The Master is the Teacher!

From Thia's journal...

***I cannot teach you anything!
The Master is the Teacher!***

***A good/worthy conclusion on the matter of teaching
and teachers...***

I cannot teach you anything! But I can share with you what I have been told.

And can tell you of things I have learned from the matters that the Master Teacher has taught me.

The Master is the Teacher and we must learn from Him. If you learn from me you are sure to fail in the final exam we all have to take when we come face to face with the Master Teacher.

Learning to sit still/respect His Word...

From My Presence in Thia's Journal...

Saturday, November 07, 2009(3:39am-4:00am-4:56am)
(6:18- 6:30am-2:38pm)

Master—my Beloved the day is almost to the end and once again I have not heard from anybody. I know that You have instructed me to sit still and I am obeying You. Nonetheless, if there is any possibility that I am not hearing You?

I pray and beseech You my Master make it known to me somehow if such is the case.

At the moment though that I am physically tired and somehow wondering why no one has come or called I sense perfect composure and peace sitting in Your Presence.

I refuse to give way to any of my imaginations and doubts of Your providence for me.

I know that in due time You will quicken somebody to come and visit and fellowship with me.

And my Master I thank You because I sense Your strength, I sense Your work teaching me to endure and I am becoming stronger by the moment.

And though I wonder why no one has come I am not in panic nor desperate nor worried about anything whatsoever!

Thank You my Master it is all Your mercy and goodness working in me! HalleluYah!

From My Presence in Thia's Journal...

Saturday, November 07, 2009 (8:20pm).

Master—my Beloved thank You for teaching me to respect Your Word. You told me very explicitly,

“For right now you are to stay still and let things happen to you, do not make any plans to help yourself for anything. You have everything you need and all the time to do what I am instructing you to do with these writings.

“My beloved child, My Thia you are doing well. I am well pleased with you. Fear not! All things shall happen accordingly to My plan for you and the rest of My children and you do not have to worry or be concerned with getting in touch with anybody unless I tell you or I make a way for you to get in touch with anybody.”

I must respect such instructions or else I risk Your displeasure with me and that is not an alternative in my life any longer.

I will not do anything to displease You! Thank You for giving me the strength to obey You at any cost!

You know how hard it has been for me to be without fellowship.

And You also know how hard it is for me to fit in most gatherings because I just do not have the same interests that most people have.

But You tell me that All things shall happen accordingly to Your plan for me and the rest of Your children so, I will not worry or fret nor complain.

I rejoice and I am more than glad for Your bountiful providence at the moment.

I will busy myself now with working on these last messages that You have given to me to publish and I will have them ready for You to use at Your pleasure whether in the SITE or the booklets.

From My Presence in Thia's Journal...

Master—my Beloved thanks for the few hours of rest. Here I am ready to start my task of the day with praise and thanksgiving to You! Blessed be Your names Yahuweh/Yahushua Elohim forever and ever!

Let's learn to fear Yahuweh/Yahushua Elohim...

From My Presence in Thia's Journal...

Sunday, November 08, 2009 (3:35am).

Master—my Beloved how am I supposed to pray? Many times I have asked You this question and You have answered me to simply talk to You and that is what I do at all times.

Still, I heard so many different statements from my brothers and sisters claiming specific ways of prayer.

I hear people talking about intercessory prayer over a town or a specific location.

I heard of corporate prayer. And so many books have been written about prayer. And I read in Hebrews how You prayed as it is written,

Heb 5:7-9

In the days of His flesh *Yahushua* offered up definite, special petitions *for that which He not only wanted but needed* and supplications with strong crying and tears to Him Who was *always* able to save Him *out* from death, and He was heard because of His reverence toward Yahuweh Elohim *His godly fear, His piety, in that He shrank from the horrors of separation from the bright presence of the Father.*

Although He was a Son, He learned *active, special* obedience through what He suffered

And, *His completed experience* making Him perfectly *equipped*, He became the Author and Source of eternal salvation to all those who give heed and obey Him, *Isa. 45:17.*

My Master—my Beloved I have read those Scriptures over and over again. And You know how I have prayed according to those Scriptures.

Also You know that in all things pertaining to prayer and the study of Your Word You always bring to my remembrance Your words in Matthew 5 namely,

For I tell you, unless your righteousness (your uprightness and your right standing with Yahuweh Elohim) is more than that of the scribes and Pharisees, you will never enter the kingdom of heaven.

Then my Master—my Beloved is the matter of fear. In the one hand You have not given me the spirit of fear—cowardice cringing or fawning fear.

And in the other hand You have given me **the reverent fear of Your Mighty Being!** What is this reverent fear of You?

It is the fear and dread to disobey You—to disobey Your commandments not only written on the pages of any book but mainly written in the tablet of each one of Your children's heart!

For it is a fact that You have written Your commandments in each one of our hearts and to each one of us You give our own personal lot to carry out these commandments on our daily existence.

Indeed! I fear You! I fear You because I have experienced Your wrath to the max as I have lived under the curse of sinful disobedience most of my earthly existence and I know by personal experience that the consequences of

disobeying You truly mean death and pain and sorrow beyond limit.

For Your supreme authority above all beings and things on an under and above and beyond this earth is beyond any human imagination.

And such fact You have revealed to me. **You are a Mighty Being worthy of reverent fear and fearful respect without any question or doubt whatsoever!** There is none like You!

Your knowledge is beyond limit! Your mercy is beyond my conception! Your wisdom is unfathomable! And so is Your wrath!

Thus You have revealed this knowledge of Your Mighty Being to me and set me free from the curse of my sinful disobedience to Your commandments.

Therefore I tremble at the thought of disobeying You ever again!

Repent or our lives CANNOT be restored

Why did I live under the curse of a sinful disobedience most of my earthly existence?

Such question is answered in the pages of my autobiography and in many articles bearing my testimony of the truth which set me free from such life!

But in brief the essence of that answer—the truth which set me free from such life is: I lived under the curse of sinful disobedience because I lived by my own understanding of You my Master and of life in general. In other words the root and core of my sinful life was my own understanding of my Master and Creator and of life in general. Once my Master confronted and convicted me of such an issue He strengthened me to repent—to give up my own understanding of Him and of life in general.

And O my Master! from there on You have been able to instruct and guide me in the way that I should go and do for Your esteem and honor and for the benefit of Your children.

It does not stands to reason, if there is One who knows everything about me and about all and each person and spiritual entity roaming on and under and above these earthly grounds, I mean this Being knows everything about every single one—good or evil, if there is such Being offering us His favor to obtain a higher and better life than the one we are living, why on earth shouldn't

we take advantage of such mighty clout and trust ourselves to that Being to enjoy such an amazing offer? Man! we knock ourselves down just to get in a personal basis with our immediate superiors to climb the ladder of popularity or success!

And here we have the Mightiest—the Highest of the highest offering us over and above any privilege that human clout can ever offer to us and what do we do?

We simply take that Being for granted in lieu of our own puny understanding and knowledge? Really, we human beings totally lack better sense!

In reality though we lack better sense on account of our arrogance and pride in our selves!

Because the truth of the matter is, again, our human understanding; for actually most all agree that there is a higher being since there are not any who can truly say there is not, it is just a matter of who we believe that Being to be!

And the truth be known is that in the long run **we believe our own selves to know better than anyone else so we enthrone ourselves in such high position!** Mercy! Mercy! How can we stand our own selves?

So here comes my testimony or the account of how **You my Master have convicted me of living in such arrogant and willful lifestyle of my own understanding.**

And how Your conviction caused me to repent—to turn away from my lifestyle.

For O my Master, **unless we repent or turn away from our lifestyles You CANNOT restore our lives** and cleanse and prepare our hearts for Your Presence to inhabit within them.

And unless Your Presence inhabits our hearts we cannot be Your witness.

Therefore You, my Master have given me the power and ability to write and to publish my testimony of Your Presence within my being **in order for of all these things that You are doing in my life may influence Your children to repent!**

On the matter of prayer and all other doctrines...

My determinate purpose is to obey You no matter what I think or imagine that I should do.

From My Presence in Thia's Journal...

Sunday, November 08, 2009 (8:37am).

Master—my Beloved You know I intended to go out there today and help myself with some groceries and get my visa extension and email my people but, You just reminded me again of Your instructions,

“...you are to stay still and let things happen to you, do not make any plans to help yourself for anything.” So, I am staying put again today until You make something happen.

You know that at the latest tomorrow I am to go and get that visa extension. I know where to go and I can easily walk there anytime, but, evidently today is not Your time. And You know that I need the Internet to publish the messages You are giving to me and You have promised me that I will have such, so, I am just reminding You of Your promise.

Also You know that though I am not totally out of something to eat I am pretty close to it.

Yet, I am willing to do without food and fast if that is what You are calling me to do.

My determinate purpose is to obey You no matter what I think or imagine that I should do.

You are in control and I do not dare to interfere with Your plans ever again!

So, I wait on You for whatever happens today and tomorrow and from here on forward.

Now to get back to what I started this morning on prayer. Would You speak to me about such an important matter for my benefit as well as for the benefit of all whom You inspire to read these messages?

“My beloved Thia you just got through lifting up your voice to Me in prayer for all your needs at the present moment.

“That is how you are supposed to pray. You are supposed to pray or to call on Me for every minute detail of your life just like you have been doing for quite a while now.

“In the other hand My Thia there are times when I call You to intercede for someone or to war against the forces of hell.

“In the other hand My Thia there are times when I call You to intercede for someone or to war against the forces of hell.

“But here in is the secret of the only prayer which delights My heart and which avails any of My children for eternity:

“The prayer which delights my heart must originate from My Presence in a cleansed heart—cleansed by the power of My Set Apart Spirit!

“In other words My Thia prayer is an interchange between My children and Me. This interchange

intensifies as any child of Mine gives up the human understanding and submits to the understanding of My Set Apart Spirit.

*“As the result of this submission **My Set Apart Spirit proceeds to cleanse the human heart from all misconceptions** and I am able to come and inhabit such heart.*

“My beloved Thia this process must take place in the heart of all of My children.

“But My children are somehow not aware of this fact and you have no conception yet how I am teaching and opening the Scriptures to you for the benefit of the great majority of My children. For My children are reading these words of Mine that you are writing.

“And there is a great majority of My children who are doing My works but not according to My will and understanding but according to their will and understanding.

“And as I am teaching you these things I will open their eyes for them to repent.

“Because it is imperative that they repent My beloved Thia for these ones of My children are the ones involved in all kinds of ministries and services thinking that they are doing My work but they are in danger to be told at the end, ‘depart from Me you who work iniquity!’ Why?

“Because as you see My beloved Thia the great majority of My children are entwined in religion.

“And in the Christian religion it is very popular for missionaries to take off to ‘evangelize’ the world—to save souls and to cast out demons.

“Yet, My beloved Thia the great majority of My children are still walking in the realm of the soul the seat of the emotions and intellect of mankind.

“My children are still carnal that means that they are walking according to their emotions and mind—their feelings and their intellect, their understanding of everything including My Spirit and My ways and My commandments and life in general.

“Unfortunately My Thia the great majority of My children cannot see how all the wonderful feelings and thoughts and inspirations and signs and wonders can possibly be wrong and not have My approval.

“They cannot see how such feelings of peace and well being and material blessings cannot come from Me because in reality such blessings are the result of My kindness to bless My children but this is so in order for them to repent of their carnal lifestyles.

As it is written,

Rom 2:4

Or are you *so blind as to* trifle with and presume upon and despise and underestimate the wealth of His kindness and forbearance and long-suffering patience?

Are you unmindful or actually ignorant *of the fact* that Yahuweh/Yahushua Elohim's kindness is intended to lead you to repent—to change your mind and inner man to accept Yahuweh/Yahushua Elohim's will?

“But most unfortunately is the fact that My children take off to evangelize the world—to save the world according to what they understand as My Spirit but they do not realize that they do not know nor understand My Spirit nor have the power to evangelize or save the world because they are hardly saved themselves.

“My beloved Thia My children are so set in their own understanding that they refuse to even consider and accept the fact that the Christian religion was started by one man under the influence of Satan and it is a pagan religion along with all the religions of this world.

“And My children refuse to accept the fact that My name is Yahuweh/Yahushua and they insist in calling me by pagan names.

“My beloved Thia I am a Perfect and Exact Being! And My ways are clean and impeccable! There is no uncleanness on Me whatsoever!

“I am not to be compared with common or unclean man born of the flesh with a carnal nature seated in the realm of the soul. I have nothing in common with the carnal self of mankind.

“And My children are commanded to be like Me!

“Alas! For My children have not come to terms yet with such command because they see Me with the eyes of their understanding in their carnal image of Myself!

“And they refuse to humble themselves and submit to My Set Apart Spirit to see My Perfect Image and imitate Me. As it is written,

Mat 5:48

You, therefore, must be perfect—*growing into complete maturity of set apartness in mind and character, having reached the proper height of virtue and integrity*, as your heavenly Father is perfect. [Lev. 19:2, 18.]

Matthew 7:13-29

Enter through the narrow gate; for wide is the gate and spacious and broad is the way that leads away to destruction, and many are those who are entering through it.

But the gate is narrow (contracted by pressure) and the way is straitened and compressed that leads away to life, and few are those who find it. [Deut. 30:19; Jer. 21:8.]

Beware of false prophets, who come to you dressed as sheep, but inside they are devouring wolves. [Ezek. 22:27.] You will fully recognize them by their fruits. Do people pick grapes from thorns, or figs from thistles? Even so, every healthy (sound) tree bears good fruit *worthy of admiration*, but the sickly (decaying, worthless) tree bears bad (worthless) fruit.

A good (healthy) tree cannot bear bad (worthless) fruit, nor can a bad (diseased) tree bear excellent fruit *worthy of admiration*. Every tree that does not bear good fruit is cut down and cast into the fire. Therefore, you will fully know them by their fruits.

Not everyone who says to Me, Lord, Lord, will enter the kingdom of heaven, but he who does the will of My Father

Who is in heaven.

Many will say to Me on that day, Lord, Lord, have we not prophesied in Your name and driven out demons in Your name and done many mighty works in Your name?

And then I will say to them openly (publicly), I never knew you; depart from Me, you who act wickedly *disregarding My commands*. [Ps. 6:8.]

So everyone who hears these words of Mine and acts upon them *obeying them* will be like a sensible (prudent, practical, wise) man who built his house upon the rock.

And the rain fell and the floods came and the winds blew and beat against that house; yet it did not fall, because it had been founded on the rock.

And everyone who hears these words of Mine and does not do them will be like a stupid (foolish) man who built his house upon the sand.

And the rain fell and the floods came and the winds blew and beat against that house, and it fell—and great and complete was the fall of it.

When Yahushua had finished these sayings *the Sermon on the Mount*, the crowds were astonished and overwhelmed with bewildered wonder at His teaching, For He was teaching as One Who had *and was* authority, and not as *did* the scribes.

“My beloved Thia there you have in a nut shell the core of the battle that I am fighting for My children to overcome their own selves—for they are their worse enemy.

*“And unless I intervene and expose their condition with messages like the ones I am giving to you to write they will have no chance to choose to repent and **avoid the fatal moment at the end of***

time when I will not recognize them and I will have to command them to depart from Me!

“And My beloved Thia this should answer many of your questions about what you see in all of My children’s righteous doings—matters that seem so right to you and have made you question My Word against such doings.

“And this should answer your questions about all the doctrines that have been and are going around on prayer and deliverance and so far!

“For My beloved Thia I am not in any way, shape or form what human understanding has formed Me to be and insists and persist in teaching others about Me.

“No one can teach another about Me! But all must do what I commanded My first group of followers.

“And what is it that I commanded them? I commanded them to live by My Torah—My commandments or teachings and instructions on how to live a lifestyle submitted or immersed in My Set Apart Spirit!

“It is still the same commandment for all of My children today.

“And My beloved Thia is it not written down that you are not to add or take away anything from My written words?

“Where by has man come up with all these doctrines and methods and interpretations from their

own understanding to impose upon My children as My Torah?

“Therefore My beloved Thia faint not! Let My Set Apart Spirit teach and do the work on My children as you continue to proclaim My Word as it is written without making a doctrine or a ‘teaching’ out of your own mind and interpretation!”

Peace and rest beyond human understanding...

**All things written in my mind/heart are confirmed in
Isaiah 26 and 30!**

From My Presence in Thia's Journal...

Sunday, November 08, 2009 (10:56pm).

Master—my Beloved my mind is set on You! I want nothing and no one else but You!

You know that I am human and that I need human companionship but it is not my will to set my mind on human kind ahead of You.

Therefore my Master—my Beloved I ask of You to mold and shape my thoughts and my emotions to suit Your pleasure

And I ask You to tell and show me how I am to think and act rightly according to Your will and pleasure for me as You promised to do. For it is written,

Isaiah 30:20-21 And though Yahuweh/Yahushua Elohim gives you the bread of adversity and the water of affliction, yet your Teacher will not hide Himself any more, but your eyes will constantly behold your Teacher. And your ears will hear a word behind you, saying, This is the way; walk in it, when you turn to the right hand and when you turn to the left.

It has been now better than 3 days since I last saw a human face and all I can see and think about is to know what is Your purpose to keep me away from others and to keep others away from me?

I can honestly say that I am not in panic nor in the least concerned about my dreadful imaginations of what it could be or what it could happen or whatever or not this situation is of Your making or not.

For I can honestly say that somehow I know that this is of Your making and You have a purpose for this situation and You will show me that purpose.

And I know that in due time I will hear my Teacher and I will know which way to turn and what to do when I turn that way.

And I thank You my Master—my Beloved for I know You have heard my cry for help and by the morning I will do what I am to do without fear or doubt.

For I know that You are with me and You lead and guide me in this valley of fear and death which I am crossing at the moment.

And now midnight is approaching and I am ready to offer You my prayer of thanksgiving and set myself at attention for Your instruction on what to pray about at this hour of the night.

From My Presence in Thia's Journal...

Monday, November 09, 2009 (12:01am).

Baruch HaShem Yahuweh/Yahushua Elohim—my Master—my Beloved!

May Your name be esteemed and proclaimed all over the earth as it is Your will and pleasure for it to be!

Master—my Beloved I sense peace and well being at this very moment.

And though I hear voices and people going and coming outside of my door I know that the people You have given to me for me to love and intercede for their needs is at peace and resting at this moment and I thank You for giving Your beloved sleep or even rest if they are awake. I am thinking of Daline and Salt, thank You for giving them peace and rest. And I am thinking of each one of my children and grandchildren. I know that You are working day and night to bring them to rest in You. Again, I set my mind in You for it is written,

Isaiah 26:1-21

IN THAT day shall this song be sung in the land of Judah: We have a strong city; *Yahuweh/Yahushua Elohim* sets up salvation as walls and bulwarks.

Open the gates, that the *uncompromisingly* righteous nation which keeps her faith and her troth *with Yahuweh/Yahushua Elohim* may enter in.

You will guard him and keep him in perfect and constant peace whose mind *both its inclination and its character* is stayed on You, because he commits himself to You, leans on You, and hopes confidently in You.

So trust in Yahuweh/Yahushua Elohim (commit yourself to Him, lean on Him, hope confidently in Him) forever; for Yahuweh/Yahushua Elohim is an everlasting Rock *the Rock of Ages*. For He has brought down the inhabitants of the height, the lofty city; He lays it low, lays it low to the ground; He brings it even to the dust. The foot has trampled it down—even the feet of the poor, and the steps of the needy.

The way of the *consistently* righteous (those living in moral and spiritual rectitude in every area and relationship of their lives) is level and straight; You, O *Master*, Who are upright, direct aright and make level the path of the *uncompromisingly*

just and righteous.

Yes, in the path of Your judgments, O Master, we wait *expectantly* for You; our heartfelt desire is for Your name and for the remembrance of You.

My soul yearns for You *O my Master* in the night, yes, my spirit within me seeks You earnestly; for *only* when Your judgments are in the earth will the inhabitants of the world learn righteousness (uprightness and right standing with Yahuweh/Yahushua Elohim).

Though favor is shown to the wicked, yet they do not learn righteousness; in the land of uprightness they deal perversely and refuse to see the majesty of Yahuweh/Yahushua Elohim.

Though Your hand is lifted high to strike, my Master, they do not see it. **Let them see Your zeal for Your people and be ashamed;** yes, let the fire reserved for Your enemies consume them.

My Master—my Beloved, You will ordain peace (Yahuweh/Yahushua Elohim's favor and blessings, both temporal and spiritual) for us, for You have also wrought in us and for us all our works.

O Master, our Yahuweh/Yahushua Elohim, other masters besides You have ruled over us, but **we will acknowledge and mention Your name only.**

They *the former tyrant masters* are dead, they shall not live and reappear; they are powerless ghosts, they shall not rise and come back.

Therefore You have visited and made an end of them and caused every memory of them *every trace of their supremacy* to perish. You have increased the nation, O my Master; You have increased the nation. You are esteemed; You have enlarged all the borders of the land.

My Master, when they were in trouble and distress, they sought and visited You; they poured out a prayerful whisper when Your

chastening was upon them.

As a woman with child drawing near the time of her delivery is in pain and writhes and cries out in her pangs, so we have been before You (at Your presence), O my Master. **We have been with child, we have been writhing and in pain; we have, as it were, brought forth *only* wind. We have not wrought any deliverance in the earth, and the inhabitants of the world of *Israel* have not yet been born.**

Your dead shall live *O my Master*; the bodies of our dead *set apart ones* shall rise. You who dwell in the dust, awake and sing for joy! For Your dew *O my Master* is a dew of *sparkling light heavenly, supernatural dew*; and the earth shall cast forth the dead *to life again; for on the land of the shades of the dead You will let Your dew fall.* [Ezek. 37:11-12.]

Come, my people, enter your chambers and shut your doors behind you; hide yourselves for a little while until Yahuweh/Yahushua Elohim's wrath is past.

For behold, Yahuweh/Yahushua Elohim is coming out of His place in *heaven* to punish the inhabitants of the earth for their iniquity; the earth also will disclose the blood shed upon her and will no longer cover her slain and conceal her guilt.

WOW! My Master—my Beloved **everything in my heart and mind is written in the above Scriptures!** **And everything You have given me to write about is all confirmed in the above Scriptures!**

It surely is amazing to me because I did not consciously and by memory knew that all of that was written in those Scriptures! HalleluYah!

Why is Thia in your midst?...

From My Presence in Thia's Journal...

Monday, November 09, 2009 (5:36am).

My Master—my Beloved! What a night and a day I had yesterday and last night! Amazing!

You have made Yourself real to me in the most amazing way as I record it all above.

But, as I opened my eyes this morning the reality of Your Presence came to me as You continue to speak to me words to pass on to my brothers and sisters all over the world!

Speak the words I am to write my Master I am ready to record them,

"My beloved Thia you have passed one more test in the wilderness of people.

"Now I must entrust you with the most important message yet for My children to understand and heed out of all My messages I have given you so far.

"My beloved Thia let Me repeat the words I gave you record earlier.

*"For My beloved Thia **I AM NOT in any way, shape or form what human understanding has formed Me to be and insists and persist in teaching others about Me.***

"No one can teach another about Me! But all must do what I commanded My first group of followers.

“And what is it that I commanded them? I commanded them to live by My Torah—My commandments or teachings and instructions on how to live a lifestyle submitted or immersed in My Set Apart Spirit!

“It is still the same commandment for all of My children today.

“And My beloved Thia is it not written down that you are not to add or take away anything from My written words?

“Where by has man come up with all these doctrines and methods and interpretations from their own understanding to impose upon My children as My Torah?

“Now My beloved Thia let Me enlighten My children about My purpose in raising you up and sending you among them without any program or premeditated words even without any training from any man or any experience in the immense world of seasoned missionaries.

“Yet, in spite of all your human frailties and deficiencies I have given and entrusted you to proclaim My Word as it is written against the mighty system of organized religion and against all doctrines and interpretations and imaginations of mankind about My Word or My Torah. What is My purpose for doing such?

“My children, My purpose for sending My beloved Thia in your midst is to shake out of you every

trace of former doctrines and misconceptions about Me and My Word or My Torah!

“For everything must be shaken and only the purity of My Set Apart Spirit shall stand!

“So, what are you to do now when you have come this far in obedience to My call to follow Me?

“You are to put aside everything you have learned so far about My Word or My Torah. “That includes all your methods of teaching and studying and researching My Word or My Torah.

“You are to put aside everything that you have in your mind and heart about Me and My Word or My Torah and start just like My taught ones started in the upper room. As it is written,

Act 1:13-14

And when they had entered *the city*, they mounted *the stairs* to the upper room where they were *indefinitely* staying—Peter and John and James and Andrew; Philip and Thomas, Bartholomew and Matthew; James son of Alphaeus and Simon the Zealot, and Judas *son* of James. **All of these with their minds in full agreement devoted themselves steadfastly to prayer, waiting together with the women and Miryam the mother of Yahushua, and with His brothers.**

“My children do you remember who are My mother and my brothers and my sisters? Do you remember such as it is written?

Mat 12:47-50

Someone said to Him, Listen! Your mother and Your brothers are standing outside, seeking to speak to You. But He replied to the man who told Him, Who is My mother, and who are My brothers? And stretching out His hand toward—*not only the*

twelve disciples but all His adherents, He said, Here are My mother and My brothers. For whoever does the will of My Father in heaven is My brother and sister and mother!

“My children, as it was with Me so it is to be with you.

“And as it was with My taught ones so it is to be with you.

“I have given to each one of you the power and ability to read.

“Now I am giving you the power and ability to read and comprehend the implications of My written words for you to apply such words exactly as they are written in your present daily routine of life.

“Now My children I know of all your doings and I know the sincerity in your hearts as you mean to obey and do My Word.

“Yet, you are faulting because you are still stained by your own power of reasoning and former doctrines of mankind.

“So, what are exactly My instructions for you all at the present time? I have no new doctrine or instructions.

“Let me give you again My instructions as they have been from the beginning only in words that you can easily understand.

1. All My selected children have read and studied and know the letter of My written Scriptures from cover to cover.

2. *Therefore there is no need for you to continue to rehash the same letters in an attempt to perform and do them—an attempt to renew your own minds.*
3. *But it is an utter impossibility for you to renew your own minds. It is now time for you to realize My purpose to descend in My Set Apart Spirit for that one purpose of renewing your mind and to empower you to be My witness—witnesses of My Presence within you.*
4. *Therefore it is now time to put aside all your questions and answers about Me and My Kingdom and get on to steadfast prayer seeking My face for you individually and collectively.*
5. *To seek My face means to seek My Being for your daily instructions not only on what to do in every single aspect of your day but also to seek My Being—My Set Apart Spirit to renew your minds—your thinking pattern. To seek My face means to allow My Set Apart Spirit to take control of your thoughts and emotions for you to think and feel in the same way that I think and feel.*
6. *Thus when you gather in, your minds will be set by My Set Apart Spirit to gather in **with your minds in full agreement to devote yourselves steadfastly to prayer rather than to rehash old doctrines and new interpretations of My Word or Torah.***

7. *Furthermore you are to practice hospitality among each other. Not just in a casual way as an occasional visit when you can get away from your own personal affairs but as a command to love each other and to lay down your lives for each other. None of you should have a personal life and be concerned only for his/her own family and needs. Each and all of you should be your brother's keeper above all differences of personalities and individual preferences.*

8. *And in such a way My Set Apart Spirit will make His abode in your midst and He will teach and correct and you will have no need to teach and correct each other. And you will be living in harmony and love with each other and showing the world that you belong to Me—in such way you will be witness of My Presence within your beings.*

9. *Also, who knows? That by the power of My Set Apart Spirit in such lifestyle you might yet turn this world around?*

10. *And you will please and delight My Being. And you will find the peace that surpasses all human understanding and the strength to endure anything coming against you until the end.*

“And now My beloved Thia get yourself ready to go out and take care of the business that you must. As you go along I will show you step by step how

to take care of all the things that you must do today.

“And when you finish with all the business out there and you come back I will give you further instructions on what to do with these writings of yours.

“Furthermore My beloved Thia fear not My child for I go before and behind you and Your Teacher will tell you exactly which way to turn. Rejoice and be glad for I am always with you!”

HalleluYah! Onwards I am going my Master—my Beloved with my heart replete with Your joy and delight!
HalleluYah!

My Master—my Beloved You are awesome! I went to take care of my visa extension and I got my visa extended until the end of February. Thanks my Master I have 3 months for You to do with me whatever You need to for Your esteem and honor and the benefit of all of us.

I made my way to my friend B and I had the pleasant surprise to find him well and happy to see me. And he now has wireless so I have access to the Net through his wireless. Thank my Master for making good Your promise that I would have Internet.

And I went to the market and got me something to eat for the next couple of weeks. All and all I am well situated.

My Master—my Beloved You know that my heart is aching at the sound of the evil and corruption surrounding me.

These people live in the dark hours of the day and the sound of their voices is not a pleasant sound by far.

Until this moment I have been able to ignore them but right now my heart aches for reasons unknown to me.

I have lifted up my voice with the groaning from Your Set Apart Spirit within the depth of my heart.

Now I wait undisturbed and at peace again; for I know that there shall no evil come near me or any plague come

nigh my dwelling no matter what I see or hear on these evil surroundings of my temporary residence on this earth. Where do I go from here, my Master? I will continue with my mind and heart set on You in worship knowing that such is all You require of me.

So in worship I work writing these things in obedience to Your instructions regardless my natural and human understanding and hopeless feelings that anybody should read them.

But I press on with my task and wait on You to develop the circumstances for every step I am to take for Your esteem and honor.

My Master—my Beloved I am now set to finish this record. I have carefully edited and gone over it and now I will set it as a booklet and to publish in the SITE.

And if You have nothing else in Your plan for me today I will go after 4 or 5 to actually publish it.

HalleluYah!
