

"My original intent was and is and it always will be for families to live and work together in harmony in a garden of beauty and plenty under My loving care. "

Monday, September 28, 2009 (1:09am).

Abba, my Father, touch my lips, cleanse my soul and all that is deepest within me; mold and shape me in the way that is pleasing unto You.

Instill Your Being, Your mind and desire within me on the daily basis that I always think and feel and act according to Your will and the desires of Your heart.

I know that it is not Your will for man to be alone, yet, when Yahushua walked among us He always went up the mountain to be alone with You.

Show me, my Father, on this time that I have alone with You, what is Your desire for me in this matter.

"My child, it is not My desire for you to be devoid of your family and friends. My original intent was and is and it always will be for families to live and work together in harmony in a garden of beauty and plenty under My loving care.

"Things did not develop according to My original intent. Things developed according to the will of the man I created in My image. Why?"

"My child, you, along with all of My children know that things developed according to the will of the man I created in My image because I gave that man a free will.

"My child, you all also know that I have an established system of law and order that can never be violated.

"Still, My child though you all know that I have an established system of law and order that can never be violated you refuse to accept and abide according to that system.

"Thus, My original plan is not in effect at the present time. And such is the reason why Yahushua did not adhere to the ideal family life style of My original intent. And such is the reason why all families are in the state and condition as they are now.

"My child, do not despair. Indeed! My plan of the salvation of man is now coming to fruition. I am saving man from the consequences of his poor choice to ignore My immutable Law and Order of all things and soon all families will be set free to enjoy real life under My care and protection!"

Father, You are so real to me! You comfort and strengthen me in such an amazing way! I know Your voice and I believe every single word You speak to me even when, in my human capacity, I do not retain them in my natural mind. Yet, those words are written by Your mighty finger in the depth of my being to sustain me even in the most critical moments of my daily existence. Thank You my Father for Your infinite patience with me and for the privilege to talk and to hear You talking to me.

It surely is an indescribable matter! And I know that, likewise, it is Your desire to enjoy Your children fellowship and company at all times.

ONLY FATHER YAHUWEH IS PERFECT LOVE...

Wow! My Father! You truly gave Your beloved sleep this time; I been sleeping, soundly, for 6 hours! Thank You, my Father. Here I am now to offer You my morning prayer of thanksgiving and to fellowship and hear from You. What's Your desire and what's in store for me this day?

Yes, I know, only goodness and mercy shall follow me the rest of my life here on these earthly grounds and I shall dwell in Your Presence now and forever! HalleluYah!

Tuesday, September 29, 2009 (4:52am).

Father, You know every detail of my life. You know every little thing I need and You know everything that I think I need but I really don't need. So, I am not going to worry about what I don't have and I can't afford to get right away. In due time You will supply what I can't afford to get at the moment if such is a need as I think it is.

I pray for You to continue to give me the ingenuity to do with whatever is at hand. And I thank You for the contentment that You have already given to me in whatever state I am in. In due time You will provide for me the milk and honey of the promised Land over my needs.

In the meantime I am more than satisfied with the Mana You have provided for me to satiate all the needs of my being, even Yahushua HaMessiah, my Savior and Master. HalleluYah!

Tuesday, September 29, 2009 (5:56am).

Thank You for my breakfast my Father, I enjoyed and appreciated it even more than the most fancy breakfasts I have enjoyed in the past. This is the most wonderful state of being. And I have been thinking of what a wonderful life it would be if whole families would be involved in taking care of the land You have provided for us.

I know that there are still a few families enjoying such a life, how enviable! But, my Father, even such families, though they enjoy the blessings of such life, still, they suffer the consequences of the sin of the world. And I no longer ask why? Because, it is evident to me now that the reason why is because, we don't know You and we depend on our selves for everything. You are so good to me because, You have given me the power to repent on depending on my own self and understanding of everything.

Yes, my Father, I have been thinking of what a wonderful life it would be if whole families would be involved in taking care of the land You have provided for us.

Yes, the Land, the Garden that this land COULD be if ONLY we will obey Your commands even now. But, it is not, even when there are some who are attempting to live that kind of lifestyle.

Father, sort out my thoughts in this matter. I have been observant of many of Your children who definitely are attempting to live according to Your commands. Even many are even giving their lives for their faith. And I know of several families who actually are taking care of the sick and the widows and the blind. And I have been a recipient of the kindness of so many of my brothers and sisters, yet, Your Spirit within me grieves for them, why, my Father?

"My child, remember 1 Corinthians 13? In that chapter I expose the ultimate perfection that I alone possess. No human being can possess that kind of love without obeying My commandment to abandon their lifestyle. No one can possess My love unless they completely renounce their own concept of love and understanding and kindness.

"No one can possess that kind of love unless they give up their understanding of everything and reach out to My understanding. And I have given to you a very, very clear concept of such a fact, but it took you a long time to fully grasp such concept because of your understanding of everything including the words that I spoke to you personally.

"Yes, My Spirit within you grieves for My children because, even the most gifted and selected ones fail to grasp such a fact and they continue to, dole out all that they have to the poor in providing food and comfort

for all.

"And even when a lot of My children surrender their body to be burned or put in prison for their belief, they do not have love, My love, because they do not know that it is impossible for them to possess My love with their own power of understanding.

"And no matter what My children are doing to live a lifestyle according to My commandments I will not accept it because they are doing it according to what they understand of My commandments; for My children refuse to give up their understanding because they do not know that their understanding of My commandments and My Word is corrupt!"
"My children are yet carnal just like you have been all of your religious life up to only a couple of years ago. But in spite of all of your religious shenanigans, I prevented you from soaring in the usual lines of service to Me from My children for no other reason than to set you as an example that others may see their error and mind My commandment to lean not on their own understanding.

"When My children grasp My perfect love as a whole, they will quit all of their religious efforts to keep My commandments to please Me. At that time I will welcome My children into My presence and I will cleanse and prepare them for your Messiah's soon return.

"And yes My child, in spite of the vast desolation around you, in spite of My righteous anger, I will have mercy and I will reunite the families of My obedient children because I will not go against My Word of promise to reward the obedience of some of My children.

"Yes, the family unity is My very heart. And, against all odds, I will rescue the families of My beloved children.

"Do not doubt My promise nor wonder how such an impossibility can become possible. All I require from you is for you to continue sitting still in My Presence waiting on Me for everything no matter what thoughts or feelings or words and acts from others, no matter what comes to attack you, remain in My Presence no matter what!"

Tuesday, September 29, 2009 (3:00pm).

Father, I refuse to doubt You. I refuse to wonder and guess how and when You should fulfill Your promise to me. I know You will, in due time.

I know that You are with me now and You will be with me while I wait and when all the families come together You will still be with me in the secrecy of Your chambers. For this I confess,

"You are my Refuge and my Fortress, my El; on You I lean and rely, and in You I confidently trust!"

For I know beyond the shadow of a doubt that I dwell in Your Secret Place Oh! Most High El—even Yahushua HaMessiah! And I shall remain stable and fixed under Your Shadow Almighty El, my Father, and I know that Your power no foe can withstand.

HalleluYah! HalleluYah! HalleluYah!

Hear, O Yisrael: Our Elohim is One!

And you shall love your Elohim with all your heart, and with all your being, and with all your might.

Mat 22:37-40

And He replied to him, You shall love Yahuweh your Elohim with all your heart and with all your soul and with all your mind (intellect). [*Deut. 6:5.*]

This is the great (most important, principal) and first commandment.

And a second is like it: You shall love your neighbor as [*you do*] yourself. [*Lev. 19:18.*]

These two commandments sum up and upon them depend all the Torah and the Prophets.

Joh 15:10-13

If you keep My commandments [*if you continue to obey My instructions*], you will abide in My love and live on in it, just as I have obeyed My Father's commandments and live on in His love.

I have told you these things, that My joy and delight may be in you, and that your joy and gladness may be of full measure and complete and overflowing.

This is My commandment: that you love one another [*just*] as I have loved you.

No one has greater love [*no one has shown stronger affection*] than to lay down (give up) his own life for his friends.

Food for thought...

We all feel so 'good' reading the above Scriptures. Unfortunately, we have no conception of how to keep the first and most important command because, we don't know what love is.

We don't know that love means obedience not all of that garbage of sentimentality in all our religious feelings and charitable doings like if we can earn points in the sight of our Maker for feeling or being "good" whatever!

And you wonder why we are in the mess we are in?
