from top-secret military sources. So, fear not.

It will enforce the verses in Jeremiah 17:5-9 that say: "Cursed is the man that trusts in man...". The religion of America is humanism. Americans are taught to trust man--but the men we have been told to trust are, for the most part, mixtures of good and evil. But now, many of those we are taught to trust are pure evil--evil beyond the mind's ability to comprehend it.

Don't just take the information out of my articles for the information's sake. Please use the articles as springboards for your study in the Word--from Genesis to Revelation--alone with Him to learn His nature, His thinking and His ways!

Shabbat Shalom precious set-apart ones,

Sister in Yahuweh

FALSE FLAGS

Excerpts from **II Timothy 3:1-9, 12-13**: “But know this, that in the last days perilous (*Greek: “dangerous, furious, fierce, raging insanity”*) shall come. For men shall be lovers of self, lovers of money, boasters, blasphemers, disobedient to parents, thankless, unclean, without natural affection, truce breakers, slanderers (*false accusers*), slaves to lust, fierce, haters of good, betrayers, reckless, proud and arrogant (*puffed up with pride and haughtiness--bullies, sadists*), lovers of pleasure rather than lovers of Elohim...these also oppose the truth—men of corrupt minds...And indeed all those that will live a Shabbat-keeping, set-apart lifestyle in Messiah Yahushua shall be persecuted. But, evil men and imposters shall grow worse and worse, leading astray and being led astray”. (Italics mine)

Today, rulers of this world are so evil, that their one intent is to rid the world of the Word of Yahuweh, and His image--mankind.

What is a false flag? You should know about them for they have been and are bombarding your life. Beware: If you believe the propaganda that goes with them, they can lead you down the “broad road to destruction”.

Be aware, also, that those who work for Satan/Lucifer have a mind like him. They have no conscious of right or wrong. They extend no mercy or compassion. They have in their hearts only an insane lust for cruelty and violence, for sadistic torture and the spilling of the blood of the creation of the Yahuweh. Their greatest delight is doing the hideous atrocities that the normal mind cannot conceive of. They, and their creations—violent DNA-altered humans and animals and mixtures of the two—are being released on us.

As you read this now declassified, once top secret information, realize that these people, whom most people have trusted to take care of them, are evil beyond the imagination. Their determined goal is to rid the planet of all that reminds their god, Lucifer/Satan, of Yahuweh and Yahushua. (Genesis 1:26)

Definitions of a false flag, from Alex Jones’ DVD Terrorstorm”: “**A false flag is a covert operation conducted by a government, or by a corporation, or other organization, which is designated to appear as though it were carried out by other entities**”.

From Steve Quayle’s short wave radio program, February 2008: “**A false flag is a deceptive move to get your eyes off the real truth an onto the false flag’s propaganda goal. The American people are given one decoy move after another, so they can’t see the real truth behind it.**”

From the Encyclopedia Britannica: “**A false flag is a covert operation conducted by a government, corporations or other organizations, which are designed to happen as though they were carried out by other entities.**”

George Orwell in his book 1984 said: “**In a world of universal deceit, telling the truth is revolutionary.**”

An example of a false flag: A government-sponsored terrorist attack takes place. The public is shown videos on T.V. of the disaster with all the propaganda hype against the bad guys. Then year after year, the same scene of the attack is shown to the public on a regular basis, dwarfing other news by the constant mind-programming propaganda. Thus the public is scared into going along with whatever the government wants in order to secure their protection. They are willing to relinquish their rights for tyranny under the guise of security and peace. News is controlled so that the public stays focused on what the enemy has done to us, and might still do to our nation.

In December of 2004, over 6,000 Americans died in the horrible tsunami in Southern Asia, but their deaths were not reported on American news. During the whole of the tsunami event, we were shown the same one picture of the twin towers falling--over and over. We are shown the same one picture of Bin Laden firing his gun, and told he's made videos threatening us. Yet he's been dead for a few years, buried in his family vault in Afghanistan.

Another example: A horrible attack on your own people occurs. An enemy is blamed, and an excuse is given to go after that enemy (real or not), in order to obtain the pre-planned goals—like obtaining oil, or mineral wealth, or gold, or power and control over a country, or all of these and more. The real reason is hidden.

In the case of 9/11/01, this false flag was to create a “ground zero” for the New World Order. That's what “ground zero” means—the launch pad for the Illuminati world takeover. It was the kickoff of the Illuminati/Jesuit world ruler's plans to takeover of the entire world, and put their god on the Temple Mount as the world ruler. It was also an excuse to get into Afghanistan and the Middle East for an expansion of the drug trade, to take over their oil, to create the needed chaos for the Luciferic plans to eliminate mankind, as well as to justify a non-existent war on terror--designed to unite fearful people to do as they are told. It was an excuse to have a code word, Al Qaeda, by which to terrorize Americans and the world in general into complying with the demands of a world government, willingly giving up their freedom for promises of peace and security. Al Qaeda is basically a database of the CIA, in which willing Arabs will do their dirty work for money. Muslims are easy fall guys for propaganda purposes. It's always the Muslims that are pictured as terrorists, not the sweet-faced government leader smiling at you on your T.V. II Corinthians 11:12-15: The “angel of light” routine deceives the already mind-controlled public every time.

Not long ago, 82% of the American people polled said they believed 9/11 was an “inside job”. Too much proof for too long. This information has not been declassified by our government, as you can tell by the on-going propaganda. But, the has gotten out in so many ways so that it is not hidden knowledge.

This false flag was also designed to get the American people behind the planned attack on Afghanistan and then Iraq, and perhaps an attack on Iran to secure the Middle East for the purposes of the ultra rich—the Illuminati trillionaires. The Taliban was created by America's CIA under President Jimmy Carter. We control it. Another reason for getting into that region was to create chaos so that Israel will be attacked (Ezekiel 38-39), and brought under U.N. control, so that the world ruler can be brought to the Temple Mount (Luke 21:20). But, there are far more reasons. Iraq has become one giant atrocity laboratory—for experimentation and practice for what they will do to us all, if they can. Researcher Alex Jones interviewed Dr. Steven Jones (no relation), U.S. physicist from Brigham Young University, about how the twin tower building 7 came down in less than 9 seconds. He said “thermite” was used on the supporting pillars to melt and collapse the tower in seconds. “Thermite” causes iron to melt and collapse. It has properties of sulfur and phosphorus. These work together to slice through the iron and steel like a hot knife goes through butter. He said that from the tower, as it fell, could be seen yellowish hot molten metal, with white ash, which is a “signature” of thermite use.

From Steve Quayle's “Q-Files” short wave program, February 11, 2008: The events of 9/11/01 were accomplished in part by remote control planes, holograms, and bombs planted by the CIA going off within the building. It whole thing was accomplished by the work of the CIA (international hit men for the Illuminati). Dov Hutane's factory makes remote control planes. He was #2 man in the Pentagon in charge of the budget, when between twenty and twenty-four billion dollars “disappeared”. Hutane owned the company that made the remote control planes the CIA used in the 9/11 hoax on the American people. It appears that Hutane was either paid off for his help, or that he gave the CIA what they wanted to cover his theft. [I recommend you get Alex Jones' DVD/video: “9/11 Road to Tyranny”—it was one of the first

of a multitude of videos and DVD documentaries showing that it was indeed an inside government job.]

Russia blew up some buildings in Moscow in 1999, and used it as an excuse to take over and destroy the whole country of Chechnya. In fact, the blowing up of one's own buildings, or doing some terrorist act by a government of a nation to use as an excuse for their own pre-planned dirty work, is becoming so common that it is fascinating.

The Oklahoma City bombing was an inside CIA job also. Research/author Gary Kah exposed that scenario, along with others. Each event is designed to scare citizens into giving up their liberties for more control by their government—exchanging their freedom for tyranny and slavery, with the promise of security and safety and protection by the government who is programming their brain daily by hidden propaganda. America, in its history, has gone from a Republic under a wonderful Constitution, to a fake Democratic Union that is controlled by the central government, to a Socialistic State, and is fast moving towards a Fascist and Feudal state--where there are lords and there are surfs—rulers and slaves.

Besides the Patriot Act I, which takes away our liberties, there is now a Patriot Act II, being held in the wings, that is designed to make us a police state of the worst kind.

One thing I noticed some time back, but it has been confirmed recently, is that America's role-model nation, whose policies we are following more and more, is China. We are following many of their political policies, their military policies, torture policies, some of their organ harvesting policies, and will soon follow their one child law (population control policies) and their no-freedom of religion laws that include religious registration. I had a powerful dream about four years ago that each citizen of America will have to register by religion and fill out forms about religious beliefs. In one question on the form, we will have to admit to the name we call our "God". Under penalty of arrest, we will have to answer each question fully. Our very belief in the coming of Messiah Yahushua is illegal on a world level, and will be punishable. I know this for a fact, from personal knowledge.

The "Waco incident", late 1990s: "David Koresh and his people were lied about and set up for that horrible ending, where over 70 people were burned alive at the order of Janet Reno. I sat there in my easy-chair, like multi-millions of other Americans, and watched 70 people being burned alive at the order of one of our leading American officials. It was a numbing experience. The government is planning to do that to all those who believe in the second coming.

During the time I was living in Aqaba, Jordan, our government sent members of the National Security Administration to locate all the ex-pats in all countries of the world, pretending to be Christians who believed in the second coming of Jesus, in order to register American citizens overseas who believe in His return. I found out from a Christian National Security Administration leader that indeed it was true. The NSA had made a fine grid, to make sure they talked to all ex-pats everywhere on earth to find Americans citizens who believe in the second coming of Jesus/Yeshua/Yahushua and register them. How much more are they conscientiously registering American citizens within America that believe in His second coming—like you? Jews believe in the Messiah's first coming. They have not escaped being registered by the American government, and the Israeli government under American control.

David Koresh was not the wicked man he was purported to be, but was teaching Hebrew roots to his people—who were called "The Branch Davidians". He was well known in Waco, and was doing nothing wrong. It was a false flag—used by our government to make belief in the second coming of Messiah a potential terrorist belief. The day after the horrible murder of these people—men, women and children—Janet Reno made a national public speech, which I heard, in which she said openly that all those who believe in the second coming of Jesus are potential terrorists, and potentially harmful to the government.

Because of this false flag, and the ensuing lies to back it, F.E.M.A. (The Federal Emergency Management Authority) put together a 700-page plus book, saying who was a potential terrorist and who was a

potential danger to the government. F.E.M.A. is not just that bungling do-gooder organization that helps people in disasters—F.E.M.A. is the shadow/secret government of the U.S., which will take over, along with the “Quartet” when the martial law is declared.

Top on the list of all world governments are those that believe in the second coming of Messiah--again, following China’s pattern, which forbids the teaching of the books of Daniel and Revelation under penalty of arrest and death. F.E.M.A.’s rules also include those who use the name “Yahuweh” as being potentially harmful. This was added because a group of Americans went to Israel calling themselves “Yahwehists”, and threatened to blow up a few places in the Arab world. We had an Arab friend, a waiter at a restaurant we frequented in Aqaba, ask us if we were going to blow them up—if we were part of the Yahwehists. Sad! F.E.M.A.’s 700-page book describes all those who sincerely love Yahuweh and His Word as being potential terrorists, including those that know the Truth of their activities, those that home school their children, and those who meet in homes to study the Bible.

We are already under martial law with a martial law flag (the American flag with the gold fringe)—it’s just not openly been manifested yet. Do you realize

that it will take one false flag to give the excuse to declare martial law? It

could be the release of the U.S. laboratory-created bird flu being released

airborne. It could be the breaking of the fault line in California, causing untold damage. It could be a planned attack from an outside source, or inside source, orchestrated by the government, of course. It could be the panic from the economic collapse that is close, causing civil war to break out in the U.S.

Things are being done in our 200+ underground cities that would horrify any normal person. Russia and China both have about 200 or more underground cities and complexes in which they do their dirty work.

Under the earth, there are underground “tubes” that can transport people 1,100 – 1,200 miles in 12 minutes. These are connected to U.S. military headquarters/bases. Now we have planes that go straight up into the outer atmosphere on one side of the world and come straight down on the other side, wherever the passengers want to go. By 2009, they want to make this technology for public travel.

In the Scriptures it talks about “the four winds”, as in Revelation 7:1. These are the four forces of man under Lucifer that control the world system—**political, economic, military and religious**. The total take-over of the world system by Lucifer and his agents was held back by Yahuweh until His end-time Bridal remnant was sealed. But, now, they those who will not die have been sealed as we have entered the final cycle of seven years before Messiah comes, and we fast moving into the trumpet judgments of Revelation 8 (between 2009 and 2012). Even NASA is afraid of these, for they are cosmic and cataclysmic.

By Revelation 9, we see in verse 4 that unless they are sealed, they will die like anyone else. But, the preparations of the world community’s top leadership of a few men is being finalized. (See my article: “What The World’s Elite Are Doing To Prepare Their Ark...”)

In reality, the real terrorists are the Luciferic world rulers who are bent on getting the earth’s population down to under 150 million people—as they have openly stated. [For in-depth information, read my article: “Eugenics: The Planned End of Mankind”, for details.]

More on false flags: ABC News, New York, May 1, 2002 by David Rupert: “In the early 1960s America’s top military leaders reportedly drafted plans to kill innocent people and commit acts of terrorism in US cities, to create public support for a war against Cuba. The code name was ‘Operation Northwoods’. The plans reportedly included the possibility of the assassination of Cuban government leaders, the sinking of boats of Cuban refugees on the high seas, **hijacking airplanes**, blowing up a U.S. ship, and **even orchestrating violent terrorism in U.S. cities**. The plans were developed as ways to trick the American public, and the international community into supporting a war with Cuba”.

Did Saddam Hussein have nuclear weapons? -- Not when we attacked Iraq. They had been moved into either Syria or Pakistan. Under George Bush, Sr., America gave Saddam Hussein nuclear capabilities. Gulf War II was planned a

long time before it went public. Some of us in Aqaba saw U.S. troops going up to the Iraqi border via the King's Highway from the port of Aqaba, in the autumn of 2002.

Supposed weapons of mass destruction in Iraq were used to justify the slaughter of upwards of 60,000 civilians, and the number keeps rising, by American troops primarily, and all the other horrors done to our own troops, to the Iraqi people, and to their country. The reasons for attacking Iraq are kept secret from the public--and all are for personal reasons of the ultra rich elite, behind the scenes world rulers. In fact, when it gets down to the core of who's running everything for the Vatican Jesuits (Illuminati heads), we find the "Council of Five"...who issue the decisions for the world's visible puppet leadership to carry out. Our boys are being chipped, used in experiments for all sorts of deadly things, and being mind-programmed for future use in the martial law of America. Pray for our good men and women in the military!

Hitler came to power on February 27, 1933, using a false flag. He used it to start the war, to blame it all on the Jews, and take over other countries. Herman Goring—a leading member of the Nazi Party orchestrated the burning of the German Parliament Building. A young man who was mentally retarded was found naked behind the Parliament, and accused of starting the fire and was beheaded. (And we thought the Muslims were the only ones that beheaded people. Yes, Muslims behead their victims, but the guillotine was a French contraption and they are in the U.S. now by the thousands. It was also the "civilized" western Europeans that used it as a means of execution. Now, it has returned in vogue to America as well.

Hitler used the Reichstag fire to pass laws enabling him to seize total control of German and then began his "expansion". This type of false flag is spelled out in Patriot Act I in the U.S. Now there is a more severe Patriot Act II, by

which we lose all freedoms and the President becomes a total dictator, like Hitler, whom our government funded, sponsored and helped.

In August of 1939, Hitler needed a reason to invade Poland. Himmler came up with one. They took a Jewish prisoner and dressed him up in a Polish military uniform. They put him on the German/Poland border. Then they shot him, claiming that Poland was about to attack. It worked—they invaded Poland, with the help of military vehicles and money sent to Hitler by the President of General Motors, Ford, and other U.S. companies.

In 1953, there was "Operation Ajax". Now all this is declassified material, so your reading it is OK and legal. The Iranian, democratically elected, western-taught, President Mohammed Mossadeq--a friend of the U.S.--was maliciously taken out of power by the CIA. He was a good man who wanted to run Iran well and democratically. The CIA reason: Mossadeq had internationalized his oil fields, rather than selling just to Britain as was done before...to Britain's BP oil company.

From the London Guardian news of August 20, 2003: "Britain and the U.S. crushed Iran's First Democratic Government". It goes on to tell the story that the Field Commander for the CIA (U.S.'s Central Intelligence Agency, which is really the international murder squad for the Illuminati) invasion of Iran and Operation Ajax was grandson of Theodore Roosevelt—Kermit Roosevelt. At this death in 2000, he went public with this. The plan comprised propaganda, provocation and bribery, a "false flag" operation with paid protestors against Mossadeq. The CIA bombed mosques, killed religious leaders, machined gunned civilians, and blamed it all on Mossadeq. They handed out thousands of handbills saying that Mossadeq had done all those horrible things.

From 1947 until the present, "Operation Gladio" has been an umbrella name for hundreds of bombings carried out by western intelligence, and NATO, in Italy and the rest of Western Europe, the Middle East,

Latin America, and Asia. The bombings were blamed on who ever they wanted taken out. August 20, 1980, 80 people were killed in Italy, and because their government knew it was CIA, they went public with it.

Hundreds of declassified documents have been released. Newspapers have gone public and reports written giving the truth. The documents listed train bombings, bus bombings, school bus bombings, airline bombings, car bombings, school bombings, and school shootings—all CIA directed. The public is being infuriated against Muslims to the degree that they will relinquish their liberties so that the government can “get the bad Arabs”. When all the time, the militant Muslims in America are being directed, led and supervised by the government itself.

The Viet Nam War was set in motion by President Johnson using the August 1964 “Gulf of Tonkin” incident as his excuse. Supposedly the North Vietnamese attacked a U.S. ship off North Vietnam in the Gulf of Tonkin. In 2005, the truth was declassified and the truth came out that President Johnson and his Secretary of Defense Robert Mc Namara had planned the incident in the Gulf of Tonkin as an excuse to go to war with Viet Nam. 58,000 of our soldiers died, thousands wounded severely, 1.5 million Vietnamese citizens were slaughtered. By propaganda, we have been made loyal to America as “the greatest nation on earth”. Yet at the same time, the globalists say that anyone who is patriotic and nationalistic is “mentally ill” and needs to be re-programmed. One tool of mind programming is to constantly change the rules.

It has also come out publicly that the U.S. President and his cabinet knew that the Japanese were going to attack Pearl Harbor, and did nothing. Why? It was our excuse to enter World War II. Unfortunately, war is a big boom to our economy, and many wars are entered for that excuse alone. But, there were many other factors involved in our entrance into World War II.

On June 8, 1967, during the six-day war in Israel, President Johnson ordered the USS Liberty to take position off the Israeli coast. It positioned itself in international waters and held position until further notice. All of a sudden Israeli planes attacked it, and also their torpedo ships. The Captain of the USS Liberty called for help. There were other US military ships in the area. They heard the plea for help and called Secretary of Defense Robert Mc Namara and President Johnson to OK the rescue. In the meantime, an Israeli torpedo went into the side of the ship, causing extensive damage.

The Captain of the rescue ship was Admiral Geiss. Here is President Johnson’s message to Admiral Geiss concerning rescue of the USS Liberty: “I want that god damned ship going to the bottom”. (I’m only quoting the President.) That is caught on tape, and has been declassified. How did Admiral Geiss feel at that point? He was a good man, like most of our military men and women.

A Russian spy ship saw Israel’s attack, and went to investigate. When Israel saw they had witnesses to the attack, they pulled back. Alex Jones talked to some of the men on both ships, as to what happened. It came out that President Johnson **ordered Israel** to attack and kill all, so that it could be blamed on Egypt. An Israeli airplane pilot has gone public with this information. By blaming Egypt, the U.S. wanted an excuse to go to war and take over the Middle East, taking advantage of the six-day war going on already. The USS Liberty Captain and crew were told to remain quiet with the threat of life imprisonment or death. How could America get away with telling Israel what to do? Since 1947, America has been telling Israel what to do--in their wars—even controlling general’s positions on the battle field—controlling their infrastructure policies, and policies with the PLO and Hamas—in short, America runs Israel.

From the Lekarev Report February 7, 2005 from Israel: “One of Israel’s major concerns is that it will lose its right of self-defense to the CIA”. Indeed, as in the 2006 war with Hezbollah, America and the United Nations helped Hezbollah, and kept Israel from winning.

I have a heart for our enlisted men and women, as I do for the Israeli IDF and IAF and Navy personnel. It hurts me deeply when I learn about the experiments that were done and are being done on our troops.

As of early January 2008, the “Veteran’s Bill” has passed the Senate and awaits the President’s signature. This should make any decent American react. The Veterans will have their guns taken away from them because of PTSS (Post Traumatic Stress Syndrome) that they are all supposed to have, following combat. The veterans have to admit having this syndrome, or they can’t get their medical benefits. Talk about a trap! From “agent orange” to “depleted uranium” our troops are being exposed to the most horrible of chemical warfare. But, then again, so are we civilians without knowing it.

Let’s look at the March 11, 2004 Madrid bombings and the July 7, 2005 London bombings. It was said Al Qaeda was responsible for the Madrid bombings, but they were not. It was finally traced to the Spanish Security Service’s bomb squad. The London bombings were traced to western intelligence operatives. Tony Blair was losing the election in progress. Now, how is Tony going to stay in power when President Bush’s and his war is less than four month’s old?

Of course, Muslims were blamed. But, it was really the work of the MI 6 -- the British Secret Service. Bus #30, going from Harkney Wick to Marble Arch, its usual route, was told by the police to divert its route to another place, and park by a bus stop that was not assigned to bus 30. The bus driver obeyed, and after parking, within 15 minutes, the bus blew up. This was at the same time that bombs went off on three trains in the train subway, killing many people.

Police waited for 1 ½ hour before doing anything, saying it was nothing—only a power outage. Three men, supposedly had bombs in their backpacks, and boarded the trains. But, under investigation, these three men, rather than being suicide bombers, had families, good jobs, and good reputations. It was later assumed that by their lifestyle, they probably didn’t even know the bombs were in their backpacks.

In fact, it is strange, that all the nails from the bombs, were sticking straight up into the carriages from the floorboards, indicating the bombs were under the train also. Fifty-six people were killed.

At the exact time of the train bombings, there was a military drill in the area. The good military was kept diverted to keep them from response to the incident. In fact, it is strange that when most of these bombings take place,

the military is doing drills nearby—and people think the real thing is just a part of the drill. In fact, the odds of the drills happening all over the western world at the same time the real event is happening, is a number with 41 zeros behind it. The earth has 18 zeros behind the number of estimated grains of sand on earth, but the odds on the drills are with 41 zeros.

The G-8 was in London on July 7, 2005 at the time of the bombings. So often these things happen when a diplomat is in town...like when one of the U.S. diplomats comes to the Middle East, Israel or Jordan, or otherwise.

At this time, Tony’s departmental heads were reluctant to send English troops to Iraq. Tony used this to create takeover laws that are similar to the U.S. Patriot Act I. Thus he was re-elected, and did what he wanted to do. Notice that Putin was not elected to another term a few weeks ago, yet he ended up with his dear friend elected, who made him the next in command. When someone wants to stay in office, they can do all sorts of things. Think about that! Dictatorship is the in-thing. The President of Kenya, to stay in office recently, induced a civil tribal war, between his tribe who backed him, and the Christianized Luo tribe.

It is all coming out, and unwinding. Light is indeed being shown on the things of darkness. But, those of the darkness don’t care anymore if they are exposed, like President George W. Bush publicly saying that it didn’t matter if there was a law covering his actions or not, he could do what he wanted to do. This came out in The Boston Globe, April 30, 2006—in the article entitled: “Bush Challenges Hundreds of Laws”.

It is all coming out about the CIA torture camps—even on NBC Nightly News. Their laws even OK the torture of children, and threatening prisoners with the death of their families. In that news broadcast in

February on NBC, they even talked about CIA torture procedures used. If you have an ear to hear, the Father will let you hear.

The Pentagon, the White House, and the CIA all have open war tactics planned for the American citizen, under the “Homegrown Terrorist Act”. Both Britain and Canada have similar policies.

What you need to know is that when our Elohim, Yahuweh, tells us over and over in the Word to get out of end-time Babylon, He’s not kidding. There is no doubt for anyone who reads the chapters carefully, that end-time Babylon is America. That is also historical fact in the progression of Nimrod’s plans.

More than ever before, we must get before Him in silence, with the Word, and let His Spirit teach us and talk to us and tell us what He wants us to do. We can’t do it in 15 minutes. We have to make seeking Him the priority—“with all our heart, with all our soul and with all our might”. He says that those who seek Him with all that is in them will find Him.

We are close to the bird flu being released, purposely, airborne, and when that happens, military police will be given instructions to quarantine the American people. You will have to stay in your house under penalty of being shot, but also for the sense of not so easily getting the flu. The flu can be prevented and overcome, though we are told that millions will die from it.

People like myself, have been pleading for a long time, telling people to get out of debt, get food in your house for several months at least, and water, and provisions as you need them, because unless you do famine is in your face. Famine will cause horrible reactions in your neighbors. We must be prepared to survive. We must also be wise and obey the Father. You can grow a garden for a little longer in Central or South America, or some island or rain forest on the planet. Thing is, we need to prepare for what is coming, period.

I am not a movie-goer, nor a T.V. watcher. Up until recently, I had not seen a movie for about ten years. But, recently Father has directed me to a few movies to see for my research on end times. I have been telling people that movies have been disclosing what is really going on, so that the public will say: “It was only a movie”, and not take it seriously.

In the movie, 2008 release, “I Am Legend”, it gives words, expressions, and events that are about to happen. In the conversation, as the main character is driving his wife and child to the heliport to escape, the U.S. President comes on the car radio and says he is using “Executive Orders to order a military quarantine of New York City” because of a deadly virus has been released “airborne”. This is planned for us—its reality. The movie shows violent mutates, violent rats, dogs, etc.—but my friends, these things are being developed in underground laboratories in the U.S. to be released on the American public.

Some false flag will be used as an excuse to declare martial law—and releasing bird flu could be it. It could be public rioting regarding the economy, or the big earthquake that is being set up right now to happen in California. The earthquake faults in California are being bombarded by scalar technology to loosen them.

The Pentagon has many in charge who are Satanists. They also have many projects for creating mutant “super soldiers” and super animals for warfare--on the American people. Their project, D.A.R.P.A. (The Defense Advanced Research Projects Agency, has a program called EPWFP--Extended Performance War Fighters Program. It is EPWFP that is creating these killer monsters. They also have created a “bee” that can sting anywhere, even in a snowstorm, if released. This stinging tormenting bee could be part of the stingers in Revelation 9. At the end of “I Am Legend” is a scene that could be representative of Yahuweh’s remnant--those, like Noah and his family who escape because of purity of blood. Noah’s blood was not contaminated, neither was the blood of his family. Therefore, they were allowed to survive. I don’t recommend you watch movies because your flesh wants to. Be led by the Spirit in all things. But, I am telling you they are revealing reality to a totally ignorant public. Father controls my research, and I only go as far as He leads beyond the Word, which is my main source of research.

We have been set up by propaganda. We have been mind controlled and set up for total destruction. We will be kept totally dumb until the day that it all comes down. In my article “Quiet Wars and Silent Weapons” I give you exact quotes from the Illuminati handbook as to how they have programmed us into stupidity, mindlessness, ignorance, and depravity.

The great deception, spoken of in **II Thessalonians 2:9-12**, that will fool the elect if possible. **Matthew 24:24**: “For false messiahs and false prophets shall arise, and they shall show great signs and wonders, so as to lead astray, I possible, even the elect.”

“False prophets” can be secular government leaders. “False messiah’s can be secular government leaders also, who want you to look to them as your messiah—your helper, your security provider, and your protector. The worship of man’s abilities, and the giving of ourselves to man’s leadership in America—doctors, lawyers, psychologists, counselors, pastors or priests, college professors, PhDs, and on and on—is a form of giving ourselves to false prophets and false messiahs. We must trust in, and lean on, Yahuweh only!

The anti-messiah (the one who comes in the place of, appearing to be, the messiah, will come with illusions, demonstrations of power that will awe the world, and all being “false flags”, in order to bring the world into submission to him.

II Thessalonians 2:8-12: “And the lawless one shall be revealed, whom the Master shall consume with the Spirit of His mouth, and bring to naught with the manifestation of His coming. The coming of the lawless (*Torahless*) one is according to the working of Satan, with all power and signs and wonders of falsehood and with all deceit of unrighteousness (*acts against the Torah of Yahuweh—the teachings and instructions of Yahuweh*) in those perishing, because they did not receive the love of the truth in order for them to be saved. And for this reason, Elohim sends them a working of delusion, for them to believe the falsehood, in order that **II** should be judged who did not believe the truth but have delighted in unrighteousness”. (Italics mine)

Those so-called believers who reject His Torah, who despise His covenant, who believe they have a free ticket to heaven because they prayed a prayer, but went on to live like the world, those who do not know Him because they are too lazy to study His Word and hear from the Spirit of Yahuweh for themselves, will be sent a deception so that they will buy into it, along with the unsaved people of the world who have never known His salvation.

Read Revelation 19:19 and 17:14. These are strange verses unless you realize that the world’s top leadership, under Lucifer, knows that He is coming. They have had meeting after meeting as how to stop Him. I know from personal information. They know He is the Son of Yahuweh, and He is coming in the wrath of Yahuweh. Therefore, the world’s leading governments have made plans to stop Him by all sorts of outer space and weaponry technology, given to them by Lucifer’s fallen angels—technology that is so high that few people on earth even know about it. Our government knows about it—and so does Russia’s government—and are using it now. It has the power to awe and hypnotize and mentally paralyze, and to draw the world’s people into accepting and worshipping the anti-messiah world ruler—Satan/Lucifer in the flesh.

That’s why I keep emphasizing that we must learn to live out of our eternal spirit that contacts the realm of Yahuweh if we are Scripturally born from above (John 3:3, 5, 7-8). The mind (the soul—will, reasoning, emotions—seat of the sin nature) is too easily controlled by other, and by our own fleshly desires. Example, **Romans 8:14**: “Those that are led by the Spirit—they are the sons of Elohim”.

Galatians 5:22-25: “But, the fruit of the Spirit (*the manifestations of the Spirit of Yahuweh through our re-born spirit*) is love, joy, peace, patience, kindness, goodness, trustworthiness, gentleness, self-control. Against such there is no Torah (teachings or instructions). And those who are of Messiah have impaled (*put on the execution stake*) the flesh, with its passions and the desires. If we live in the Spirit, let us also walk in the Spirit”. (Italics mine)

As has been planned carefully, and now is more and more feasible because of space technology, the anti-messiah will appear with fallen angels in spacecrafts (formerly UFOs), with the illusion of Jesus' return, and all other lying signs and wonder. They will also come with a message to the earth's worshippers of other religions. They will tell the earth's people that they are our ancestors, and that they are good and here to help us solve our problems. In fact, the Catholic Church is already telling their people to accept these "visitors" from other planets as friends of the Pope and as fellow Christians. (See the article "The Vatican and Extraterrestrials") Our government Congressional leaders, and the U.N., have been having meetings about disturbing things, including the increase of UFOs, which are not unidentified anymore. And an increase in UFO sightings—oh yes—all over the world this phenomenon is happening.

I want you to know about false flags, so that you don't fall for the propaganda and go along with the wicked plans of those who seek your death. We must always be "wise as serpents and harmless as doves". But, wisdom is learned often too late. We must investigate. I have written an article entitled "Laws of Takeover", in which I give a few that have been passed that involve those who love Messiah Yahushua, and His Word. These can be viewed from government sites via Internet. In many articles I am exposing things that are open, yet hidden to those who do no research or don't know where to do the research.

Always, let your research be honest research. Be truthful with yourself. Dishonest research is done by someone who seeks someone else's opinion that agrees with their opinion--someone who will back their preconceived opinions gained outside of interaction with the Father's Spirit. The Father's Spirit teaches everyone the same thing—everything who loves truth and isn't afraid of truth. (**John 16:13**) Let your research be guided by the Spirit of the Father. Let it be always Word-based, going from Genesis to Revelation on any subject, in context, letting the Spirit of Yahuweh teach us.

II Peter 2:20-21: "...knowing this first, that no prophecy of Scripture came to be by one's own interpretation, for prophecy never came by the desire of man, but men of Elohim spoke, being moved by the Set-Apart Spirit". If then, the Spirit of Yahuweh was the one who gave the Word through His servants in the first place, don't you think He is the One to teach you! I John 2:27 tells us that no man needs to teach us—but the "anointing"—the presence of the Spirit—is the one to teach us all truth. Man can confirm—if he has also heard from the Set-Apart Spirit.

Unless a person throws out the mind-programming devices of public media and the mind-programming of man-made organized religion, and only sees and hears what Yahuweh's Spirit allows by getting alone with Him to hear His thoughts on the subject, they will be deceived, and probably end up destroyed.

I'm not an information peddler. My goal is not to send you sensational information to gain something for myself. My eternal goal is Revelation 22:3-5. I only want to encourage fear of Yahuweh, not fear of His/our enemies.

I know this reads like a spy novel, but it is all true. And you must be aware that we have been set up for total takeover. Only you can prevent your takeover. The martyrs are victorious, because they never submit to being controlled by evil. We must live a martyr's lifestyle—for the word "martyr" in the Greek language means "witness".

I only say and do as He requires of me. My goal is to get people into His Word with the Spirit as their Teacher, so that they all learn the same things from Him directly, and so prepare for the time of testing to come.

We are in "Final Exam Week", and the test papers are on our desk—how we have prepared for the tests will tell on us, all too soon.

Yet, there is peace for those who really fear Him, know Him, and obey Him!

(Malachi 3:16-4:4)
