

UPDATED WORDS FROM 1986

February 16, 1986

Father what I am to say?

I bring unto you the remembrance of My word, as I washed the feet of Peter and the other disciples I told them why and I commanded them to do the same for each other. As I did it for them so have I done it for you in these days. Then I gave them a new commandment, to love one another, for by your strong love to each other they shall know that you are My disciples.

I have also promised you that I will punish you for deserting Me and worshipping other gods, yes idols you yourselves have made, for then you used to worship images and statutes and things made with your hands, now you worship yourselves, your priorities, your likes and dislikes, your opinions, your thoughts, your feelings and your knowledge.

You have done well to minister to your brother and sister, but you would do better if you do it unto Me and not unto yourselves. For now you have the idol of ME, MYSELF, MY FAMILY AND MY MINISTRY.

Minister My love to your brother and sister, comfort them in their loneliness, bring them even the most insignificant gift, bring cheer and encouragement, share your substance, show your faith and love for Me with your works. Do not smothered My Holy Spirit because you think that these things are not of Me, because you think that you do not have time for your brother and sister, because you think that you can only take care of yourself and your family.

I am warning you, remove that idol from My sight, repent and turn to me for My return is eminent and I have call you to come out from among those that are following the wide gate to hell. Come, my people, come, hearken unto My voice and heed my commandments that you might enter in the narrow gate that leads to Me. Sayeth the Lord your God and Redeemer.

Why am I so happy these days?

Because my Heavenly Father has changed and transformed me since 1985, but this year He has done an especial work within me.

I used to be bogged down by so many cares and traditions it was sheer misery. But now my misery is gone and joy has taken its place freeing me from such a misery because of my Heavenly Father Yahuweh's blessings.

Since 1985/87 I have known the truth about our Heavenly Father Yahuweh and

Yahushua HaMessiah, about Christmas and Easter and Halloween but, I have never had the courage to stand up for the truth.

I just went along with everybody and the traditions in which they participate. But the time is drawing near and this year though, I have realized that I have been wrong compromising the very essence of what I stand for.

My Heavenly Father has given me the courage necessary to stand up for the truth about our concept of Him, Yahuweh, Yahushua His Son and our Messiah and our traditions.

So, this year of 2006 I will not celebrate any of those pagan holidays. Instead I will allow Yahuweh to separate me unto Himself and worship Him in spirit and in truth--the way He calls us to worship Him and I will be waiting for Him to make a way for me to go Home to Jerusalem!
