## **NOTE FROM THIA**

This article is written by a Watchman of Yahuweh who wishes to remain anonymous for personal reasons.

She writes with the authority of her lifetime intimate communion with our Creator, the Almighty Yahuweh the Father of our Savior Yahushua , and with the authority of extensive research and a life time experience as a missionary in more than 40 countries, plus a Thorough knowledge of the sacred Scriptures.

For many years I have been known what this sister is heralding, but, I didn't have proof for my claims. This sister not only has proof, she also has the experience and the complete knowledge of the Scriptures to back up all her claims.

Heed her message! It comes from the heart of Yahuweh.

# **THE CORE OF THE AMERICAN SYNDROME**

## **The Reason Why You & I Fight the Same Problems**

This is the third in a trilogy: 1) Mind Programming, Hidden Manipulation, & the “World Brain”; 2) Quiet Wars & Silent Weapons and 3) The Core of the American Syndrome. This article, #3, exposes the core of why we think and act the way we do in “Christian America.” It exposes the emotional and mental illness that we all have been programmed into—which has prevented us from rising above a two year old to twelve year old reasoning level—and basically kept us all at a two-three year-old emotional level. Few are mature by obedience to Yahuweh in their daily lives. But it is time to either grow up into Yahuweh’s Scriptural maturity, or die a mental baby.

This is different from the other two articles, in that it is candid—it is filled with reality, yes, but it is more personal. In it my sense of humor shows as I tell on myself. Through it you’ll get to know me as a human being like you, who faces and has faced the same problems because of mind-programming. There is a powerful revelation at the conclusion of this article, which Father gave me yesterday. This article contains, not just facts, but tons of wisdom for you. The article leaves you, as all my articles, with the admonition to do something about the information contained in it. It’s the “doers” that go forward, not the hearers for curiosity’s sake who do nothing.

There is only one nation that the Word says will be totally destroyed. We know from the “guest list” of the Annapolis Conference, and the hidden agenda, why America will be totally destroyed.

This was a hard article to write, because I was also a victim of mind and emotional programming. So, I understand. Though it may sound critical, it is not. How do you shake an adult loose from toddler thinking? You can’t do it by being sickingly sweet and “plastic.”

In this article, you’ll find explanations of why you react and think they way you do. You’ll fiind yourself in this article. It takes dogged determinism to break loose. Some of you have had a big boost because of your religious background in Torah—the “solid rock” of Truth. Once you have dogged determinism, Yahuweh will help you, because He’ll see that you are serious about your decision.

But, for us with Christian foundations built on “unstable, sinking sand,” we have been systematically, methodically and daily programmed into non-reality—into illusions, deceptions, magic, fantasy, into the Luciferic supernatural world, into paganism and the occult. We have not had the solid rock to dig into. We have not Hebrew cultural, eastern

cultural, training, which deals in stable, rock-solid reality. But, now many are breaking with the “sand” of Greco/Roman paganism, and are beginning to mature. Some are maturing faster than others, but time is running out for us all. America is being reduced to a “third world” status as I write this, and only the mature have a chance of survival.

The word “syndrome” in the Merriam Webster Dictionary, 1994, is described as: “A group of signs and symptoms that occur together and characterize a certain abnormality.” Here I will give you the signs and symptoms that characterize the abnormality that is the norm almost all Americans. Being an American myself, I write this with sadness, but I must write this in an attempt to wake up a few who want to be cured of this abnormality.

Romans 13:11-13a: “...it is already high time for us to wake up from sleep, for now our salvation is nearer than when we first believed. The night is far advanced; the day has come near. So let us put off the works of darkness and let us put on the armor of light. Let us walk becomingly as in the day...” The expression “high time” is used by NASA to describe the counting down from 10 to 1 before “blast off” of the space shuttle.

The core of the human abnormality is a nature that gravitates to sin, rebellion, revolt, and lawlessness. This starts showing up in toddlers. Ezekiel 3:1-11 and 33:30-33 describes the house of Israel as stiff-necked, hard-hearted, stubborn people who would listen to truth but wouldn't do it. The house of Judah has not been much better. All combined, the house of Jacob's sons, all the thirteen tribes, have deteriorated so far from Yahuweh's Covenant into either the religions of man or secular humanism that there is little true “faith” left on the earth. Messiah asks the question: “...When the Son of man comes, will He find faith on the earth?” (Luke 18:8)

The Hebrew understanding of faith: If you say you believe something, act it out in your everyday life, or you are liar, a fake and a phony. Everyone has a religion. The objects of worship are diverse, but every human worships something or someone, whether “God,” or money and human achievement (Humanism). But, few who say they believe in the “God” of the Bible act out their beliefs in their every day lifestyle, except a remnant that loves Yahuweh and Yahushua.

Acting out belief in Yahuweh and Yahushua means to guard the Covenant of Yahuweh, and love Him and trust Him with our entire being. Example: The Biblical Israelites brought animal sacrifices before Yahuweh, not to get Him to take away their sin, but to act out their repentance publicly—showing they had already been forgiven of sin. Torah: The Instructions and Teachings of the Kingdom of heaven given to us as a Covenant with Yahuweh, teaches us to walk by faith with corresponding actions.

Ezekiel 3 was 2,500 years ago. The ones who came out of Egypt 4,000 years ago were the same type-rebellious, self-centered, rebels, lawless, and rejecters of Yahuweh's Torah-no matter what they said at the base of Mt. Sinai. The family of Yahuweh, whom He chose above all the families of the earth, promised one day to follow His teachings and instructions of the Kingdom of heaven-Torah—and the next day to rebel and revolt against Him because He didn't give them something they wanted. Sound familiar!

During the plagues and in the Red Sea crossing, they got scared of Yahuweh's power for a little while, then when He wasn't coming to them in fire and smoke, they began turning on His leaders, complaining greatly, and provoking Yahuweh to anger.

The post flood world carried on the same scenarios that got them the flood. Once Lucifer enticed Adam and Eve to eat of his tree in the hopes of being gods, the whole human race has propagated Lucifer's doctrine of "me first" ever since—satisfy and gratify my lusts, for "I am" and there is none else.

This is mankind: This is His people's abnormality, as well as it is among the gentiles ("Gentile" means: Pagans, barbarians, heathen, aliens, strangers and foreigners to the Covenant of Yahuweh). His people, children of Abraham, Isaac and Jacob, embraced gentile ways, and their gods, because the common denominator was human sin nature-love of fleshly gratification, which brings rebellion against Yahuweh's Kingdom absolutes.

By 722 BCE Yahuweh began the final scattering of the house of Israel (the 10 northern tribes of Jacob) into all nations AMONG the gentiles (pagan nations), which they adapted to so well. Now, after 2,730 years, the punishment of Ephraim (house of Joseph/house of Israel/ten northern tribes of Jacob) is over-and Yahuweh is calling a faithful remnant back to Himself and the Torah, through the sacrifice of Messiah Yahushua.

In this article, and in others that I write exposing American culture and its pagan-based counterfeit religion of Christianity, I am not picking on Americans or American Christians. I love people. I am not picking on individuals. I am trying to expose the lying illusions of a pagan religion that has bound His people for close to 2,000 years, and expose the hidden deceptions regarding the nation of America. We must stop worshipping any gods, and worship only Yahuweh!

I grew up in America, and I loved it. It was a wonderful nation to grow up in-especially in the 50's. No one suspected in the "Happy Days" that our government was working for our destruction. The worst thing for "kids" of the 1950's was their parent's disapproval of Elvis.

I have spent eight years in detailed research going to the roots of our culture, the root of Christianity the religion, and the roots are wicked lawlessness against the Torah of Yahuweh in general. The roots of the religion of Christianity are defiled—hidden under a smokescreen of sentimentality. The roots of America have been hidden in sentimental patriotism.

Father spoke to me a few years ago: “If the root is defiled, the tree is defiled and the fruit is defile, and all who eat of it are defiled.” We must learn about these defiled roots and stop eating the fruit of their trees!

What we fight today, as with all people on this earth, is our basic sin nature. But, we’ve had help from Lucifer. Americans in particular purposely are the most mind-programmed people in the world. America is a virtual national laboratory for mind and emotional programming by the best of Lucifer’s world-where experiments have been done on us that have had horrific consequences for us all. I include myself.

America is also a national laboratory for experiments to carry out the goals of the Luciferic elite, thought up in think tanks like the Club of Rome and the Bilderberg Group, to eliminate 95% of the world’s people. That’s the biggest thing going-the top agenda of the Luciferic elite—inventing ways of killing off over 6 billion people, so that the population is reduced to 500 million or less. Biological and chemical experimentation has been done systematically and methodically among American citizens, much of it began with our laboratories among Hitler’s Nazi doctors. If we are to wake up in time, I am compelled out of love for my fellow Americans, to write these things to warn the citizens to obey Yahuweh’s instructions to those who live in end-time Babylon/America. And He has given us instructions for the wise to do something about it, or at least prepare for martyrdom.

In the 1940’s, medical programming, brought from Hitler’s Nazi doctors, began on us in earnest. But, so did mind and emotional experimentation. Two examples: Doctors told new mothers, at the time of the baby boomer phenomenon, that breast milk was not good for babies-give them whole cow’s milk. Baby formulas were invented. Some were sent to Third World nations, where the naïve mixed the formulas with polluted water and their babies died. Babies got colic-terrible stomach pains, and allergies from whole milk, designed to bring a baby cow from birth weight up to 300 pounds quickly. Today, Pediatricians are telling new mothers to put their child on formula and whole cow’s milk.

Our obesity problem is not so much people’s overeating but because of the poor quality of our food-hidden calories with little nutrition. Most American children are fed a killer diet that makes them obese and overactive, and then they are punished for their hyperactivity, and put on medicine for Attention Disorders, which hooks them on drugs early in life.

In not being breast fed, babies lost the cuddling, and nurturing necessary for them to grow up as secure adults. Doctors and psychiatrists at the time when the baby boomers were baby booming told parents not to pick up their children if they screamed from the stomach pains from the cow's milk-saying that picking up your child when they screamed was bad for them. This produced a generation of people who feel unloved, unwanted, rejected, lonely and insecure. These are painful emotions I fought most of my life, for my parents were very astute to obey the doctors.

This is why so much alcohol and drug addiction-youth and adults can't cope with the real world-it is too painful. The process of programming begins in infancy.

Then Dr. Spock came along in the late 1960s and said to never tell your child "no." Thus those robot parents who followed their doctor's advise and Dr. Spock, did not give their children absolutes, and the horrible result is evident.

Deuteronomy 6:5-9 and Psalms 78:5-8 command us to teach out children the absolutes of Yahuweh's Torah, so that they do not end up in the same deplorable condition as their forefathers who gave in to lawlessness.

One of my daughters trained to be a high school teacher. Her last assignment was to teach Freshmen in Social Studies/Geography. She also had mixed classes-Freshman to Seniors. She said most of them acted on an emotional level of a 2-3 year-old child. Now that she has her own near 2 year-old in the house, she is noticing the same emotional patterns that wore her out with in teaching these High School age babies. Thank goodness for the few who were well mannered. Most of her day was spent correcting 14-18 year olds because they were disturbing the class, being naughty, trying to get everyone to pay attention to them. This is the result of America's methodical and systematic mind programming of people into an emotional level of a little child, and an intellectual level of a 12-year old.

I know many home-schooled children-in early grades through High School. All the ones I've ever know are sweet, obedient to their parents, lovers of truth, well mannered, and very smart and creative. They are outward thinking-not centered on themselves. Their parents are Torah-observant believers who discipline them according to the teachings of the Kingdom of heaven, and therefore the young people are content. They have been given correct thinking regarding male and female roles, authority, and self-discipline. They are fun-loving youth, who are also peaceful. Their parents feed them nutritious food and so they are healthy, also.

In 1950, the advertising industry began separating the "teen age" as a marketing tool-thus separating a very vulnerable age from parental control, creating the "generation gap." This programming of "teens" set them apart in the public schools, where they were treated like

children in adult bodies. No responsibility was required of them because they were “children.” Yet, they thought like adults, sexually primarily.

The Hebrew culture says that when a boy reaches the age he can shave, and a when a girl reaches the age she can have a baby, they are adults—for a boy that is about 12-13, and for a girl about 12. This is realistic. From age 12, a boy becomes “a son of the commandments” (“bar mitzvah”).

Proverbs 22:6: “Train up a child in the way he should go and when he is old he will not depart from it.” “Old” is when a boy can shave, and a girl can have a baby. Thus, responsibility is on the parents to prepare them for being children of the commandments - bar mitzvah or bat mitzvah.

The teen years are years when young people can be easily programmed, especially if separated by culture from parental authority. They can be programmed to receive Luciferic/Satanic philosophy. Colleges and Universities are hotbeds of satanic philosophical teaching. Students are programmed to “think for themselves”—to obey the lusts of their flesh because they are simply evolved animals (Evolution teaching), and programmed to get what they want no matter who was hurt—Harry Potter programming. Harry Potter, an ex-Satanist told me, has subtle dangers—it teaches the philosophy of Satan.

Satanists will tell you that there is only one rule of life for them: Get what you want, when you want it, no matter who you hurt in getting it—you are god. Thus when the anti-messiah comes to the Temple Mount, he will declare himself to be god and demand worship. He will be Lucifer in the flesh. This doctrine is aimed at Americans from babyhood up. The scary thing is that this is the philosophy of the modern American Charismatic church. The “I am god” teaching is very prevalent, teaching that “God” will give you what you want because you are a god. TBN is the great promoter of this doctrine of Lucifer.

About five years ago Father spoke to me that TBN would be used as a catalyst for the world religion—and it is that today.

Americans in particular have been systematically, purposely, mind-programmed. Europeans have also been set-up by the world government, which is breeding on their soil, but because of reality in world wars the Europeans are more hearty and realistic than Americans.

Those people that we Americans learned to trust in the days when we pledged allegiance to the flag in school and said “under God,” were working for our mental, emotional and physical destruction, in obedience to their Luciferic Illuminati leaders. We have been “lambs to the slaughter.”

The Hellenising of America, and the world, is not random happenstance-it has been planned. As Antiochus Euphrosyne hellenised the Levant, so America has been hellenised by ruthless modern Antiochus Euphrosyne.

Democracy, as said by the Greeks who invented it, is the poorest form of government because the majority rules, and when the majority becomes too dependent and too greedy, the culture collapses. Democratic cultures usually last no more than two hundred years. We're in overtime.

To the wise who LOVE TRUTH, the programming is being exposed openly. Problem is the American people have yielded themselves to being so undisciplined and weak, lovers of comfort, ease and security, and irresponsible towards training themselves as "good soldiers of Messiah Yahushua, that they easily fall prey to the programming without questioning anything.

II Timothy 2:3-5: "Suffer hardship with us as a good soldier of Yahushua Messiah. No one serving as a soldier gets involved in the affairs of this life, in order to please only him who enlisted him as a soldier. And if anyone competes in a game, he is not crowned unless he competes according to the rules." (If you have never read my article "Walk the Hard Road" please ask for it-it is life-changing if you obey the wisdom from Father revealed in it).

American Christians are not living according to Yahuweh's rules. And, now, we see that the Luciferic world elite are putting the cherry on the chocolate sundae they created for us. We're close to their pulling the sting on the trap. The cherry contains deadly poison.

I call it "the Snow White syndrome"-the silly little girl, with her funny little friends, took the shiny red apple from the witch without even questioning its content. Her friends were airheads, so they didn't tell her it was poison. She ate it and died. Of course the fantasy we've all been taught is that there is a "prince charming" with a magic kiss that will make everything all right for all of us. Most Americans are terrified of reality, because they were programmed into Disneyland illusion, fantasy, slight of hand, and magic, where everyone gets a rosy ending to everything. We were programmed into thinking that no matter how many poison apples we eat, Prince Charming is always just around the corner.

Wiley Coyote fell off the cliff in his pursuit of the "road runner" hundreds of times, yet was never hurt. That's the illusion we were fed, and are still being fed by government and the Christian religion, that no matter what we do, we won't be hurt.

We've all been programmed, at least they tried to program us all, into taking the shiny, red apple without questioning its content. The main group in America who bit into this apple

were the naïve Christians, and the good American “baby boomer” middle class-most of which were Christians.

Some of you did not have a “Christian” base. Some of your religious teachers put you on a Torah-base. They didn’t give you proper instruction in how to know Him, or proper instruction as to how to interact with Him via His Spirit.

They did not teach you how to move in the power of His Spirit by His gifts, or how to hear His voice. But, they did teach you to love truth, and to investigate it in the Word.

Catholicism in the Dark Ages took the Bible from the average person, locking it away for only priests in the Vatican. Today in America, you can get a Bible for \$1.00 cents. But, the Vatican mentality is there. Ignorance prevailed because the Vatican hierarchy took the Word from the people. Today, Americans inflict themselves with ignorance and embrace man’s bondage-religion-keeping themselves in their own self-made “dark ages.”

Preachers love to quote Hosea 4:6, but they leave out 2/3 of it.

Hosea 4:6, speaking to His people, is in three parts: Part I: “My people have perished for lack of knowledge. Part II: Because you have rejected knowledge, I reject you from being priest to Me. Part III: Since you have forgotten the Torah of your Elohim, I also forget your children.” Thus Christianity is again exposed-it uses the Bible to promote its teachings, but does not follow the Bible for lifestyle. It does not teach Torah or Yahuweh’s calendar. When Peter (Shimon Kepha) talked about “a nation of priests,” Shimon was talking about the tribes of Jacob-the nation of Israel. (See I Peter 2:5 and Exodus 19:5-6)

Do you see that Christian preachers cannot afford to quote the rest of the verse-because then they will condemn themselves.

American Christianity is far different than the Christianity of the persecuted believers in the Third World, where millions of martyrs are dying for their faith on a regular basis. It is estimated that 20 an hour are dying for their faith in nations like China. Their attitudes are far different than the American mind set. They understand that faith means obedience and sacrifice, even of their lives. I’ve worked with some of these people in China-powerful believers.

The world of the East is a practical world-no fantasy-reality! Their thinking is very different than the thinking of the Greek-minded West.

Hebrew thinking-Hebrew culture-is eastern-world thinking. It is not possible to know the mind of the Hebrew Elohim and Messiah from a Greek-thinking mind. Christianity, being a Greco/Roman/Persian religion CANNOT give you the whole truth of the Word-because it has no concept of the eastern Hebrew cultural mind.

I've lived eight years in the Middle East, working also in Africa and Asia for much of ten years, and I do not think like a westerner anymore...so this culture, the culture of my birth, is now foreign to me. But, I'll tell you one thing-I know the Elohim of the Bible and Messiah Yahushua-the real Ones-and I obey Them, fear Them, and interact continually with Them! My whole life is laid down in obedience to Them and I have never been more at peace. I guard the calendar of Yahuweh, and rejoice in the freedom of His goodness.

Way back in the 1950's thousands of Torah-observant believers in America were guarding the Shabbat and the Festivals. Today, these people are far more advanced in understanding reality than the Christian people who were raised on religious pagan illusion. I'm happy to know some of you!

The core of American syndrome lies in the methodical, systematic daily mind programming inflicted on Americans into NON-REALITY-into fantasy, illusion, magic, slight of hand, mysticism, and the deceptive demonic world of the supernatural.

Steve Quayle of Reality Radio Network puts it bluntly but truthfully: "We have in the U.S. a REALITY AVOIDANCE SYNDROME-a reality denial, a rejection of reality—courtesy of fantasy land via the one-eyed Cyclops-American T.V."

American culture lies in the bosom of basic Greek philosophical thinking—thinking in concepts that are, for the most part, illusionary and down right lies. Schools program children into "relative thinking"-tolerance of evil, and to make excuses for evil. In our society, oftentimes the criminal is pitied and the victim disdained.

Most Americans deny, fight, or run from reality-because the fairy godmother is not a part of it. They stick their heads in the sand and their big behinds are sticking out like a giant target-but they don't know that-their minds are encased in dirt, which they call "security."

Isaiah 5:20: "Woe to those who call evil good, and good evil; who put darkness for light, and light for darkness; who put bitter for sweet and sweet for bitter!"

The calling of evil good is an American national epidemic! Christians are right there in the forefront, out of ignorance, touting as good very evil things.

Many on a Christian base who were taught the things of the Spirit-the book of Acts reality-were also taught unreality. Thus many who thought they “received the Holy Spirit,” because of incorrect knowledge of Yahuweh, didn’t receive the Spirit of Yahuweh, Elohim of Israel, but received a lying deceiving spirit. If you separate the Bible from its Hebrew culture, it is easy to receive “other spirits” without knowing it. Many precious Charismatic people are seeking to do right. I love these people. But, they are extremely deceived into being content with their denomination or church, and seek no further.

Jeremiah 29:13: “And you shall seek Me, and find Me, WHEN you shall search for Me WITH ALL YOUR HEART.”

The passion for His Word, His presence, His Kingdom, His return, His ways and His Covenant are almost non-existent among Americans in general. Their passion for Yahuweh and His Word has been dulled in the minds of Americans because of the rat-wheel society programming. Their passion has been turned towards security and comfort, getting material possessions and advancing in their job to get more money. Satan has stolen the fire of passion for the Creator! Americans have no time for Him-thus the fire of passion for His coming Kingdom deteriorates into an illusive “wish” and “hope.” It is not a living reality!

Jeremiah could not hold back his passion, even when life became unbearable for him: “Whenever I said, ‘Let me not mention Him, nor speak in His Name again’, His Word was in my heart like a burning fire shut up in my bones. And I became weary of holding it back...” (Jeremiah 20:9)

This has been my experience over and over, especially in the last five years-I have wanted to quit this ministry of warning and preparing the remnant of His set-apart ones for the days ahead. I’ve grown very tired of the complacent attitudes, the apathy, the non-response, because of the non-reality thinking of the house of Israel in America. But, His Word is a passionate fire in my spirit, and I cannot stop writing, preaching and teaching. I spend many days working twelve to fourteen hours a day in research and writing, and I get very tired and worn down, but I keep going because there is a remnant who is waking up, and many are telling me that I am changing their lives.

For most Americans, this non-reality fantasy programming has erased their ability to think in terms of reality, and erased their ability to face reality!

It is impossible to know the real Elohim of the Bible, Yahuweh and Yahushua, with a western Greco/Roman mindset! Impossible!

Fantasy programming at a childish level has made it impossible for most Americans to embrace realistically what is happening to them by those national leaders they trust. This is because the fantasy mindset denies, runs from, and makes excuses for truth. Truth and fantasy are opposites—one is from the Father’s world—the other from Lucifer’s world.

Amos 7:7-8: “This is what He showed me, and see, Yahuweh stood on a wall made with a plumb line, with a plumb line in His hand. And Yahuweh said to me, ‘Amos, what do you see’? And I said, ‘A plumb line’. Yahuweh said, ‘See, I am setting a plumb line in the mist of My people Israel—no longer do I pardon them.’” There is a cut-off point, and it is very near! The complacent, apathetic, lazy, willfully ignorant are about to hear Messiah’s words to the foolish virgins: “Truly I say to you ‘I do not know you’ .”

Everything we do, say, think, hear and see, must be put to the plumb line of Yahuweh—His eternal Word. When you start doing this, you will see that everything in this culture of America is crooked to the plumb line. You will see where you and your family are crooked to the plumb line because you have allowed yourself and your family to be baptized into this culture.

How can you distinguish the lies and deceptions of the kingdom of darkness if you do not know the rules and regulations for being a good citizen in the Kingdom of light? Read the Torah and the Prophets!

In the early part of the 20th century, families talked to each other, prayed together, played together, went to church together and respected authority. The divorce rate was small, and children were peacefully content. But, as soon as the T.V. was available for Americans to put in their homes in the late 1940s, the idiot box, the “Cyclops,” began to control families, separate them from relationship with each other, and teach them to be good world citizens. Mind programming and hidden manipulation began in earnest. People began eating dinner in front of the T.V., and communication stopped. Children and adults became deprived of personal attention, and began relying on the T.V. for their entertainment. The T.V., and movies, are actually controlling people’s minds and emotions—a Luciferic teaching device.

The first movies were about the supernatural world of Lucifer—about witches, flying cars, fairy godmothers, sorcerers and flying saucers. I remember as a five year old, watching my first movie on a 12” screen T.V. in a friend’s home. To this day, I remember the pictures of witches flying on brooms, and cars flying, and thinking, “this is not right.” My little spirit was very disturbed.

The Spirit of my Father came to me when I was four, riding in the car down by the beach with my parents, looking out the window at the people on the sidewalks. He did for me

what I could have never done for myself. He wrapped a clear, transparent bubble around me, and said to me, “You don’t belong here anymore.” I knew His voice. I looked back out the window and knew something had happened-I was inside the bubble and the people on the sidewalk were outside of the bubble. Because of the hellacious life I’ve lived since age seven, this early protection was necessary for my survival. Satan began trying to destroy me from age four also, and just about succeeded, except for the intercession of Yahushua Messiah. (Luke 22:31-32)

From the early T.V. dramas and movies, Americans were shown things that were actually truthfully happening, encased in fantasy. Most of our movies are written about real things-but because they are movies, our mind thinks they are not real. Back when we thought the stories were just stories, technology was already causing what we were watching to actually happen. Just one example: Programming chips, put in the base of people’s brains, were shown to us in the scary movies of the 1950’s-and now top leaders, some of our police, some of our military in Iraq, and foreign troops on our soil, are chipped in the exact same place in their heads. We were shown people who were not human people-robots, or demons in human bodies-clones-etc., and now-the “nephilim” are back for real with horrible plans for us.

We were shown Lucifer’s world dressed in pink satin and white lace, served up with strawberry lollypops and cherry soda. So, we all grew up with Cinderella thinking-everything has a happy ending and we all have a fairy godmother who will make everything turn out good. Problem is that through church/Sunday School training, most of us grew up thinking that somebody we had an emotional mental concept of, but didn’t know, who we called “God” was no more than Santa Claus and the fairy godmother for the most part.

This thinking easily fit into the new trends of American Christianity, from the 1940’s, when “the law was nailed to the cross” theology came to prominence. Youth pastors helped with the separating of teens from their parents, and the church became worldly, until now the church of America has embraced all sorts of New Age and Luciferic doctrines.

I love the American people! I am one. But, sad to say, most Americans have been programmed at a toddler to 3 year-old emotional level, and to a twelve-year old mental level, so that most think and act like children, and are greedy to develop their own little worlds like children.

Because of emotional programming at a pre-school level, we have men and women with PhDs who dedicate their brilliance to plans for the murder of 95% of human beings, some say 99.9%. You have men and women with PhDs who are sex perverts, spouse and child beaters, and some who use their minds to plan how they are going to rip off their companies

for millions of dollars. Those who know Yahuweh live out of their eternal spirit, and program their mind into the Word, so that they think like Yahuweh. But, in the world you have mental geniuses with two year-old emotions-bad combination! Oftentimes, these two year-olds with doctorates are enticed by the Luciferic community into think tanks, to use their minds to think of plans to do the most sadistic, brutal, satanic things. Many are developing diseases, like AIDS developed at Fort Detrick, Maryland, and biological warfare being developed at Texas A&M, experimenting being done on the Dallas-Ft. Worth population. I know the reality of this-I lived in Fort Worth for twenty years.

Oftentimes, the Luciferic elite will entice brilliant college seniors, with promises of wealth and power, into secret organizations of Lucifer like the Skull and Bones of Yale, thus dooming their eternal spirit, which they are not taught they have, to the lake of fire forever. We are a three-part being!

Let me say here that most American Christians have such a cotton candy mentality, that they cannot see the evil behind the mask. There is a mental blinder put on Americas because of the fantasy programming that prevents them from seeing the evil that is in front of their eyes. I've talked to Christians that are mind boggled when I tell them the truth about our government. They say things like, "But I thought he was a Christian." Why do they think that way? — Because they do not see the mask, because of cotton candy in their vision.

The average American, especially Christians, cannot believe that what looks good is evil. They cannot believe that their trusted leadership is wicked, evil, satanic, and out to kill them. They either cannot believe it, or refuse to believe it. A child's mind cannot understand great evil. They block it out somehow. Unless the child is trained to love the Elohim of the Bible and trust Him, they will revert to whatever is necessary to block out truth. Adult children do the same thing, unless they know Yahuweh and His Word and are obedient to His Covenant Torah (Instructions and teachings).

This is why churches still have Halloween parties. They cannot believe it is evil. They have blocked it out of their minds. This is why Christians continue with Christmas, they cannot believe it is evil. To call what looks good "wicked" is very foreign to their programmed mind. The programmed mind literally puts up a wall against truth. Truth confuses those who are steeped in the mind programming of Lucifer. Therefore, they believe evil is good, and practice abominations to Yahuweh, defending their actions as acceptable.

The American world is a "plastic world." The plastic fruit looks real, but it is plastic. Everything is shallow-cheapened to the point where it is mindless.

Expressions like “What’s hot?” refers to what is supposed to tickle your interest. In grocery market lines you see such headlines on Tabloid newspapers as “Hubby stabs his wife to death.” “Hubby”-? — Cheap reporting-everything is unreality. People watch the news to stay abreast of the latest Tabloid story, to see if “the cop” really did kill his wife...curiosity for no valid reason. This is the plastic mindlessness, the empty nothingness that is the daily diet of American people. Thus their minds are kept at a child’s level. Everywhere you look there is some illusive fantasy-some non-reality-to entice the childish mind. Therefore, even among Christians, knowing Brittany Spears’ latest sex adventure is an allurements to tickle the mind’s interest. The Internet main pages are usually no more than polluted nonsense. The true stories are hidden in tiny print, and then they are reported very shallowly.

Americans are infamous for poking their noses into the lives of others, and much of the conversation among Christians when they get together is about someone else’s life. This is called being a “busybody,” a “gossip” and “backbiter” by the plumb line Word. This is how American Christians have become the biggest betrayers in the world-they can’t keep their mouth’s shut about someone else’s business. For the most part, American adults are bored...so they have to talk about someone else’s life to keep their brains stimulated.

The 2 year-old emotional mind-programming explains why even “nice” church members so easily “fly off the handle” when “crossed,” or when they don’t get what they want, or when they are pressured too hard, or when they want their own way and are not getting their own way. It is called “venting”-but it is just acting like a toddler. Sin, hell, judgment, and such “negatives” are not mentioned in American churches much anymore, but are masked as weakness, flaws, mistakes, and “losing it,” or “that’s just me.” Psychology coming out of the pulpit is more prevalent than the Word of Yahwueh. Psychology has a Greek root. We have an eternal spirit, and “psychology” comes from the Greek word “psyche”-for mind and emotions-the soul realm, in which is the “sin nature,” and into which we have input through our five senses. It is how we relate to the world around us. The eternal spirit contacts eternity. Self-centeredness and foolishness are at the heart of a child’s nature.

Proverbs 22:15: “Foolishness is bound up in the heart of a child; but the rod of correction shall drive it from him.” My friends, read carefully Hebrews 12. Our heavenly Father must discipline His children or else they are “bastards”-not His. He has to apply the rod, the “tribulum,” the testing, to us, or else we will continue to be spoiled brats, and lose our place in His Kingdom. Yet, most of His children run from the rod of discipline. King David said:

“Your rod and your staff, they comfort me.” That’s the difference between the fantasy world of America and Hebrew thinking. Without the rod and staff, the stupid sheep falls off a cliff, or falls prey to wolves, or gets its head stuck in a thorn bush.

Cross a toddler and they’ll scream and throw things. But, in adults this nature is pathetic and sick. A child throws toys-adults throw words with hostile emotions-both hurt the one being hit by what is thrown.

Yet, it is so common in the U.S. that psychiatry makes excuses for adults who act like two year-olds—excuses are even found for those who kill their parents or siblings.

This last week, I sat with my toddler grandchild in the back seat as his parents drove us ten hours up to my oldest daughter’s house for Thanksgiving weekend.

All the way up-ten hours-and all the way back-ten hours-I listened to ONE DVD - one Veggie Tales. It was the story of “Dave and the Giant Pickle” plus other spoofs on the same DVD. Cute! Adorable! But, incredibly deceptive!

Yet, as I sat there with the same video playing over and over and over-I almost went nuts-but in the midst of it all, I learned something from the Father.

I watched the DVD-at least at first. I noticed Illuminati programming. But, more than that, Father showed me what was behind the spoof of Dave and the giant pickle. (It was the opening story-the story of David and Goliath). It relegated Israel to an ancient culture that was no more-called in Europe and America “Replacement Theology.”

Psychologists will tell you that a child, up to the age of seven, believes everything you tell them...they think everything is true. The head of Russian Communism once said, “Give us a child up to the age of seven, and we’ll make a good Communist out of them.”

Once they pass seven, they realize Santa is a myth, and so are all those fairy tales. But, Americans have been programmed from age one up to believe what they were told-and so as adults they still believe that what their government, their doctor, their religious teachers, their friends, their T.V. news, and etc., tells them is absolutely true.

Because of mind programming, the thought processing of reasoning by most Americans stopped advancing between the ages of seven to twelve year olds. What residue has been left in people’s emotions and reasoning? For most, as said earlier, many PhDs have a Christmas fantasy mind-set. They might even be atheists, but they love fantasy, illusion, magic, and the world of the mystical supernatural, and they buy into deception like little

kids. Many go for the Eastern mystical religions, because it satisfies their need for fantasy. The desire to create gods in our own image is innate in the DNA of humans.

The awful result of these spoofs to entertain children is that as children get older, when they hear the true stories from the Scriptures, like David and Goliath, their minds reason “Dave and the Giant Pickle.” Thus there is no reality to the real story.

The job the Scriptures gives to parents is found in Deuteronomy 6:6-7 and in Psalm 78:5-7. If you want to stop the mind programming in yourself and your children, then this is the way to do it-re-program them in the Torah, the Prophets, the Writings, and the Messianic Writings!

The more of Yahuweh’s Word you take in, the more it works to change you into the image of Messiah-it is “spirit and life”-the Spirit and Life of Yahuweh. Messiah is the living Torah, so taking in the Word is taking in Messiah.

John 6:63: Messiah said: “It is the Spirit who gives life—the flesh profits nothing. The words that I speak unto you are spirit, and they are life.”

How do you re-program your soul?

Romans 12:2: “DO NOT BE CONFORMED TO THIS WORLD, BUT BE TRANSFORMED BY THE RENEWING OF YOUR MIND, so that you prove what is that good and well-pleasing and perfect will of Elohim.”

Ja’cob 1:21-22: “Therefore, putting away all filthiness and overflow of evil, and receive with meekness the implanted Word, which is able to save your soul (mind, will, reasoning, emotions, subconscious, personality) And be doers of the Word and not hearers only, deceiving yourselves.” (Italics mine)

You “renew” your mind by feeding it daily with the Word, so that your mind agrees with your eternal spirit, and your will and emotions go along with His input into your spirit. Let the Spirit of Yahuweh implant the Word into your soul-and you will be saved from this mind programming! The only way to transform your mind is to fill it with the Word of Elohim, and the Spirit of Yahuweh will scrub you clean of your former programming, and instill into your computer head new data from Him.

It was during the eight years I was in southern Jordan that I re-programmed Myself by Yahuweh’s Spirit. What freedom!

Sometimes I baby-sit my grandson. He does all kinds of mischievous things-gets in trouble, screams, demands his own will be done, and is in general “cute.” His sin nature is developing. It is his parent’s responsibility to discipline him in Yahuweh’s correct behavior. But, sad to say, he acts like all too many toddler mind programmed adults.

Like his parents, I have unconditional love for him. I discipline him in accordance with his parent’s standards, which is not harsh. He is learning. And he is adapting to his learning. This is the way our Father deals with us in the initial stages of our relationship with Him. As long as we are growing up and learning, He will work around our ignorance to bring us truth.

Proverbs 20:11: “Even a child is known by his doings, whether his work be pure and whether it be right. Through Torah-training, children learn purity. Without Torah training, the child will early-on display impure actions.

Most of us “received Jesus” as our Savior and began to learn. But, Yahuweh expects us to love truth and grow up. We were not taught this, however, by our pastors and Sunday School teachers. This is why few “believers” grow up. They are content to stay at the “feed me” rice cereal once a week stage.

For the few who grow up, the Father has tremendous rewards. Now, at the close of this age as we know it, if we don’t grow up and obey Him, and walk in the light of the revealed Truth that He is restoring, we will be left out. Now, it is either: Get disciplined, obey, study to show yourself approved, or get out. He has to deal with us as adults now. There are conditions for His dealing with us. He no longer can coddle us if we choose to remain babies.

You can see the fantasy non-real world in such escapist doctrines as the “pre-tribulation” rapture doctrine. This has absolutely NO Scriptural backing.

There is not even a hint of a seven-year tribulation in the Scriptures, let alone the escape of all those emotional children who are lawless (without the Torah). Believe me, the Luciferic elite with the New Age religion has created special plans for these naïve child-minded believers-and it is not a pretty picture.

The reality of going through the lion’s den with Yahushua is too painful for the child-minded Americans who still seek an artificial womb to cuddle up in.

So, real faith in a real Elohim is almost non-existent in America!

Faith has to be tested under pressure-and that's what the "tribulum" is-pressure to break off the chaff so that the real wheat can be free! It is a necessary good! Thus, the pre-tribulation rapture doctrine, along with the prosperity doctrines, are all geared to irresponsible emotional children who want to get out of discipline and into fun. The secular news media reporting on the revival at Pensacola, Florida, a few years ago said: "It is one big party for Jesus." That's the new trend in American Christianity-parties for Jesus, joy sessions, and other loony things that mock the very core of the teachings of Yahuweh and Messiah Yahushua. How does this compare with Yahushua's requirements for discipleship, for examples: Luke 14:25-33; Matthew 10:34-39; Mark 8:34-37? How does this compare to the Apostles thinking as in Acts 4 and 5, II Timothy 2:3-5, 11-12 and 3:12, and I Peter chapter 4? The norm for the true follower of Messiah is "suffering" because of obedience to Yahuweh's Word.

Pre-tribulation or even mid-tribulation rapture thinking of escape from "problems" comes from "Replacement Theology" programming, that the church replaced Israel, therefore, pre-tribulation rapture teaching carries the thinking: Who cares if the Jews stay here to roast along with the other bad guys-we're getting out of here to party in heaven for seven years. What a farce! It is an exclusively man-made American hoax, which we've spread to the world. Everywhere this doctrine has gone, it has corrupted the lives of those who believe it, and even caused many to turn from their faith.

But, the Apostle Peter had the same mind-set: Matthew 16:22-23. After Messiah announced His death, Peter takes him aside: "... 'Be kind to Yourself, Master, this shall not be to You!' But, Yahushua turned and said to Kepha, 'Get behind me Satan! You are a stumbling block to me, for your thoughts are not those of Elohim, but those of men' ." (For details exposing the pre-tribulation rapture, ask for the article "Who Will Be Left Behind.")

Programming at a childish level makes one want to run and hide from trouble. The mature adult in Yahuweh's Kingdom has the mentality of King David before Goliath in I Samuel 17:43-50, the mentality of the three Hebrew youths in Daniel 3, as well as the mentality of Daniel in Daniel chapter 6.

Proverbs 28:1: "The wicked flee when no one pursues, but the righteous are as bold as a lion."

Having a child's mind in an adult body can be highly dangerous. In the second century, the "Alexandrian School of Biblical Interpretation," taught allegorical interpretation. The early "church fathers" went to this school. By this method of interpretation, one can make anything in the Bible say anything by allegorizing the story, the thought, the passage, or the verse. Thus, today, with our programmed Greek minds that think in concepts, philosophy,

ideas and human reasoning, most believers listen to their Greco/Roman-taught teachers who allegorize the Word, and believe them without any investigation of the truth.

We were programmed to trust our programmers. Most of our personal programmers, like our parents, our teachers and our pastors, were themselves programmed. They are not willful “bad people”-just deceived people who lead others into deception. I taught the pre-tribulation rapture for 20 years. I thought it was right because those trusted teachers, and pastors, and books by Hal Lindsey, seemed to “make sense.” I never was challenged at that point to seek anything different. So, I understand the power of ignorance. I was not willfully rebellious against truth. I was just baptized into an ocean of deception. I loved truth. And for that reason, Father mercifully and graciously brought me Truth. As long as we go forward, seeking Him with all our heart and not balking at the Truth He shows us, He promises to reward us.

Walt Disney came along in the 50’s. Walt was a practicing Wicca witch. He taught children, including me, to view the world through the eyes of fantasy. We saw pure evil and thought it was good, because it was all dolled up in fantasy. “Cute and adorable” hid a lot of evil. Now it is called “family entertainment.”

The craving to be entertained is a childish thing. Yet, Americans spend billions a year on entertainment. I’ve been in a lot of third world countries, and the children play with what they have available-rocks, grass, dirt, plastic plates and glasses. They wrap string around and around and make balls to play with. They are content children. They make up their own games.

Creativity has been taken from children with the toys that do it all for them. That’s why children are so delighted to play with the boxes that the toys come in-they yearn to be creative. Give a toddler a plastic mixing bowl, a spoon, and a plastic pitcher, and they’ll play for hours with them. Children will respond to reality training or fantasy training. Children taught the Torah, and allowed to express creativity and honest thought will grow up content, peaceful, and usually smarter than anyone else.

Christmas is one of the worst things we could inflict on children-causing them to lust after “things.” Remember that what we put a face to can become an idol-an “eye doll.” Children are given things with faces to love-faces on all sorts of defiled animals and “dolls” and stuffed toys. Veggie Tales puts eyes on tomatoes and cucumbers, gourds, and asparagus. Therefore, they are “cute.” They can subtly deceive and mind program our children because they look so harmless. Yet, because of the mind programming into illusion and magic, many Christians even give their children Harry Potter stuff-which teaches the basics of the Satanic mind.

The Word—II Corinthians 11:1-15—says that Satan appears as an angel of light and so do his messengers. Mind programming by the church has left people with a childish mind. They don't see Satan in anything, for they are too dazzled by his fake light. They love glitz and glitter, and assume that whatever shines has to be "God."

In adulthood, this thinking is carried through to most everything. The pathetic outcome of child-level programming is that if a person does not mentally and emotionally grow up, they carry this pathetic, shallow, childish thinking into adulthood and act like emotional children.

This is why so many Americans watch talk shows-to get the latest trivia. This is the society of triviality and shallowness. Few adults can talk on a mature level. I've been with Christian groups for over 60 years, and except in a very rare instance, when Christians meet, they don't talk about the Word, or what "God" has shown them-no-they talk about the latest movie, the fashions, their children or spouse, or gossip about someone else's life. Shallow, empty talk! Their religion is kept for Sunday morning.

In the world of reality in countries where believers are persecuted and killed for their faith, they tell me that they don't have time when they meet to talk about mundane things-all they want to talk about is the Word, about Him, and about reaching others with His Good News. They are prepared to die for what they believe. Most Christians are not prepared for anything that would cause them suffering, yet the glory of the early assemblies was to suffer for His sake (Acts 4 and 5 and I Peter 4 and 5 as examples).

Wickedness is being taught to children and adult childish minds by such subtle means as the "America's Home Videos" T.V. show. If you watch this thing, what is your child's reaction to people and animals being obviously hurt? What is your reaction? If you laugh-stop and think. We are being conditioned to see hurt, sadism, cruelty and even death without thinking a thing about it. Children and adults love video games, but many of them make you "shoot" at people. In Germany there is a video game that teaches children to kill Jews.

If you can kill pretend people in a game without thought, you are being programmed to kill real people without thought.

This is why children trained in Communist and Islamic nations, even 4 and 5 year olds, talk bravely about killing Jews by blowing themselves up. The United Nations is funding "Jihad camps" for children, in which they are taught to blow themselves up for Allah. In the Vietnam war, U.S. soldiers often held back shooting children and then found out these programmed children were carrying hand grenades, and they had to shoot them. Children

are easily programmed into what appears to be right, if they trust their programmers. Our parents trusted our government and doctors. Most doctors are good people, but most do not know that their training included hidden deceit and attitudes that would be used by the world's wicked. Doing what they think is right is often used for evil by the programmers. Masons at the lower degrees don't read their Masonic "bible" by Albert Pike, so they don't know the Masons worship Lucifer, or that their leadership is the arm of the Illuminati. Most Pediatricians don't realize that at some point the government will require them to report on their patients, so that the children under their care can be removed from their parents, if the government has need of the child.

A few years back a children's movie came out called "Gremlins." In those days, we took our kids to see such things. My five year old sat there paralyzed to her seat not laughing. They were showing an old lady being pushed down stairs by gremlins. Everyone in the audience was laughing. The story line progressed from bad to worse, as people were being hurt, and the audience was laughing. We left the theater, and our five year old was quiet the whole way home. Then she asked us: "Why were those people laughing when people were being hurt?" We repented. After that, that little girl, born again and filled with the Spirit of Yahuweh, began "winning souls for Jesus." She became a warrior against demonic forces. She ministered with me, at age eleven, in Mexico, and miracles were taking place through her prayers. She went with me to Africa when she was 15—a powerful preacher and minister.

The childish mind goes even further: Many, if they hear someone say: "God bless you," or see them carry a Bible, think: "They must be a good person" or "They must be a Christian." It does not matter if they are involved with the top Luciferics of the world—they smile nice, so they must be nice. This is how the Illuminist agent Billy Graham got by with his shenanigans for so long—promoting the agenda of the Vatican. He "appeared" to be one of us. Now he has been exposed, and he admits to the uncovered truth with no remorse or repentance. The world loves him. That's also our gauge of what is of Yahuweh and what is not—if the world loves someone or something it is an "abomination to Yahuweh." (Luke 16:15) I John 2:15-17 and Ja'cob 4:4 tell us that to love the world makes us an ENEMY against Yahuweh.

Children's cartoons are programming children into witchcraft, sex, violence, and often into much fear. T.V. and movies portray violence, sex, and anger.

I sat eating my breakfast in a living room, and the man of the house said: "May I turn on the T.V. for my son (a toddler). I said, "Yes." Immediately on the screen appeared a sign that said: The following program is designed to educate and instruct your child." I thought it would be a child's program about animals or other types of nature. Naïve! Then "Sabrina

and the Teenage Witch” cartoon came on, with monsters, defiled animals talking, dragons, supernatural magic, occult things and flying things, etcetera. I sat there stunned. What education of our children? The man turned off the T.V. - good man! What is so astounding is that Christian video cartoons also have occult things in them. Parents think that children and fantasy go together. Who says this—Lucifer of Yahuweh? Christian schools often have Harry Potter books in their library and excuse them as harmless fantasy. Since when does the Creator of the universe teach us to feed our children fantasy, magic, illusion, and the supernatural world of Lucifer? Think!

In cartoons, movies, and sit coms, there is always someone yelling at someone. Anger, hate, bitterness, selfish love, control, manipulation, and perversion are “normal” actions of people in this culture—even in children’s cartoons. Children are scared by cartoon monsters, angry gang-type lizards, and other angry animals. Children are being shown what “nephilim” and “aliens” really look like. Why would any sane person let their child watch these things? Why brain wash children into fear before they are able to walk?

In Aqaba, Jordan, I sat with my landlord’s son watching “Arthur”—a child’s cartoon showing animals talking. In ten minutes I listed ten things that were Luciferic in that cartoon. But, child-minded adults, programmed into thinking these things are part of childhood, go on and let their children be brain washed into Luciferic doctrine. Look at the sit coms—how can anyone sane watch such garbage? I remember sit coms like “Father Knows Best,” where they prayed at the table before eating. Wow—do you remember those days? Re-runs of “Leave It To Beaver” will give you a picture of life in the 50’s.

The frog in the water syndrome: Americans are boiling to death, sitting there and doing nothing!

American programming has left grown ups with a childish mentality that thinks that all they have to do is be emotionally upset, or pout, and they’ll get their way. American mind programming, especially through the advertising world, has taught that we deserve the best—and so unless we get the best we feel deprived. We’re a nation of spoiled brats emotionally out of control.

The divorce rate in America is over 50% now. Two babies getting married, like two babies in a nursery, don’t last long together without conflict. The only way to stop the conflict between too emotional babies fighting over one toy is to separate them...thus divorce. Once the flesh is satisfied, then Greek-style “love” is gone. There is no concept of commitment or respect of covenant. The marriage covenant is a blood covenant, and binding until it is broken by death. That’s Hebrew (Biblical) and Arab understanding, African and Asian understanding. But, the Greco/Roman West says, “do what feels good” without commit-

ment. Thus Gnostic Greek Christianity (The Greek Christians called themselves Gnostics-pure Luciferic doctrine-by the early second century) teaches a “feel good” religion, without covenant responsibility, too.

Adult baby minds demanding their own way-being so selfish and self centered that they have to get rid of one husband or wife after another, until they find someone who will gratify their desires upon demand. One bullies another, and on and on, until there is divorce in the nursery, and the real children are hurt.

Notice the ads that if you don't buy so and so's product, you are not as good as someone else? So, many dutiful Americans run out and buy so and so's product, and then they are upset because it didn't give them the boost they thought it would. Yes, notice the ads! Aimed at a twelve-year old mind.

Silly ads for serious things, like drugs. Ads for things to make you sexy, ads for things to make you popular - “cool.” They are stupid for the most part-but evidently they work on the minds of the kiddies and adult kiddies. The “me” syndrome-the “I am” syndrome-pamper me, take care of me, do for me, get for me syndrome, sure doesn't make for a happy home.

People get offended so easily, because they are childish minded. Some want to run the show, like children do. Pastors and rabbis exalt themselves above the people-“the clergy over the laity”-Nicolatian thinking that Yahuweh hates. (Revelation 2:6, 15) It's all about getting “on top.”

It is so sad, that people of other nations, even Europeans, loathe us, because of our demanding, arrogant, haughty, proud, emotionally self-centered behavior, and our superiority attitudes. But, I understand their disgust.

In Revelation chapter three there are two descriptions of the end-time American church system: Revelation 3:1-2 and 3:15-17. But horrifyingly enough, this description also matches Yahuweh's description of Sodom:

Ezekiel 16:49: “See, this is the sin of your sister Sodom. She and her daughter (Gomorrhah) had pride, sufficiency of bread, and unconcerned ease. And they did not help the poor and needy. And they were haughty and did abomination before Me, and I took them away when I saw it.” (Italics mine)

They were proud, had wealth, apathetic towards others-self centered-did not consider the poor and needy, were haughty and practiced abominations (sin) in their rebellion against

Yahuweh's Torah. This is America in a nutshell. I wrote an article entitled "Judgment on America, Why?" Off the top of my head I listed 100 things that America would be judged for-and there are more. The main thing is the forcing of the violation of the Covenant of Yahuweh with His People and His land. We're not talking only "Jews" here-for Jew is Judah-one tribe. We are talking about forcing the giving away of the inheritance Land of the whole house of Jacob-all 13 tribes (two tribes for Joseph).

Are we really such wonderful givers that the world should love us? Ask yourself: Where do our multi billions of dollars poured into the terrorist PLO organization, Fatah, go? Does it go to the poor and needy Palestinian? NO! It goes into the pockets of the Luciferic elite, and back into Swiss bank accounts, as laundered money into the pockets of the senders. America the giver-nation is an illusion-we give to get, to control, to get, to control, to get, to control.

It is hard for me to say these things, because I love my country, and its people. But, Europeans have said to me:

"You are NOT an American." I sigh a sigh of relief and say "Thank You." They notice I do not have the American syndrome. This is due to re-programming by the Father. All glory to Him!

America is the world's greatest slaver nation. From 1619, African slaves were brought into Jamestown-many of them were from tribes that have their roots in Israel. The true slave history of America has been taken out of history books. By the mid-1700s the Vatican had representatives all over America, the Masons had headquarters in all of our colonies, and the Rothchild Central Banking system was well established.

From the 1940's the American citizens have become the slaves of all that the mind programmers say-slaves to debt, slaves to cultural requirements for social status, slaves to jobs and money, slaves to drugs and pornography and entertainment, and etcetera.

Since the turn of the century at least, Americans have been the greatest slave traders and slave keepers of the world. Children and teens are regularly kidnapped and used for pornography, for mental and physical experiments, and many are sent overseas, sold to rich perverts, as sex slaves. Since at least before World War II, children and adults in Third World countries have been used and exploited by American businesses to work in their fields or factories for as little as 30 cents a day, for twelve hours a day, every day.

Now, when the "Immigration Bill" is passed, the nation will be flooded with Third World people seeking jobs-and America will hire them for dirt-cheap pay and fire the American worker who has a house mortgage, owns two cars, and is sending their kids to college. The

Vatican is waiting for takeover, because most of these illegal aliens are Roman Catholic. This is only part of the horror to come out of this Immigration Bill. We are region #1-with Mexico and Canada. There is a regional currency that is already produced for us, and a regional flag. (For more information on this ask for the article: “NAFTA and the Ten Horns”)

This is the reward for apathy! Americans vote their pocketbook, hoping for the economy to continue as usual-good. As long as the money keeps rolling in, most Americans could care less about the rest of the world. Think! But, we are swiftly headed for economic collapse, and when it happens the people from Mexico will be hired as the work force. As with the demise of all great civilizations, moral decay and the collapse of the “middle class” are reasons for the downfall.

Proverbs 27:12: “The wise man foresees the evil to come and hides himself, but the simple pass on and are punished.”

There is no virtue in ignorance. We are to hide ourselves in Him first of all (Psalm 91:1), but also to withdraw (be set-apart) from the world system, so that we are not visible to the lurking list makers. The simple minded go on as usual, like they did in Noah’s day, and drown in their own stupidity.

The process of growing up into maturity has just not happened to most. For most, this process has been aborted. People are trapped in a baby mind-set and few break loose to grow up into Yahuweh’s reality.

If you are guarding the Torah, and are seeking Him with all your heart, and love Truth-Rejoice! You are breaking loose from the programming of the Illuminati leadership of America.

Again, take note: T.V. ads and programs are mostly all directed to a twelve-year old mind. Even drug commercials are directed to a twelve-year old mindset. Millions of Americans are getting addicted to drugs, even children, even toddlers, even babies, because of mind programming.

In American society, slavery to credit cards is a norm, slavery to mortgage payments, car payments, furniture payments, drugs, social responsibilities, immoral perverted addictions, alcohol and cigarette addictions, and on and on, because the mind programming says you have to have what your lusts demand.

A child’s mind naturally cannot not grasp reality that is frightening, terrifying, tragic, or life threatening. A child has to be trained to have trust in a Big Elohim, a Creator that is real, in order for them to cope with the ugliness of reality. By replacing fear with faith in a child, you have saved a child for eternity.

A child that is shown things that shame them or frighten them may withdraw into their own self-created world. This is where personality problems begin unless we train them from the Word's reality not to escape, but to face the trauma with Yahushua at their side. A sexually abused child will be a quiet child. Later they will show their shame in many ways, like self-hate. A child that sees mom beaten up by dad may also show behavior that is violent, or they might also withdraw. It is in this withdrawal state that the demonic influence can come in to pervert and twist the mind and emotions. Teaching our children the Word, will keep them outward looking, and not inward looking, which Greek society teaches.

The emotional programming has left most Americans totally inward, self-centered. Few care about what is going on outside their own self-created world. People are getting more and more cold and hard-hearted, with little regard for the suffering outside of their own mental and emotional box. But, when the box is destroyed, and it will be, the child inside will do what he has to do to survive, and thus get himself killed. Emotional children, or child-minded adults do not make wise decisions! Under pressure the childish adult will act like a terrified child. Grounding in the Word and relationship with Yahuweh and Yahushua is the only thing that will cause an adult to grow up, and therefore to make a wise decision in the face of horror.

Several years ago, the night news began showing dead people, bloody people blown up by bombs, beheaded people, starved to death people, skulls detached from bodies, and other horrors. By showing violence in cartoons, children's videos, and movies, the Luciferic world is conditioning children to be passive about death, because it is encased in non-reality. When reality hits, the child or the child-minded adult will be paralyzed mentally and emotionally and do anything to survive-anything.

Thus, if people do not mature mentally and emotionally, their child-programmed mind will react the same way when they see the reality of what is to come.

Advise: The Voice of the Martyrs Christian organization that helps the persecuted church has a children's magazine-to teach children about the martyrs and to strengthen them spiritually. It gives ways for children and adults to be able to contact the families of martyrs or those in prison and do something to help. Children can be shown reality and be taught about it from the standpoint of the Word. Children need to be taught that possibly dying for the Messiah's sake is OK. In Third World countries where persecution is so severe that the believers live with death daily, they have to teach their children to face the real world. We must gently teach our children to face the real world-but do it in relationship to standing up for Messiah Yahushua. We must let them know that if they face death, Yahushua is there with them to help them, and that they should not be afraid of persecution for His Word's sake. Are you preparing your children for the persecution that is coming?

A child who has been taught to have faith in Yahushua's love for them, will often have a stronger faith than an adult, and therefore be more calm in the face of disaster than their parents.

In the natural, a child craves security-mommy and daddy, grandma and grandpa. They want to be held tight and cuddled. They don't want to see what's out the door when it's dark. It is easy to scare a child, even paralyze them with fear. This is regularly being done by T.V., movies, cartoons, books, DVDs, and by ignorant parents. Parents who "celebrate" Halloween need to know that they are simply playing with demonic fire. But, Christian churches still have "Halloween parties," because it's cute. Beware of "cute." I know, Jr. is so cute in his devil costume-but there you go again. Satan has hidden in Lucifer-the illuminated one-the light bearer-the "angel of light." Therefore many Americans have no reality concept of a real Devil or real demons.

Some of you who know the Word were probably wondering when I'd get around to this Scripture: I Corinthians 13:11: "When I was a child, I spoke as a child, I thought as a child, and I reasoned like a child. But, when I became a man, I did away with childish matters."

This is normal maturity, which the Illuminati/Luciferic elite by-passed in their programming of us. We are not taught either by society or by the church to grow up emotionally, or spiritually.

But, most American adults are just scared little kids...they crave security! For this reason, the Illuminati American programmers have a field day.

An adult with a childish mind is very controllable and easy to manipulate. Schools coddle naughty children and reward the lazy by passing them to higher grades. The purposed dummying of America children is a real thing. They are not supposed to think for themselves. You are not supposed to think for yourself. If you do, you are dangerous-you might find out what's they are doing. Children are not taught to ask questions, just to repeat what they are told on tests, and throughout life. Thus children and adults are being systematically programmed into the "world brain." Yes, there is a "world brain" - the brain of the 'god of this world"-Lucifer-that you are supposed to be incorporated into. (Please ask for the article: "Mind Control, Hidden Manipulation and the "World Brain").

Child psychologists say that to spank a child is not only wrong but considers it "child abuse." Laws have been passed that you can be arrested for spanking your child.

Children are rewarded in public schools for being passive dummies—therefore an empty-headed child grows up to be an empty-headed adult. Few adults make decisions without consulting some human who is also programmed.

When I tell people to consult the Ruach Yahuweh, as II Kings I points out, they look at me with dummy expressions as in: “SAY WHAT?”

I have been told by concerned Europeans, with no criticism attached, that they have observed two things about Americans in general: 1) They are the most fearful people on earth, and 2) they are the sickest people on earth, physically, and 3) they are the weakest people on earth. This is true. I have had Torah-observant Americans look at me with sad expressions and say: “We are so weak; what will happen to us when something really bad happens? We won’t know how to handle it.” At least most Messianic people know a lot of truth about what is going on, because they have embraced the truth of Torah.

Yes, sad to say, the American public, in general, are the most fearful people on earth, and for some reason the average Christian is more fearful than most. Whatever happened to obeying Messiah’s “Fear Not, I am with you!” In times of fearful happenings, the mind cannot grasp Bible teachings. There is no reality to it for fantasy-programmed people. The Bible is not designed for the reasoning soul realm, which holds to what is seen, heard, felt, touched and smelled for its data input, as much as it is designed to be received and contained in our re-born spirit. If we are led by His Spirit into reality of the Word and we obey Him, then we can know Him. To know Him is to trust Him. He becomes “the anchor of our soul” because He is the anchor in our spirit.

Hebrews 6:18: “That by two immutable things (His Name and His Word), in which it was impossible for Elohim to lie, we might have a strong consolation who have fled to Him for refuge to lay hold upon the hope set before us: which we have as an anchor of the soul, both sure and steadfast...” (Italics mine)

The Bible contains reality that Christians do not understand. The Bible is oriented around the Hebrew culture, which is realistic and practical. Easterners don’t think in philosophical concepts; they think in reality. Since Christians are taught not to guard the Covenant of Yahuweh, they have no solid foundation in the rock of the Word—their lives are built, like the world’s people, on shifting sand. Messiah warns us about this in Luke 6:46-49.

Because our parents obeyed the mind programming by doctors and child psychologists, most Americans cannot stand loneliness or insecurity! I have fought both of these most of my life. But, unlike most, I do not depend on man to satisfy these needs. I had to learn in

eight years of isolation in Edom how to know Yahuweh and Yahushua. If you are depending on some frail, fragile human to meet your needs-honey, you are in BIG TROUBLE!

Please go over these very wise Hebrew admonitions: Jeremiah 3-8; 17:5-9, Micah 7:7-8-Matthew 10:34-39. In these days of betrayal we can't trust anyone outside of the Ruach's OK. (Matthew 24:10) If you side with Messiah Yahushua, there is a Judas lurking.

I have been through many life-threatening situations since the 1960's, in the U.S. and overseas. As a single woman living among Arabs, it was very difficult.

Their ancient barbaric culture has no respect for unmarried or widowed women. Getting into a taxi with a strange Arab man, and having him pick up another Arab man, left me vulnerable to being kidnapped. But, my Father has protected me. I learned "no fear." I also learned wisdom! I am not foolhardy.

Recently someone gave my name, either mindlessly or purposely, to a rabbi who won't take me off his mailing list. When Hamas and Al Qaeda literally came to kill us in Aqaba, more than once, and the Jordanian military had to protect us, some mindless American put my name on the list connected to this same rabbi. I was in an Arab country with terrorists coming to get us, and receiving e-mails through their phone lines from a Jewish rabbi with anti-Arab-pro-Israel slogans. I couldn't get them to take my name off the list, because it was electronically sent. This type of mindlessness, barbarism actually, by Americans, betrayed our whole community in Aqaba, and set us up over and over to be possibly murdered. I am now in Israel-but still, the same mindlessness, or purposed savagery, continues. I am not afraid as much as I am very angry at the mental illness of American people who think they can violate someone's privacy and it's OK.

There is no concept of reality in the mind of the average American. Most live in a plastic world of NO REALITY! There is no sense that their actions might get someone killed, even though I've told it over and over and over. If you read my article "Betrayal" you'll understand. Americans are natural betrayers. Their floppy loose lips don't stop to get in tune with their brains. It is all because of this child-level mind programming. Babies, toddlers and little children don't care what anyone thinks either-they just act according to their fleshly nature. In that article, I talk about an American coming across the border into Jordan from Israel, to visit one of our group. The Jordanian officials ask why she was coming into Jordan-an average border question. She actually said this: "I am coming to visit the lady who is hiding Jews in Petra." If one of those border officials belonged to Hamas, Fatah, or a like group, all they would have to do is pick up the phone, and we'd be targeted for kidnapping and/or death. They followed this lady to my friend's house. She

led possible enemies right to my friend's door. Nonsensical typical American mindlessness! So, I'm not against anyone-I am just concerned because betrayal boomerangs!

The term is "busybodies": People who have to find out all about other people's lives.

The Apostle Sha'ul (Paul) admonished us in II Corinthians 5:14-16a: "For the love of Messiah constrains us...and He died for all, that they which live should not henceforth live unto themselves but unto Him, who died for them and rose again. Therefore, henceforth, we know no man after the flesh..." (KJV)

We don't have to know the "dead ones" after the flesh-their lives are hidden in Messiah (Colossians 3). I am asked busybody questions. I won't answer them. We must judge by the Spirit, and not go according to our fleshly reason, especially if our fleshly reason has been mind programmed by evil people.

The more you know about someone, the easier it will be to betray them in the days ahead. Why not know each other by first names-like sister Yedidah?

A man asked me what my last name was. I gave it to him because he was a friend, and I never suspected he would tell anyone else. Then, within ten minutes, in his introductory prayer for me before I came to speak, he gave out my full name to about 100 people. Why! We need to learn to protect each other. In my articles on preparation, as in Preparing for the Inevitable, I give hints of how to avoid giving out information to possible enemies. Beware of people who pretend to be believers-there are witches and government spies who infiltrate churches and Messianic congregations.

Most Americans want their government to take care of them. But, I found out the Russians are the same way. Under Communism they were used to the government taking care of them. America is now a socialistic state. The government has become mom and dad. The government is supposed to make sure that their money keeps rolling in, so people can keep being entertained. People want their insurance company, their doctors, their church, their organization, and on and on, to take care of them. But, sorry to tell you, all will soon fail. The government is failing even as I type this.

Americans have been programmed into an innate desire to return to an "artificial womb" in which every need will be cared for with tender, loving care (TLC) by people we think are "nice." The emotional need for an artificial womb among Americans is part of purposed Illuminati programming. You need Yahuweh to take care of you! Psalm 91 is for those who live out verse 1.

Thank the Father there is a remnant of those who love truth, and therefore are maturing! Few embrace the truth, throw out the lies and deceptions, and go forward in a mature and responsible way—doing their own investigation, research, and study of the whole Word with the Ruach Yahuweh to teach them.

But, then again, Messiah told us that “few” will enter His Kingdom, because broad is the way that leads to destruction, but narrow is the way that leads to life. The programmed Greek mind always seeks the easiest way out of anything—and therefore, the broad way is the only way, as they see it. The few who LOVE TRUTH will enter the narrow gate into the Kingdom, because they are already responsible citizens of the Kingdom. I hate to say it, but as others have said it: The majority of the end-time remnant will most likely come from Third World nations.

Without His Teaching, I don’t come to any conclusions. I do not go to man for his input. Father sends the people He wants me to listen to, or the information He wants me to read, to CONFIRM what the Spirit has already taught me! If the Spirit of Yahuweh doesn’t show me something right away—I wait on Him! I don’t want to hear what some big shot T.V. teacher has to say or read a book by the latest Christian guru. I want to hear from Yahwueh!

Most Americans, especially gullible naïve Christians, buy what they are told—“lock, stock and barrel”—without any investigation, and end up with a mental box full of an assortment of lies, deceptions, man’s reasoning - right or wrong - and a whole lot of mixture and confusion. Most have a mixture of beliefs that suit their own needs.

Why are American Evangelical and Charismatic Christians so terribly weak, naïve, vulnerable to receiving deception, and ignorant of truth in general? It is because the whole religion is programming on a Greek and Roman foundation. This programming is not Scriptural, but has a pagan foundation. As a smokescreen, it uses the Bible for religious principles (concepts), but is not based on the Bible for daily lifestyle. There is no requirement to obey the commandments of Yahuweh and Yahushua, in fact there is a mandate not to obey Them. Obedience is encased in an ethereal false concept of “love,” which is Greek-based, not Hebrew based. Some of you might get upset at that statement. But, think! If the religion was based on the Bible why are most of the instructions in the Bible not even regarded as valid for today? Why are Christians programmed to take the word of their pastor over the teachings of the whole Bible in Hebrew cultural context?

There are over 5,000 denominations and organizations with 1.9 billion members (1 billion are baptized Roman Catholics). Every group has a different set of doctrines and opinions based on tradition.

Is this mess what did Yahushua and His Apostles leave us? He said “few” would find the narrow gate...is this 1.9 billion “few”? Every group has its own “pope”-hierarch leader, no matter what title they have. As with all religions, it is man-made stuff. Yahuweh and Yahushua are not in it. You’ve been programmed into falsehood-like I was.

How you handle reality will determine your future. I am not alone in this research. (If you do not have my mini-book “The Foundation of Deception” please ask for it-much documentation). I am dedicated to telling people the truth, so that they will obey the Word and “flee” from the great whore-Christianity-which is Vatican based—and return to the Covenant of Yahuweh with His people-His Torah, His ways, His thinking, His nature-His plumb line straight rightness.

“Sin is the transgression of the Torah”: John 3:4. The word “transgression” means: “Re-volt, rebellion, to break away from, and apostasy.”

The great apostasy, falling away from the teachings of Messiah and His Apostles, began in the first century when the Hellenised Jews and Greeks created a pagan religion that they named “Christianity.” Their religion was based on the premise: “We don’t have to do anything the God of the OLD Testament says.” Thus, ask yourself, who are the “lawless ones” the Bible talks about? Who is THE “lawless one” to come, who will sit in the temple of “God” and declare himself God?

I am very much aware that I am interchanging the words “American” and “Christian.” But, as the Arabs well know-just as you cannot separate “Jew” and “Israel,” neither can you separate “Christian” and “America.” America has long been called the world’s main “Christian nation.” In the Arab’s Jihad chanting, they often say: “Saturday first and then Sunday”-meaning we’ll kill the Jews and then the Christians. The mindset of American culture has so permeated the Christian Church, and Messianic congregations too, that there is almost no difference at all. The world, the flesh and the church: Too much alike to tell the difference, except for the rhetoric.

“Critical, judgmental, unloving, too harsh”-I know-that’s what I’m called oftentimes. But, no one knows the tears that I shed from His heart because of what He shows me about my people-the American people-that will soon face annihilation because they are dumb sheep that won’t listen to reality!

I am so thankful for the lovers of truth that I have met. Yet, even many of these, don’t embrace the truth that they know.

There is an intellectual curiosity-fad among many American Christians. I know some of it is the DNA of the house of Israel waking up and I rejoice in that! But, so many are now

fascinated with “Hebrew roots.” They might read some book, or attend some classes, watch DVDs, listen to CDs, study on the Internet, in the hopes of getting some excitement into their religious box. But, when it comes down to obeying Yahuweh’s Torah—NO. Many say they love Israel, but they’re too scared to go there. This is childish foolishness. You don’t have to have a “rhema” to go home! “Doing” is reality. Doing His commandments is far different than getting intellectual knowledge of His commandments and then returning the darkness of paganism.

I began teaching Hebrew roots in 1963, and putting on Seders at Passover time-it was historical teaching time. Not until 1995, did it finally dawn on my brain to actually keep the calendar of Yahuweh as a whole, including the weekly Shabbat. It was not an easy transition for this Charismatic pastor and evangelist. But, when I began obeying Him, my life drastically changed.

There are some giving reality about what is happening in America, but not relating it to end-time prophetic events, or teaching people how to walk by faith. They believe that America will be strong again, and they are ready to fight when martial law comes. They are the militia types who love their families and their country, and most are Christians. They are what we call in this country, the “salt of the earth”-good, decent people. But, they do not realize, because of the replacement theology of Christianity, that the Father has ONE LAND and ONE people and one Covenant with His One people-Israel, and the sons of Jacob, and Torah. They believe that this land of captivity that we were driven to because of our rebellion-whether Jew or Israelite-is somehow “God’s country.”

They are at least waking some up to the reality of the soon satanic martial law. For that I am grateful. But, once a person is awake, what do they do about it? That’s where people like me come in.

Yahuweh has sent prophet after prophet to us to tell us: “America will burn.” America’s sins against Israel are humungous. People are having dreams and visions and “rhema messages” that America will burn-even children, even Orthodox Jews!

America is forcing Israel to divide His Land and His City, to support U.N. Resolution 181 (November 29, 1947). America is in Yahuweh’s face!

I appreciate people like Steve Quayle of Reality Radio and Alex Jones of Prison Planet. Their documented research is right-on right. They have done their homework, and we need to get their information. They are doing what they can to wake up the American people as to what is happening to us, giving us reality about the collapse of the money system, and etc. They are Christian men. But, most of what they are doing is giving

informational facts. I have heard Steve Quayle say over and over that the information should lead us to prayer. We need the hard facts!

But, we need more than facts! WE NEED TRUTH. Truth is greater than facts. Fact is this country will burn. Facts won't stabilize you when your mind shuts down from the horrors before your face. But, relationship with Yahuweh and Yahuweh and a knowledge of Their Truth will stabilize you, for if your mind shuts down, you will be able to hear Them in your spirit. I know-I've had experience with this several times!

What is truth? John 17:17 and Psalm 119:143 and 160: "Your Word is Truth!"

Yahuweh's truth is higher than the facts of Lucifer's realm! Yahuweh's truth is eternal! His Word will give you eternal realities! Embrace these...

II Corinthians 4:16-18: "...WE FAINT NOT. FOR THOUGH OUR OURWARD MAN PERISHES, OUR INNER MAN IS RENEWED DAY BY DAY—FOR OUR LIGHT AFFLICTION, WHICH IS BUT FOR A MOMENT, WORKS FOR US A MORE EXCEEDING AND ETERNAL WEIGHT OF GLORY, WHILE WE LOOK NOT AT THE THINGS THAT SEEN, BUT AT THE THINGS WHICH ARE NOT SEEN, FOR THE THINGS WHICH ARE SEEN ARE TEMPORAL, BUT THE THINGS WHICH ARE NOT SEEN ARE ETERNAL."

I strongly recommend that you prayerfully read Hebrews 11—we are required to be a "pilgrim people." If your anchor is in this world, your anchor is about to be pulled up.

The Hebrew understanding of love: What you love you obey, submit to it, and give your life for it. Otherwise you are a phony. That's why Messiah said: "IF you love Me, guard My commandments." "You are My friends, IF you obey My commandments." Conditions for approval...

Sorry to say that almost all who say they love "the Lord," do not obey His commandments or His Father's commandments. Obedience to a Covenant is not in the Christian equation. "Covenant" responsibility is not part of western thinking, because Greece and Rome were free soul people—do what feels good to you, believe what feels right to you—pamper yourself.

Hebrew understanding of faith: What you believe you act out or you are a fake—you don't really believe it. Father gave us 613 great laws for a good life. The Messianic Writings (New Testament) gives us 1,050 commandments. I've never met a Christian that considered more than a dozen, if that. Yet, they are astute to obey the hundreds of man-made laws that are a part of our lifestyle. It has been said that America has more laws for rightness in

our society than any other nation. We think nothing of obeying man's laws. Yet, when it comes to obeying the eternal Torah of the Kingdom of heaven, which is coming to earth soon, religion says, "we're not under law, we're under grace." Yet "grace" began in Genesis chapter 3.

Remember, sin is not: "I don't smoke and I don't chew and I don't go with girls that do." (My slang dates me) Sin is rebellion against the Torah!

Following Rome's day of worship-Sunday-to honor sun gods-Rome's festivals of Christmas, Easter, Valentine's day, etc.—has led the followers of the Greco/Roman religion to forsake the good calendar of our Father, and despise His good Torah. Sunday, for Christians, is often the busiest day of the week. It is NOT Shabbat.

Most Americans have a vague concept of someone called "God" or "Lord." Using these vague titles, taken from names of pagan gods, have taken away any relationship we might have with Him. Childish minds think: Mommy, daddy, God and Jesus will take care of me no matter what I do, because they love me unconditionally. This is what we have been fed. There is no mature adult relationship with Yahuweh and Yahushua possible in Christianity!

As the Veggie Tales main theme said: "You're special and God loves you." Yes, He does! He doesn't want you to perish! He made each one of us special—Yes. But, the Veggie Tales program went on to say—using space aliens as an example—that we are to accept and make friends with others who are different than us because everyone is special—even space aliens. This is not Scriptural teaching. We are not to fellowship with the "unfruitful works of darkness, but rather reprove them." (Ephesians 5)

In the Veggie Tales DVD the doctor wore a "fez" and had the red Knight's Templar cross on his fez—that's Illuminati stuff. Both symbols are associated with the death of millions of Jews and true believers by the Roman Catholic Church and its daughter, Islam.

Seeing through the phony, fakery, and lies and deceptions and discovering truth is a most amazing adventure. In America, because almost everything in our culture is fakery and illusion, we have a great adventure ahead if we LOVE TRUTH WITH A PASSIONATE HEART. Finding His Truth is like finding diamonds in a mine!

The story again: A man went to work for the United States Treasury Department. He went through extensive training to be able to detect counterfeit bills. Later, a friend made the statement: "You must have seen a lot of counterfeit bills," to which the man replied: "No, in

the weeks of training I did not see one counterfeit bill. They trained us to see the real bill so well that if we ever see a counterfeit, we'll instantly recognize it."

This is how you are to train your children in the Torah, so that when they see the counterfeit they will instantly recognize it as counterfeit!

Stories of space aliens began in the late 1940s. Did we have a space program then? — Yes. The use of space aliens is high on the agenda of the Illuminati to scare the world into receiving the anti-messiah. Did you know that? Space technology is much higher than most know-and America's space technology is inferior to Europe's and especially Russia's. Did you know that Europe had a more advanced space program than America does? Are you tired of being so ignorant?

Using aliens is also the big New Age plan to deceive the world. Making the aliens into nice, cute little asparagus people on Veggie Tales is programming toddlers, children, youth, and adult toddlers into receiving these demonic beings when they come-and they are demonic. Remember "Yoda" is Star Wars? Cute little guy with big ears...

Cute! Adorable! Sweet! — Words that we all use... But, all too often these words are attached to evil, wickedness, and perversion, witchcraft and demonic things, because of toddler training by Walt Disney and others. Bugs Bunny wore a wizard's hat, and so did Mickey Mouse, and so did Lassie. The "good old days" were not good-they were deceptions. Santa (rearrange the letters) wears a drooping wizard's hat. But, to many, for me to say that those cute little cartoon characters promote evil-oh my-what a "bah humbug" I am.

Because of the 1940's Coca Cola advertisements, and Samuel Clemmons' *The Night Before Christmas*, the present Santa Claus was invented. Mystical, magical, fantasy, illusion, and down right pagan-all thrust upon us as "cute."

The Teddy bear, named for ex-President Teddy Roosevelt is so "cute." Yet Teddy Roosevelt was a very nasty Illuminist agent of Lucifer, who did much to set us all up for destruction.

People like me come along and tell that there is no Santa Claus. I tell that Walt Disney was a witch. I tell that our "Christian" President is really a Luciferic of the worst kind-and people get mad at me. But, do they investigate the *Skull and Bones*, or *Bohemian Grove*, or the statements about the Koran being good and that we all serve one "God"? — NO!

The getting mad is a childish reaction. The mature reaction when hearing something new is to investigate objectively! Maturity is rare nowadays.

Yahuweh spoke to my spirit this last year: “Christianity is the mask of Satan.” Islam is not masked. Judaism is not masked. Hinduism is not masked. Buddhism is not masked. Witchcraft is now not masked. Indian shamanism is not masked. No other religion on earth is masked, but Christianity is a mask itself.

Other religions identify themselves openly by their manner of dress, their speech, or their cultural look. Catholic nuns and priests have their Romanish garb, but not the average Catholic. You can distinguish the Muslims. How can you distinguish a Christian? Someone who wears the ancient pagan symbol of the “cross” may be a neo-Nazi, or a “skinhead,” or a New Age believer—they sometimes wear big crosses. You can’t distinguish the average Christian—they look, dress, and act like the secular world!

And I have to agree that Christianity is the mask that Satan/Lucifer uses to fool the ignorant of America, because the Bible says so, and history says so. Satan appears as an “angel of light,” and as a “wolf in SHEEP’S clothing”...not with horns and a tail. It is the fantasy that is the most dangerous-hiding evil.

It is “Dave and the Giant Pickle” theology—a spoof of the real—and a deadly one—for it denies the real, mocks it, and puts it into childish minds that what the Elohim of the Bible says to do is not applicable for them.

Yes, Yahuweh started many of us on our path to salvation through the name of “Jesus”—HalleluYah for His infinite, overwhelming mercy because He knew we meant the One in Matthew, Mark, Luke and John. But, true lovers of truth have broken loose from the playpen, the sand box, and the toddler world of illusion. Because they love truth, when they find truth, they dump the lies.

II Thessalonians 2:9-12 tells us that if we do not love truth we will embrace the “great deception” that He will send upon all those who do not love truth, so that they will be damned eternally. This is given in general terms. “The end of our faith is the salvation of our soul”... “Those that endure to the end shall be saved.”

It’s time to grow up, or die with an infant mind. Better to die a knowledgeable martyr than a terrified dummy. Our eternal reward is at stake. Americans were told that ignorance was bliss, but **IGNORANCE IS NOT BLISS!**

We will live forever on this earth—not in some Roman Elysian Fields type of heaven. That is fantasy too. No Scripture tells us we will spend eternity in some illusive heaven with some God we don’t know.

I don't like telling people that they are going to die. I don't like telling them about martial law, concentration camps, torture, and human sacrifice in America—all designed for them. I don't like telling them they might be martyred. I don't like telling people that the economy is about to collapse. But, I have to if I am to be true to Yahuweh. But, I also tell people to prepare for the eternal Kingdom to come.

I give you the admonition Messiah gave to the rich young man in Luke 18:22: "...Sell all that you have and distribute to the poor, and you shall have treasure in heaven. And come and follow Me."

I took that advise in 1999, did what He said, and moved to Edom-Aqaba, Jordan, where I lived eight years. I am so used to following Him now that if he says to move to the North Pole, my reaction will be "Great!" The Russians and Americans are using their scalar devices to melt the ice caps to find oil and gold, and I want to see what they're doing. Thus: "Global warming"—the beams of this scalar cause heat in the atmosphere and melts glaciers. I'm 63 years old (2007)—but as long as Father keeps me going, I'll keep going.

Messiah is soon coming to set up a Kingdom on earth. Our eternal life will be "under the Law"—Torah—the Instructions and Teachings of the Kingdom of heaven by which Yahuweh rules His Kingdom.

Fear programming! I was trapped in that! It begins in babyhood. Did you know that Isaiah 33 tells you that IF you are going to endure "everlasting burnings"—the consuming fire of Yahuweh—one of the things you must not do is to purposely watch evil? Yet, most Americans call "murder mysteries" and crime dramas, "good entertainment." Read the Prophets - Isaiah through Malachi!

The fear programming about "Al Qaeda is coming to get you" is boogiemans stuff, but believed by the majority of Americans. It is fake news. Even some of our Iraq news is produced in Hollywood. But, right now, laws have been passed that if you speak against the war in Iraq, you can be arrested and removed. In the future, all the Luciferic mind-programmers will have to do to scare the mental and emotional kiddies of America is to say: "The boogiemans is coming."

My kids won't watch the "nightly news" with me. I sit there and shout: "Lies, lies, lies" at those nice news reporters (smile). Would sweet Brian Williams lie to you? Where do they get these sweet faces that are so believable?

The "local news"—now that's mind programming stuff for sure—feeding America a diet of localized crime—child abuse, spouse abuse, murders, public official scandals, and of course

house and apartment building fires. They always show you this awful stuff happening in poor neighborhoods, where crime is especially rampant. White, middle class America, rarely relates.

Toddlers want to be taken by the hand and led by some trusted human. But, the Illuminati is leading you with a ring in your nose. Don't be led by anyone except Yahushua! (Please ask for my article "Led" for more wisdom) Scare tactics, rumors of wars abound-all purposed Illuminati propaganda. (Read "Quiet Wars and Silent Weapons," "Linked Arm and Arm" and "Fear Tactics" for more Information on lying scare tactics)

The Luciferic world rulers that rule the minds of men have taught us that to step out of line with what they say is right, is to be "a resister." We want to be good, accepted by our culture. But, if the laws of human society cross the laws of Yahuweh, we have a choice. In Acts 3-5, they chose Yahuweh.

The religious rulers demanded that the Apostles must never speak in the name of Yahushua again. Here is Peter's (Shimon Kepha's) reply in Acts 4:19: "...Whether it is right in the sight of Elohim to listen to you more than to Elohim, you judge. For it is impossible for us not to speak of what we saw and heard." Acts 5:27-29: "...the council and the High Priest asked them saying, 'Did we not command you to not speak in that Name?' ...And Kepha and the other Apostles answering said: 'WE HAVE TO OBEY ELOHIM RATHER THAN MEN' ." Is this your life stand? Do you obey Elohim, aligned to the plumb line of His Word, or do you obey men? This is the testing we are all having now!

I expose evil. You are supposed to expose evil: Ephesians 5:11. We are supposed to be children of light who expose and dissipate darkness. I have done my homework for over 20 years on this subject. The more I sought to know the truth, the more inside information Father allowed me to know-even to the depths of the Satanic plan of world take-over.

**TRUTH DEMANDS CHANGE!** But, the child mind just wants to be cared for—they don't want change. If we don't change quickly the final reality will be too much for us to bear. **IF you LOVE TRUTH, you will be changing daily.**

II Corinthians 3:17-18: The Spirit of Yahuweh, who IS Yahuweh, will change us from glory to glory, as we behold Him, as in a mirror. That mirror is the Word-and as we behold Him in it, we are changed!

American Christians want to be cuddled by a big teddy bear God-or some human substitute. As long as He, or they, cuddles them and asks nothing from them, but continues to tell them "I love you," they feel safe. **IT IS PAST TIME TO GROW UP!**

Unfortunately, sad to say, it is too late for most-they won't grow up; they refuse to grow up, and thus will perish in the holocaust to come.

I John 4:1: "Beloved ones, do not believe every spirit, but prove the spirits, whether they are of Elohim, because many false prophets have gone out into the world." Messiah warned us strongly to not be deceived by false prophets, but the majority of Charismatic Christians are deceived by the "Elijah List" false prophet bunch that are totally not Scriptural prophets.

The fantasy non-reality programming makes one totally dulled to truth, so buying into lies has become a natural daily part of the lifestyle.

So, like Texx Marrs, Steve Quayle and Alex Jones and many American psychiatrists say: The American people are so non-reality mind programmed, so into their own worlds of fantasy, that they are "mindless zombies."

I am so thankful for people like you who are not zombies, but are awake! And not only awake but you are actively doing something to prepare yourself and others. Almost all we see has some cute little non-real fantasy attached to it-even the news.

This is why people cannot handle the truth-they are emotionally and mentally controlled by the Luciferic world system. Unless they radically break loose, they will easily take "the mark of the beast." We are a society of mentally and emotionally sick people. The Torah-observant who know Him-not just the Torah observant-will do exploits in the days to come, because they do know Him - Daniel 11:32.

You are a programmed robot if you have grown up in the U.S. and not questioned your programming and broken free from it. You have been programmed into mental and emotional weakness, while they feed you food that has weakened your immune system and make you a "couch potato."

I'm sorry if I offend you-offense is not my goal. I know also that I am talking to people who are saying "Amen" to all of this, because they've kept their minds and emotions pure, and their bodies pure, by discipline and obedience to the Word. But, if you are a typical American who has not broken free of the immature childish mind programming, then your offense at me is simply a nursery school reaction to something you don't like.

Maturity investigates what it hears-so go investigate! But, PLEASE don't go to books and Internet to prove you're right-investigate objectively-find the Truth for yourself, but be led by the Real Set-Apart Spirit...the "Spirit of Truth"—not the spirits of the religious world that are full of mischief and trickery, and delude people into thinking they are from "God."

If you are not Word-solid, you are not solid. It takes enormous effort to break through the programming.

I still fight the programming I received in the 1950's. Hey, I'm an American-remember? I was an ordained Charismatic minister-with the title "Reverend." I had my own evangelical corporation. I was in the system. I'm not criticizing-I'm telling you what I have learned from objectivity, study, research, the Bible, and from the Spirit of Yahuweh that has changed my life. I've grown up more in the last few years than I did in my last 50+ years.

Americans have been kept prisoners, trapped in a child's mind, and now we need to grow up into maturity in Him.

There are FOUR BIBLICAL SCENARIOS of destruction in the last days:  
The Seals cover 1/4 of the earth: The Middle East and Africa, parts of Asia  
The Trumpet judgments cover 1/3 of the earth-mostly the East.  
Israel will lose 2/3 of its people to death, a remnant will escape  
End-time Babylon will be so destroyed that no life will be left in it

End-time Babylon is America-not allegorically, but historically and actually, the embodiment of all that Nimrod began-the incubator of the now-present one world government-the nurturer of the whole anti-messiah system, and the experimental laboratory for disease and mind programming, to be used on the rests of the world, for the control of the people.

We've been led to the slaughter. The ones who are breaking free scare the devil's agents. Be aware that truth lovers are dangerous to the kingdom of darkness. But, also know that the real Kingdom of light is coming, and we have to make a choice to grow up and align with it.

"My fellow Americans": This article is about you and me! Are your reactions aligned with Yahuweh's standards of maturity? Is your emotional life like a yoyo? Are you moved about like the wind, emotionally? I was like that. How did I stabilize? How did I break free from the mind programming I got in school, in church, in society, on T.V., in books and etcetera? My children are asking me that. I'm a new mom to them. Answer: By saturating my mind in the Word, and obeying what He said without compromise! I didn't and couldn't do anything to change myself on my own. I saturated my mind, and listened to the Spirit of Yahuweh, and obeyed Him with His help. That's how my whole life has changed and helped me break free of the programming.

I asked my Beloved Father yesterday: Why did the Illuminati and its predecessors, from the 1600's, zero in on the nation of America to make it their laboratory and experimental lab for the final fulfillment of the plan of Lucifer to rule over the world from Jerusalem?

He replied to me immediately. Here is His what He reminded me of and impressed on my spirit: From the very beginning, with the Puritans who said they were of the tribe of Manasseh, the country that became "America," named after Manasseh's son, Makir, was a threat and a danger to the Luciferic plan for world domination. From before 1776, the Vatican, the Masons, and the Rothchild's Central Banking system had infiltrated America. As the Illuminati was formed, May 1, 1776, in Bavaria, the plans of Lucifer through his human agents, went forth to prepare him a throne in Jerusalem.

The influx of the believers in the Bible into America from the beginning were a threat to this plan. They were mostly of the house of Israel/Ephraim/Joseph—from the ten northern tribes, which had been scattered into all the world from 1,000-722 BCE, but who were concentrated in Western Europe. Also, many Jews found their way into America.

**AMERICA BECAME THE LARGEST CONCENTRATION OF THE HOUSE OF JACOB IN THE ENTIRE WORLD. THERE ARE MORE SONS OF JACOB—ALL 13 TRIBES—CONCENTRATED IN AMERICA THAN IN ANY OTHER NATION OF THE WORLD.**

Father brought us here, in our punishment (II Kings), to train us for His service, and to finally teach us our past, so that we would return to Yahuweh and His Torah.

And the early settlers came with a religion that was either Torah-based (Judaism) or Christian with belief in the "Nine Commandments" — ignorant of Yahuweh and His Torah, yes, but seeding a remnant that would end up 200+ years later as a strong unified force around His Covenant. (Isaiah 11:12-16) Therefore, knowing this, Lucifer feared lest the house of Jacob, especially the "lost ten tribes," should find their identity and join with the house of Judah (Jews). He imparted this fear to his agents. Lucifer fears the unity of the whole house of Jacob (Ezekiel 37:15-28), and so he has made this extremely Scriptural and historical teaching of the two houses of Jacob's tribes a matter of controversy between the "prodigal son"-Ephraim, who holds the birthright of all the tribes—and the "elder brother," Judah, who holds the ruling scepter for all the tribes. Lucifer fears this unity! But, Yahuweh laughs—this unity is happening, and the promises of this unity before Messiah returns are in the works. Rejoice! Our Elohim Reigns!

Love to you all in His "perfect peace,"
