**REPORT: APRIL 6, 2008**

Greetings: Attached is a newsletter report from me, and also a 2-page report from David Dolan in Israel, about the closeness of war in Israel. But, also Father has led me to give some instruction here about hearing from Him, and walking in His gifts. He wants you to live through what is ahead. And the only way you are going to do that is by aligning with His power and authority. So, in this article, I teach some on that. I realize that my articles go to people who have never been taught how to hear from Him, nor be led by His Spirit, in fact, some have been taught against it. It is horrible that man puts such religious bondages on others because he, himself, cannot find the answers.

Throughout the Word we see that through hearing from and knowing Yahuweh by His Spirit, we can be led by Him, and we must be led by Him!

Shalom,

Sister in Yahuweh

### “THE NEWS IN THE WORD” REPORT: APRIL 6, 2008

Greetings servants of Messiah Yahushua:

I think you should know about this--if you don't already. "As Israel goes, so goes America, and so goes the world".

I have attached a two-page report by David Dolan, confirming my sources regarding what is happening in the north of Israel.

As the Father is saying, we are quickly moving into the last seven-year cycle this coming Yom Teruah, September 29<sup>th</sup>, Tishre 1, 2009 Hebrew calendar--year one--towards the coming of Messiah. Orthodox Jews know well the scenario of Ezekiel 38-39 and Isaiah 17, but so does the Israeli secular military--that it occurs at the beginning of the last seven years before Messiah comes. In fact, Arutz Sheva, probably the leading conservative news media in Israel, made about an hour-long video in 2007, in which they show in film clips and in words, showing that the fulfillment of Ezekiel 38 is imminent. Indeed, Russia has set up the scenario already, like a nice straight line of dominos.

When I was in Israel this last Fall/autumn, I was in a home to have dinner, when a man came to the door asking for my hostess' gas mask. There was a major campaign to take all out-of-date gas masks from people all over Israel, with the promise of replacing them with new ones. But, the truth was that they only had a few new ones, and most of the Israelis would be left with nothing.

I heard on a Steve Quayle broadcast of April 3<sup>rd</sup> (2008), via his associate nick-named "Hawk"--a specialist in knowing top secret military information--that the United States had supplied Israel with a few million dollars to get new gas masks to all their people. He recommends that Americans get the best gas masks that we can get--German made are excellent, with top-grade filters. He also said that Olmert had admitted to taking out, last October, Syria's secret nuclear bomb-making plant, near the headwaters of the Euphrates east of Damascus. I was in the north of Israel then--if you'd like my report on that, let me know.

To keep up with what is happening in Israel, I recommend that you go to: [kol-israel.com](http://kol-israel.com) and daily check information on both the Arutz Sheva report and the Debka File report. For "live" news, click on Arutz Sheva's TV media... good reporting!

As an honest researcher who seeks the truth and nothing but the truth, no matter if it hurts my past thinking or not, I am finding that all honest researchers are being led by the Spirit of the Father, Yahuweh, to the same information. I have been given, at times, top-secret information, simply because He had me at the right place at the right time. I don't go looking for it, because, like most of you, I don't know where to look past "Google".

But, when you are hungry for truth that aligns with, and is supported by, His Word—Genesis to Revelation in context--He will guide you into all truth as He promises in **John 16:13**. He will "show you things to come". But, it is tragic that the stubborn religious, who have their minds made up because they believed some dishonest researcher, will go on to their death totally mind-blown if they don't get out of their religious coma quickly. Best to be honest, no matter how much it hurts our ego, for embracing deception is only self-destruction. No time to be delicate and wimpy--life and death matters are at stake.

But, this is reality--if Israel is preparing for attack, then we should take note. Russia has been arming Israel's enemies, including Syria, Iran, Hezbollah, Egypt, and Hamas for many years. The U.S. has been arming, and pouring billions of dollars into, the terrorist organization Fatah--better known as the PLO--inside Israel.

We need to know that Russian ships and subs are now off the Syrian coast, as well as in the Mediterranean, AND off of the east and west coast of the United States--with planes, ships and subs, AND off our southern border with Mexico with tanks and other firepower. China is out there too.

Not long ago, the U.S. planted death charges in the entrance to the Gulf of Mexico recently to stop Chinese and Russian subs from coming in there. Unfortunately, a large fishing craft in the Gulf was almost blown apart by a great explosion from one of those death charges--evidently it blew up something under them. No one was killed, at least in the fishing boat--we thank Father.

We know from **Ezekiel 38** that it is Russia that leads the pack against Israel. We know from that Scripture that Iran (formerly Persia) is their chief buddy. We know that in **Jeremiah 50 and 51**, talking clearly about end-time Babylon--America--it tells us that we are attacked from our "uttermost borders" by people with no mercy. Our four borders are now full of Russians and Chinese (partners for Israel's destruction). Of course, we know about the north border--with Alaska. But, few know that our south border with Mexico has Russian and Chinese troops doing maneuvers on it. And now we are being flanked on our east and west borders. We also know that Russia is very angry because of our putting up missile defense shields in Eastern Europe. If Ezekiel 38 begins soon, which would be no surprise to me, then all hell will break out in America too--bird flu epidemic, marital law, collapsed economy, panic in the streets, possible civil war inside America, and attack on us by Russia and China is possible because we are so vulnerable and weak. One thing is for sure and I'm saying it, and all those tracking known truth are saying it, that if we get through 2008--Gregorian calendar--into 2009, by 2009 we will be set-up for great disaster--possible the outbreak of World War III, the arrival of Planet X, and a combination of all sorts of evils.

Weather warfare is being used to create drought and famine, and the whole earth right now is facing great famine. Food riots are breaking out in many countries, like India and parts of Indonesia. But, what is planned for America will cause food riots beyond our imagination.

Yahuweh's true prophets are warning of famine, disease, war, and spiritual apostasy by multi-millions because of great deception.

Also, by Scripture, we know that America is taken down early on. By the time Russia and the Arab hoards hit Israel in the **Ezekiel 38-39** scenario which includes **Isaiah 17**, with Iran as Russia's major partner (Ezekiel 38:5), America is so weak that we can only reply "What are you doing, trying to take a spoil?" In this verse, Sheba and Dedan are Saudi Arabia. But, countries like America, Canada, Australia, and New Zealand, are offspring of the Lion, England. In **Ezekiel 38:13**, they are called the "young lions of Tarshish". The chief "young lion" is America. Tarshish was once the great trading empire of Spain until England took it over and became the new Tarshish—the trade empire of the world—the Tarshish of the last days.

If you would like more information, ask for "Russia: Working On Ezekiel 38" which was written in February 2006, but has much information as to what is now big in our face.

All the while, most Americans are coming home from their day's activities to eat dinner, watch a little nonsensical TV entertainment, and go to bed. Most of the world's people are totally dummed as to what is upon us, because of the wicked mind programming we've been subjected to from birth to death.

**I appreciate people like most of you who refuse to be willfully ignorant! You are strong, brave people. You are in the Word and keeping up with what is going on in the world. You are making your preparations, hearing from Father, and preparing to live and not die.**

To those who "have", more will be given, but to those who "have not", even what little they have will be taken away from them. (**Mark 4:23-25**) Lovers of truth go forward and get more and more because they obey what Father is showing them. Don't sit on truthful information—act on it and pass it on!

If Israel is now getting gas masks--it would be a good idea for you to do likewise, get anti-radiation poisoning tablets, a colloidal silver unit to make your own, or oil of oregano—both powerful anti-viral, anti-bacterial aids. Get your food stored, extra water, water filters, candles, short-wave radio, and etc., and get prepared. If you live where you can dig an underground shelter—do so.

But, to the ultra-wise, obey **Revelation 18:4, Jeremiah 50:8; 51:6, 45** and other like Scriptures. He doesn't say where to go—be led by the Spirit of Yahuweh—He just says "GO"—get out of end-time Babylon to save your life. The ones who will overcome and survive, enduring to the end, follow the Lamb wherever He goes. They are free. Get freed from the world system's bondages. Messiah said: "My sheep hear My voice, and they follow Me". (For more about spiritual preparation ask for the articles: "Led", "Faith Walk" (a manual), and "Daily Flowing In His Perfect Timing" and "Preparing For the Inevitable".) He can't and won't direct a parked car!

If you'd like to have a book that gives you lists of how to prepare, I recommend Dare to Prepare by Holly Dao. Her husband, Stan Dao, has a website of his own—"Google it".

The planned and purposed release of bird flu is also soon. This will cause quarantine, and so you need to be prepared to stay in your house with food and necessities, perhaps for a few months.

Boulder, Colorado news has reported that the prairie dog community has an infestation of ticks carrying a plague similar to the bubonic plague. Now where did those ticks get that? My friends, this puts a new spin on the Scriptures that talk about judgment by the "beasts of the earth".

Messianic prophet Tom Deckard, who has been foretelling the future by Yahuweh's Spirit for years with 100% accuracy, has been warning about bird flu and telling people to prepare by storing food and water, and getting necessities to survive it. He also knows we are inside the seven-thousandth millennium, and that we are facing Ezekiel 38 soon. Tom has spent much of his life in the Third World ministering to the masses about our Savior. Our Father raises up prophetic voices at the time of imminent judgment—as a watchman who blows the shofar loud and clear when he sees the sword upon the land. (Ezekiel 33)

Excerpts from **Daniel 2:19-22**, referring to the interpretation of Nebuchadnezzar's strange dream: **"Then the secret was revealed to Daniel in a night vision (*dream*), and Daniel blessed the Elah of the heavens....Blessed be the Name of Elah forever and ever, for wisdom and might are His...He gives wisdom to the wise and knowledge to those who possess understanding. He reveals deep and secret matters. He knows what is in the darkness, and light dwells with Him"**. (Italics mine)

Like Mark 4:23-25, He gives wisdom and knowledge to those who possess understanding. We get understanding by spending the time necessary with Him, alone, before Him in prayer and the study of His Word, through fasting, and seeking Him with all of our heart, mind and soul and strength.

**Jeremiah 29:13**: "And you will seek Me, and you will find Me, when you shall search for Me with all your heart".

**Hebrews 11:6**: "Without faith it is impossible to please Him, for he who comes to Elohim has to believe that He is, and that He is a rewarder of those who diligently seek Him".

America, like all the other countries of the world except one, is a land of captivity—Yahuweh's eye is on one Land 24/7: **Deuteronomy 11:12**—Scriptural Israel. But, since America has the greatest concentration of the whole house of Jacob—House of Judah and House of Israel combined—He has raised up prophets to this nation to tell His people to get out of His way when He gets ready to judge. The tragedy is that His people went into captivity 2,700 years ago because they were too stubborn and rebellious to obey Him, and today they are still as stiff-necked, stubborn and rebellious as they were then. (Ezekiel 3)

There are a lot of false prophets out there, and multiplying like rabbits. But, we can discern them by a few simple instructions. (Please ask for my article, borne out of years of study on this subject—"The Message of the True Prophet".) Look up **II Chronicles 20:20**, **Amos 3:7** and **Ephesians 2:19-20**--Yahuweh's prophets carry His message, and never insert even a thought of their own. There are also many political false prophets, as I mentioned in the recent article "False Flags".

**II Chronicles 20:20**: "...And as they went out (*to battle a mighty army that was seeking to slaughter them*) Jehoshaphat (*King of Judah*) stood and said, `Hear me O Judah, and you inhabitants of Jerusalem: Trust in Yahuweh your Elohim, and be steadfast; trust His prophets and prosper".

If you'll read II Chronicles chapters 18-20, you will see that Jehoshaphat came to this conclusion about Yahuweh's prophets most dramatically. In fact, he almost died because he did not listen to the true prophet of Yahuweh in a previous battle. He listened to false prophets, and his father-in-law King Ahab of the northern kingdom of Israel. Americans and the world in general is listening to false prophets by the scores. But, except for His remnant, the true prophets of Yahuweh are not heeded.

But, then, and now, He still sends watchmen prophets to His people to warn them, so that a remnant will escape His wrath. No, we are not appointed to wrath (**I Thessalonians 5:9**), but if we are too foolish to get out of His way when He has warned us, what option do we leave Him? We are in the time of **Joel 1:13-20—time to fast and pray.**

**Amos 3:7:** "For the Master Yahuweh does nothing unless He first reveals His secret to His servants the prophets".

The prophet is primarily a servant/watchman to His people. The training for the prophet is so hard and tough that you should never be envious of those that He calls to this position. The true prophet must be "ground to powder", so that there is nothing of "self-will" left in him, so that they realize that except for His grace and mercy, they have nothing. A true prophet is asked to give up all to follow Him, because he can't afford to make excuses for not obeying.

Since I began hearing from the Father at age four, I have had 100% accuracy in all that He has spoken to me and shown me in dreams and visions--for myself, my family, and for others. He has allowed me to see into the spirit realm, those things that He wants me to know. This way I can share with others.

This is because I learned to know His voice and His ways by knowing His Word. I have had dreams, visions and "words" from Him all during my life, but in the last twenty years, He has been showing me things to come regarding the nations, and His remnant people, especially the end-time Bridal company.

Like Amos the shepherd prophet, I can definitely say that I did NOT call myself! People from many places in the world have recognized the calling He has given me by name, even the anointing by name. This makes me tremble and numb, because I know what He's called me to do, but when others recognize it, then it is sobering to me, because I know that the Spirit has revealed that to them. A prophet cannot hold back to be tactful for the immature and weak. When Father says to declare something, either to a nation, assembly, or to an individual, if the prophet holds back, he incurs the wrath of Yahuweh.

A true prophet is not a mystic—he does not deal in illusions, but in stark reality. His words are only the words of Yahuweh, and nothing else. He is most comfortable in the realm of the Spirit, but when He speaks to man, he is always conscious of the fact that he is under orders from the All Mighty.

But, you must realize that our Father has called you too. He has a plan and purpose for you to do for Him. If you do not know it, you must fast and pray to hear Him about it!

Unless a prophet has 100% accuracy they are a "false prophet". But, also, a teacher, an apostle, a pastor, or an evangelist is also a false minister, if they do not get their teaching from Yahuweh direct by His Spirit! About 98% of those who call themselves "ministers" do not hear from Him, and therefore they are not giving out 100% truth! (**Read Ezekiel 13 and Jeremiah 23**)

My goal is Revelation 22:3-5, so I fear greatly to speak or write in His Name out of my own head. I fear Yahuweh because I know Him, and love Him. But, several times He has gotten angry with me for not obeying as quickly as He would like. I am not a sophisticated person, so it suits me well to daily hear and obey, hear and obey. But, incurring His anger—now that is very scary. I know very well my weaknesses! The fear of Yahuweh is essential if we are to speak His words in His Name—for without fearing Him, if we are inaccurate, we are in BIG TROUBLE! I say these things simply to let you know that **YOU, His child, with purity of heart, can hear from Him in your eternal spirit, and act on what He is showing you. You can be led by the Spirit as per Romans 8:14. You can hear clearly. He is no respecter of persons! He wants you to hear from Him—He a father. He wants you in on what He is doing!**

In I Corinthians 14:1-4, the Apostle Paul tells us that the greatest of the gifts of the gift of prophesy, and that we should ask for it. He is talking about prophecy to the assemblies of believers, with exhortation, encouragement and comfort. But, there is an “office” or life’s position of the prophets of Yahuweh, as with Isaiah, Jeremiah and the others in the Word. They must be “called” from their mother’s womb for this job. The Prophet of Yahuweh is asked to speak judgment to His people (Hosea 8:1; Isaiah 58:1)--to warn, to exhort, to proclaim the Kingdom rewards, and to speak judgment also to the nations. (Jeremiah 1 for example) I’ve studied this “office” for many years, and taught on the Prophets in Bible Colleges, etc. They are like my brothers. Have you ever longed to meet someone written about in the Scriptures? Then you know what I mean.

All nine gifts of the Spirit in I Corinthians 12:4-11 are very important. But, I would say the second most important gift at this point in time, is “the discernment of spirits”—how to determine the difference between the spirits of demons, of carnal man, and of Yahuweh’s Spirit.)

We must understand how the Spirit speaks to us in our eternal spirit, not to our volatile, always fluxuating mental reasoning or emotions. The enemy is good at tricking people by talking to their mind, and if a person is ignorant of the Word of Yahuweh and/or the nature of Yahuweh, in these days, it is extremely easy to be deceived. This is why Yahuweh’s Spirit speaks to our eternal spirit, which is untouched by the five sense realm of the soul—the mind, emotions,

will, reasoning, personality, seat of the sin-nature, that contacts this present carnal world. The soul is unstable, always warring with the spirit, unless aligned with the eternal spirit. The “saving of the soul” is done by obedience to His Word, allowing the spirit to be dominant over our faithless human reasoning and emotional desires.

Prophecy is simply hearing from Yahuweh’s Spirit in our spirit, and proclaiming it out. (If you don’t have the list of “The Forty ways...” that He speaks to us—ask for it). In these days, we must proclaim what He is showing us, in order to save lives. We must be about our Father’s business!

The reason why I see so clearly as to what is happening and about to happen, besides the fact that I’ve studied and taught on the end times for over 42 years and stay in the Word daily to hear Him, is because I do not want to miss one single little thing that my Father is doing to get ready for the return of my Bridegroom, Messiah Yahushua! I don’t care what He asks of me—I want to be in the middle of what He’s doing!

When I was about 14 years old, I, with sobbing, asked the Father to please let me be in the middle of all that He is doing. He has answered that prayer! But, that takes being mobile. Do you want to miss anything? I hope not! Your power and authority-level with Yahuweh and with man, which comes with His backing, is high or low depending on your obedience to what He has instructed you to do. In this day, we must walk in His power and authority. The gifts of healing and miracles, special faith, and delivering from demons, are invaluable when you look at the future without doctors, hospitals, drugs, or any man-made help. (I **Corinthians 12:4-13**) These gifts will be for practical survival in the days ahead. I have seen mighty miracles and lived a life of miracles. But, then, I see things from child-like simplicity—if He said it, that’s the bottom line. I taught my children to move in healing and deliverance, and many times they have brought healing to me. Through my son’s spiritual warfare, He healed me of years of migraine headaches...I have not had once since my son brought that deliverance. Yahuweh and Yahushua have been speaking to man since Adam and Eve, but the great mind-boggling phenomenon that I can’t even wrap my mind around is how few there are of those who call themselves His people who don’t hear Him at all. Some hear a little, but hardly anyone hears daily like we’re supposed to do. If we are His child then we should have a father-child relationship! Our ability to hear Him increases with our obedience level, and our priority in seeking Him with all of our heart, mind, soul and strength. You must develop an authority level where He can trust you with His Word in your mouth. What will stop the horrible demons, and the vicious creation of mutants being done in underground cities in the U.S., Russia, China, and other nations? Only bold declaration of His Word with His authority backing you!

The rebuke of **Zechariah 3:2**, is the most powerful rebuke in the universe. Yahuweh is addressing Satan and uses His own name to do so: “Yahuweh rebuke you; Yahuweh who has chosen Jerusalem rebuke you”. It is much more powerful than any arsenal of weapons and ammunition--for when guns fail, your active faith can prevail.

The Apostles moved in the power that they did because of fasting and prayer, obedience, and humble submission to their Master. In the days ahead we will have to see “the greater works” that Messiah told us about, if we are to survive. Fasting increases your hearing ability, your anointing, your power and authority to do His will. Three-day fasts of food will work wonders—if you couple it with prayer and study of the Word with His Spirit as your Teacher!

**John 14:12-13**: “Truly, truly I say to you, He that believes on Me, the works that I do shall he do also, and greater works than these, because I go to My Father. And whatsoever you shall ask in My Name that will I do that the Father may be glorified in the Son”.

Many believers of the Third World know about the “greater works”—for not only have they experienced healings and miracles and deliverances from demons, but the raising of the dead, walking on water, and other miracles, which Yahushua gave in response to their faith and their obedience to serve Him. He won’t work with a lazy child, but for the diligent He will act!

Do you want to move in those “greater works”? I know I must write about the gifts of the Spirit, for I have taught on them for many years and operated in them, but never written about them specifically. Please someone encourage me in this.

Warn as many as will listen to you! I realize that the tares are now springing up higher than the wheat, and tares are acting like tares--they might appear to

be wheat, but their nature is one of darkness. Tares have all the right religious terminology until you approach them with truth, and then the darkness manifests. The masks are coming off! Jezebel spirits are coming out of the woodwork like termites, in women and men. The pit has been opened, and evil spirits are on this earth that have not been here for about 5,000 years. They seek bodies to work through. Be aware that we are in war already, in this world, and in the spirit world. Be good soldiers of Messiah Yahushua. (II Timothy 2:2-7)

Isaiah 26:20-21: "Go, My people, and enter your chambers, and shut your doors behind you; hide yourself, as it were, for a little while until His displeasure is past. For look, Yahuweh is coming out of His place to punish the inhabitants of the earth for their wickedness..."

Blessings to you with His peace: Isaiah 26:3: "Perfect peace have those whose mind is stayed on You because he trusts in You".

Shalom,

### David Dolan Update on Possible Israel-Syria-Hezbollah War

dolan@grmi.org wrote: THURSDAY APRIL 3, 10:00 PM

SHALOM FROM JERUSALEM,

Widespread media reports of possible imminent war with Syria—probably initiated by an attack upon the Jewish state by Syria’s puppet Hizbullah militia force in Lebanon, supported by Palestinian Hamas fighters in the Gaza Strip, and possibly by Iran itself—have spread like wildfire this week here in Israel. Military analysts say this indicates something is indeed occurring on the ground to raise the war alert, as confirmed by army sources. The cancellation today of a scheduled visit to Europe next week by Israel’s Defense Minister has only added to the war jitters.

On Wednesday, Deputy Chief of Staff Dan Harel warned that Israel will respond “with a heavy hand” against anyone trying to target the country. Israel TV newscasts this evening are all featuring reports and analysis of the tense situation along the northern borders with Syria and Lebanon. Analysts are saying that while neither side probably wants war, the current tense situation could easily spiral out of control, given the heightened military alerts on both sides.

This all comes as Israel makes final preparations for the largest civilian home front war exercises ever conducted in the country, due to begin on Sunday and last through next Thursday. The cabinet is scheduled to meet Sunday morning in a special session meant to simulate an actual war emergency, followed by war drills in many hospitals, army bases, emergency response services, municipalities, police stations, etc. **An actual war siren will be sounded on Tuesday morning at 10 AM all over the country.** People everywhere will be instructed by the media in the coming days to respond then as if an enemy attack was in progress, to test their preparations for the same.

Jerusalem Post military reporter Yaakov Katz confirmed on Israel state television tonight that IDF forces are on the highest possible level of alert in the north, in response to intelligence information that the Iranian-backed Syrian regime—supplemented by major army reserve call-

ups reported in various Arab media outlets in London and elsewhere in recent days—have recently moved two armored brigades into the Lebanese Beeka Valley, where Hizbullah has its main military bases.

Katz said that while neither Israel or Syria probably wants a full war right now, the Syrians are wary that Israel will attack them if Hizbullah launches the promised “revenge” response to the killing of arch terrorist Imad Mughniyeh in Damascus on February 12, which the radical Lebanese group and its Iranian paymasters blame on Israel, despite denials of responsibility from Jerusalem. Katz added that Syria may be preparing for war because it knows that Hizbullah has a major operation pending against Israel, probably supported, if not ordered, by Iran—whose extremist Shiite leaders have vowed to avenge the car bomb attack on Mughniyeh, who was closely associated with them.

Speculation that a major conflict might be brewing grew substantially after the Israeli security cabinet held a special meeting on Wednesday—usually only convened in times of heightened military tensions or activity—mainly to discuss

the situation in the north. **The cabinet then announced that authorities will begin distributing anti-gas mask and biological weapons kits to the general**

**public in the coming days—adding to the growing sense of crisis.** Various Israeli media outlets reported today that officials suspect that Syria may have transferred chemical weapons to Hizbullah forces, including deadly Sarin nerve gas. This comes after Iranian Armed Forces Chief Hassan Firouzabadi hinted in February that short-range nuclear warheads might have been sent to the rogue Lebanese militia force, which is partially commanded by Iranian Revolutionary Guards. Meanwhile a Syrian parliament member was quoted in the Arabic media today as confirming that his country is

currently monitoring Israeli military communications with the help of advanced Iranian equipment and listening outposts set up in Syria.

**Today’s announcement that Defense Minister Ehud Barak had cancelled a scheduled visit to Germany next week because of the heightened war tensions with Syria has definitely caught the attention of the Israeli public.** All of the new war talk comes as the country’s hotels are fuller than they have been since just before the Palestinian Al Aksa terrorist war was launched in September 2000, with record numbers, especially American Jews, scheduled to come here next month to **celebrate Israel’s 60th anniversary—May 8th.**
