

## *Hear, O Yisrael: Our Elohim is One!*

And you shall love your Elohim with all your heart, and with all your being, and with all your might.

Mat 22:37-40

And He replied to him, You shall love Yahuweh your Elohim with all your heart and with all your soul and with all your mind (intellect). [*Deut. 6:5.*]

This is the great (most important, principal) and first commandment.

And a second is like it: You shall love your neighbor as [*you do*] yourself. [*Lev. 19:18.*]

These two commandments sum up and upon them depend all the Torah and the Prophets.

Joh 15:10-13

If you keep My commandments [*if you continue to obey My instructions*], you will abide in My love and live on in it, just as I have obeyed My Father's commandments and live on in His love.

I have told you these things, that My joy and delight may be in you, and that your joy and gladness may be of full measure and complete and overflowing.

This is My commandment: that you love one another [*just*] as I have loved you.

No one has greater love [*no one has shown stronger affection*] than to lay down (give up) his own life for his friends.

Food for thought...

We all feel so 'good' reading the above Scriptures. Unfortunately, we have no conception of how to keep the first and most important command because, we don't know what love is.

We don't know that love means obedience not all of that garbage of sentimentality in all our religious feelings and charitable doings like if we can earn points in the sight of our Maker for feeling or being "good" whatever!

And you wonder why we are in the mess we are in?

*What our role should be...*

## What should be our role?

These are incredible times. We have to ask what our role should be. What will we tell our grandchildren about what we did when there was a turning point in Jewish destiny, an opportunity to make a difference?

On my part, I, Thia, do not think I will have the opportunity to speak to my grandchildren about what I did when there was a turning point in Jewish destiny. Why?

Because, I know without the shadow of a doubt that the destiny of the chosen people of our Father Creator Yahuweh does not really depend on what I DID! For the world does not revolve around ME! The world revolves around the Almighty Yahuweh, the Elohim of Israel!

But, by all means! We have to ask what our role should be. What is my role?

My role is to keep the first and most important command from our Father Yahuweh and to teach it to my children and grandchildren and proclaim it over the whole world!

That's what my role is in these critical times we are passing through. And that is what my testimony is all about.

And that is, in the nut shell, what everybody's role should be! And that is what our testimonies should be! And that is what we should be teaching to our children and grandchildren and all the nations to do! For we have been given the great commission, Mat 28:19-20 Go then and make disciples of all the nations, teaching them to observe everything that I have commanded you, and behold, I am with you all the days (perpetually, uniformly, and on every

occasion), to the [very] close and consummation of the age. Amen (so let it be).

Unfortunately, we have gone all over the world teaching them everything we have learned from a corrupted system of religion, but, we have no conception of how to keep the first and most important command because, we don't even know what love is.

We don't even know that love means obedience not all of that garbage of sentimentality in all our religious and charitable doings like if we can earn points in the sight of our Maker for being "good" whatever! And you wonder why we are in the mess we are in?

For unless we learn what the first and most important command is all about and keep it and teach to others, we cannot, properly, take care of the task that each one of us are given to fulfill our Father/Creator's purpose for our lives (and of sinners, I am chief!)

Failure to keep the first and most important command is the reason why so many well intentioned and sincere individuals are stuck in their own efforts, begging for monetary support and many are extorting money or fleecing the sheep in lieu of doing the work that our Father/Creator has assigned to them.

What a pity! There is no faith in our midst because we do not keep the first and most important command. How can we when our concept of love and obedience is so mixed up?

How can we obey our Creator when we are so arrogant about our intellect and about our knowledge of good and evil?

How can we accept sound doctrine from our Father's Set Apart Spirit when we do not even know Who He is or how to seek and find Him?

Come, come smart ones! Do you think that you can outsmart the Almighty Creator of the whole Universe and impress Him with all your astounding knowledge of the Torah or the Word or the Bible or even the vast knowledge of all the universities of this civilized world in which we live in?

Where are the George Mueller--a man of faith. He built orphanages for hundreds of children in England, supported missionaries, supplied Bibles to the poor, taught the Word, and had millions of dollars flow through his hands, yet he was poor. He owned no man anything but love and never begged for a single donation? Oh the freedom in obeying Yahuweh's Word!

Let him who has ears hear what our Father Creator's Set Apart Spirit is saying to us all at this point of time in these critical days that we are living in!
