

WHAT ARE THE WORLD'S ELITE DOING To Prepare Their Ark For Coming Disasters?

“...for the children of this world are in their generation wiser than the children of light”. Luke 16:9

What are the Luciferic world's rulers doing to prepare for themselves for the days to come? They know their own plans, received from their god Lucifer. They know the world devastation that must come to create the needed chaos to bring their god onto the throne on the Temple Mount. They also know about things they cannot control and they are scared of those things. Yet, they are working furiously to provide for themselves to survive in the next 3½ to 7 years. Few of Yahuweh's people are doing anything to prepare for the days ahead. But, we look at the chief Lucifer leadership under the Illuminati, in America and worldwide, and we will see much activity.

I got in on the tail end of the night news—NBC—with Brian Williams. They told of what happened yesterday in Norway, and showed pictures. I was shocked. Once the public news tells us something, its been done for a long time.

According to NBC, yesterday (February 26, 2008) the **“Global Seed Bank”** opened in Norway, officially.

I personally know that the World Food Organization has been storing grains, in top ground and below ground granaries, in the Aqaba/Petra area of Edom— on the Red Sea in Southern Jordan—since at least 1963, because that area is the area zoned off for world refugees and disaster and famine relief. It is the area that the Bible says will be the safe zone for His people during the 3½ years of the tribulation period under anti-messiah. (For more on this, ask for the article: “The Re-gathering and Preservation of All the Tribes...”) The evil one can't touch it—Daniel 11:41, and etc. In Isaiah 33:14-17 it says that the food and water will be sure of those who meet His requirements and are hidden until Messiah comes in Edom. I lived in that region for 8 years and saw detailed prophecies fulfilled to do with the last 3 ½ years and His provision for His set-apart remnant there.

Excerpts from the article from MSNBC news, February 26, 2008--link: www.independent.co.uk/news/europe/norways-doomsdayvault-holds-seed

“It is referred to as the **‘Doomsday Vault’** and housed in an icy steel and concrete bunker, more than one hundred meters deep inside the mountain permafrost of an Artic archipelago. Yet the **Svalbard Global Seed Vault** is man's latest attempt to create a **latter-day Noah's Ark**, or insurance policy, for the planet in the event of a catastrophic event... it has the capacity to hold up to 4.5 million batches of seeds from all the known varieties of the planet's main food crops. ...It has been built to

withstand nuclear missile attacks and even dramatic rises in sea levels. Norway's Svalbard Islands lie some 620 miles south of the North Pole deep inside the Arctic Circle...The vault is protected by high walls of fortified concrete, doors armored with steel plate and a home guard of free-roaming polar bears...The Svalbard vault already appears to have survived its first environmental test. Last Thursday what was described as 'the biggest earthquake in Norway's history'—a tremor with a magnitude of 6.2—was registered near the archipelago."

The world's people are preparing for a worldwide disaster that could destroy the earth's supply of food and even trees of different types. Yet, this vault is not just being prepared for seeds. We hear so little of anything but tabloid news, for there has been a purposed news blackout to the U.S. for over 40 years. What they tell us, then, must be researched out as to why they are telling us these things.

Is great worldwide destruction in the Word of Yahuweh in our day? Yes! Revelation chapter 8, and many other passages throughout the prophets, tell of the destruction of the earth, like Isaiah 13 and 24, before Messiah's coming. Revelation 8 tells us that cataclysmic events will happen that will destroy a third of the world's trees and all grass, and destroy 1/3 of the rivers, lakes and sea life, and affect 1/3 of the sun, moon and stars. Revelation 8:10-13 also tells us of a huge fireball from heaven that comes to bring destruction that is called "Wormwood".

One of the main fears of the world's leaders is concerning this fireball. It has been called for a long time, "Planet X". But, since 1983, NASA has identified it--information came out in newspapers and magazines--and in 2006 made it "public" on Internet news, but not openly to the average citizen, except in movies. There is rising great concern about it. It is estimated at the size of Jupiter, which is 318 times the size of earth, and definitely headed towards earth. It is not a planet, not a star, not an asteroid or a comet. It is what is called a "brown dwarf star".

From The Return of Planet X by Dr. Jason Rand, pages 131-132: "A dwarf star is an object that is too big to be considered a planet, but not quite big enough to sustain the nuclear 'fusion' of hydrogen in its core to come a real star. Dwarf stars...also called 'brown dwarf stars' just smolder under the weight of their own massiveness but never fully ignite."

In 2006, "Planet X" became the 10th planet, designated by NASA. Shortly after that NASA removed Pluto as a planet and Planet X became the 9th planet. Because it is so dark, it can only be seen from a distance by infrared light, which NASA used to see it. It is approaching from the south—towards the South Pole. It is sneaking up on us, and until it is very close, we won't be able to see it. Already much scientific activity is on the South Pole for different reasons, including this one.

From Rand's book, page 139: "...in 1983, NASA struck pay dirt! NASA's newly launched IRAS (Infrared Astronomical Satellite) actually spotted a large, dark, mysterious object coming towards us from the depths of space. The discovery was first mentioned in a 1983 Washington Post interview with the chief IRAD scientist from JPL in California, Dr. Gerry Neugebauer."

From the Washington Post article: "A heavenly body possibly as large as the giant Jupiter and possibly so close to earth that it would be a part of this solar system has been found in the direction of the constellation Orion, by an orbiting telescope...the object has been spotted on the western edge of the constellation Orion...and there has been some speculation that it might be moving towards earth".

It is already pulling on Pluto and Uranus. It is very possible that it is also causing some of the storms, volcano eruptions, earthquakes, and tsunamis that we have experienced recently. The oval orbit of this "dwarf star", scientists estimate, brings it past the earth approximately every 3600-4000 years. The degree of destruction depends on its orbit, as it passes earth, goes around the sun, and then returns past the earth.

Noah's day was about 5,000 years ago. But, the events of the deep and water canapé over the earth being broken up, and the pole shift that occurred, which happens when Planet X comes through, could be connected to the time of the Flood—Genesis 7. Before the Flood, earth was watered by a mist, and about 72F degrees over all the earth. A man could run 200 miles and not get tired. People lived to be hundreds of years old. But the pole shift caused man's life to shorten, because of the decreased oxygen supply, and caused ice to form at the poles, created new weather patterns, and the earth became quite different than before the Flood. Either before or when Messiah comes, the poles will shift back into their pre-Flood positions, causing "a child to die at a hundred", as Isaiah says. The pre-Flood conditions will be reinstated. (From Dr. Carl Baugh, Creation Science Museum, Glen Rose, Texas--information on NBC news) Dr. Baugh built a hypobaric chamber, with the exact atmospheric conditions before the flood, in which a person could be healed instantly of wounds and diseases by the high oxygen content.

Planet X was called by the ancient Sumerians, "Nibiru", which means "The Planet of the Crossing"--because it's path crosses earth's path. It will come through the asteroid belt, which is from Mars outward, and send asteroids shooting at us. Depending on how it passes between the earth and the sun, it could create a pole shift. It also could create 300-400 mph winds on the earth. In a pole shift the tectonic plates slide over the earth's molten core, shifting the earth's crust around.

Some scientists contribute that the increased earthquakes, high winds, and volcano eruptions are being created by the pull of Planet X on us already. However, some of the devastating weather conditions and earthquakes, sea storms, etc., are being caused by Russian and/or American scalar weather warfare—but possibly not all of it.

Planet X is supposed to make its first pass of earth, coming up from behind us to the south, on September 18, 2009, then go around the sun, and make its second and most powerful pass on December 21, 2012 (the day the Mayan calendar ends, and the new age supposedly begin).

This brown dwarf star out there is not myth, fantasy or paganism. In all ancient cultures the happenings of the passing of this “dwarf star” are recorded in detail. Some suggest that it’s passing caused the plagues of Exodus

7-14, and the opening of the Red Sea. I find that far-fetched, since it was Moses, under the direction of Yahuweh, who instigated the plagues, and by his authority opened the Red Sea. It is also possible that “X” passed through in the days of Peleg, for in his day, after the Flood, the “earth was divided” (Genesis 10:25). It could have caused the continents to break apart. But, we know that a pole shift did happen at the time of the Flood, no matter how it happened. And, we are in the days of Noah, no question about that.

The events of the passing of this brown dwarf matches perfectly Isaiah 13 and 24, and other passages which tell us that the earth will be shaken violently and teeter totter like a drunken man. In Hebrews 12:25-29, when He says that He will shake the earth and the heavens, He is not kidding!

We know that the anti-messiah will come with fallen angels, Nephilim, and their entourage of lies, deceptions, and false signs and wonders. (II Thessalonians 2) This deception sent by Yahuweh upon those who do not love the Truth—His Word—is the great deception that will fool even the “elect, if possible”. It will shake many people’s faith, there will be great apostasy, and many will think it is the return of Jesus.

It is very possible that Lucifer in the flesh (anti-messiah) will somehow use Planet X in his plans to terrify and deceive mankind. The first passing of Planet X is slated for September 18, 2009. SEPTEMBER 18, 2009, SUNSET, BEGINS YOM TERUAH--THE FEAST OF TRUMPETS, going into 2010 on the Hebrew calendar.

It is possible that the first passing will create such trauma among the world’s people that when anti-messiah comes at Passover of 2012, he will use the second passing, December 21, 2012, as a means of getting everyone on his side. Our blessed Jewish Messiah Yahushua comes on a Feast of Trumpets three and a half years after anti-messiah’s appearing. When He comes, there will be much cosmic activity too.

Luke 21:25-27: “And there shall be signs in the sun, and moon, and stars, and on the earth anxiety of nations, in bewilderment at the roaring of the seas, with agitation, men fainting from fear and the expectation of what is coming on the earth, for the powers of the heavens will be shaken. And then they shall see the Son of man coming in a cloud with power and great glory”.

In Revelation 6:12-17, Joel 2:30-31 and other passage, we see a scenario at His coming that could very well fit into the scenario of Planet X. He comes with the wrath of Yahuweh (Revelation 11:15-19).

How this plays out, we don't know. But, if and when this great object from space comes, the enemy will use it for his advantage, but also so will Yahuweh!

The world rulers are especially afraid of Planet X's coming. (For more information on Planet X, ask for the article by a dear brother who did a lot of studying on this subject, entitled “2012”) Has the time for the trumpet judgments to begin arrived? Yes! And from this coming Yom Teruah, Feast of Trumpets, September 29, 2008 (beginning 2009 on the Hebrew creation calendar) the trumpet judgments will begin. Since September 29, 2000, the seals have been off (Revelation 6) and the first five are in full operation over ¼ of the earth, as stated. Would not the trumpet judgments begin on a Feast of Trumpets, since at the blast of the last of the seven trumpets Messiah Yahushua comes with the wrath of the Father? (I Corinthians 15:51-58 with Revelation 11:15-18) Messiah comes on a Feast of Trumpets at the end of a Shmittah year—the seventh year of a seven-year cycle. We are in the next to the last Shmittah year before Messiah returns. (For the trilogy of articles on this great transition into Daniel's 70th week, and other events, ask for the articles: “The Shmittah Year Prophecy”, “The Forty Eight Hour Transition” and “The September 12, 2007 Report From Jerusalem.”)

When I began researching these things as the Spirit of the Father was leading me, and leading others that I did not know about until later, He did not reveal the mid point of the seven years, which will be marked by the coming of the anti-messiah and his entourage of fallen angels and Nephilim (Genesis 6, Numbers 13). Afterwards, as I looked, I saw that the mid-point was 2012.

When I began my study on 2012, I was deluged with a tidal wave of information, from New Age people, to NASA scientists, to chronologists, to calendar changers, to the pope and the Jesuit Illuminists, as well as from Word-sound believers, and mixtures of others.

Do the world's Luciferic leaders under the Vatican/Jesuits/Illuminati know about 2012? That's laughable—they know about it so well that they are terrified. They are scared of their own plans. But, they also know that events

like the return of Planet X is about to happen, and government changes are about to happen, and the sun is going to fall through the galaxy, and all types of cataclysmic events are going to take place, and they are not like the naïve and ignorant who do nothing—they are wise as serpents and deadly as a green mamba, viper, or coral snake.

We are called upon to be “wise as serpents and harmless as doves”, but unfortunately, most “believers” are victims of serpents, because they have not learned the wisdom that their enemy knows.

Proverbs 27:12: “A prudent man foresees evil and hides himself, but the simple pass on and are punished”.

The wise act! There is a natural wisdom that causes the knowing ones to prepare to at least save their lives and their family’s lives. But, most Americans are in denial that anything is going to happen, thus few do anything to prepare.

But, the world rulers of Lucifer’s kingdom are doing much to prepare. There are approximately **200 underground cities** (I mean cities) in the United States, about that number in Russia, in China, and a few in Israel, and some in other G-8 countries. Some are secret laboratories for the creation of the transgenic mutants experiments of the Pentagon and other government atrocities of DNA mixing, disease creations, military secrets, the hiding of Nephilim, and cloning of human bodies for the Nephilim spirits-- Genesis 6. But there are cities there also for the hiding out of the elite when what their god has planned comes down. One huge facility is in Alaska, another in Virginia.

In Norway, they have also built a huge vault to protect themselves. All over Europe and other places, these vaults are being prepared for nuclear war, for disease releases, for protection from their own creations of “super soldiers”, “trans-humans”, and super “trans-animals”. (For more on this ask for the articles: “Eugenics—The Planned End of Mankind” and “The Preservation of the Royal Seed”.)

The world’s elite rulers also need protection from other elements of warfare they have created—weather warfare and planned famine. They will be shut in with good food and water and all the necessities for a good time until they can come out of their own self-made arks and take over the world with their god-ruler. Unfortunately for them, they have not been clued in on the plans of their god—Lucifer/Satan for their demise, and so many will end up in Petra with the remnant of Yahuweh’s people. That has a ring of humor to it. (Revelation 6:12-17)

Interesting enough, as in Isaiah 33:14-17, Yahuweh's set-apart remnant in Edom will have their good food and water given to them. Yahuweh takes care of His own! Many things are about to happen that can and will bring forward the world rulers' goal of eliminating 95-100% of mankind. But, Yahuweh will preserve a remnant of His people, no matter what Satan/Lucifer/anti-messiah does!

From a 2007 report by a Norwegian politician: (From the Project Camelot website): **"I would like to say that difficult things will happen from the year 2008 until the year 2012.** The Norwegian government is building more and more underground bases and bunkers. When I enquire when they are due to be finished, they reply 'before 2012'. Israel is also doing the same and many other countries too.

Planet X is coming and Norway has begun with storage of food and seeds in the Svalbard area and in the arctic north with the help of the U.S. and the E.U. and all around in Norway. As for me, I already know that I am going to leave before 2012 to go to the area of Mosjoen where we have a deep underground military facility. The people that are going to be left on the surface will get no help whatsoever. The plan is that 2,000,000 Norwegians are going to be safe and the rest will die. All sectors and **arks** are connected with tunnels and have railcars that can take you from one ark to the other...All the major politicians know this in Norway, but few will say it to the people and the public—because they are afraid in case they, too, will miss the **NOAH 12 railcars** that will take them to the ark sites where they will be safe...Remember that those who are going to be in and around the city areas in 2012 are those that are going to be hit first and die first... **The public will not know what happens till the very end, because the government does not want to create mass panic. Everything will happen quietly and the government will just disappear."**

[My note: This exact scenario is also being planned for America.]

From another Norwegian politician speaking to Project Camelot: "Later, when I got into politics, I began digging into this because I needed more answers. What I found out was that these bases were **arks** for the government and some of the people and military to survive inside. There was a threat from outside that was going to in the year 2012 and that the human species had to survive...The 'Planet X' I learned about is from all what I have seen until now. **The government knows this and are keeping it from the public. They have been tracking this object for a long time now and were given the first warnings from the USA.** I know that 18 bases exist in Norway. I don't know what many of the dangers are because I am not a scientist. **But what I know is that before 2012**

the different governments are going to leave for the bases that they have built for the last 40 to 50 years... We were just told that we have to leave before 2012 and that there is something from space that is going to cause destruction.”

From ABCNEWS.com April 25, 2004: “Officials have rehearsed an ‘Armageddon Plan’...For 20 years unbeknownst to most of the public, U.S. officials and private citizens have rehearsed a secret plan to preserve America’s government if Washington or other key cities were somehow wiped out and perhaps even to take control of the government if the nation’s top leaders were lost...This is really an echo of the ‘Continuity of Government’ plan—secret locations, secret codes. Formulated during the Cold War, the original plan dealt with the

possibility of nuclear attack...The plan was so secret until recently”. There are plans and preparations for government takeover. (Read the Washington official statement of the plans of continuity of government in the article: “Laws of Takeover”.) There is a “secret government” that is hiding and waiting for takeover—even with a President and Cabinet. Preparatory plans! Yet, the American public goes on as usual.

I have been gathering information on the planned escape of government leaders into the underground cities, or to places like Norway or Petra, for a long time. They won’t tell you until it is too late, but the Bible has been telling you. Father’s Spirit is faithful to show those diligent ones what is to come—those who study the Bible with the Author. He reveals secrets to His set-apart ones that are, like the Apostle John, close to Him through obedience.

Revelation chapter 8, and Isaiah chapter 10, 13 and 24 are just a few chapters that talk about the return of ‘Planet X’—perhaps the “Wormwood” of Revelation 8. NASA has renamed it and told us about it a few years ago, making nothing of it.

The return of Planet X is also connected in part to the Mayan calendar ending, which declares that on **December 21, 2012**, the end of an age will come, and their god Quetzalcoatl will come from the sky to rule the world. The New Age people believe that a great “convergence” will take place in 2012, and a world ruler will come that will purge the planet of all “negative forces”—meaning Yahuweh’s people.

NASA scientists fear 2012 for many reasons: The sun will do a flip, they say-- its polar regions will flip, throwing massive sun flares towards earth—creating the “Solar Maximus”. The planets are supposed to align, and the sun will, for the first time in history, fall through the galaxy from top to bottom.

You can find all this out on good ol’ “Google”. But, just remember “Google” is controlled by bad old F.E.M.A.—America’s real secret government who are waiting for the collapse of the presidency so that their plans and the “Quartet” can take over. The Quartet—E.U., U.N. U.S. and Russia--are more powerful than any one single

government on earth. Right now F.E.M.A. is biding their time being the good guys who are taking care of disaster victims from disasters that scalar technology has created.

It appears that all the G-8 nations, and the 9th one too—China—have underground cities and vaults ready. It appears that Israel does too—the U.N., having taken over Petra, are now doing deep underground excavating.

Of course, they know about the “think tank” diseases--created mostly in American and British laboratories--soon to be released in their entirety on the earth’s people, the planned world famine, the giant murdering mutates they have also created by DNA mixing of human and other species, the release of the Nephilim and the coming of the fallen angels, the horror of weather warfare and space warfare that is going to intensify--so they have reason to panic.

They openly defy Yahuweh, and He will terrify them to the max at the coming of Messiah Yahushua—Revelation 6:12-17. Mankind will panic, so the world’s government are hiding anything that will cause panic, while they prepare for their own safety.

Luke 21:25-26: “And there shall be signs in the sun, and moon, and stars, and on the earth anxiety of nations, in bewilderment at the roaring of the seas, and agitation, men fainting from fear and the expectation of what is coming on the earth, for the powers of the heavens will be shaken”.

While the Luciferic world leaders under the Vatican Jesuits panic at the potential of the horrors their “think tanks” have devised, and work furiously to preserve themselves and the earth’s food supply, the “the band plays on” in America with entertainment in the sand box, while American citizens chitchat about the latest fashions, the ball game, the job, the kids, and some movie or

T.V. show, the latest flu or etc. etc.—you know the routine. Then when people finally begin to wake up and realize their lives are in danger, they will fall apart emotionally and mentally, because they have trusted in man for their security, and not spent the time necessary to learn to walk by faith, holding Father’s hand in dependency and trust. Thus, they have nothing to hold onto but air. (Jeremiah 17:5-9)

I know it is hard to believe, but the elite leaders—Lucifer worshippers—bound to get their god on the Temple Mount--are terrified of something that we called our “blessed hope”. Titus 2:13-14: **“...looking for that blessed hope and esteemed appearance of the great Elohim and our Savior Yahushua Messiah, who gave Himself for us,**

to redeem us from all lawlessness (*Torah-lessness*), and to cleanse for Himself a people for His own possession, ardent for good works”. (Italics mine)

In Revelation 6:12-17, we see that the world’s most powerful and wealthy are in caves in the rocks, and terrified of the “wrath of the Lamb” as He comes with the Father’s wrath. In Revelation 19:19, at His coming, we see that the armies of the anti-messiah are posed, ready to shoot Him down along with His hosts. In Revelation 17:14, also, we see that they are positioned to “fight with the Lamb”. From my own personal inside information, I know that the nations of this world have been meeting for a long time to try to figure out how to stop Him from coming back, and to rid the earth of those who believe that He’s coming back. As with China and other nations, it is potentially illegal in America to actively believe that “Jesus”, “Yeshua” or Yahushua is coming back. When I was in Aqaba, Jordan, those 8 years, periodically, the representatives from America’s national security would come to us, pretending to be Christians, to find out if we believed that Jesus was coming back. I found out from an x-National Security man that in fact, they are going all over the world to all ex-pats to find out their beliefs about the “second coming”. In fact, topping F.E.M.A.’s big book of “nonos” that categorize people as potentially harming the government are those who believe in the “second coming”. So, besides their own plans to destroy 95-100% of the earth’s population, and their knowledge of things from space that are beyond their ability to control, they are scanning the heavens for the coming of Messiah.

This should cause you who know Him to shout for joy!

“As it was in the days of Noah, so shall it be at the coming of the Son of man. For as they were in the days before the flood—eating and drinking, marrying and given in marriage---until the day that Noah entered the ark, and they did not know until the flood came and took them all away, so also shall the coming of the Son of man be”. (Matthew 24:37-39)

I Thessalonians 5: “**But you, brothers, are not in darkness that this Day should overtake you as a thief”.**

Noah was told seven days before they were to enter the ark. Yahuweh does nothing in secret for the children of light. (Amos 3:7) He is showing many that we are inside the last seven years before His coming, beginning this year.

With no judgment, just sadness and grief, I say that the naïve and/or ignorant who live to satisfy their own fleshly desires, will be surprised when the tidal wave of reality hits and they have no clue as to how to trust a “God” they do not know.

Mark 4:25: “**For whoever possesses, to him more shall be given; but whoever does not possess, even what he possesses shall be taken away from him”.** This, in

context, is talking about those who have knowledge from hearing Yahuweh and Yahushua. Those who hear and obey Him get more from Him, more insight, more knowledge, more understanding, more authority-backing, but those who are too lazy to seek Him with all their heart, even their belief-

systems will be gone in a flash, when they see reality in its most horrifying state.

Martial Law has been in effect since the day after 9/11. The yellow-fringed American flag is the martial law flag. The President was given an addition 550+ Executive Orders on that day. Martial law, a satanic regime of horror, could be put in force if Planet X comes through, if bird flu is released and there is panic, if Russia attacks us (which is not only possible but probable, from Scripture and their maneuvers off our coasts recently), if the “big one” earthquake hits California as predicted by F.E.M.A., or a number of other things. It is all ready in place to go into effect. But, the public will never know the truth about it in full, since they will be confined to their homes until the foreign troops are put in place to patrol us.

Matthew 24:21-22, 25: **“For then there shall be great distress such as has not been since the beginning of the world until this time, no, nor ever shall be. And if the days were not few NO FLESH would be saved, but for the sake of the chosen ones those days shall be shortened”**. (Shem Tov Hebrew Matthew)

The “few” days refers to the time of the wrath of Yahuweh being poured out as Messiah comes. He comes with the wrath of Yahuweh—see the wording of Revelation 11:15-18, and Isaiah 63:1-6, and hundreds of other passages on His coming, which describe His coming in wrath, and “No flesh” or “few” being saved. (Ask for the two-page study sheet “No Flesh”, and the one page sheet on “Nuclear Holocaust in the Scriptures”)

When the tests of reality hit, the unprepared, like those that came out of Egypt under Moses, will run to someone for security, or to self-created security, even if it means returning to slavery, rather than trust a “God” they do not know. Many are in denial right now, running from reality, claiming that nothing will happen to them—that life will go on as usual. But, by this programming the Programmers--the Illuminati elite--have been able to control our thoughts, our actions, our desires, our goals, and our total lives in general, without our knowing about it.

The U.S. President has been the head of the world government, and has been since May of 1999—publicly announced on CNN and BBC Europe—I saw it from overseas. But, of course, Americans did not see it, because of the purposed news blackout to us, which has been in effect for over 40 years. We are supposed to stay stupid and controllable. Those who are not controllable by wicked men are on lists as “resisters”, and guilty of “potentially harming the government”. If you are one of

“those” then you’d better doubly prepare, especially spiritually, to either endure and overcome, or be a very good martyr and obtain a high reward in His Kingdom.

I recommend you read Fox’s Book of Martyrs and get the news magazine of the Voice of the Martyrs—they will prepare you for what is coming. Voice of the Martyrs has a children’s magazine, also, to help prepare your children.

Our eternal positions are at stake now. The tragedy is that the “cowardly and fearful” who will throw faith to the wind, will end up in the lake of fire along with all those they fear—Revelation 21:8.

In the days to come there will no security from man—zero. (If you’d like to know what the Illuminati has done to us emotionally, mentally and physically, ask for the trilogy of articles: “Mind Programming”, “Quiet Wars and Silent Weapons” and “The Core of the American Syndrome”—especially “Quiet Wars...”, where I quote from the Illuminati’s own manual)

Most so-called “believers”—have a belief system that is untested. Many, sad to say, are already beginning to panic and show their immaturity. **Just know that we are going to be tested beyond our imagination!**

The church has told most of us that “God” will take care of us and we don’t need to be concerned about anything. But, they do not know the Hebrew Elohim of the Scriptures, who expects us to grow up and take responsibility and act on our beliefs. If we are in Covenant relationship with Him, then we have our part to do in obedience to that Covenant. There is no salvation without repentance and submission to our Master in humble obedience--that reality is not taught by the church. Luke 14:25-33, Luke 18:28-30; Matthew 10:34-39, Mark 8:31-37 and other such passages are generally not taught by the church—and if it is, it is for the few who want to be “missionaries”.

The fastest way to learn to swim is to jump into the 12’ end of a swimming pool with no help. You’ll either swim or drown. Taking classes in the shallow end takes time. We don’t have that much time left—maybe less than a year before the martial law takes all we have, even our lives if possible. Economic collapse and planned famine, the release of created diseases—all are about to take place in America. Few will be able to handle the economic collapse. But, into the 12’ we are going!

If you want to learn faith, get out of the comfort zone, and jump into the 12’ deep end by yourself. You might as well jump in by yourself, and stay calm and peaceful so that you at least tread water, rather than being thrown in by the foreign troops that are in mass in our country, and learn to swim with a gun pointed at you. I’m an American, but my 8 years of living in the Middle East and my seven years in and out of Africa, my years in China, Mongolia, Russia, and other countries, have taught me reality.

Those who have prepared, and learned to know Him, and to walk by faith in total dependency on Him as a little child, and learned basic survival skills, will have a good chance of making it through. Our Father wants us to know basic survival skills. When the Roman guards came to arrest Him in the garden, He told Peter that it was time to buy a sword.

But, be aware that all your plans, your survival skills, your ministry, your popularity in your circle, will not help you when you have to flee for your life, face the guillotine, the gas chamber, the oven, the firing squad, the mental institution, solitary confinement or whatever torture they want to put you through. All phony spirituality will be out the window.

Those that have learned to think in terms of self-denial and have toughened themselves up will keep their sanity and survive. Where did all that good teaching on “death to self” go? Read carefully Romans 6. If we are dead to all but Him, then life and death will fall into their proper order. (I’ve written an article called “Walk the Hard Road”...it is from my own experience with toughening up in the wilderness of southern Jordan for 8 years)

We must have the wisdom of good soldiers—who know the enemy and how to thwart the enemy in the power of our General, Yahushua. It takes calm, peaceful, strong faith—knowing Him, knowing His nature, knowing basic survival and wisdom in dangerous situations, knowing how to trust Him, and having His authority to back our proclamations and declarations against the enemy. We gain authority level and clout with the Father by obedience in small things—one day at a time. He has to trust you, as well as your trusting Him! _

Natural and spiritual preparations are most important—downsizing, simplifying, getting out of debt, letting go of all that psychologically and emotionally ties us down, selling, packing, giving away what is not needed, and hearing Him above all. It is also important to stock up on at least a few months worth of food and water, if you intend to stay where you are.

Be aware that **“without faith it is impossible to please Him”**. (Hebrews 11:6) He won’t and can’t work with a whining, complaining, fearful, spoiled brat, who is in a state of anxiety and panic. **Faith and fear cannot mix**. Faith in Him is walking in obedience in the light. Fear is walking in unbelief, disobedience and darkness.

If you are untested, you don’t know yourself! The tests to come will show you who you are and what you are. All masks will come off quickly. Your true nature will be revealed and your faith-level exposed. (Deuteronomy 8:2-6: He tested them in the wilderness to find out what was in their heart) **The “tribulum” will be raked over us over and over, to remove the chaff—those things that cling to us and bind us and make us unfit for His service.** The “tribulum”—a Latin

word--is a farm instrument that is raked over grain to remove chaff—it is good for us. This is where we get the word “tribulation”.

Many who seem “spiritual” now will show themselves to be spiritually naked and undone. Those who appear religious—but are self-righteously proud now-- will find themselves face down in the mud when the horrors hit and they can’t stand the testing.

In the days to come those that know how to hear and be led by the Spirit of Yahuweh will survive in dangerous situations. Our human logic and reasoning won’t get us anywhere but dead. Only the Spirit knows how to keep us alive! Only the Spirit can help us be good martyrs. Our Father in His mercy is bringing a few people together who are learning how to survive in all ways in the days to come—as those who are faithful to Yahuweh; we need each other.

The “I need my space”, “my things”, “my life” attitude is a killer attitude. Self-centeredness and selfishness is a sign of a bratty child. Mature people lay down their lives for what they believe—like our Master told us—John 15.

If there is no “fruit of the re-born spirit”—Galatians 5:22-23—manifested in a person’s life, which comes after repentance, belief in Messiah Yahushua, and embracing of the Covenant of Yahuweh--then there is a good possibility they have just embraced a belief system and little else. Those with the fruit of His nature in their lives, have no problems laying down their lives for others! I encourage you to very carefully read **I John chapter 2 and 3**, in fact read the whole book—it specifies who is of Him and who is not.

Lone sheep will have problems: Dependency on man for our own security, our needs and our own agenda is one thing, **but in the days to come unselfish coming together in faith with like believers is very important!** (Hebrews 10:25) This is not talking about having church services or large meetings—it is talking about the small set-apart remnant who need to meet regularly to encourage one another. Those who will fall away due to the pressures to come are already showing signs of falling away. These will be the main betrayers of the set-apart ones. It is important to watch and listen and be careful whom you trust! We must lay down our sandbox mentality—the petty fighting over things. It may also be needed that people come together to share supplies, but that

takes maturity so that the greedy don’t overcome the others. We need strong, mature Moses types to be raised up to shepherd the people who are suffering.

Few will make it alone without fellowship, encouragement, and love from real fellow believers. If we have a weakness, the enemy will find it. Binding together with like-believers who manifest the fruit of the re-born spirit can be lifesaving. The enemy’s discouragement is all too real.

Malachi 3:16-4:4 and many other passages to do with the last days, tell us that those who fear Yahuweh and obey His commandments are in His favor. He protects those who fear Him above fearing man. **We cannot fear Yahuweh and fear man, mutates, Nephilim, or fallen angels, at the same time.** Fear of Yahuweh is a set-apart fear that brings strength, power and authority in His Name. The other type of fear is pathetic weakness that brings total failure.

Matthew 10:28: “**Do not fear those who kill the body but are unable to kill the soul. But rather fear Him who is able to destroy both body and soul in Hell**”. “Fear” in Hebrew context means: “to be terrified, fearful, dread”. It means that you need to be terrified of displeasing Yahuweh!

If the wicked ones of the world are beginning to panic and prepare their vaults and arks, and underground cities, for their survival—we need to take note.

Faith in Yahuweh produces the fruit of peace, calm, rest and quiet trust. Anxiety shows we are trying to control something. Peace shows that we are allowing Him to control things. In our preparation, let Him guide. We are to follow and obey. Acting out of emotional upset won’t work—Father can’t help us if we are in that state. The horrors of the days to come will cause many people’s minds to shut down. When this happens, it is only what we have put into our eternal spirit of His Word and His presence that will stabilize us.

Isaiah 26:3: “**You will keep him in PERFECT PEACE whose mind is stayed on You, because he trusts in You**”.

Hebrews 11:7: “**By faith, Noah, having been warned of what was yet unseen, having feared (Yahuweh,) prepared an ark to save his house, thorough which he condemned the world and became heir of the righteousness which is according to faith.**” (Italics mine)

It would be a good idea to get by yourself and read Hebrews 11 prayerfully. It talks about real people. It is real people like these that He will protect. (Malachi 3:16-4:4 for example)

I close with this: Luke 21:34-36: “**And take heed to yourselves, lest at any time your hearts be overcharged with gluttony and drunkenness and the cares of this life, so that day will come upon you unawares, for as a snare shall it come upon all them that dwell on the face of the whole earth.**

Watch therefore, and pray always, that you may be accounted worthy to escape all these things that shall come to pass, and to stand before the Son of man”.

We have a King and a Kingdom coming. Rejoice!

Shalom with love,

Yedidah
