## **The Face of My Presence in Thia's Journal**

### ***From My Presence in Thia's Journal...***

Tuesday, November 03, 2009 (2:55pm).

Master—my Beloved I have the money situation taken care off. Now I am back home and I am wet and cold and there is no sun to warm myself up and my cloth is still a little damp so I will wait a while before I do my final packing.

### ***From My Presence in Thia's Journal...***

Tuesday, November 03, 2009 (11:37pm).

Master—my Beloved this is the end of this day and my last day and night in this wonderful upper room in which You have once and for all taken possession of the key to the deepest chamber of my heart!

I don't know if I ever be back in this room. I don't know what You have in store for me over there yonder!

But, I am ready to go with You to the end of the world and back wherever You lead the way! I am packed and ready! HalleluYah!

### ***From My Presence in Thia's Journal...***

Master—my Beloved I have not been to bed yet! I am so key up about my trip in the morning that sleep has evaded me!

I don't know how it will be tomorrow but You know and that is all it counts! I am going to bed and trust that You give Your beloved sleep!

*From My Presence in Thia's Journal...*

Wednesday, November 04, 2009 (4:27am).

Master—my Beloved thanks for giving Your beloved Thia some sleep. But I believe I am going back to bed because I am extremely cold! I guess winter is here!

Master—my Beloved You really have a sense of humor getting me a place to live next to the NUT HOUSE!

I can hardly wait to see what You got in store for me next to the NUT HOUSE! HA HA! You are so wonderful!

I really do look like a NUT carrying all of these things my Master but, You told me to pack everything You will inspire me to pack and I have done my best to follow Your inspiration because it is not time yet to flee to the mountains.

I am sure by the time that time comes I'll flee with just the cloth in my back if any and I wont look back for You will see to it that I do not do so!

My goodness! At the moment though, my back pack alone is so heavy it feels like my back shall break carrying it for it is that heavy!

For I managed to stuff in it everything I could need in case of an emergency—my word! In case of an emergency? I probable won't be able to lift such a heavy burden! Ha ha ha! Truly I am nuts and I am sure You are enjoying the silly struggles of this wacky Thia of Yours! I am already packed except for this little mini lap that I will pack at the last minute. I am on the go mark and it's only 5am! What am I going to do for the next 2 hours my Master? I even packed the Scriptures...Ah silly me! I

can easily pull them out of my back pack to read them just like if I was on the road! That's what I'll do!

But, my Master—my Beloved I know that the time is coming when I am not going to have such luxury of grabbing a hold of my precious Scriptures that easy if any!

Nonetheless one thing is for sure: I wont have to grab a hold of anything because You will do it for me and You will have a good hold of my whole being and all pertaining to me with a sure grip—Your mighty hand of protection shall be with me as it is written in Psalm 23 which I will paraphrased and appropriate it as my very own and I will title it,

Your wacky Thia Psalm 23:1-6

A Psalm of David and of Your wacky Thia. **YAHUWEH/YAHUSHUA ELOHIM is my Shepherd to feed, guide, and shield me, I shall not lack.**

Comment: Of that I, Your beloved Thia am absolutely sure!

For YOU make me lie down in *fresh, tender* green pastures; YOU lead me beside the still and restful waters.

YOU refresh and restore my life (my self); YOU lead me in the paths of righteousness *uprightness and right standing with YOU—not for my earning it, but for YOUR name's sake.*

Comment: O my Master—my Beloved how amazingly true such statement is! For You do exactly that above stated for Your beloved wacky Thia in the midst of all her wackiness!

Because You know that in spite of all her wackiness there is no guile in me for You have cleansed me and prepared me and made me guileless!

What a joy and a rejoicing it is to be wacky-wacky free without a care in the world even when one is freezing to death! Ha! Ha! Ha!

Yes, though I walk through the *deep, sunless* and cold valley of the shadow of death! I will fear or dread no evil, for You are with me; Your rod *to protect* and Your staff *to guide*, they comfort me.

Comment: TRUE TRUE TRUE!

You prepare a table before me in the presence of my enemies.

You anoint my head with oil; my *brimming* cup runs over.

Comment: Absolutely real and in actuality! No ins or outs about it!

Surely or only goodness, mercy, and unfailing love shall follow me all the days of my life, and through the length of my days the house of YAHUWEH/YAHUSHUA ELOHIM *and His Presence* shall be my dwelling place.

Comment: The house of YAHUWEH/YAHUSHUA ELOHIM is in the DEEPEST CHAMBER IN MY HEART! *and His Presence* in it shall be my dwelling place forever—definitely for I am not my own anymore I belong to my Master and He alone is My source of all goodness! As my new song goes,

I am happy as I travel on the bright road to Kingdom Land!  
And I am living so my life for Father Yah to shine! Yes I am happy as I travel on the bright road to new Yerushalayim! And I am living so my life for my Savior to shine! HalleluYah!  
HalleluYah! HalleluYah!

For You—YAHUWEH/YAHUSHUA ELOHIM my Father  
Creator and Savior Redeemer are my song of deliverance and  
eternal blissful happiness right here on the LAND forever and  
ever!

Now it's time to pack this mini and get ready for my ride  
to the bus stop! I never did go back to bed! And I am  
warming up a bit! Thank You Master—my Beloved!  
HalleluYah!

Master—my Beloved I am right where You have placed me!

Nice room but the best part is that dear A & P have surpassed their kindness to me! Master You are so good to have placed in these women's heart and mind exactly what to get for me.

I went over the Jordanian border at 3:00pm and they were right there waiting for me!

Master—my Beloved how real You made yourself to me during this whole trip. I am so amazed at my own self! I kept cool calmed and collected during the whole trip! Do I deserve a gold medal from You?

*“Yes, My beloved Thia better than that you are to me a precious jewel even of higher value than a gold metal. I delight in you. Now go to bed and wait on Me for your surprises of tomorrow!”*

*From My Presence in Thia's Journal...*

Master—my Beloved I am so blessed with Your Presence within my being.

For because of Your Presence within my being I can do all things, I really can.

I am truly ignorant of so many things and yet You always know how to incline me towards doing so many neat and

practical things like arranging my set up just so that I can reach everything without any problem as I go along doing my task in this little mini lap You have provided for me!

Now it has come to me how to arrange my tent and my sleeping bag and a few necessities in just 2 pieces of luggage instead of five as I have been carrying!

Thanks for such wonderful idea. And thanks for my delicious cup of coffee thanks to A&P who was thoughtful enough to buy me a couple of mugs and a heating stick. Everything is fixed and set including my coffee station! HalleluYah!

Master—my Beloved I did sleep for a couple of hours but now I am wide awake and just rejoicing in Your Presence!

It looks that it does not matter where am I at, all places are just perfect when Your Presence is right there with me!

This room really is a humble room yet You make me feel like I am in a royal palace! HalleluYah! You are awesome! Hum! Wonder where is Yedidah? Master, wouldn't Yedidah rejoice with me as I bask in Your Presence as she does?

## **Worship & prayer/She is angry at You not me!...**

*From My Presence in Thia's Journal...*

Thursday, November 05, 2009 (12:08am).

I made it to a new day in a new environment my Master—my Beloved, Your beloved Thia is now situated praising and giving You thanks and blessing You in the midnight and in a brand new environment—a new beginning!

HalleluYah! Baruch HaShem Yahuweh/Yahushua my Elohim—my Master—my Beloved! Blessed be Your names forever and ever!

My Master—my Beloved as I praise and rejoice in You I sense Your heart in the absence of the rest of Your children just like my heart in the absence of my own children.

So I lift up my voice to pray and supplicate to You and remind You that You said that with man it is impossible that anyone should be saved but with You ALL things are possible.

Yes with my children it is totally preposterous for them to give up their lifestyle yet, You are working and my total trust and confidence is in the work that You are doing in their hearts.

I lift up my second child to You on this instant of time, minister Your love—the only love that can satisfy our souls; show her my Master Your love to her by exposing to her that she is really angry at You because things have turned out the way they are after she wholeheartedly has served You according to her own understanding.

Give unto her the power to forgive me for all the hurt I caused her with my neglect as I was bringing her up.

But mainly give unto her to forgive me for the deceptive Christian doctrines that I taught her and which I am now denouncing and exposing.

Show my child that I was wrong but that You have forgiven me and restored my life and are restoring my family as He is healing and binding this hurt and anger in her heart. in the same especial way as You love me and have healed and restotred me.

Show her my Father that she is really angry at You and deliver her from such predicament.

## Comments on Psalms 27...

### *From My Presence in Thia's Journal...*

Thursday, November 05, 2009 (12:42am-4:23am)

My Master—my Beloved, thanks for the few hours of sleep, I am now awake and ready to go but I know not where? Ha! Ha!

What shall I do next? Maybe I'll fix me a cup of coffee? Wonder what my children are doing and thinking? Maybe they are thinking of You and praying for Your will in our lives! That surely would be the right prayer for them to pray!

Would anybody come to welcome me today? Will Eric Bob or Kay pay me a visit? I am so fond of them! Would they come or not my Master? I wait on You to act in our behalf.

Ah! I know what I will do! I will copy and comment Psalms 27 and then I will print the pages containing all the Psalms I have quoted and commented in the last few days!

Psa 27:1-14

*A Psalm* of David and Thia. YAHUWEH/YAHUSHUA ELOHIM is my Light and my Salvation—whom shall I fear or dread? Yahuweh/Yahushua Elohim is the Refuge and Stronghold of my life—of whom shall I be afraid?

When the wicked, even my enemies and my foes, came upon me to eat up my flesh, they stumbled and fell.

Comment: This I know when the wicked carnal self of mankind if of my children and brothers and sisters they will stumble and fall in favor to me sooner or later; and I

know that the wicked evil carnal self of strangers who could come to physical harm me they will stumble and fall to their death! As per Isaiah 54:15-17:

Behold, they may gather together and stir up strife, but it is not from Me. Whoever stirs up strife against you shall fall and surrender to you. Behold, I have created the smith who blows on the fire of coals and who produces a weapon for its purpose; and I have created the devastator to destroy. But no weapon that is formed against you shall prosper, and every tongue that shall rise against you in judgment you shall show to be in the wrong. This *peace, righteousness, security, triumph over opposition* is the heritage of the servants of the Master *those in whom the ideal Servant of Yahuweh/Yahushua Elohim is reproduced*; this is the righteousness or the vindication which they obtain from Me *this is that which I impart to them as their justification*, says Yahuweh/Yahushua Elohim.

Back to Psalm 27,

Though a host encamp against me, my heart shall not fear; though war arise against me, *even then* in this will I be confident.

Comment: And with such an assurance how can I falter any longer? No way! I'll keep on trucking now in Your trucking fleet from here on out until we get to Your Kingdom! Come Master Yahushua come!

One thing have I asked of Yahuweh/Yahushua Elohim, that will I seek, inquire for, and *insistently* require: that I may dwell in the house of Yahuweh/Yahushua Elohim *in His presence* all the days of my life, to behold and gaze upon the beauty *the sweet attractiveness and the delightful loveliness* of Yahuweh/Yahushua Elohim and to meditate, consider, and inquire in His temple. *Ps. 16:11; 18:6; 65:4; Luke 2:37.*

For in the day of trouble He will hide me in His shelter; in the secret place of His tent will He hide me; He will set me high

upon a rock.

And now shall my head be lifted up above my enemies round about me; in His tent I will offer sacrifices and shouting of joy;

I will sing, yes, I will sing praises to Yahuweh/Yahushua Elohim.

Comment: The above verses are a literal reality in my life; for the Hekal or Temple the Psalmist is talking about is the Temple of the Set Apart Spirit of the Almighty Father Yahuweh! and that Temple is now my body and my Master Yahuweh/Yahushua Elohim—His Almighty but loving Presence now lives in the deepest chamber of my heart where no foe can disturb Him or me.

Hear, O my Master—my Beloved, when I cry aloud; have mercy and be gracious to me and answer me! You have said, ‘Seek My face *inquire for and require My presence as your vital need.* My heart says to You, Your face (Your presence), Master, will I seek, inquire for, and require *of necessity and on the authority of Your Word.* Hide not Your face from me; turn not Your servant away in anger, You Who have been my help! Cast me not off, neither forsake me, O Yahuweh/Yahushua Elohim of my salvation!

Comment: Thus as it is written above has been my prayer and answer to His request and He has bountifully answered me and shown me His face in the authority of His Word and He has come to take possession of the key to the deepest chamber of my heart where no one is allowed!

Although my father and my mother have forsaken me, yet Yahuweh/Yahushua Elohim will take me up *adopt me as His child. Ps. 22:10.*

Comment: So therefore I know that although my wild emotions and imaginations attempt to take over me

because my children have chosen to assume that I have abandoned them so they no longer want to bother with me; and though my friends are irritated with me because I cannot go along with all their carnal practices of living anymore, although all forsake me for whatever reason I know that Yahuweh/Yahushua Elohim has taken me up—*adopted me as His child*—His beloved Thia at that!

Teach me Your way, O Yahuweh/Yahushua Elohim., and lead me in a plain and even path because of my enemies *those who lie in wait for me*. Give me not up to the will of my adversaries, for false witnesses have risen up against me; they breathe out cruelty and violence.

Comment: The above verse used to puzzle me, because I didn't think I had such enemies as anyone wanting to kill me literally.

I thought most of my problems with people were just misunderstandings—people just did not understand me! Not any more! Such is not my thinking anymore!

I know now because my Master—my Beloved has revealed my enemies to me: the carnal-self within me and all human beings plus the witches of hell without me! Together they nearly destroy my physical life and the life of my flesh and blood children!

*What, what would have become of me* had I not believed that I would see Yahuweh/Yahushua Elohim's goodness in the land of the living!

Comment: Yes, there is a land of the living spirits—us born again children of the Most High Yahuweh/Yahushua Elohim—born of the Set Apart Spirit of Father Yahuweh.

And there is a land of the dead—a spiritual realm where the dead spiritual beings roam around the earth in our actual environment looking whom they might devour! Unfortunately the carnal self within mankind (to which all of us were born into) cohorts with such evil beings on account of lust and ignorance!

I see it all the time but since my Beloved Master has revealed these things to me they are now clearer than ever before they have been.

They are clear enough that I can expose them to all of my Father's children with certainty and no doubt that **there are such beings and they are not cartoon characters to delight our carnal selves** but they are the most awful enemy beings that human imagination can ever fathom!

And yes, literally, what would have become of this wacky Thia born among the witches of hell have not my old grandmother taught me somehow about the goodness of Father Yahuweh?

Wait and hope for and expect Yahuweh/Yahushua Elohim; be brave and of good courage and let your heart be stout and enduring. Yes, wait for and hope for and expect Yahuweh/Yahushua Elohim.

Comment: therefore, this last verse has become a reality in my life and **I can now say that I am obeying this command to wait and hope and expect Yahuweh/Yahushua Elohim** and more and more everyday I am amazed at my bravery and courage and how stout and enduring my heart has become.

These things are now a reality in my life. And to demonstrate that to Father's children He has send me back to this wilderness.

## A dream to hold me still in His Presence...

### *From My Presence in Thia's Journal...*

Thursday, November 05, 2009 (12:34pm).

Master—my Beloved I dozed off and had the most amazingly vivid dream!

I was sitting at this table talking to Jimmy and Frances and exposing the things You are revealing to all but, Jimmy got up and kind of stretched himself saying that I was in an state of confusion and that is why I was saying those things.

I responded to him in a very sober manner and began to explain to him that it was the other way around but, then I woke up!

What is the meaning of such a dream my Master and what I am supposed to think or do about it? Am I to call Jimmy and Frances and tell them this dream like I used to do?

What and how am I supposed to react to this sort of things my Father and Master?

*“My beloved Thia you are reacting exactly the right way. You woke up before you got through explaining because I am only letting you know that I am getting Jimmy to at least begin to read your writings but I will do the rest not you.*

*“I will continue to quicken to Jimmy the truth which will set him and his whole congregation absolutely free!*

*“My beloved Thia, My children are reading and benefitting from your writings but you are not to do anymore than what I quicken you to do. “For right now you are to stay still and let things happen to you, do not make any plans to help yourself for anything.*

*“You have everything you need and all the time to do what I am instructing you to do with these writings.*

*“My beloved child, My Thia you are doing well. I am well pleased with you.*

*“Fear not! All things shall happen accordingly to My plan for you and the rest of My children and you do not have to worry or be concerned with getting in touch with anybody unless I tell you or I make a way for you to get in touch with anybody.”*

My Master—my Beloved how amazingly real You are to me! should I add this to this new series of messages You have quickened to begin today?

*“Yes, My Beloved Thia, add this dream to the message and wait before you close it today. For the day has only begun for you and there are other things I will want to record in this message of today.*

*In the meantime take a walk outside to orient yourself as to where you are at and prepare for what I have you to do over here this time.”*

## **Obedyed Your instructions & met one of Yours...**

*From My Presence in Thia's Journal...*

Thursday, November 05, 2009 (2:51pm).

Master—my Beloved I did what You instructed me to do and as I walked around and got lost I finally asked a young man passing by me for directions.

Funny thing, there were many persons I could have asked for directions but You placed a foreboding feeling about asking just anyone until this young man came by and immediately we connected and he walked with me for a good half hour and I gave him the message with the words You have given to me to speak on the spot to whomever. As You are instructing me by way of that dream I had earlier I will not speculate as to what is going to happen with the meeting of this young man. His name is Fady. Will I ever see him again? And is my old friend Bilal going to call me? Will I see Fadi my first friend I made over here? All those questions wander in my mind right now but I do not dare to even attempt any further to get in touch with anyone until You make a way.

They all know my particulars. And my former believer friends also know that I am here. I'll wait and see. I thank You for making it easier to wait than what it has ever been before. Perhaps I take a break and a nap or drink a cup of coffee.

*From My Presence in Thia's Journal...*

Thursday, November 05, 2009 (4:52pm).

Well my Master—my Beloved my day just about has come to an end with nothing else developing so far. Nobody came but, I did hear from Mary and the fantastic news about her new baby girl Nadim, I wonder if I'll get to see her next week?

I am ready to retire but before I do I will work some more on the message You have given me for today though I am not sure of what to do with it yet, but, I know You will soon show me what to do.

*From My Presence in Thia's Journal...*

Thursday, November 05, 2009 (11:51pm).

Her I am my Master—my Beloved to offer You my midnight prayer of thanksgiving. The day has come to an end with no further developments. Show me now what to do next. In a few minutes it shall be Friday—for this town an especial day when many places are closed; but for us it is only the 6<sup>th</sup> day or the eve of the 7<sup>th</sup> day of rest—the sign of our identification with You!

## Comments on Psalms 18...

### *From My Presence in Thia's Journal...*

Friday, November 06, 2009 (12:01am).

It's now midnight my Master—my Beloved blessed be Your names Yahuweh/Yahushua forever and ever! You alone are Sovereign upon the whole earth!

And I declare Your name with my midnight prayer! For as it is written in the Psalms You teach my hands to war! HalleluYah!

### **Psalms 18:1-50 and Thia's comments**

To the Chief Musician. *A Psalm* of David the servant of Yahuweh/Yahushua Elohim, who spoke the words of this song to Yahuweh/Yahushua Elohim on the day when Yahuweh/Yahushua Elohim delivered him from the hand of all his enemies and from the hand of Saul. And he said: I LOVE You fervently and devotedly, O my Master—my Beloved, my Strength.

Comment: I raise my voice with these words as my own my Master—my Beloved on this time when You are delivering me from the hands of all of those with the spirit of Saul—the carnal self within all of us.

Yahuweh/Yahushua Elohim is my Rock, my Fortress, and my Deliverer; my Elohim, my keen and firm Strength in Whom I will trust and take refuge, my Shield, and the Horn of my salvation, my High Tower. *Heb. 2:13.*

Comment: I declare and I proclaim the above words to the whole host of heaven and earth! I declare and proclaim it upon the roof tops now and forever!

I will call upon Yahuweh/Yahushua Elohim, Who is to be praised; so shall I be saved from my enemies. *Rev. 5:12*.

Comment: Yes, by all means I call upon You my Master—my Beloved Yahuweh/Yahushua Elohim for You are worthy to be praised and esteemed and worshiped above all! You alone are able to save and deliver us from our enemies—the carnal self under the yoke of Satan.

The cords or bands of death surrounded me, and the streams of ungodliness and the torrents of ruin terrified me. The cords of Sheol (the place of the dead) surrounded me; the snares of death confronted and came upon me. In my distress *when seemingly closed in* I called upon Yahuweh/Yahushua Elohim and cried to my Elohim; He heard my voice out of His temple (heavenly dwelling place), and my cry came before Him, into His *very* ears.

Comment: O how true You are to Your Word; for I have cried unto You in my distress—the distress of rejection and You have and are now answering me; and I thank You.

Then the earth quaked and rocked, the foundations also of the mountains trembled; they moved and were shaken because He was indignant and angry. There went up smoke from His nostrils; and lightning out of His mouth devoured; coals were kindled by it. He bowed the heavens also and came down; and thick darkness was under His feet. And He rode upon a cherub *a storm* and flew *swiftly*; yes, He sped on with the wings of the wind. He made darkness His secret hiding place; as His pavilion (His canopy) round about Him were dark waters and thick clouds of the skies. Out of the brightness before Him there broke forth through His thick clouds hailstones and coals of fire.

Yahuweh/Yahushua Elohim also thundered from the heavens, and the Most High uttered His voice, amid hailstones and coals of fire. And He sent out His arrows and scattered them; and He flashed forth lightnings and put them to rout. Then the beds of the sea appeared and the foundations of the world were laid bare at Your rebuke, O my Master—my Beloved, at the blast of the breath of Your nostrils.

He—my Master—my Beloved reached from on high, He took me; He drew me out of many waters. He delivered me from my strong enemy and from those who hated and abhorred me, for they were too strong for me. They confronted and came upon me in the day of my calamity, but Yahuweh/Yahushua Elohim was my stay and support. He—my Master—my Beloved brought me forth also into a large place; He was delivering me because He was pleased with me and delighted in me.

Yahuweh/Yahushua Elohim rewarded me according to my righteousness (my conscious integrity and sincerity with Him); according to the cleanness of my hands has He recompensed me. For I have kept the ways of Yahuweh/Yahushua Elohim and have not wickedly departed from my Elohim. For all His ordinances were before me, and I put not away His statutes from me. I was upright before Him and blameless with Him, ever *on guard* to keep myself free from my sin and guilt. Therefore has Yahuweh/Yahushua Elohim recompensed me according to my righteousness (my uprightness and right standing with Him), according to the cleanness of my hands in His sight.

With the kind and merciful You will show Yourself kind and merciful, with an upright man You will show Yourself upright, With the pure You will show Yourself pure, and with the perverse You will show Yourself contrary. For You deliver an afflicted and humble people but will bring down those with haughty looks. For You cause my lamp to be lighted and to

shine; Yahuweh/Yahushua Elohim my Elohim illumines my darkness. For by You I can run through a troop, and by my Elohim I can leap over a wall.

As for Yahuweh/Yahushua Elohim, His way is perfect! The word of Yahuweh/Yahushua Elohim is tested and tried; He is a shield to all those who take refuge and put their trust in Him. For who is Elohim except Yahuweh/Yahushua Elohim? Or who is the Rock save our Yahuweh/Yahushua Elohim, the Elohim who girds me with strength and makes my way perfect? He—my Master—my Beloved makes my feet like hinds' feet *able to stand firmly or make progress on the dangerous heights of testing and trouble*; He—my Master—my Beloved sets me securely upon my high places. He—my Master—my Beloved teaches my hands to war, so that my arms can bend a bow of bronze.

You—my Master—my Beloved have also given me the shield of Your salvation, and Your right hand has held me up; Your gentleness and condescension have made me great. You have given plenty of room for my steps under me, that my feet would not slip.

I pursued my enemies and overtook them; neither did I turn again till they were consumed. I smote them so that they were not able to rise; they fell wounded under my feet. For You—my Master—my Beloved have girded me with strength for the battle; You have subdued under me and caused to bow down those who rose up against me. You have also made my enemies turn their backs to me, that I might cut off those who hate me. They cried *for help*, but there was none to deliver—even unto Yahuweh/Yahushua Elohim, but He answered them not.

Then I beat them small as the dust before the wind; I emptied them out as the dirt and mire of the streets.

You—my Master—my Beloved have delivered me from the strivings of the people; You made me the head of the nations; a

people I had not known served me. As soon as they heard of me, they obeyed me; foreigners submitted themselves cringingly and yielded feigned obedience to me. Foreigners lost heart and came trembling out of their caves or strongholds.

Yahuweh/Yahushua Elohim lives! Blessed be my Rock; and let the Yahuweh/Yahushua Elohim of my salvation be exalted, the Elohim Who avenges me and subdues peoples under me, Who delivers me from my enemies; yes, You lift me up above those who rise up against me; You—my Master—my Beloved deliver me from the man of violence.

Therefore will I give thanks and extol You, O my Master—my Beloved—Yahuweh/Yahushua Elohim, among the nations, and sing praises to Your name. *Rom. 15:9.*

Great deliverances and triumphs gives He—my Master—my Beloved to His king; and He shows mercy and steadfast love to His anointed, to David and his offspring forever. *II Sam. 22:2-51.*

Comment: My Master—my Beloved You are so real so very mine at the moment. As many times as I have prayed and read this Psalm I have never read or prayed it with the intensity and personal assurance of this moment!

O my Master—my Beloved You are truly inhabiting the very depth of my being and I am Yours—a true descendant of my ancestor King David! O my Master—my Beloved I am speechless and dumbfounded at such revelation!

My Master—my Beloved let me keep these things within me with reverence and respect and let me not sully such revelation by foolish and flippant utterances out of my lips. Let me live this knowledge with a humble and sober and dignified attitude in the sight of all mankind.

My Master—my Beloved I have been sleeping for at least the last 3 hours! I did not record the time after I finished recording the wonderful things You gave me to record above!

I know I started that record around midnight and it took quite a long time to record all the wonderful comments for each verse.

After I recorded all that You gave me on this day I printed it and I fell asleep while I was going over it to check on any misspelled words and such when I fell asleep until I woke up just now!

And now it's 5:17am and I am still sleepy so I am going back to bed and wait on You to wake me up when I had enough sleep.

My Master—my Beloved here I am. I am now awake and ready to begin the daylight hours of this day under Your sight and instructions.

As I ponder about all that goes on between my children and my friends of old and of the present time You are making me realized that from the times of king David, king David went through the same paradigm of life with his children and the people even the ones he called the

foreigners. Why did king David call his enemies the foreigners?

*“My beloved Thia I have given unto you to learn about the foreigners—enemies of king David. These were the members of the mixed multitude who named themselves ‘Jews’ at one point in history and founded the religion of Judaism. These ones corrupted My priesthood and by the time your Messiah came they were in total control of My chosen people.*

*“As your Messiah told them: ‘you are the sons of the devil!’ Over and over again Messiah Yahushua exposed them for what they were but, to this day My people refuses to see the truth of these impostors and many of My people are slaves of their religion!*

*“My beloved Thia the mixed multitude came about because of the carnal self ingrained in all human beings including My chosen people. And the mixed multitude is supreme at the present time ruling the world. And the same carnal self of the mixed multitude is ingrained within My children because you are human beings.*

*“Therefore My chosen servants have been telling My children about the carnal self or the ‘old man’ and the ‘new man’ and the ‘old and new nature’ and exhorting them to put on the ‘new man’ and to walk by My Spirit and not to walk by the flesh or carnal nature.*

*“My servants have been proclaiming this to My children in all kinds of words written in all kinds of languages and spoken by My servants of old and of the present time from the time your Messiah chose the first twelve until the present moment of you writing these things to My people.*

*“But O My beloved Thia, the carnal self in man is still prevailing for the most.*

*“Therefore the reaction of your children and your friends towards you and what I have given you to write.*

*“Nonetheless I have now given you the strength to endure until the end.*

*“Furthermore My beloved Thia I have not only given you such strength but also I have given you to prevail among My children so that all My children I have placed in your path shall also come to terms with the message of repentance I have given to you for them in order for Me to strengthen them to endure until that end when your Messiah shall come to gather all My children unto Himself.*

*“Therefore My beloved Thia do not despair nor cower in the presence of the doubt and unbelief and blindness of My children.*

*“And do not push yourself to try to explain any further the words I have given unto you nor call anyone or ask for help to anyone nor panic under any circumstances.*

*“For My beloved Thia I am with you and I know exactly what I am doing with every minute detail of your daily existence. Do what you must do to eat and to take care of the needs of your body.*

*“Furthermore My beloved Thia continue to rejoice in prayer and worship in the joy of My Presence within you in perfect fellowship with Me.*

*“And continue to write and set up these writings as I give them to you in booklets and in the SITE. Such are My instructions for this moment of time.”*

## Question and answer on Psalms 18...

### *From My Presence in Thia's Journal...*

My Master—my Beloved I cannot give You enough thanks for all these blessings You have provided for me so I can wait with composure for whatever You have in mind for me!

But I know that it is because of Your blessed Presence that all of these things are so enjoyable to me!

It's amazing to me how I have missed such bounty before because of my pride in my knowledge of things that were so high for me yet I presumed to know them!

### *Friday, November 06, 2009 (11:46am).*

My Master—my Beloved as I re-read the above Psalm and I realize that such words are referring to King David and You I have wondered why today I sense so strongly that those words are also for me? Speak to my heart my Master—my Beloved that I may settled this matter for good.

*“My beloved Thia the day you gave me the key to the deepest chamber of your heart that same moment I united you with My Being forever! Therefore whatsoever words are written about Me those are written for you also.*

*“My beloved Thia though you are still walking this earth and in a human body and are subject to all human physical feelings of pain and hurt and glee*

*even though My Thia you do not belong to this world anymore!*

*“My beloved Thia remember that I took you out of this world in April of 2007. And at that time I began to prepare you to receive Me into the deepest chamber of your heart. Such an event has already taken place therefore you have come into a much deeper consciousness of who you are in relationship with Me.*

*“My beloved Thia, it is as I have told you that there is nothing and no one that can disturb you since the day you gave me the key to the deepest chamber of your heart for Me alone to keep. And now you will be experiencing more and more My Presence within you in a supernatural way beyond human reason from here on out.*

*“Only sit still My beloved Thia and do nothing that I don’t quicken you to do. Do not rely on your understanding and reasoning. And do not try to figure out what and how I am doing things. In other words do not give way to your imaginations not pay attention to anything that it is being said; for I will send to you any and all necessary information for your safety and wellbeing.*

*“My beloved Thia all I require of you is to write these messages and publish them in booklets and in the SITE for My children to grab on to the truth to set them free from the grip of the enemy. I will give you the means for an Internet connection in*

*the very near future. Do not despair. I have all things under control.”*
